Relative to recognizing and commending the Engineers, Architects, and Land Surveyors of our island community on the celebration of "Engineers, Architects, and Land Surveyors Week" from February 18 through February 24, 2018, with this year's theme: "Engineers: Inspiring Wonder: Celebrate. Volunteer. Connect."; and to further expressing *Un Dangkolo Na Si Yu'os Ma'åse'* to them for making a difference in our world and improving the quality of life for all our citizens, and for their tremendous contributions to the local community, industry, and society as a whole.

BE IT RESOLVED BY I MINA TRENTAI KUÁTTRO NA LIHESLATURAN GUÅHAN:

WHEREAS, the principles and practices of Engineering, Architecture, and Land Surveying (EALS) have served mankind in its creation of social, cultural, and economic systems through a disciplined approach to physical developments for over two thousand (2,000) years; and

WHEREAS, Engineers, Architects, and Land Surveyors contributed greatly to the rebuilding of our island after World War II. Their expertise can be seen in many homes, school buildings, newly-constructed roads, water and power lines servicing our homes, and the military facilities constructed to protect our community; and

WHEREAS, our Pacific island paradise has been greatly transformed since the time our ancestors lived in *latte*-supported huts and built the fastest *proas* in the world. History books tell us tales of the structures built by our ancestors, and about the dexterity of the ancient *Chamorro* people; and

WHEREAS, now in the twenty-first (21st) century, we see the ingenuity and creativity in the work of Guam's Engineers, Architects, and Land Surveyors; and, the use of their power of creativity, imagination, mathematics, science, and technology to enhance the quality of life, help build better communities, and promote culture through historical preservation; and

WHEREAS, it is the result of countless hours of work by dedicated private-sector, government, and military Engineers, Architects, and Land Surveyors that has led to the enhanced quality of life we enjoy every day; and

WHEREAS, during the celebration of "EALS Week," the social impact of this event increases public dialogue about the need for the expertise of our Engineers, Architects, and Land Surveyors; spreading education to youth, educators, and parents; and being the catalyst that sparks organizations and volunteers to make a difference by engaging students in engineering, architecture, and land surveying, and celebrating the profession; and

WHEREAS, "EALS Week" also promotes the values of good design and work within the community, and the allied professionals that create a safer, more sustainable environment, as well as maintain the rich heritage of the island; and

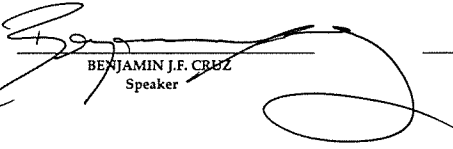

WHEREAS, EALS provide services and products that touch many aspects of life including the health, welfare, and safety of Guam's citizens for a better future; help to turn ideas into reality; design the built environment from concept to completion; and help to support the President's and Governor's vision of improving our island's students in the fields of Science, Technology, Engineering, and Mathematics, also known as STEM; and

WHEREAS, "EALS Week" is an annual event to help bring awareness to the work and contributions of our nation's Engineers, Architects, and Land Surveyors. Guam's "EALS Week" is filled with many activities for adults and youth in our island community, helping to advance the image of engineering by getting them involved; now therefore, be it

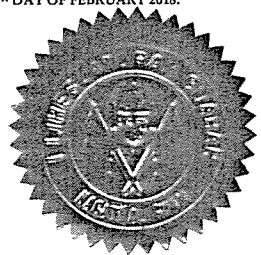

RESOLVED, that I *Mina Trentai Kuáttro Na Liheslaturan Guåhan* does hereby, on behalf of the people of Guam, recognize and commend the Engineers, Architects, and Land Surveyors of our island community on the celebration of "Engineers, Architects, and Land Surveyors Week" from February 18 through February 24, 2018, with this year's theme: "Engineers: Inspiring Wonder: Celebrate. Volunteer. Connect."; and does further express *Un Dangkolo Na Si Yu'os Ma'åse'* to them for making a difference in our world and improving the quality of life for all our citizens, and for their tremendous contributions in the local community, industry, and society as a whole; and be it further

RESOLVED, that the Speaker certify, and the Legislative Secretary attest to, the adoption hereof, and that copies of the same be thereafter transmitted to Brent L. Wiese, President, American Institute of Architects Guam & Micronesia Chapter, and Chairman, Guam Building Code Council (GBCC); to Gabriel Jugo, Chairman, Professional Engineers, Architects, and Land Surveyors (Guam PEALS); to Miguel Bordallo, President, Guam Society of Professional Engineers (GSPE); to John Robertson, Society of American Military Engineers (SAME) - Guam Post; and to the Honorable Edward J.B. Calvo, I *Maga'låhen Guåhan*.

DULY AND REGULARLY ADOPTED BY I MINA TRENTAI KUÁTTRO NA LIHESLATURAN GUÅHAN ON THE 19TH DAY OF FEBRUARY 2018.

Relative to recognizing and commending the Engineers, Architects, and Land Surveyors of our island community on the celebration of “*Engineers, Architects, and Land Surveyors Week*” from February 18 through February 24, 2018, with this year’s theme: “*Engineers: Inspiring Wonder: Celebrate. Volunteer. Connect.*”; and to further expressing *Un Dångkolo Na Si Yu'os Ma'åse'* to them for making a difference in our world and improving the quality of life for all our citizens, and for their tremendous contributions to the local community, industry, and society as a whole.

1 **BE IT RESOLVED BY *I MINA'TRENTAI KUÁTTRO NA***
2 ***LIHESLATURAN GUÁHAN:***

3 **WHEREAS,** the principles and practices of Engineering, Architecture, and Land
4 Surveying (EALS) have served mankind in its creation of social, cultural, and economic

1 systems through a disciplined approach to physical developments for over two thousand
2 (2,000) years; and

3 **WHEREAS**, Engineers, Architects, and Land Surveyors contributed greatly to
4 the rebuilding of our island after World War II. Their expertise can be seen in many
5 homes, school buildings, newly-constructed roads, water and power lines servicing our
6 homes, and the military facilities constructed to protect our community; and

7 **WHEREAS**, our Pacific island paradise has been greatly transformed since the
8 time our ancestors lived in *latte*-supported huts and built the fastest *proas* in the world.
9 History books tell us tales of the structures built by our ancestors, and about the
10 dexterity of the ancient *Chamorro* people; and

11 **WHEREAS**, now in the twenty-first (21st) century, we see the ingenuity and
12 creativity in the work of Guam’s Engineers, Architects, and Land Surveyors; and, the
13 use of their power of creativity, imagination, mathematics, science, and technology to
14 enhance the quality of life, help build better communities, and promote culture through
15 historical preservation; and

16 **WHEREAS**, it is the result of countless hours of work by dedicated private-
17 sector, government, and military Engineers, Architects, and Land Surveyors that has
18 led to the enhanced quality of life we enjoy every day; and

19 **WHEREAS**, during the celebration of “EALS Week,” the social impact of this
20 event increases public dialogue about the need for the expertise of our Engineers,
21 Architects, and Land Surveyors; spreading education to youth, educators, and parents;
22 and being the catalyst that sparks organizations and volunteers to make a difference by
23 engaging students in engineering, architecture, and land surveying, and celebrating the
24 profession; and

1 **WHEREAS**, “EALS Week” also promotes the values of good design and work
2 within the community, and the allied professionals that create a safer, more sustainable
3 environment, as well as maintain the rich heritage of the island; and

4 **WHEREAS**, EALS provide services and products that touch many aspects of
5 life including the health, welfare, and safety of Guam’s citizens for a better future; help
6 to turn ideas into reality; design the built environment from concept to completion; and
7 help to support the President’s and Governor’s vision of improving our island’s students
8 in the fields of Science, Technology, Engineering, and Mathematics, also known as
9 STEM; and

10 **WHEREAS**, “EALS Week” is an annual event to help bring awareness to the
11 work and contributions of our nation’s Engineers, Architects, and Land Surveyors.
12 Guam’s “EALS Week” is filled with many activities for adults and youth in our island
13 community, helping to advance the image of engineering by getting them involved; now
14 therefore, be it

15 **RESOLVED**, that *I Mina'Trentai Kuåttro Na Liheslaturan Guåhan* does hereby,
16 on behalf of the people of Guam, recognize and commend the Engineers, Architects,
17 and Land Surveyors of our island community on the celebration of “*Engineers,*
18 *Architects, and Land Surveyors Week*” from February 18 through February 24, 2018,
19 with this year’s theme: “*Engineers: Inspiring Wonder: Celebrate. Volunteer.*
20 *Connect.*”; and does further express *Un Dångkolo Na Si Yu'os Ma'åse'* to them for
21 making a difference in our world and improving the quality of life for all our citizens,
22 and for their tremendous contributions in the local community, industry, and society as
23 a whole; and be it further

24 **RESOLVED**, that the Speaker certify, and the Legislative Secretary attest to, the
25 adoption hereof, and that copies of the same be thereafter transmitted to Brent L. Wiese,
26 President, American Institute of Architects Guam & Micronesia Chapter, and

1 Chairman, Guam Building Code Council (GBCC); to Gabriel Jugo, Chairman,
2 Professional Engineers, Architects, and Land Surveyors (Guam PEALS); to Miguel
3 Bordallo, President, Guam Society of Professional Engineers (GSPE); to John
4 Robertson, Society of American Military Engineers (SAME) – Guam Post; and to the
5 Honorable Edward J.B. Calvo, *I Maga'låhen Guåhan*.

DULY AND REGULARLY ADOPTED BY *I MINA'TRENTAI KUATTRO NA LIHESLATURAN GUÅHAN* ON THE 19TH DAY OF FEBRUARY 2018.
