# HIGHLIGHTS / CHALLENGES/ OUTLOOK

## Highlights

- Continued services through COVID
- Executive Order 2020-26 enabled temporary certification for those unable to complete requirements due to unavailability of PRAXIS.
- Appointment of Executive Director in June 2020
- Closure of office location moved services to online access.
- GCEC Commissioners adopted and approved Standard Operating Procedures for Professional Certifications issued by the Commission as well as Extension of Certification Periods for certificates expiring under Emergency Conditions.
- The Guam Community College announced that beginning Fall 2020, students will be able to enroll in a Bachelor in Career & Technical Education. GCEC is in communication with GCC to determine how BCTE degree holders can obtain a professional teaching certification.
- Worked with the Guam Legislature and the Office of the Governor to secure adequate resources for the Commission's personnel costs.

## Challenges

- FY2021 Budget Act appropriates funds for personnel only. Operational costs will need to be addressed using other revenue sources.
- COVID-19 pandemic placed great restrictions on face-to-face service.
- Executive Director's position not filled until June 2020.
- Budgetary restriction limits GCEC's ability to become fully staffed to fulfill all of the commission's mandates.
- Teleworking and open communication to customers and responsibilities of work per COVID restrictions

## Outlook

- To resume normal operation as best as possible.
- Encourage non-GDOE educators to pursue certification
- Community outreach and training on the Educator Code of Ethics and Educator Misconduct
- Ensure that all educators are in compliance with Code of Ethics
- Address educator complaints
- Provide quality and efficient customer service
- Maintain a rigorous system of educator certification to ensure that all Guam educators are competent.
