Public Hearing Testimony of Ina Carillo, Station Manager
Guam Educational Telecommunications Corporation (KGTF/PBS Guam)
August 8, 2019

Good morning Acting speaker Marsh Taitano, honorable senators and everyone in attendance at today's hearing. My name is Ina Carillo, I'm the Station Manager of PBS Guam and I am here to testify in favor of the confirmation of Beatrix Naholowaa to the Board of Trustees for the Guam Educational Telecommunications Corporation and also known as PBS Guam.

I met Beatrix as a young woman on the campaign trail. She was energetic and eagerly assisting the campaign of her mother my friend Leah Beth. I was struck by how detail oriented she was in her capacity in the campaign and her commitment at such a young age to making Guam a better place.

I later found out that she had just recently graduated from high school and was attending's college at the University of Guam. During her time as a student I have noticed that she has been working hard in various civic organizations and non-profits, volunteering her time to help Guam's residents that require assistance.

Her experience in banking, event planning, and education is a perfect fit for our board as we are more committed to fundraising and getting corporate underwriting to produce high quality local educational programming for Guam and the Micronesian Region.

I can personally attest to Ms. Beatrix's commitment to success and passion to contribute to the island of Guam, traits that are a perfect complement to our Board of Trustees. In closing, I thank you for the opportunity to speak before you this morning, and humbly ask for your support in the confirmation of Ms. Naholowaa to serve as a Member on the Board of Trustees for the Guam Educational Telecommunications Corporation (KGTF/PBS Guam).

Hafa Adai Senator Kelly Marsh Taitano,

My name is John Nestler S. Mugol. I am a caseworker for the manamko in the private sector, and at the request of Ms. Beatrix Naholowaa, a longtime friend, she approached me to speak for her in support so that she may serve as a member in the board of trustees for the Guam Educational Telecommunications Corporation.

I first met Beatrix who I call "Trixie," more than ten years ago while we were interns at the Guam PDN Vibe program for high school students, I was a senior at Father Duenas, and she was a sophomore in Harvest Christian Academy. Through the program, we became good friends and even as I left the program upon my graduation, she continued on to become the editor. Moreover, we kept in touch as I begun my college career at the University of Guam. Through her hard work and dedication she continued to serve the island through her community service and participation in local organizations. Upon graduating from high school she matriculated to the University of Guam, she was active in the student government association where she served as Vice President. She was also active in other student organizations.

She started working at the bank in 2011, and through perseverance and working long days and through school, she still managed to finish her baccalaureate.

I am speaking not only as a friend, but as someone who believes that Ms. Naholowaa is fit for this position. She is a hard worker, dedicated, creative, supportive, and family oriented. I believe that Ms. Naholowaa has the tendency to serve the island of Guam. I also believe that she continues to bring light into the workforce as she is sociable, positive, and loyal. Please consider Ms. Beatrix Naholowaa as a member in the board of trustees for the Guam Educational Telecommunications Corporation.

If you have any further questions please call me via mobile at (671) 787-2352, landline (671) 653-3216, and by responding to this email.

Thank you very much!

Sincerely,

John Nestler S. Mugol

Hagatna, Guam 96910

Hafa Adai Senator,

I am pleased to be writing to you to introduce and express my support of Miss Beatrix Alyana O. Naholowaa and her confirmation to serve as a Member on the Board of Trustees, Guam Educational Telecommunications Corporation (KGTF/PBS).

Miss Naholowaa was born in our neighboring island of Saipan, and raised here in the island of Guam by her wonderful parents Mike and Leah Beth. Miss Naholowaa attended Harvest Christian Academy with numerous accomplishments and graduated in 2010. She then attended the University of Guam to earn her Bachelor's Degree in Business Administration with a concentration of Finance & Economics. She had a few roles during her years at the University of Guam, which includes Vice President for the 51st Student Government Association during her Sophomore year, member of the American Marketing Association, Society of Human Resources Management, Soroptimist Sigma Society, Student Investment Club, and Public Admin & Legal Studies Society.

I first met Miss Naholowaa when I began my career at the Bank of Guam. Miss Naholowaa is intelligent, charismatic, and committed to what she does. She has a knack for adaptability and is an excellent team player. Miss Naholowaa was approachable when I sought assistance and guidance in my new work environment.

I take very special pride in the fact that Miss Naholowaa takes her excellent skills and characteristics where she goes and proves to be an asset in the environment she is in. As a teacher, she showed great passion to educate her students. There is no doubt that I acknowledge Miss Naholowaa as a great teacher, a great colleague and a great friend.

I commend her for your approval to serve as a Member on the Board of Trustees for the Guam Educational Telecommunications Corporation (KGTF/PBS).

Sincerely,

Virginia Fay Wedding

Today we have... and if I can, call you forward to come sit at the table. We have Miss Beatrix Alyana Naholowaa. Miss Leah the Naholowaa and then we have Ina Carrillo.

Si Yu'os Ma'åse for being here and for two of the people here, for being here two days in a row. I really like noting that yesterday Trixie was testifying for Leah and in today Leah Naholowaa is testifying for Trixie. It's wonderful to have you both back again and thank you very much for being here. Ms. Carrillo. We'll go ahead and save Beatrix's testimony for last since she is the nominee and we'll begin with Leah Naholowaa.

Okay, you'll yield to Ina. Miss. Carrillo if you can go ahead and begin your testimony sure.

MS. INA CARILLO: Good morning, acting Speaker Marsh (Taitano) and everyone here who was attending this hearing today. My name is Ina Carrillo. I'm the station manager of PBS Guam and I'm here to testify in favor of the confirmation of Beatrix Naholowaa to the Board of Trustees for the Guam Educational Telecommunications Corporation also known as PBS Guam.

I met Beatrix as a young woman on the campaign trail. She was an energy she was energetic and eagerly assisting the campaign of her mother my friend Leah Beth. I was struck by how detailed oriented she was in her capacity in the campaign and her commitment at such a young age to making Guam a better place. I later found out that she had just recently graduated from high school and was attending college at the University of Guam.

During her time as a student I noticed that she was working hard in various civic organizations and nonprofits volunteering her time to help Guam's residents that needed assistance. Her experience in banking, event planning and education is a perfect fit for our board as we are more committed to fundraising and getting corporate underwriting to produce high quality, local educational programming for Guam and the Micronesian region. I can personally attest to Miss Beatrix commitment to success and passion to contribute to the island of Guam. Traits that are perfect complement to the Board of Trustees In closing, I thank you for the opportunity to speak this morning and I humbly ask for you to support her in her confirmation to serve as a member of the Board of Trustees for the Guam Educational Telecommunication Corporation. Thank you.

Si Yu'os Ma'ase for your testimony. I think one of the strengths of it is you really highlighted ways that her skill set can be fitting in with PBS and really supporting it as it moves forward and working to serve our community.

MS. INA CARILLO: Thank you.

SENATOR KELLY MARSH (TAITANO), PH.D. CHAIR: Okay, and let's go ahead and move on to Miss Leah Beth Naholowaa.

MS. LEAH BETH NAHOLOWAA: Thank you. Madam Speaker. I am Leah Beth Naholowaa. I'm Beatrix mom and I'm here to wholeheartedly support her nomination to the Board of Guam Educational Telecommunications Corporation. I am very protective of my daughter and we always discuss things that she will do, things that she will get involved with and with this nomination by Governor Lou Leon Guerrero, I wholeheartedly support her and my daughter. I can vouch for her integrity. She works hard. She's very detailed oriented. When you

give her something to do she'll make sure that she will finish it. She's also my prayer partner, my accountability partner, so I can I cannot imagine her anyone else being most qualified to be in this position. So, Madam Speaker thank you for allowing us to be here and vouch for her character and her integrity. And I full and my family supports her nomination to this board. Thank you.

SENATOR KELLY MARSH (TAITANO), PH.D. CHAIR: *Si Yu'os Ma'åse* Mrs. Naholowaa for your testimony and as we heard yesterday that means a lot because we heard of all of your many contributions and experience with the community. You yourself are a high-level organizer. You make things happen. You create projects that are really serving our community. Your guidance and support of your daughter.... It means a lot to us and helps us understand the skill sets that she brings. *Si Yu'os Ma'åse* for your testimony and then now Miss Trixie Naholowaa, you may begin your testimony as well.

MS. BEATRIX ALYANA O. NAHLOWAA: Thank you Madam Speaker. *Hafa adai*, my name is Beatrix Alyana Naholowaa also known as Trixie. Thank you for the opportunity to appear before you as the Governor's nominee to be a member on The Board of Trustees for the Guam Educational Telecommunications Corporation.

My sincerest thanks to you and your respective staff for taking the time to share the information regarding the Guam Educational Telecommunications Corporation. I am honored to appear before you and would like to thank Governor Lou Leon Guerrero and Lieutenant Governor Joshua Tenorio for the confidence they have placed in me with this nomination. If I am honored with this confirmation by the Guam Legislature, I will look forward to working together with you and your staff to resolve challenging issues that confront our islands education with telecommunications.

I received my bachelor's degree in but in Business Administration with a finance and economics concentration at the University of Guam in May 2016. The student organizations that I have been involved with includes being the vice president of the 51st student government.

I'm a member but of American Marketing Association, Society of Human Resources Management, Soroptimist Sigma Society, Student Investment Club and Public Administration and Legal Studies Society My career started with being a Vibe write, Vibe editor freelance journalist with the Pacific Daily News during my high school Years. After high school graduation from Harvest Christian Academy I started an internship with Bank of Guam which began my nearly seven years in the banking and financial industry At the Bank of Guam I was

able to work as an anti-money laundering investigator and community and customer service associate which is known as a bank teller. My trainings include webinars from the Association of Certified Anti-money Laundering Specialist in July 2018. I decided to leave the bank of Guam in pursuit of better opportunities for professional and personal growth. So, I began my journey as a kindergarten teacher with the Guam Department of Pedro C. Lujan Elementary School. My latest adventure is being in sales with Macy's and as a former college graduate and business professional, I understand the duties and responsibilities of public servants as it pertains to government policies and procedures. Madam Speaker and members of the committee, thank you for this opportunity to appear before you as the Governor's nominee for Guam Educational Telecommunications Corporation. Thank you for your time and I look forward to answering your questions as you consider my nomination.

SENATOR KELLY MARSH (TAITANO), PH.D. CHAIR: *Si Yu'os Ma'åse* for all of the testimonies. It was important to be able to hear you highlight some of the things like your degree in business administration and I think even your anti-money laundering skill, it speaks to your detail-oriented ness or nature and maybe in some ways perhaps so with what PBS will be working with as they're dealing with large corporations perhaps, or if they move in the direction of being the Guam Film Office, I think that there are many ways that your skills that you highlighted, not only your degree in training but some of the other roles that you've played we have the potential of really being assets.

So, as you listed you've been participating in many organizations and I really think that speaks to your ability to serve on a board for our community. Because it does take time... It does take commitment and by you're having served in these other organizations, it shows that you have that capacity and you do understand the time commitment that it takes.

I did notice here that you also have been helping organize the Pink Ball, which is a wonderful event with a very important elements that it supports. And unfortunately, I missed this last one. I was in Saipan and Tinian over the weekend and I was truly disappointed that I couldn't be there, but I will definitely, I will work my calendar around the Pink Ball next year.

But again, that speaks to that detail oriented ness and some of those skills that you bring if you're helping organize something like that. And then not only were there the two testimonies we heard today for your support, but there were others that were sent to my office and they note things such as... that you willing to go above and beyond that you're very positive, you were very

dedicated, you're a hard worker, you have a high level of integrity and under other such qualities that are important for all of us to hear in the Legislature as were determining your nomination.

Those are important things for us to hear as characteristics that you would be bringing with you. One of the things that I noted is that in one of the testimonies they mentioned that you were born in Saipan. So, this is not really a fully in the side... I think that it is related. How many years did you spend on Saipan before you came to Guam or was it just a very short time that was there?

MS. BEATRIX ALYANA O. NAHOLOWAA: Less than a year... Probably... that I move straight here. Yeah.

SENATOR KELLY MARSH (TAITANO), PH.D. CHAIR: Okay, but you know I think considerations like that can have a certain amount of importance, if you will, just in that like with Miss Carrillo was saying that PBS KGTF they're here to serve Guam and the Micronesian region. And I think in the many ways that many if not all of our community members are connected with other places. It helps us remember that we have that greater Identity or that greater role in and to the like PBS and KGTF where they're serving not only Guam but Guam within this larger context and so perhaps in some way that helps you remember just that were within that broader context as a possibility.

Other characteristics that were mentioned by those that provided support is they noted that you're intelligent, charismatic, committed and that you're very passionate about education and that last one really was important for me to read as well because a very important function of PBS is that it is out there educating in many ways our youth and keeping the community informed. And so, I think that those are also potentially skills that you could be bringing with us that understanding about education.

A typical question is we always want to make sure that our board members talk about and recognized any conflict of interest they may have. Do you see any conflict of interest at this point?

MS. BEATRIX ALYANA O. NAHOLOWAA: No Madam speaker. I do not have any conflict of interest being, as a board member.

SENATOR KELLY MARSH (TAITANO), PH.D. CHAIR: Okay, and then if in some way or another, something arises... how would you proceed if you felt that there was some sort

of conflict? Somebody you knew maybe, somewhere that you've worked for before, if that came up?

MS. BEATRIX ALYANA O. NAHOLOWAA: I will do my best to have integrity and to serve well and to always do what is right.

SENATOR KELLY MARSH (TAITANO), PH.D. CHAIR: *Si Yu'os Ma'åse*, that's good to hear. As I mentioned before I've gone through quite a few of the things that different people have highlighted and you yourself have highlighted. So you bring quite a bit to the table I believe and the only other question that I have for you is whether you have any thoughts on something that you particularly like to focus on if you have any visions for... maybe a direction that PBS KGTF could be going in?

MS. BEATRIX ALYANA O. NAHOLOWAA: I believe a vision I have with PBS is to really enhance the educational tools and to me personally as a former kindergarten teacher, I believe that you don't learn only in the four walls. You learn everywhere and there's always something new to learn and learning is an everyday experience. Like even me personally, I'm learning new things every day, so what I would like to do with PBS is to really try to hone in using social media or technology to really grasp the attention of youth and their peers.

SENATOR KELLY MARSH (TAITANO), PH.D. CHAIR: *Gof mauleg*, that's very good to hear. It is a strong part of what PBS provides and any way that they can be continuing to expand that I think is going to be a plus for our community. One of the things I guess we'll be seeing is the what different ways that they may be growing. I've heard I believe that there may be growth in our children's programming. And so again that may be something that fits in very well with some of your strengths that you bring.

So, with that unless there is something that anybody else wants to add?

There being no further testimony this committee will conclude the confirmation hearing of Beatrix Alyana Naholowaa to serve as a member on the Board of Trustees, Guam Educational Telecommunications Corporation, otherwise known as KGTF PBS.
