Motion

Nicole Calvo motioned to approve the minutes as read.

The motion was seconded by David Atienza.

Chairman Makio noted recent developments have occurred at the SHPO's office that have addressed this issue.

With no further discussion or objection to the amendment, the minutes were unanimously approved as amended.

3.0 OLD BUSINESS

3.1. Board Orientation

Joe Quinata reported another poll will be circulated asking Board members to provide two (2) best days available in the month of April to conduct the orientation.

Staff recommends a two (2) day orientation given the content and presenting in a virtual format instead of a face-to-face meeting.

The results of the poll will be reported once dates are confirmed.

4.0. COMMITTEE REPORTS

4.1. Budget & Finance Report

Refer to Report

-YTD Balance

Joe Quinata reported the current fund balance is \$1,731,239.81. A total of \$1,119,013.95 is obligated for approved grants and projects.

The remaining balance of \$612,225.86 is reserved for projects in queue.

Joe Quinata reported additional funding is needed to complete the repairs on the Cliff Property Unit. The contractor's initial quote included recommendations and the costs of \$4840.00 for bathroom repairs and replacement of fixtures. In hopes that the fixtures were salvageable, staff did not include this amount recommended for motion during the July 2020 Board of Directors meeting.

After the contractor began the repairs on the unit it was discovered the fixtures were not salvageable and the cost of bathroom repairs were warranted.

Staff requested Board's approval of an additional \$4840.00 to complete all repairs.

Motion

Dave Lotz motioned to approve and increase the original amount by \$4,840.00 for the repairs of the Cliff Property Unit.

The motion was seconded by Rebecca Duenas.

Chairman Makio opened the floor for discussion.

The Board discussed the initial quote, and compliance to procurement procedures.

With no further discussion, the motion passed by majority vote.

4.2. Architecture Committee Report

Refer to Report

George Flores House

Joe Quinata reported a meeting was held with architects Provido Tan Jones.

The historic structures report is in process and will soon be completed.

Benny San Nicolas & Rosario Houses

Joe Quinata reported the A&E plans are completed. The plans are under agency review to avoid delays in the bid process for construction.

Action

Chairman Makio requested the Project Summary Report reflect the current completion and estimated date of completion date of projects.

Staff will include in future Project Summary Reports.

Atantano Master Plan

Joe Quinata reported the draft Atantano Master Plan will be presented at the next Board meeting.

Chairman Makio reported stimulus funds will soon be made available. The best qualified and funding priorities would be directed to shovel ready projects.

In a letter addressed to Governor Lou Leon Guerrero, Joe Quinata proposed the FQ Sanchez facility as a shovel ready project for consideration of stimulus funding.

Chairman Makio encouraged staff review all potential GPT shovel ready projects to maximize the stimulus funding opportunity.

Action Recommendation was made for staff to organize a virtual meeting with archaeologists and include the GPT Board members to generate ideas.
