Relative to recognizing the Patient Education and Health Departments of the Guam Memorial Hospital Authority, Guam Regional Medical City, and the U.S. Naval Hospital Guam on the observance of "Health Literacy Month" during the month of October 2019; and commending them for their continued efforts to promote health literacy and provide patient-centered educational resources to the island community.

BE IT RESOLVED BY THE COMMITTEE ON RULES OF *I Mina'Trentai Singko Na Liheslaturan Guåhan*:

WHEREAS, the Guam Memorial Hospital Authority (GMHA), Guam Regional Medical City (GRMC), and U.S. Naval Hospital Guam (USNH) provide free access to health educational resources so that patients and their families can understand a disease and the treatments available, as well as develop patient education advocates and staff that are available to meet with patients and families to help them make the right health care choices; and

WHEREAS, GMHA, GRMC, and the USNH support patient education by developing and promoting patient education programs with visual teaching aids, health workshops, and free educational booklets; and also provide interpretive services to ensure that these various health literacy programs are understood by the diverse language speakers who have made Guam their home; and

WHEREAS, as members of the National Network of Libraries of Medicine (NNLM) - Pacific Southwest Region, GMHA, GRMC, and the USNH support the advancement of medicine and the improvement of the individual's and community's access to medical information; and

WHEREAS, over the recent years, medical procedures, medications, therapies, and medical technology have advanced and changed more rapidly than at any other time in our history, and these advances have made it difficult for many people to keep pace with the changes; and so there is a need to share those advances with island residents so that they can make informed health care choices and adopt healthy lifestyles so they may live longer and more productive lives; and

WHEREAS, health literacy is essential to enable island residents to understand the available health care choices, and to understand how to prevent the onset of disease; and it is necessary to empower our community with free access to clear and easy-to-understand medical information so that patients and their families can navigate these complicated health care choices; and

WHEREAS, the month of October 2019 is "Health Literacy Month," and it is observed nationally to recognize health literacy advocates for assisting in the understanding of health issues, and to act upon health information by not just assisting those with limited reading skills, or people for whom English is their second language, but also those who struggle with understanding how to prevent and manage health conditions by improving communication with doctors and other health professionals, and taking action within the community; now therefore, be it

RESOLVED, that the Committee on Rules of *I Mina'Trentai Singko Na Liheslaturan Guåhan* does hereby, on behalf of *I Liheslaturan Guåhan* and the people of Guam, recognize the Patient Education and Health Departments of the Guam Memorial Hospital Authority, Guam Regional Medical City, and the U.S. Naval Hospital Guam on the observance of "Health Literacy Month" during the month of October 2019; and commend them for their continued efforts to promote health literacy and provide patient-centered educational resources to the island community; and be it further

RESOLVED, that the Speaker and the Chair of the Committee on Rules certify, and the Legislative Secretary attest to, the adoption hereof, and that copies of the same be thereafter transmitted to Lillian Perez Posada, Administrator of the Guam Memorial Hospital Authority; to Jose Xavier B. Gonzalez, Chairman of the Board, Guam Regional Medical City Executive Team; to Captain Maria A. Young, Commanding Officer, U.S. Naval Hospital Guam; and to the Honorable Lourdes A. Leon Guerrero, *I Maga'hågan Guåhan*.

DULY AND REGULARLY ADOPTED BY THE COMMITTEE ON RULES OF *I Mina'Trentai Singko Na Liheslaturan Guåhan* ON THE 17TH DAY OF OCTOBER 2019.

Relative to recognizing the Patient Education and Health Departments of the Guam Memorial Hospital Authority, Guam Regional Medical City, and the U.S. Naval Hospital Guam on the observance of "Health Literacy Month" during the month of October 2019; and commending them for their continued efforts to promote health literacy and provide patient-centered educational resources to the island community.

1 **BE IT RESOLVED BY THE COMMITTEE ON RULES OF I**
2 ***MINA'TRENTAI SINGKO NA LIHESLATURAN GUÁHAN:***

3 **WHEREAS,** the Guam Memorial Hospital Authority (GMHA), Guam Regional
4 Medical City (GRMC), and U.S. Naval Hospital Guam (USNH) provide free access to
5 health educational resources so that patients and their families can understand a disease

1 and the treatments available, as well as develop patient education advocates and staff
2 that are available to meet with patients and families to help them make the right health
3 care choices; and

4 **WHEREAS**, GMHA, GRMC, and the USNH support patient education by
5 developing and promoting patient education programs with visual teaching aids, health
6 workshops, and free educational booklets; and also provide interpretive services to
7 ensure that these various health literacy programs are understood by the diverse
8 language speakers who have made Guam their home; and

9 **WHEREAS**, as members of the National Network of Libraries of Medicine
10 (NNLM) - Pacific Southwest Region, GMHA, GRMC, and the USNH support the
11 advancement of medicine and the improvement of the individual's and community's
12 access to medical information; and

13 **WHEREAS**, over the recent years, medical procedures, medications, therapies,
14 and medical technology have advanced and changed more rapidly than at any other time
15 in our history, and these advances have made it difficult for many people to keep pace
16 with the changes; and so there is a need to share those advances with island residents so
17 that they can make informed health care choices and adopt healthy lifestyles so they
18 may live longer and more productive lives; and

19 **WHEREAS**, health literacy is essential to enable island residents to understand
20 the available health care choices, and to understand how to prevent the onset of disease;
21 and it is necessary to empower our community with free access to clear and easy-to-
22 understand medical information so that patients and their families can navigate these
23 complicated health care choices; and

24 **WHEREAS**, the month of October 2019 is "Health Literacy Month," and it is
25 observed nationally to recognize health literacy advocates for assisting in the
26 understanding of health issues, and to act upon health information by not just assisting
27 those with limited reading skills, or people for whom English is their second language,

1 but also those who struggle with understanding how to prevent and manage health
2 conditions by improving communication with doctors and other health professionals,
3 and taking action within the community; now therefore, be it

4 **RESOLVED**, that the Committee on Rules of *I Mina'trentai Singko Na*
5 *Lihselaturan Guåhan* does hereby, on behalf of *I Lihselaturan Guåhan* and the people
6 of Guam, recognize the Patient Education and Health Departments of the Guam
7 Memorial Hospital Authority, Guam Regional Medical City, and the U.S. Naval
8 Hospital Guam on the observance of "Health Literacy Month" during the month of
9 October 2019; and commend them for their continued efforts to promote health literacy
10 and provide patient-centered educational resources to the island community; and be it
11 further

12 **RESOLVED**, that the Speaker and the Chair of the Committee on Rules certify,
13 and the Legislative Secretary attest to, the adoption hereof, and that copies of the same
14 be thereafter transmitted to Lillian Perez Posada, Administrator of the Guam Memorial
