§ 27000. Legislative Intent.

I Liheslaturan Guåhan finds that the goal of Educator Certification is to determine whether those individuals responsible for the education of children are competent to perform their duties as teachers, guidance counselors *or* school administrators.

I Liheslaturan Guåhan further finds that throughout the United States, the certification *or* licensure of educators is a function that occurs at the state level and not in the local school districts that employ the educators. The common practice is for states to define the Educator Certification *or* Licensure standards by means of a Board *or* Commission to include local and federal education mandates. Such Boards *or* Commissions also will set up an office(s) in the state to certify and license education professionals who qualify. These Boards *or* Commissions are also responsible for determining improper conduct by the certificate holder *or* licensee is sufficient to warrant revocation *or* suspension of such license *or* certificate.

It is the intent of *I Liheslaturan Guåhan* to provide a mechanism to confer professional certification for Early Childhood to Twelfth (12th) grade educators via an external entity that is separate and apart from the entities that employ such educators.

§ 27001. Purpose.

(a) The purpose of this Chapter is to establish a system of professional development, professional standards, certification and evaluation that serves to continually improve the quality of instruction for Guam's children so that they are equipped to work and succeed in an ever-changing and increasingly complex global economy. The Guam Commission for Educator Certification is established to provide a rigorous system of certification, professional development and evaluation designed to support improved student achievement and to improve the quality of the Guam educator workforce and to improve student performance. All Department of Education educators must be certified and evaluated in accordance with this Chapter. The Board *shall* regulate and oversee all aspects of the certification, continuing education, and standards of conduct of public school educators.

(b) In proposing rules under this Subchapter, the Commission *shall* ensure that all candidates for certification *or* renewal of certification

17 GCA EDUCATION

demonstrate the knowledge and skills necessary to improve the performance of Guam's diverse student population.

§ 27002. Definition.

In this Subchapter, "Commission" means the Guam Commission for Educator Certification.

§ 27003. Guam Commission for Educator Certification.

(a) There is hereby established the Guam Commission for Educator Certification to consist of seven (7) voting members appointed by *I Maga'lahaen Guåhan* with the advice and consent of *I Liheslaturan Guåhan*, as specified in subsections (1) to (5), inclusive. The Commission *shall* consist of the following members:

- (1) a classroom teacher employed in a public school;
- (2) an administrator (principal or assistant principal) employed in a public school;
- (3) a guidance counselor employed in a public school;
- (4) two (2) members who possess a terminal degree in the subject of education from an accredited college *or* university which, as used herein, means an institution that is accredited by a United States accrediting body recognized by the Council on Higher Education Accreditation (CHEA) *or* its successor, *or* an equivalent foreign college *or* university; and
- (5) two (2) members appointed from the community at large.

(b) Appointments to the Commission *shall* be made without regard to the race, color, disability, sex, religion, age, *or* national origin of the person appointed.

(c) A Commission member is immune from civil suit for any act performed in good faith in the execution of duties as a Commission member.

(d) Members *shall* serve a term of three (3) years and may be reappointed, provided that the member continues to meet the employment criteria in the event that such member was appointed to fill a seat on the Commission pursuant to Items (1), (2) and (3) of Paragraph (a), *supra*.

17 GCA EDUCATION
CH. 27 GUAM COMMISSION FOR EDUCATOR CERTIFICATION

(e) *If* a member is appointed pursuant to Items (1), (2) and (3) of Paragraph (a), supra, and ceases to be employed as such, that member *shall* be considered to have vacated his or her seat effective on the date that such employment was terminated. The Chairperson of the Commission *shall* forthwith notify *I Maga'lahi* that the vacancy exists.

(f) The Superintendent of Education *or* his designee, the Chairman of the Guam Education Policy Board *or* his designee, the President of the Guam Community College *or* his designee, and the President of the University of Guam *or* his designee, *shall* serve as *ex-officio* member, without vote in proceedings of the Commission.

SOURCE: Amended by P.L. 31-094:2 (Sept. 30, 2011).

In the event of a vacancy, *I Maga'lahaen Guåhan* *shall* appoint a replacement in the same class of the member that vacated his *or* her position on the Board for a term of three (3) years.

§ 27005. Officers.

The Commission *shall* elect one (1) of its members to serve as presiding officer for a term of two (2) years. The presiding officer is entitled to vote on all matters before the Commission. The Commission may elect other officers from among its membership.

17 GCA EDUCATION

- (b) approve an operating budget for the Commission and make a request to *I Liheslatura* for appropriations;
- (c) appoint members of any advisory committee to the Commission;
- (d) for each class of educator certificate, appoint an advisory committee composed of members of that class to recommend standards for that class to the Commission;

Virtual Legislative Confirmation Hearing Testimony

July 30, 2020 • 4:00 PM • Zoom

Hafa Adai and good afternoon, Vice Speaker and fellow senators. My name is Leeana Lynn Libby Borja.

I would like to begin by thanking you for this most humbling opportunity to request for your favorable consideration of my appointment to the Guam Commission for Educator Certification as the School Counselor Representative. I would also like to take this time to thank our Maga'håga Governor Lou Leon Guerrero and our Lieutenant Governor Josh Tenorio for their faith and trust in my ability to serve our island in this role. I am both honored and humbled.

I am a wife and a mother of 3 beautiful girls. I graduated from Southern High School in 2001, and went on to earn a Bachelor of Arts degree in Psychology and a Bachelor of Arts degree in Political Science at the University of Guam in December of 2006. I graduated summa cum laude and at the top of my class as the Valedictorian that fall. In December of 2013, I earned a Master of Arts in Counseling degree also from the University of Guam. I am very proud alumna of UOG.

Right after graduation, I joined the Guam Department of Education as a elementary School Counselor. Now, I am a middle school counselor at Jose Rios Middle School in Piti and have been for four years and counting. A total of 7 years as a school counselor.

I do want to share that becoming a School Counselor was really not at all part of my “life plan” so to speak. I had other things in mind, but, of course, life has a way of leading you right to where you belong. I believe everything happens for a reason, and I am forever grateful that God led me to the School Counseling profession—most especially being here on our island as a School Counselor. I have always been a person passionate about helping others. And, school counseling is my perfect fit—my calling so to speak. I am extremely passionate about the role I, and my fellow counselors in the field, play in our students' lives. We can educate our students in the core subjects and in elective courses. However, as this unprecedented time—as this pandemic—has shown and brought to the forefront...our social and emotional wellbeing play a key factor or key role in whether our students, our children can reach their fullest potential...

whether they can fulfill the dreams they have for themselves and the dreams we have for them as well—or not. Their success does not only depend upon their cognitive abilities and physical health, but it also depends in large part on their social and emotional wellbeing. They all affect one another. And, school counselors like me do our very best to help to bridge that gap. Even the most well adjusted students need social emotional support from time to time. Without support, without guidance, without mentorship, without emotional learning, our students cannot see past...cannot move past...cannot have faith in themselves while living with their fear, their sadness, their anxieties, their anger from the dysfunction they may have in their homes or families, from the trauma they may have experienced or are currently experiencing, from the stress of this new reality we live in today and/or for many other countless unfortunate reasons. Our work is not for the faint of heart, but it is truly a work of heart.

As a school counselor and educator, I have very high standards for myself and my colleagues. The significant role we as educators play in our students' lives demand these high standards. I hold myself and my colleagues to the highest standards of professionalism and ethics. And, I believe they hold themselves to those high standards as well. We are perpetual students—learning each year how to best serve in our capacity. Keeping up with best practices, the latest research is crucial. Having these high standards are so important in ensuring we as educators all give our very best to our students.

The Guam Commission for Educator Certification plays such a crucial role. Through the work of the commission we ensure that we have high quality educators through a rigorous certification system. That we in Education continue to have high standards and we live up to those standards. It is with this belief and my passion in the work that I do as a school counselor and my role as a mother to my girls that I know I can contribute much to the commission as the school counselor representative. The same passion, the same energy, the same work ethic that I put into being a good mother and into being a good counselor, is the same passion, energy, and work ethic that I will put into my work with the commission should you vote favorably for my appointment.

Vice Speaker and fellow senators, thank you very much for your time. I once again humbly ask for your most favorable consideration of my appointment to the Guam Commission for Educator Certification. Thank you.

Dear Vice Speaker Nelson:

I would like to give my support for the nomination of Leeana Borja as a Commissioner representing Guidance Counselors in the Guam Commission for Educator Certification. As a member of the subcommittee reviewing the names of guidance counselors, I learned that she is a professional who would be a benefit to the GCEC with her knowledge and experience in the Guam Department of Education school system. Her interest in the position demonstrates her desire to serve our educational community and the children of Guam.

Please give her your kind consideration and approval of her becoming a member of the Guam Commission on Educator Certification.

Sincerely,

Roberta M. Abaday

Dr. Gayle Hendricks, Chairperson of GCEC: Thank you, Senator. Vice Speaker Nelson, Minority Leader Taitague, I am here as the Chairperson of the Guam Commission for Educator Certification.

I'm here to fully support and encourage the confirmation of Leeana Borja to the Commission. One of the things that we have been missing is the voice from the counselor section of the education community. Leeana Borja can provide that. I think she will provide... be an excellent addition to our Board. Her seven (7) years of experience as a Counselor in elementary and middle school will definitely give her an insight as to what is necessary when we sit on the Commission.

I did not want to make a long drawn-out testimony. I just wanted to be here to say that I don't think we could get a better nominee than Leeana Borja. Thank you for your time and it's nice to see my students doing well.

Vice Speaker Telena Cruz Nelson: I guess Senator Taitague was your student as well.

Dr. Gayle Hendricks, Chairperson of GCEC: We won't say how long ago but she wasn't in high school yet. [Laughter]

Vice Speaker Telena Cruz Nelson: Okay, very good. Is there anyone else that would like to provide testimony on behalf of Ms. Borja?

Jon Fernandez, Superintendent of Education: Madam Speaker, may I offer a few words?

Vice Speaker Telena Cruz Nelson: Absolutely.

Jon Fernandez, Superintendent of Education: I guess, you know, I just didn't want to pass up the opportunity to offer a few words of support for the nomination of Ms. Leeana Borja, who is a Counselor.

As a parent of Jose Rios Middle School, I just wanted to also, as a parent, support her nomination as well. You know our counselors worked very hard across the school district and you know Ms. Hendricks said; it'll be important and helpful for her to have a voice on the Commission and as far as the Certification Commission goes, I've always supported the role that our teachers and our employees can play in helping shape, you know, the decisions and the policy; the policy discussions that happen at the Commission itself.

So, I just wanted to wish her the best of luck. I think she would be an excellent addition to the Commission and I hope the legislature will give her favorable consideration. Thank you.

Vice Speaker Telena Cruz Nelson: Thank you, Mr. Superintendent. Jesse, are you here to give testimony on behalf of Ms. Borja?

Jesse Libby: Hi, yes. *Håfa adai!* Thank you so much, Madam Chair and Honorable Senators of the 35th Guam Legislature.

My name is Jesse Libby. I'm here today to provide testimony in support of the confirmation Leeana Borja to serve as a Member of the Commission for Educator Certification. I am the first cousin but reality is she is my sister. Growing up she always exhibited some of the strong attributes that anybody that strive to be. She's honorable, she is smart and she is driven. She is my hero, she is my idol and she is my mentor.

She graduated top of her class at Southern High School and she later was accepted and attended American University in Washington, D.C. Then 9/11 happened and we were all scared for her here at home and so we brought her back home, that way we could make sure that she's safe and well...and then she later attended the University of San Francisco and came back due to a death in the family. Then she decided to go to school at the University of Guam in which she received her Bachelors of Arts in Political Science and Psychology. Not to always mention that she graduated valedictorian of her class. Then she later went back to the University of Guam to receive her Masters in Counseling.

So she is a proud daughter of Guam. Our grandfather, Fred Libby, Sr., has always told us...always embedded in us at a very young age that public service and community service to the people is something that we need. All need to do to ensure to advance our island to the next step and she has always had that goal in her... in her life and I'm so proud of her and all her accomplishments. I thank the Governor for nominating her to serve on this Commission. I have absolutely no doubt in my mind that she will make us all proud and she will serve honorably and I humbly request this body to vote in her favor of her confirmation and thank you so much for having me... giving me the opportunity to provide testimony.

Vice Speaker Telena Cruz Nelson: Thank you, Jesse for your support and those kind words. The other Jesse, would you like to provide testimony for Ms. Borja?

Jesse Quenga: Thank you so much Madam Vice Speaker. When you said Jesse at first I yielded because I knew Jesse Libby will probably have a more heartfelt message from that perspective but he's a good friend. So, you know that was no issue for me. When I first reviewed the packet for Leeana Borja, I have to say I could have stopped right where it said alumni of Southern High School. I think as a fellow alumni... I gave like 100% support behind that nomination and then to see the University of Guam...

She is distinguished and accomplished. I think to be top of her class not just at the Southern High School but also the University of Guam, which I'm sure she'll expand on more, will just articulate a little bit about the capacity that she'll bring to the Commission. Beyond that I also recognize that she is a career professional. She's had experience working also on grants at the Guam Community College and then as Associate Director at the *Isa Pinangon* Suicide Prevention Program at the University. That's just fantastic.

I hope that the Committee will seriously consider the nomination put on before this committee. I'm appreciative of the Commission for their endorsement as well as for the Governor's appointment. If I didn't have the chance to do so first I'd like to introduce myself, I'm Jesse Quenga with the GCEC as their Executive Director.

Vice Speaker Telena Cruz Nelson: All right. Thank you very much Jesse. Is there anyone else... you do have Ms. Borja a testimony in favor of your appointment and that is from Ms. Roberta Abaday and so, if you'd like to go ahead and give oral testimony, you may proceed at this time.

Leeana Borja, Appointee: *Please see attached testimony.*

Vice Speaker Telena Cruz Nelson: Thank you, Leeana. It's truly an honor to have someone with your expertise and your experience being nominated especially as brilliant as you are and you know also having 3 children and being a wife. I mean those are huge feats and you know you are very accomplished and so, I look forward to your nomination. I believe that you'll do exceptional work. So, at this time I'd like to also extend to the Minority Leader, any comments or questions?

Senator Telo Taitague: Thank you, Madam Chair and Leeana, your cousin there, Jesse he's a keeper. When he was talking about you, I tell you, I was choking up. I don't know about you but I was choking up listening to what he had to say about you and then coming from my teacher, my mentor, Gayle Hendricks, junior high school. I mean that was most impressionable. Junior high school seems to be a time where you're most impressionable and for her to speak highly of you that just says so much in my book because of the respect I have for Gayle Hendricks and just knowing that you came from the south; I'm a southern girl.

So, you know, you had me at southern girl part, you know, but on top of that I've never met you before but listening to all this and reading your background and everything and listening to what you have to say going in detail about the importance of just not the physicalness of a student but their mind as well and the support they need to move forward to their best ability.

I'm just so happy that you decided to come back home because a brilliant mind like yourself, Guam could not lose a daughter of Guam you know to the states. We need you home and you're obviously amazing like good Chairman says you're a mother of 3 daughters, is that right? 3 daughters? Wow, well don't stop girl, my parents had 5 daughters, no boys, all 5.

I know you'll be able, with the support of your family, you'll be able to do this job and do this job very well and make so many other people happy, proud and making the right decisions for our people as well and you said that you never know what life takes you. It wasn't in your plan. Well you're young, there could be something new coming down your road; a different path that you might be able to take serving Guam in a higher capacity.

So keep that in mind and I thank you so much again for stepping up to the plate. God bless. You have my support, 100%. Thank you, Madam Chair.

Vice Speaker Telena Cruz Nelson: Thank you, Senator Taitague. Leeana, again thank you for committing to this service and we have completed your confirmation and we will move forward with the next appointee and that is Mr. Lawrence Alcairo for the Guam Education Board.

(Discuss the next item on the agenda. Appointment of Lawrence Alcairo).

The public hearing was adjourned at 4:55 PM.
