2015 (FIRST) Regular Session

Bill No. 84-33 (COR)

Introduced by:

J. T. Won Pat, Ed.D. 

**AN ACT TO TRANSFER THE WASTE WATER
PUMPS LOCATED ON THE SCHOOL GROUNDS
OF SOUTHERN HIGH SCHOOL AND LUIS P.
UNTALAN MIDDLE SCHOOL TO THE GUAM
WATERWORKS AUTHORITY.**

2015 APR 24 PM 12:35

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds that
3 the Guam Department of Education (GDOE) has historically struggled with issues
4 associated with the waste water pump station located on the premises of Southern
5 High School in Santa Rita and Luis P. Untalan Middle School in Barrigada.

6 *I Liheslaturan Guåhan* further finds that throughout the years sewage is
7 persistently overflowing at the waste water pump station at Southern High School
8 thereby causing GDOE to contract the professional services of private entities pump to
9 out the sewage so that it may not pose a health threat or otherwise compromise the
10 learning and working environment of students, faculty, and staff at Southern High
11 School.

12 *I Liheslaturan Guåhan* further finds that GDOE does not have the human,
13 mechanical, or financial resources available to manage, maintain, or otherwise service
14 waste water pumps. However, it is further determined that a power of the Guam

1 Waterworks Authority, as defined in Chapter 14 of Title 12, Guam Code Annotated, is
2 to collect, treat and dispose of waste water on Guam.

3 Therefore, it is the intent of *I Liheslaturan Guåhan* to assign the responsibility
4 of managing and maintaining the waste water pumps located on the school grounds of
5 Southern High School and Luis P. Untalan Middle School to the Guam Waterworks
6 Authority in order that GDOE may focus on its core business of educating the children
7 of Guam.

8 **Section 2. Transfer of Waste Water Pumps located on the School**
9 **Grounds of Southern High School and Luis P. Untalan Middle School.** Waste
10 water pumps located on the school grounds of Southern High School and Luis P.
11 Untalan Middle School operated and maintained by the Guam Department of
12 Education is hereby transferred to the Guam Waterworks Authority. The Guam
13 Waterworks Authority *shall* control, operate, improve, equip, maintain, repair, renew,
14 replace, reconstruct, alter and redesign said waste water pumps.
