Re: Reappointment of Attorney Janalynn C. Damian to the Board of Equalization (BOE/Board)

*Buenas yan Hafa Adai, Senator Perez.*

I write this letter to extend my support and endorsement of Attorney Damian's reappointment as a BOE member.

Attorney Damian currently serves as the BOE's secretary and thus has been instrumental in the taking and submitting of meeting minutes. She is professional and has proven to be an asset in providing invaluable service to the Board. Her reappointment is crucial to ensuring a quorum at the meetings and for voting on any issue to be valid.

As you are aware, recruitment for boards and commissions has been difficult. In light of this, I urge the committee to take swift, favorable action for the reappointment in order to ensure the smooth and continued operation of the BOE.

Sincerely,

Marie P. Lizama  
Acting Director

#### II. SUMMARY OF TESTIMONY AND DISCUSSION

The public hearing was Called-to-Order at 3:30 p.m.

**Senator Sabina Flores Perez, Chairperson:** And so, we are going to move on to the next item of the agenda, which is to hear testimony on the executive reappointment of Ms. Janalynn C. Damian to serve as a member on the Guam Board of Equalization for a term of four years from August 29th, 2023, to August 27th, 2027.

The Guam Board of Equalization serves as an important role for our island by overseeing the certification of roles, where the Secretary of the Board, shall certify every year to the tax collector on or before October 31st of that year and the Secretary of the Board shall deposit all records relating to the role of the assessor. No assessment shall be reduced unless either the person assessed or his agent files with the Board a written application showing the facts claimed to warrant a reduction or the assessor recommends in writing that a reduction be made. So, the importance of this board is they have to certify the rolls prior to property taxes being rolled out. And additionally, they serve as an appeals board for any unresolved issues with the Department of Revenue and Taxation.

We did send out invitations to the Director of Revenue and Taxation. So, the Acting Director did send us a written testimony in support of the nominee. It states that Attorney Damian currently serves as a Secretary of the Board of Equalization and has been instrumental in taking and submitting the meeting minutes. She's professional and has proven to be an asset in providing invaluable service to the Board. Her reappointment is crucial to ensuring the quorum at meetings and for voting on issues.

Recruitment for boards and commissions has been difficult. In light of this, I urge the committee to take swift, favorable action for the reappointment in order to ensure smooth continued operation of the Board of Equalization. This is from Acting Director Marie Lizama.

Now we'd like to open up testimony. We'll start with Attorney Ecube and then the nominee herself. Good afternoon, and you're recognized, Attorney Ecube.

**Cynthia V. Ecube**, *Attorney: Buenas and Håfa adai*, Chairwoman Perez, and to Senators Quinata, Barnett, and Senator Taitague, and to the remaining Committee on the Environment, Revenue and Taxation, Labor, Procurement, Statistics, Research, and Planning. I think many of you know me as Cynthia Ecube. I'm commonly known by many of my colleagues and those in the law as Ecube and family. And I currently serve as Chairman of the Board of Equalization. I am pleased to appear before this legislative body today to provide testimony in support of my colleague, Attorney Janalynn Cruz Damian, to serve again as a member for the Board of Equalization.

I've known Jan for over a decade, as a result of our professional relationship as attorneys with the Guam Bar Association. Jan's legal practice focuses primarily on both commercial and governmental matters, to include lending and financial institutions, acquisitions, corporate governance, registration licensing and regulatory compliance, real estate, government contracts, procurement, and regulations. So, she's got a very extensive background in this area of the law and her understanding of these different areas, related to what I've just mentioned. Jan is a highly competent, conscientious, and diligent individual. She's served with our Board for the past term and has provided both instrumental and invaluable service to our Board. I am confident that upon her re-confirmation, she will continue to contribute her vast knowledge, experience, and expertise to the Board of Equalization that will truly benefit the best interests of the people of Guam. I am requesting again your favorable consideration of Ms. Janalynn Cruz Damian to serve as a member of the Board of Equalization.

If you have any questions concerning the testimony I've presented today, I'm happy to answer any of those. And so, I would, as the Acting director of the Department of Revenue Taxation indicated, we would certainly ask your support for swift confirmation. Without her, we would not be able to move forward on some really important issues and I'm fortunate that she was able to be with us during last month for the review and approval of the tax roll. And that's very critical to this community. Thank you.

**Chairperson Perez:** Thank you, Attorney Ecube. So now I'd like to recognize the nominee herself for her testimony.

**Attorney Damian, Nominee:** Thank you, Chairwoman Perez. Good afternoon and *Håfa adai*, Senators. As everyone knows, my name is Janalynn Damian, and I was appointed to serve on the Board of Equalization by Governor Leon Guerrero. My appointment was originally confirmed by the 35th Guam legislature back in 2020, right in the middle of COVID. My last testimony was given online. It's my first time appearing in person here. But I accepted Governor Leon Guerrero's request that I continue to serve on the board, and I humbly seek your support of my reappointment.

As Chairwoman Perez mentioned, the Board of Equalization serves the important function of certifying the tax roll every year. We just completed that last month. This is important for determining the government's debt ceiling. The Board also reviews taxpayer applications for adjustments to their property tax assessments, and although I personally have not yet had the experience of addressing any taxpayer applications for adjustment, I have approached my work on the Board ethically and deliberately guided by applicable laws and regulations.

I am committed to using my knowledge and experience gained during my 20 plus years as a lawyer, as I serve on the Board. I'm keeping my remarks brief. So, I would just like to thank Governor Leon Guerrero and Lieutenant Governor Tenorio for their continued confidence in my ability to serve on the board. And thank you again, Madam Chair and Senators, for allowing me to provide this testimony, and I ask for your support so I may continue to provide this important public service. Thank you.

**Chairperson Perez:** *Si Yu'os ma'åse'*, Attorney Damian for your continued acceptance of this nomination. And it seems like your role is really critical to maintaining the function of this Board. So, we really appreciate that. I did speak with you before, and I just want to reiterate some questions. As far as conflict of interest, do you have any conflict of interest in serving this position?

**Attorney Damian, Nominee:** No, as of right now, I do not. I think that the conflict usually arises when we're going to address maybe individual applications for adjustment. And at that time, as I do in my daily work, I would assess who the applicant is and see if there's any basis why I cannot sit on or hear their application for adjustment, but that hasn't come up so far during my term.

**Chairperson Perez:** In your packet, you list something you have interest in the following business. Can you explain what that business does?

**Attorney Damian, Nominee:** Yeah. So, my husband and I own a Jiu-jitsu Academy. And that's that business, it's just a small business right here in Agana. So, it doesn't have any business with the Board of Equalization, so it doesn't own any real property, but that's a Jiu-jitsu academy.

**Chairperson Perez:** Okay, thank you for that clarification. And as far as attendance, how would you rate your attendance on the board meetings?

**Attorney Damian, Nominee:** Perfect. Perfect attendance.

**Chairperson Perez:** That's what we like to hear. Okay, great. And as far as appeals, have there been any appeals before the board?

**Attorney Damian, Nominee:** Nothing, I take that back. There are appeals pending. I haven't been on that long. It's only been since 2020, but I know that when there was the island-wide appraisal done back, I think in 2014, there were thousands of appeals filed by taxpayers seeking adjustments, and I think through the work of the Real Property Division and the leadership of our Chairwoman, they were able to really reduce that amount to maybe 30 to 40 that are pending. And so, we just, in our meeting last month, the staff is going through those applications because we really want to get them resolved as soon as possible. A lot of them, and I think most of them, just didn't submit complete applications that have the supporting documents that would justify an adjustment of their tax. So, the staff is taking care of following up on that and then we plan to meet on that come in the new year to address those appeals.

**Chairperson Perez:** Great. And I know we're due for another evaluation, I believe.

**Attorney Damian, Nominee:** Yes. And we obviously don't have oversight over that process, but I know in speaking to Deputy Director Lizama, that they're going through that process. Obviously, I don't know if there's funding issues and the procurement process that's involved in that, but they have told us that they're working on that now. It is supposed to be every five years.

**Chairperson Perez:** You're not involved in the procurement of that, are you?

**Attorney Damian, Nominee:** No.

**Chairperson Perez:** Thank you again for your acceptance and I look forward to your confirmation.

**Attorney Damian, Nominee:** Thank you.

**Chairperson Perez:** I do want to open it up to my colleagues for any questions or comments Senator Taitague, you're recognized.

**Senator Telo T. Taitague, Committee Member:** Thank you, Madam Chair. Good afternoon. First and foremost, if you got a thumbs up by Ecube. You got a thumbs up with me. I've known her forever and I know she has great high standards for many people, and she surrounds herself with smart people. So, I definitely respect her opinion on it. I've known her for years and I'm sure you're doing an excellent job knowing that you've gone to every meeting but for the public, a lot of people don't understand what your role is, exactly what you do. So, can you explain exactly what you do on this board?

**Attorney Damian, Nominee:** Sure.

**Senator Taitague:** Are you still secretary, right? Are you still a secretary?

**Attorney Damian, Nominee:** Yes.

**Senator Taitague:** I remember you were nominated in 2020 as a secretary, and you will still stay on as a secretary, right?

**Attorney Damian, Nominee:** Yes.

**Senator Taitague:** Okay. So not just the secretary's role, but the board's role.

**Attorney Damian, Nominee:** Okay.

**Senator Taitague:** What they do for the community.

**Attorney Damian, Nominee:** Sure. Sure. Everybody who owns property knows about their real property taxes. And when an appraisal is done, the government assesses a tax based on a percentage of the value of the property. And when that's done, it's put in a roll or a list of property lot numbers with the appraised value and the assessed value and what they have to pay.

And so, the Real Property Tax Division and Department of Revenue Taxation presents that to the board for review and approval so that it's issued and then the tax bills can go out based upon the tax roll. And if there are any adjustments that need to be made to the tax value of a property, then taxpayers are able to file appeals requesting a downward adjustment, because, let's say something wasn't considered properly when the appraisal was done by the government. Those are then presented to us, and we assess whether it's justified and an adjustment needs to be made to the tax roll.

**Senator Taitague:** Okay, is anybody that sits on your Board that has the expertise for appraisals?

**Attorney Damian, Nominee:** No, we do not. And I haven't yet sat through an appeal, but I believe the appraiser, who did the island-wide appraisal that the tax is based upon, comes in before the Board and justifies the appraised value that was reported to DRT. The taxpayer also typically would bring in, if they're challenging the value, they would bring in their own appraisal. And so, we would just listen to both sides and figure out whether an adjustment needs to be made, but maybe Chairwoman...

**Attorney Ecube:** Yes, first of all, I totally appreciate Jan. I tell her, I love her all the time, except that she went to Notre Dame. That always bums me out, but other than that, she's been fantastic on our Board. So, Ms. Damian came right around 2020. So, as she pointed out in 2014, which was a very unique thing, and I'm glad they did it, and again, it's a result of the lawsuits that have happened prior to that, was to determine what the value of the properties are in Guam. And at that time, the Department of Revenue and Taxation accepted an award and then awarded the evaluation of the assessment, appraisal assessment to Cornerstone. As Attorney Damian pointed out in 2014,

we had over a thousand plus appeals. And so, what's happened in that particular situation is, and I believe I've had this discussion with Senator Perez a few years ago, was Cornerstone would make the evaluations of the appraisers, and then they would provide that information to DRT. DRT loads it up, and then sends it out to us to determine that these are going to be the assessments and that we would like approval for the tax roll.

So, when there's an appeal that occurs, what we've asked is to please have Cornerstone come in, and at that time that would be Siska Hutapea, to come in and represent the Department of Revenue and Taxation. So, in response to your question, Senator Taitague, nobody per se at the Department of Revenue and Taxation testifies. It would be their representative through the contract. And, in my situation, I've been through many appeals, we've resolved a lot of it, and in that particular case, there were some that we needed to resolve. We asked Ms. Hutapea to come in. We invited those who have satisfactorily provided all the documentation as required under the application process.

And she's made her presentation as to why it is that the Department of Revenue and Taxation came up with this number, and typically in my experience, unless a lot of these applicants have their own appraisers, I've had it before, where they've actually brought in appraisers like Micronesian Appraiser, Siska Hutapea, in the past, come in and testify, but in this particular case, if they cannot bring in any kind of justification as to why there should be an adjustment, the Board is satisfied with what Ms. Hutapea has presented. Oftentimes, we would either deny their application or approve it, if there is reasonable justification to reduce it.

But I recall in my prior years serving on the Board, I'm told by the Board chairs that our goal is really not to try to reduce everything because this really benefits the government. We want to collect the funds that are due to the government of Guam as a result of these tax assessments. Again, as Ms. Damian pointed out, we really look at the applications. I ask the DRT to really look at it and determine if there are any technical issues that we need to look at first before it comes to the Board, and the people that I've asked to be present would be the appraiser.

And it doesn't necessarily mean that the applicant needs to bring in their own, but they need some justification. I'll give you an example. We had an older gentleman that came in, and he did his research. He did not bring an appraiser, but he had a landlocked area. He looked at other adjoining properties and said, my tax assessment is higher, and he brought in all the information and showed, this is landlocked, this is what they did. And as a Board, we couldn't not deny him because he was right. He brought in the information and DRT said he was correct. So, he was able to successfully argue an adjustment just on his own, because he really studied the different adjoining properties, and their tax assessment and DRT agreed it is true.

So that's in that respect what we do is we really want to heavily rely on the experts that DRT, once they're funded, to bring in and not only do the assessment, but come before the Board, because DRT staff, they're not going to know how to argue this. And as a Board, we need to review and be, to make a determination as a Board whether or not we should approve the adjustment or not. I hope that answers this question.

**Senator Taitague:** Oh no, it did more. You provided a lot of information. Everybody knows what your office does. Thank you so much for that. Because many times I get constituents texting. So,

what do they really do as a Board? The only thing else I have to say is that it's important, especially for me when I want to review the agenda as well as the minutes of the meeting. Either one of you, if you could look at, when you get a chance update what is posted on the [guamtax.com](http://guamtax.com), Rev and Tax, because right now I'm only showing... now you meet only once a year, correct? Once a year? Depending.

**Attorney Damian, Nominee:** Typically, we need to meet at least once a year.

**Attorney Ecube:** At a minimum, once a year. Okay, but under the code, I believe there's twice in September, once in October, and so there are other times that we should meet, but the real critical part would be the October 30th date, which is when we are presented with the documentation to review and approve the tax rolls so that we can go out.

**Senator Taitague:** So, I'm reviewing the agenda and the minutes for 2022. Last one was October 28th, 2022. I'm not really seeing the minutes at all here. They're lacking the minutes. Then you go to the agenda on minutes for 2021. When you open that, it looks like it's missing documents as well. It's important to make sure that it's very transparent and that the people of Guam can see exactly what's been going on. And just like that gentleman that you gave an example of doing his own research, this is part of those people who don't want to get an appraiser or an attorney, they don't have the means. And this is where they can find the information and study it, so please, can you look into that to make sure it's updated on the website. And I wish you the very best again, with Ecube's endorsement, I've known her for years. I'm just meeting you. I'm sure you bring a smile to her face, so that's got to say a whole lot.

**Attorney Damian, Nominee:** Thank you, Senator.

**Senator Taitague:** I thank you again so much for stepping up to the plate. Thank you, Madam Chair.

**Chairperson Perez:** Thank you, Senator Taitague. Senator Barnett.

**Senator Chris Barnett, Committee Member:** Thank you, Madam Chair. Also, I want to thank my colleague, Senator Taitague for asking you to explain what the Board of Equalization actually does because if she didn't ask that question, I was going to say for the viewing public, can you explain what the Board of Equalization does?

Thank you for making it very succinct and easy to understand. I know you mentioned that you're a co-owner of a jiu-jitsu dojo with your husband? Yes. And so, I would just ask that you remember the principles of jiu-jitsu, it's a martial art that is heralded because it allows for a smaller opponent to deal with a bigger opponent. And so, I would just ask that in exchange for my vote of support, you continue to stick up for the little folks.

**Attorney Damian, Nominee:** Sure. Thank you. Yes.

**Senator Barnett:** Thank you, Madam Chair.

**Chairperson Perez:** Okay. Thank you. Senator Quinata, do you have any comments or questions for the panel?

**Senator Roy A.B. Quinata, Legislative Member:** No. Congratulations. I wish you all the best. You're being reappointed. So that means the administration trusts you and if they trust you, then I'm all in. Ms. Ecube supporting you, that's good. Having an attorney support you, that means this is the best time to be supported, right? Other than them being in court. You shouldn't have an attorney next to you in any capacity. Unless you're being indicted or something, right? This is a good time and just wishing you the best. My office stands ready to support you if anything.

**Attorney Damian, Nominee:** Thank you, Senator.

**Chairperson Perez:** Thank you so much for your testimony here today. And we look forward to your confirmation and hopefully soon. So, if there are no further testimonies or comments, the nomination for Ms. Janalynn C. Damian has been duly heard.

**Attorney Damian, Nominee:** Thank you.

**Chairperson Perez:** Thank you so much. The committee will continue to receive testimony until 4 p. m. Friday, November 17<sup>th</sup>.
