SUBJECT: Testimony in Support of the Re-Appointment of Lucy M. Alcorn, Gurvinder "Bic" Sobti, Donald I. Weakley, and Zenon E. Belanger to the Board of Directors of the A.B. Won Pat International Airport Authority, Guam

Madame Vice-Speaker Nelson, and Honorable Members of the Committee on Education, Air Transportation, and Statistics, Research and Planning.

As Chairman of the Board, I am in full support of Governor Lou Leon Guerrero's re-appointments of **Lucy M. Alcorn, Gurvinder "Bic" Sobti, Donald I. Weakley and Zenon E. Belanger** to the A. B. Won Pat International Airport Authority (GIAA), Guam Board of Directors.

Director Alcorn and Director Sobti have been members of the Airport Board, since 2007 and 2008, respectively. Their amassed institutional knowledge, coupled with their strong business management background and community involvement, significantly contributes to developing policy, setting management objectives and corporate governance and social responsibility required of the Airport Board of Directors. Mr. Sobti has also served as an officer on the Board, having been selected unanimously as the Vice Chairman and serving in that capacity from 2019 to present.

Donald I. Weakley and Zenon E. Belanger have been serving on the GIAA Board of Directors throughout 2019. They have actively led and been involved in the Board's capital improvement projects (CIP) subcommittee. With over \$200M in capital improvement projects in the construction, design and procurement phase, their continued involvement is critical in carrying forward initiatives to keep these projects on track and in check. They, too, are keenly aware of their fiduciary role on behalf of the people of Guam. Donald Weakley has also served as an officer of the Board, having been unanimously selected as the Board Secretary.

I have full confidence in the four above-named individuals to keep the airport moving forward, mindful of their fiduciary responsibilities for the benefit of the people of Guam. Thank you for your favorable consideration and action.

The Honorable Telena Nelson
Chairwoman, Committee on Education, Air Transportation, and

Vice-Speaker, 35th Guam Legislature

SUBJECT: Testimony in Support of the Re-Appointment of Lucy M. Alcorn, Gurvinder "Bic" Sobti, Donald I. Weakley, and Zenon E. Belanger to the Board of Directors of the A.B. Won Pat International Airport Authority, Guam (GIAA)

Madame Vice-Speaker Nelson, and Honorable Members of the Committee on Education, Air Transportation, and Statistics, Research and Planning.

Thank you for the opportunity to testify today in support of Lucy M. Alcorn, Gurvinder "Bic" Sobti, Donald I. Weakley, and Zenon E. Belanger on their re-appointment to the Board of Directors.

Since April of 2019, I have had the privilege of working with these Directors and have experienced first-hand their commitment to serve the people of Guam. As business men and women, they all have the knowledge and insight into the many issues the Airport deals with and is able to make sound overall policy decisions and provide oversight of management of the Airport.

All four are well aware of the stakes at play, from airlines, tenants, ground service providers, concessionaires, airport construction, regulatory agencies, and all the businesses supporting operations at the Airport. All four are involved in Board Subcommittees, dedicating valuable time to ensure the decisions they make are for the benefit of Guam, and enhances the government's largest capital asset and only civilian airport serving our island.

At this critical time of redefining airport business in the new normal environment presented by the pandemic, their commitment to continued public service in the capacity of Directors on the GIAA Board is the best for the organization. Two of those re-appointed hold officer positions within the Board. Gurvinder "Bic" Sobti serves as the Vice-Chairman of the Board, and Donald I. Weakley is the Secretary of the Board. Lucy M. Alcorn has served on the Board of Directors since 2007, and has institutional knowledge of Airport issues, while Zenon E. Belanger, a Professional Engineer, contributes greatly to decisions made in regard to the \$200 Million capital improvement program currently underway.

On behalf of Airport Management and staff, this is to reiterate my, and our, full support of Governor Lou Leon Guerrero's re-appointment of Lucy M. Alcorn, Gurvinder "Bic" Sobti, Donald I. Weakley, and Zenon E. Belanger to the GIAA Board of Directors.

II. SUMMARY OF TESTIMONY & DISCUSSION

The public hearing was Called-to-Order at 4:32 PM.

Vice Speaker Telena Cruz Nelson: We'll now move forward with our next appointee and that will be Mr. Donald Weakley, Sr. Mr. Weakley, do you have anyone providing testimony on your appointment on your behalf?

Donald I. Weakley, Sr., Appointee: Not that I know of.

Vice Speaker Telena Cruz Nelson: Okay, please proceed with your testimony.

Donald I. Weakley, Sr., Appointee: *Håfa adai*, Madam Chair and members of the Committee on Education, Air Transportation, Statistics, Research and Planning.

My name is Donald Weakley and I have been serving the GIAA Board of Directors approximately 18 months. I'm here before you today to request your favorable confirmation so, that I may continue

that I may continue my service to Guam Airport Board of Directors and the people of Guam. I am ready and available to answer any questions you may have. Thank you.

Vice Speaker Telena Cruz Nelson: Thank you, Mr. Weakley. I do have one (1) question. So we talked about the CIP and the Guam International Airport Authority in the previous months gave us an informational briefing on how they will be able to sustain operations of up to the month of I think it was October; and so with that being considered, how will the Guam International Airport Authority move forward with the impact of its revenue losses after that?

Donald I. Weakley, Sr., Appointee: Well we did have April, May and June that we helped out the concessions and so on and that expired. That was a Three Million Dollar (\$3,000,000.00) thing. We did not renew that as of yet and we're functioning okay without doing it and we won't be... we don't... we're not too familiar what's going to be happening in the new fiscal year. We'll be reviewing the budget next month, August, the board will and I will have more information at that time.

Vice Speaker Telena Cruz Nelson: Okay. So that would be what... when in August will you be reviewing the budget?

Donald I. Weakley, Sr., Appointee: That'll be our regular board meeting which is third Thursday.

Vice Speaker Telena Cruz Nelson: Okay, very good, thank you. Minority Leader Senator Telo Taitague, do you have any questions at this time?

Senator Telo Taitague: *Si Yu'os Ma'åse'*, Madam Chair for the opportunity again and just for the record, I have to divulge that Don Weakley is my uncle and I'm very related to him so, just for the record for transparency.

Uncle Don, thank you again for stepping up to the plate and serving on this board. You know like you Belanger, I just saw you last year and 18 months into it. So, the only question I have for you Uncle Don, right now is what do you see at the airport that you would like to see improved at the airport?

Donald I. Weakley, Sr., Appointee: I'd like to say I've never... I've worked for several agencies and this airport is so professional. Everybody has a job and they're very efficient. When I first came on board my emphasis was on bathrooms that were getting a lot of complaints about bathrooms that has been fixed already and of course, the safety issues but you know we've got about 8 pending CIP projects that we're not addressing right now.

I'd like to see those happen, parking and a few other places and to see the other projects that are underway right now. The 3... third floor which is my CIP Chairman and I'm on the CIP Committee with him and what's the other 1 so, well the fire station, ARF we call it and that's been noticed to proceed already but we ran into some problems there with the soil was too soft. So, we had to now we're driving piles down and that's going to take some time extension to see that done. 2-story building on the south side of the airport property. Those in and more and finish all these other CIP projects and we have a very progressive board, very good Chairman and everybody has something to offer. It's a good place to work.

Senator Telo Taitague: That's good to hear that you're enjoying yourself and actually I'm happy that you mentioned the bathrooms by the way because when I was doing the tour at the

GUAM CONGRESS BLDG. 163 CHALAN SANTO PAPA HAGÁTÑA, GUAM 96910

airport. I noticed that you know because of the COVID and the importance of going in and sanitizing the bathrooms all the time I guess that's 1 way to make sure that those bathrooms stay you know up to par – clean and safe for our visitors.

And I hope this kind of structure has taught the airport something to maintain that. I think it's a good idea and the bathrooms were well kept but then again there was no traffic but I loved the structure that was in place to ensure the bathrooms are clean and sanitized more so, than before.

So, again thank you for stepping up to the plate because I know you can retire and go fishing all day long but I know that you got a lot to give back to the people of Guam and serving in this capacity will definitely help the people of Guam. Thank you so much Uncle Don.

Donald I. Weakley, Sr., Appointee: Thank you.

Senator Telo Taitague: Thank you, Madam Chair.
