BE IT RESOLVED BY THE COMMITTEE ON RULES OF I MINA'TRENTAI KUÁTTRO NA LIHESLATURAN GUÁHAN:

WHEREAS, Guam joins the nation in recognizing the month of October 2018 as "Careers in Construction Month" — raising awareness of the opportunities in the construction industry, and further acknowledging the monumental importance of our island's construction industry, as well as the invaluable work of its professionals; and

WHEREAS, the construction industry is the third largest private employer on Guam. According to the Guam Department of Labor's current employment report, the industry employs approximately five thousand eight hundred fifty (5,850) construction industry professionals, making up approximately 12.3% of the private industry workforce; and

WHEREAS, as Guam prepares for future growth, the local construction industry continues to play a key role in the improvement of critical infrastructure, and the development of modern facilities, homes, and commercial centers; and

WHEREAS, as a non-profit entity, the Guam Contractors Association (GCA) promotes the common business interests of island contractors, subcontractors, material suppliers, equipment vendors, and other businesses who greatly contribute to the construction industry on Guam; and, in addition to promoting business interests, the GCA established the GCA Trades Academy. The GCA Trades Academy, in partnership with Guam Community College, offers much-needed quality skills training and apprenticeship programs that provide our people with the knowledge and opportunity to become part of the construction workforce; and

WHEREAS, throughout "Careers in Construction Month," the Guam Contractors Association, the GCA Trades Academy, and the National Association of Women in Construction - Guam Chapter will be educating the community about the importance of the construction industry and the local employment opportunities that are available; and, GCA activities will include a Family Picnic, the GCA Construction Warriors, the Excellence in Construction & Contractor of the Year award, and the Pizza, Pop and Power Tools event, which are all aimed at engaging and educating our community; and

WHEREAS, *I Liheslaturan Guahan* remains committed to supporting the Guam Contractors Association, and all of its affiliates, in the development of a skilled construction workforce and in the advancement of the local construction industry; now therefore, be it
