Relative to recognizing and commending the Engineers, Architects, and Land Surveyors of our island community on the celebration of "Engineers, Architects, and Land Surveyors Week," from February 19 through February 25, 2017, with this year's theme: "Dream Big: Engineering Our World"; and to further extending *Un Dangkolo Na Si Yu'os Ma'ase'* to them for making a difference in our island community by improving the quality of life for all our citizens, and for their tremendous contributions in their respective field and in society.

BE IT RESOLVED BY THE COMMITTEE ON RULES OF I MINA'TRENTAI KUATTRO NA LIHESLATURAN GUAHAN:

WHEREAS, the principles and practices of Engineering, Architecture, and Land Surveying (EALS) have served mankind in its creation of social, cultural, and economic systems through a disciplined approach to physical developments for over two thousand (2,000) years; and

WHEREAS, Engineers, Architects, and Land Surveyors contubuted greatly to the rebuilding of Guam after World War II. Their expertise can be seen in homes, schools, buildings, newly-constructed roads, and Guam's water and power infrastructure servicing our homes. They also contributed to the military facilities infrastructure that protect our community; and

WHEREAS, our Pacific island paradise has greatly evolved since the time our ancestors lived in *latti*-supported huts and built the fastest *praus* in the world. History books tell stories of the structures built by our ancestors and talk about the dexterity of the ancient Chamorro people; and

WHEREAS, now in the twenty-first (21st) century, we see the ingenuity and creativity in the work of Guam's Engineers, Architects, and Land Surveyors who use their creativity, imagination, mathematics, science, and technology to enhance the quality of life for all, help build better communities, and promote culture through historical preservation; and it is the result of countless hours of work by dedicated private sector, government, and military Engineers, Architects, and Land Surveyors that has led to the enhanced quality of life that we enjoy every day; and

WHEREAS, the celebration of "Engineers, Architects, and Land Surveyors Week" increases public dialogue about the need for this group's expertise; spreads awareness and educates our students, teachers, and parents; and becomes the catalyst that sparks organizations and volunteers to make a difference by engaging students in engineering, architecture, and land surveying; and

WHEREAS, "Engineers, Architects, and Land Surveyors Week" promotes the value of good design, and the work of the community and allied professionals to create a safer, more sustainable environment, as well as maintain the rich heritage of the island; and

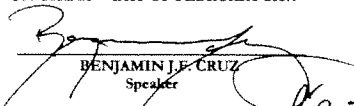

WHEREAS, Engineers, Architects, and Land Surveyors provide services and products that affect many aspects of Guam residents' daily lives, including the health, welfare, and safety of its citizens for a better future; they help to turn ideas into reality; they design the building environment from concept to completion; and they help to support the vision of improving the education and skills of our island's students in the fields of Science, Technology, Engineering, and Mathematics, also known as STEM; and

WHEREAS, "Engineers, Architects, and Land Surveyors Week" is an annual event to bring awareness to the work and contributions of our nation's Engineers, Architects, and Land Surveyors. Guam's "Engineers, Architects, and Land Surveyors Week" is filled with many activities for adults and the youth in our island community, helping to advance the image of engineering, architecture, and land surveying by getting them involved; now therefore, be it

RESOLVED, that the Committee on Rules of I Mina'Trentai Kuattro Na Liheslaturan Guahan does hereby, on behalf of I Liheslaturan Guahan and the people of Guam, recognize and commend the Engineers, Architects, and Land Surveyors of our island community on the celebration of "Engineers, Architects, and Land Surveyors Week," from February 19 through February 25, 2017, with this year's theme: "Dream Big: Engineering Our World"; and does further extend *Un Dangkolo Na Si Yu'os Ma'ase'* to them for making a difference in our island community by improving the quality of life for all our citizens, and for their tremendous contributions in their respective field and in society; and be it further

RESOLVED, that the Speaker and the Chairperson of the Committee on Rules certify, and the Legislative Secretary attest to, the adoption hereof, and that copies of the same be thereafter transmitted to Brent L. Wiese, President, American Institute of Architects, Guam & Micronesia Chapter, and Chairman, Guam Building Code Council (GBOC); to Gabriel Jugo, Chairman, Professional Engineers, Architects, and Land Surveyors (Guam PEALS); to Miguel Boddalo, President, Guam Society of Professional Engineers (GSPE); to Efrén B. Santos, President, Guam Society of Professional Land Surveyors (GSPLS); to Captain Noel Enriquez, USN (Ret.), President, Society of American Military Engineers (SAME) - Guam Post; to Paul Kemp, Chairman, American Water Works Association (AWWA); to Mike Pritchard, President, American Society of Heating, Refrigerating, and Air-Conditioning Engineers (ASHRAE); and to the Honorable Edward J.B. Calvo, *I Maga'åben Guahan*.

DULY AND REGULARLY ADOPTED BY THE COMMITTEE ON RULES OF I MINA'TRENTAI KUATTRO NA LIHESLATURAN GUAHAN ON THE 20TH DAY OF FEBRUARY 2017.
