BE IT RESOLVED BY THE COMMITTEE ON RULES OF I MINA TRENTAI SAIS NA LIHESLATURAN GUAHAN:

WHEREAS, in 1914, Atkins Kroll established its operation on Guam to coordinate the growth of trade within the Pacific Islands; and in 1920, it began importing cars to the island. In 1974, the business and its subsidiaries in the Pacific region became part of the Inchcape Group; and the company's original office in San Francisco, California was closed in 1981 to focus its operations on the Guam-Micronesia region. Since then, Atkins Kroll has continued to grow and now with one hundred eighty (180) associates it is one of the market leaders on Guam; and as part of the Inchcape Group, Atkins Kroll Guam shares its goal to create incredible customer service for the world's best car brands; and

WHEREAS, Lexus began its journey in 1989 with two (2) luxury sedans and a commitment to pursue perfection. Atkins Kroll debuted the Lexus showroom to launch the brand at its Tamuning location in early 1991; and since then, Lexus has developed its lineup to meet global luxury customers' needs in more than ninety (90) countries. In the United States, Lexus vehicles are sold through two hundred forty-two (242) dealers, offering a full lineup of luxury vehicles; and Lexus is committed to being a visionary brand that anticipates the future for its customers; and

WHEREAS, Atkins Kroll took note of its market and recognized that most shoppers go online to browse before they consider a brand or a product, and it has worked toward delivering an excellent digital gateway to its Lexus model lineup; however, in order to continue to strive for the true value of Lexus ownership, which was the relationship that is built with personal interaction in the showrooms, and with the confidence in the consumer market on the island, Atkins Kroll moved forward with its plans for the Lexus Showcase; and

WHEREAS, despite the challenges that the COVID-19 pandemic presented, Atkins Kroll invested over \$1.3 Million Dollars in the remodeling project of the Lexus showroom as its commitment to introduce customers to a world-class automotive showcase experience. The goal for the Lexus brand has always been to create functionality delivered with elegance, sophistication, simplicity, and finesse; and transform a functional experience into an emotional connection. The Lexus Showcase design was inspired by the cars, which have a very geometric refinement of edges and a great sense of luxurious materials. Along with the Lexus Showcase is the introduction of the Lexus concierge who will greet customers, confirm appointments, and ensure a quality experience each time a customer visits the showroom; and

WHEREAS, Atkins Kroll has been committed to serving the people of Guam and assisting in the Pacific region's economic growth since its establishment on the island over one hundred (100) years ago; and it has spent the last three (3) decades giving excellent luxury customer service through its Lexus brand; now therefore, be it
