1        **BE IT RESOLVED BY THE COMMITTEE ON RULES OF *I***  
2 ***MINA'TRENTAI SINGKO NA LIHESLATURAN GUÅHAN:***

4 and Annie Taitague, and is sister to Fred Jr. and Trisha; and

5        **WHEREAS,** Josie is the wife of Michael O'Mallan and mother to Jace, Rosanna,  
6 Brittney and Michael Jr., and the proud grandmother of grandson Shane, and resides in  
7 the beautiful village of Ipan; and

8        **WHEREAS,** Josie pursued her education and earned her high school diploma  
9 from Notre Dame High School in Talofofu, Guam, and her Bachelor of Arts Degree in  
10 Psychology from the College of St. Benedict in St. Joseph, Minnesota; and

11       **WHEREAS,** after graduating from college and returning to Guam, Josie began  
12 her government career as a Social Worker I at the Department of Mental Health and

1 Substance Abuse on September 4, 1984, and was promoted to Social Worker II the  
2 following year on August 25, 1986; and

3 **WHEREAS**, Josie accepted a lateral transfer and promotion to the Department  
4 of Public Health and Social Services as Social Worker III in the HIV/AIDS Program on  
5 April 4, 1988, starting her long and distinguished career in the department. In her new  
6 role, she counselled clients with HIV and AIDS and educated family members on the  
7 disease. She prepared surveillance reports, provided technical assistance to health  
8 providers in the development of AIDS related services, applied for AIDS grants and  
9 maintained the Countermeasure Tracking System; and

10 **WHEREAS**, on May 17, 1993, Josie became the Communicable Disease Control  
11 (CDC) Coordinator Supervisor for the STD/HIV Program and ensured that the goals

5 clients so that health providers can manage their patients on a more timely basis. Josie  
6 was successful in recruiting for a territorial epidemiologist for the department in 2018  
7 after being vacant since 2004 with the retirement of Dr. Robert Haddock; and
