II. SUMMARY OF TESTIMONY & DISCUSSION

Speaker Judith T. Won Pat, Ed.D. convened the public hearing to order at 8:30 a.m. and announced the agenda of the public hearing. Bill No. 248-31 (COR) was announced as one of the items on the agenda to be heard by the Committee.

- **Vice Chairperson Guthertz** spoke about the creation of the Office of the Education Suruhanu as a mechanism to file complaints for not meeting the adequate education law and an alternative way, instead of filing a lawsuit with the courts. The Vice Chairperson stated that she developed the bill for the reason that the Education Suruhanu has not been able to meet its mission due to insufficient resources and lack of enforcement powers provided by law. The Vice Chairperson believes there are bigger things to deal with at the Department of Education than the Education Suruhanu office and we have to look at complete reformation, restructuring and redesigning of the administrative apparatus of the school system, because of its size and the tremendous mandates it must comply with its limited resources. The Vice Chairperson stated she is looking at a decentralize model to empower the schools from the lowest level and move away from a central bureaucracy. The Vice Chairperson elaborated that the current system may have been effective in the early days, but the increasing demands on the system, the increasing enrollment, the

increasing legal requirements and the economic recession. The Vice Chairperson stated since the position is vacant it is good time to move forward with this bill.

There being no individuals present to testify on the legislation, Speaker Won Pat, Ed.D. concluded the hearing for Bill No. 248-31 (COR).

III. FINDINGS AND RECOMMENDATIONS

The Committee on Education and Public Libraries finds that according to the Office of Finance and Budget that the Office of the Education Suruhanu was not funded for Fiscal Year 2012, therefore the Committee has deleted section 4 of the legislation.

Amendments to the language of the introduced bill are indicated by double underlines or double strikeouts in the substitute version of Bill No. 248-31 (COR) included in this report.

The Committee on Education and Public Libraries which was referred Bill No. 248-31 (COR), hereby submits these findings to *I Mina' Trentai Unu Na Liheslaturan Guahan* and reports out Substitute Bill No. 248-31 (COR), with the recommendation **TO DO PASS**.

Introduced by:

Judith P. Guthertz, DPA

**An Act To Repeal Chapter 11 of Title 17 Guam Code
Annotated Relative To Abolishing the Office of the Adequate
Education Suruhanu.**

JUN 24 PM 2:32

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Statement: The Office of the Adequate Education Suruhanu was created to monitor the basic tenets of the "Every Child is Entitled to an Adequate Public Education Act," and ensure the Department of Education's fulfillment of the provisions of law.

After almost one (1) full term of office, an appointment of three (3) years, by the incumbent, through no fault of his own, it has become apparent that the intent and vision of the Office has not come to fruition. By the admissions of the incumbent, the powers of the Education Suruhanu have evolved, in practice, simply to entertain complaints and proffer reports based on those complaints. The position lacks any specific enforcement authority.

I Liheslaturan Guahan finds that the Office in most cases serves a redundant role and in fact possesses less power than agencies that already have regulatory, compliance and enforcement oversight over the Department of Education as the entity strives to provide the schoolchildren of Guam with an adequate education. Moreover, remedies exist for our students and parents through the Office of the Attorney General of Guam and the Guam Education Board.

1 **Section 2.** "Chapter 11 of Title 17 Guam Code Annotated is hereby repealed in
2 its entirety."

3 **Section 3.** Any position/s currently occupied in the classified service of the
4 government of Guam, that have been assigned and budgeted for the Office of the
5 Adequate Education Suruhanu, and any associated funding as approved and subjected
6 to provisions of this Act, including the position of Administrative Assistant, are
7 hereby transferred from the Office of the Adequate Education Suruhanu to the Office
8 of the Attorney General of Guam.

9 • Any employee/s transferred through provisions of this Act shall retain
10 full personnel status, benefits and entitlements as specified in the
11 approved annual budget for the Office of the Adequate Education
12 Suruhanu.

13 • The Office of the Attorney General, if necessary, shall submit to *I*
14 *Liheslaturan Guahan*, a supplemental budget request for Fiscal Year
15 2012 that reflects its absorption of any positions in the classified service
16 transferred to its division as a result of provisions of this Act.

17 **Section 4.** All unexpended funds allocated for the Office of the Adequate
18 Education Suruhanu, inclusive of all funding for positions that remain vacant for
19 Fiscal Year 2011 and not expended as a result of provisions of this Act, shall be
20 reallocated to the Guam Public Library System for the specific operations of the
21 Branch Libraries in respective villages in Guam.

22 **Section 5.** Effective Date: Provisions of this Act shall take effect upon
23 enactment into law.
