Relative to recognizing and commending Lieutenant Jonathan D. Wildi for his dedication and selfless service in caring for the medical needs of the military personnel and civilians at the U.S. Naval Hospital Guam; and to further extending *Un Dångkolo Na Si Yu'os Ma'åse'* to him for his support and vast exemplary contributions to the military community and the people of Guam.

1 **BE IT RESOLVED BY THE COMMITTEE ON RULES OF I**
2 ***MINA'TRENTAI TRES NA LIHESLATURAN GUÅHAN:***

3 **WHEREAS,** Lieutenant Jonathan Douglas Wildi is married to Evelyn Wildi, a
4 new mother, who has a bachelor's degree in nursing and a background in clinical

1 research; and together they have a daughter, Stella, who was born at the U.S. Naval
2 Hospital Guam; and

3 **WHEREAS**, Lieutenant Wildi attended the Oregon Health and Science
4 University in Portland, Oregon, in 2006. He was a member of the Junior Alpha
5 Omega, and an Alpha member; and he received a scholarship through the U.S. Navy
6 branch of the Health Professions Scholarship Program, where in June 2010 had his
7 anticipated M.D. degree; and

8 **WHEREAS**, Lieutenant Wildi is a member of the Oregon Medical Association;
9 and he was selected as the fourth (4th) year Student Trustee, and surveyed third (3rd)
10 year medical students regarding debt and the possible impact of Senate Bill 12, which
11 would provide tax rebates to physicians who served in underserved areas of Oregon, a
12 project featured in the Portland Physician Scribe. He served twice on the Reference
13 Committee, which prepares floor discussions for formal motions; and he attended and
14 is a voting delegate in all but one (1) meeting, and had organized medical student
15 recruiting events; and

16 **WHEREAS**, Lieutenant Wildi was a Class Senator in which he assisted in
17 allocating funds to classmates utilizing parliamentary procedures; and he served as a
18 Senate President during his second (2nd) year, and created a system for students to
19 request funds directly from the Dean's Office; and he led in the revision of the Sage
20 Handbook for the Class of 2011; and

21 **WHEREAS**, Lieutenant Wildi is also a member of the American Medical
22 Association, the American College of Physicians, and the American Academy of
23 Family Physicians; and

24 **WHEREAS**, Lieutenant Wildi organized primary data, created tables, and did a
25 Phase 1 study of docetaxel and bexaotene. Chemotherapy, 2008; 54(@):125-30, and
26 he wrote an article with the supervision of Dr. Govindan labeled Wildi JD, Baggstrom

1 MQ, Suresh R et al; and he was also part of Phase 1 and the pharmacokinetic study of
2 weekly docosahexaenoic acid-paclitaxel, taxoprexin, in resistant solid tumor
3 malignancies. Cancer Chermother Pharmacol, 2009;63(3):451-8; and he was a
4 Researcher at the Mind Brain Institute in the summer of 2003-2004 in Baltimore,
5 Maryland; and

6 **WHEREAS**, in June of 2005 through July of 2006, Lieutenant Wildi worked as
7 a Clinical Research Associate at the Washington University. While serving there he
8 consented patients, assessed patient toxicities, scheduled treatment, filled orders, and
9 completed data. He gained experience in pharmaceutical, cooperative group, and
10 institutionally run trails; and

11 **WHEREAS**, Lieutenant Wildi did his Residency in Family Medicine at the
12 U.S. Naval Hospital, Bremerton in July of 2010 until June of 2013; and he served as
13 Chief Resident in his final year; and

14 **WHEREAS**, Lieutenant Wildi has distinguished himself through exceptional
15 meritorious service while serving as a Family Physician and Department Head at the
16 Branch Medical Clinic of the U.S. Naval Hospital, Guam from July 2013 until July of
17 2016; and the U.S. Naval Hospital was his first duty station. During his time here, he
18 displayed leadership and clinical skills that greatly contributed to the overall success
19 of the Command's mission; and

20 **WHEREAS**, Lieutenant Wildi managed twenty-one (21) staff members as
21 Department Head of a remote, high-volume and high acuity outpatient clinic, with an
22 annual throughput of approximately eight thousand (8,000) outpatient encounters and
23 eight thousand (8,000) telephone consultants. He managed multiple Medical
24 Homeport business metrics, including HEDIS composite score, access to care,
25 decreased Emergency Department utilization, and provider continuity; and

1 **WHEREAS**, Lieutenant Wildi maximized the utilization of the Branch Medical
2 Clinic at the command; and the Branch Medical Clinic encounters increased by eight
3 and a half percent (8.5%) in the two (2) years he served as Department Head when
4 compared to the year prior to his leadership promotion; and

5 **WHEREAS**, Lieutenant Wildi thrived as a full spectrum Family Physician in a
6 challenging remote OCONUS billet. The breadth of care included delivering over fifty
7 (50) newborns, managing over two hundred (200) patients on the inpatient medicine
8 service, and managing a challenging outpatient panel with over six thousand (6000)
9 total visits. He took ownership of his patients through performing procedures, to
10 include IUD/Nexplanon insertion, corticosteroid injections of medium/large joints,
11 and skin biopsies; and

12 **WHEREAS**, Lieutenant Wildi served as impromptu Officer in Charge of
13 Building 6 in which the Branch Medical Clinic resides, coordinating the operations of
14 Family Medicine, Optometry, Preventive Medicine, Radiology, and Laboratory; and
15 facilitating a half million dollars of “Beautification Projects” for these departments;
16 and

17 **WHEREAS**, Lieutenant Wildi executed a department-wide increase in cervical
18 cancer screening from seventy-eight percent (78%) to eighty-three percent (83%) in
19 over six (6) months, which improved U.S. Naval Hospital Guam’s ranking to the
20 (90th) percentile in Navy Medicine; and

21 **WHEREAS**, Lieutenant Wildi designed and implemented a Nurse-run
22 Hypertension Clinic, an Upper Respiratory Tract Infection Triage Clinic, and a
23 Urinary Tract Infection/Vaginitis Triage Clinic, that resulted in an estimated increased
24 provider appointment availability of ten percent (10%), with increased utility and
25 benefit during times of limited access, namely PCS season; and

1 **WHEREAS**, in conjunction with the Family Medicine Department, Lieutenant
2 Wildi implemented a surrogate PCM infrastructure for non-enrolled patients in the
3 Branch Medical Clinic, promoting quality care and continuity of care and an estimated
4 cost avoidance of Five Hundred Eighty Thousand Dollars (\$580,000) in purchased
5 healthcare costs throughout the Family Medicine Departments, totaling five thousand
6 eight hundred (5,800) encounters. He maximized resources by coordinating with the
7 laboratory to convert the BMC Lab into a Phlebotomy Center that was subsequently
8 staffed by BMC corpsmen, resulting in One Hundred Thousand Dollars (\$100,000) in
9 annual future savings. He introduced critical point of care testing to Branch Medical
10 Clinic, including microscopy, urinalysis, and rapid flu; and

11 **WHEREAS**, Lieutenant Wildi has also exemplified a commitment to being a
12 leader within the Command. He served as the Independent Duty Corpsman Program
13 Director, overseeing the training and patient care of ten (10) IDCs. He provided
14 annual updates to the ESC three (3) times, and he advanced the program through
15 teaching opportunities with the ER, Dermatology, Orthopedics, General Surgery, and
16 Urology Departments; and successfully passed the 2016 MEDIG inspection. He
17 modernized the IDC formulary in coordination with the Pharmacy Department; and
18 assisted the Command in a successful brief to Rear Admiral Gillingham in 2016. He
19 personally oversaw the development of three (3) IDCs as Physician Supervisor,
20 including one (1) IDC that was newly minted from IDC school; and he was able to
21 nominate one (1) IDC for “IDC of the Year”; and

22 **WHEREAS**, Lieutenant Wildi incorporated the Physical Exams Department
23 into the Branch Medical Clinic using Family Medicine personnel, ensuring that the
24 U.S. Naval Hospital Guam continued to function as a Military Entrance Processing
25 Station, and provide readiness services to U.S. Naval Hospital Guam and tenant

1 commands, resulting in ninety-six percent (96%) and ninety percent (90%) readiness,
2 respectively; and

3 **WHEREAS**, Lieutenant Wildi successfully added Nexplanon contraceptive to
4 the U.S. Naval Hospital Guam formulary. He served as the Family Medicine
5 representative for the Essentris inpatient medical record and ensured the smooth
6 transition to an upgraded system in 2015. He excelled as the Branch Medical Clinic
7 ACFL for one and a half (1.5) years, leading departmental PT once per week during
8 that time and managing one (1) officer on FEP; and

9 **WHEREAS**, Lieutenant Wildi empowered the growth and success of his peers
10 while sharing the Branch Medical Clinic manpower. He is a team player and model
11 officer in his service to the U.S. Navy. As an IDC Program Director, he assisted tenant
12 commands through resource sharing of IDCs when they were in need, resulting in four
13 (4) TAD opportunities. He also cared for the U.S.S. Frank Cable shore duty sailors
14 when the ship was underway and coordinated the transition of care of the Frank Cable
15 pregnancies from the Obstetric Department to the Branch Medical Clinic. He
16 personally supervised the development of the newly graduated Nurse Practitioner,
17 ensuring appropriate levels of responsibility and proper credentialing at U.S. Naval
18 Hospital Guam. He regularly provided clinical guidance to the IDCs and two (2) mid-
19 level providers at the Branch Medical Clinic; and

20 **WHEREAS**, Lieutenant Wildi has also volunteered his time serving in
21 numerous organizations, both stateside and on Guam, to include: Arts-As-Healing in
22 Saint Louis, Missouri; Member of Habitat for Humanity; and ER Volunteer at Saint
23 Joseph's Hospital, and secretarial work with Shepard's Clinic all in Baltimore,
24 Maryland. He is a member of the Guam Triathlon Federation, and he won the Guam
25 National Triathlon in 2015. He is a member of the Guam Water Polo Club and
26 represented Guam in a Hong Kong Polo Tournament in August of 2015; and

1 **WHEREAS**, among the many interests and activities that Lieutenant Wildi
2 enjoyed during his time on the island, he will miss the southern end of the island the
3 most, to include spearfishing and making parrot fish *kelaguen*; now therefore, be it

4 **RESOLVED**, that the Committee on Rules of *I Mina'Trentai Tres Na*
5 *Liheslaturan Guåhan* does hereby, on behalf of *I Liheslaturan Guåhan* and the people
6 of Guam, recognize and commend Lieutenant Jonathan D. Wildi for his dedication
7 and selfless service in caring for the medical needs of the military personnel and
8 civilians at the U.S. Naval Hospital Guam; and does further extend *Un Dångkolo Na*
9 *Si Yu'os Ma'åse'* to him for his support and vast exemplary contributions to the
10 military community and the people of Guam; and be it further

11 **RESOLVED**, that the Speaker and the Chairperson of the Committee on Rules
12 certify, and the Legislative Secretary attest to, the adoption hereof, and that copies of
13 the same be thereafter transmitted to Lieutenant Jonathan D. Wildi; to the Commander
14 of the U.S. Naval Hospital, Guam; and to the Honorable Edward J.B. Calvo, *I*
15 *Maga'låhen Guåhan*.

**DULY AND REGULARLY ADOPTED BY THE COMMITTEE ON RULES OF
