Transcription of Hearing (block formatted)

The Virtual Public Hearing was called to order at 5:45 pm.

SENATOR KELLY MARSH (TAITANO) PHD., CHAIR: *Hafa adai todus hamyo,* thank you for your participation in today's virtual public hearing. This virtual public hearing is convened by the Committee on Heritage and the Arts, Parks, Guam Products, *Hagåtña*

Revitalization, Self Determination, and Regional Affairs. For the record in accordance with the Open Government Law, public hearing notices were given to all Senators, stakeholders, and main media broadcasting outlets with the first notice being distributed on Tuesday, May 26, 2020, and the second notice distributed on Sunday, May 31st, 2020.

The virtual public hearing notice is also posted on the Legislature's website at www.guam.legislature.org. Today is Tuesday, June 2nd, 2020, and the time we got a bit of a late start. The time is 5:45 pm. This virtual confirmation hearing is now called to order. *Si Yu'os ma'åse'* for your virtual attendance to this afternoon's hearing.

On the agenda for this afternoon or early evening's virtual confirmation hearing, are the appointment of Joseph D. Certeza to serve as a Member of the Board of Directors, Guam Council on the Arts & Humanities; the appointment of Jillette Leon Guerrero to serve as the Director of the Guam Council on the Arts & Humanities; and third, the appointment of Monica Giger to serve as the "Youth Member" on the Department of Parks and Recreation Commission.

The Committee will receive oral testimony for *I Maga'håga's* nominees. It will continue to accept written testimony from the general public, which will be made part of today's public hearing record. So right now, we are fortunate to have the Minority Leader Senator Telo Taitague. *Si Yu'os Ma'åse'* for your attendance. There may be a couple of other Senators that will be joining us later on.

So next, we'll go to introducing Mr. Joseph D. Certeza, the CAHA Board nominee. We have Ms. Jillette Leon Guerrero, the CAHA Acting Director, who is nominated to be full Director, as well as Monica Giger, the DPR Commission Nominee. We have the Department of Parks and Recreation Acting Director, Mr. John Burch, and we also have two of my Committee staff members; Mr. Roland Villaverade and Mr. Victor Lujan.

Thank you so much all of you for joining me. Now before we receive and hear oral testimonies from each nominee listed on our virtual public hearing agenda, I'd first like to provide some general rules of conduct for all those who are participating and in attendance. The conduct of this hearing shall be as follows:

- All participants must abide by rules of conduct and quality assurance standards, including broadcasting from a quiet room with little to no interruptions.
- The use of virtual backgrounds is not permitted.

- Broadcasting from a room with adequate lighting, specifically to ensure that a participant's face is not backlit but visible at all times.
- Please ensure that you are unmuted and that you are speaking clearly into your microphone when it is your time to speak.
- I will invite a nominee in the order listed on the agenda and then recognize individuals who have signed up to testify for the nominee.
- Individuals providing oral testimony shall first be recognized by the chair before speaking and shall state their name and title for record-keeping purposes.
- The order of questioning will begin with the panel of Senators who shall complete their line of questioning for each nominee. It may just be the minority leader and me, so we will just go back and forth and take turns.
- Each panel member will be allowed to pose one question to the nominee and then be provided another round to ask questions, should that be necessary for the nominee or the testifying panel.
- Oral testimonies received shall be confined to the substance or the character of the nominee. Discussion of motives of any Senator or individual testifying is not permitted. Any violation of this rule of conduct will result in removal from the virtual meeting room by the host.
- I ask that all participants keep their comments or testimony to within 5 minutes.

So with that being done, *hafa adai!* The work of a Board or a Commission Member involves much volunteer time and commitment and provides an important link between the public, the agency, the Legislature, and the Governor. Each Board is unique in its purpose, mission, and role. It is especially important that Members must be familiar with their Boards' governing statutes, or other authorizing directives so that they understand the framework within which the Board and the entity, the agency, or such itself must operate. With that being said, I'd like to call upon Joseph D. Certeza to provide his testimony to serve as a Member of the Guam Council on the Arts & Humanities, AKA CAHA, and then receive testimony from individuals who are confirmed to participate in his nomination.

I'd first like to acknowledge before we start with Mr. Certeza, the Acting Director of CAHA, Jillette Leon Guerrero, who is participating in this virtual hearing and to find out if she will be providing oral testimony after Mr. Certeza is done. So Acting Director if you could unmute yourself and then let us know if you'll be providing oral testimony.

June 2, 2020, virtual public hearing call to order beginning with Mr. Joseph D. Certeza's confirmation hearing as a member to the Board of Directors, Guam Council on the Arts & Humanities segued to Monica Giger, Youth Member Nominee, Department of Parks and Recreation Commission.

SENATOR KELLY MARSH (TAITANO) PHD., COMMITTEE CHAIR: We have the beginning of the confirmation hearing for Monica Giger, *I Maga'hâga's* nominee to fill the "Youth Member" position the Department of Parks and Recreation Commission. We will first hear from Ms. Monica Giger, and thank you for your patience.

I know that you've sat through it a couple of confirmation hearings already. Then we will receive testimony from the Acting Director of the Department of Parks and Recreation, John Burch. Then we can begin to have the panel, which consists of myself and Senator Joseph San Agustin. We can provide comments or questions as needed.

I will call upon the nominee Ms. Monica Giger to go ahead and provide your testimony. Please start with your name and your position. I might be incorrect. Are you still in high school, or have you just recently graduated?

MS. MONICA GIGER, DEPARTMENT OF PARKS AND RECREATION, YOUTH MEMBER NOMINEE: I'm actually graduating this Saturday on June 6 as a high school graduate. Yes, the class of 2020.

SENATOR KELLY MARSH (TAITANO) PHD., COMMITTEE CHAIR:
Congratulations! I'll let you begin with your name, and you can announce your upcoming graduation and the big move into your testimony.

MS. MONICA GIGER, DEPARTMENT OF PARKS AND RECREATION, YOUTH MEMBER NOMINEE: *Hafa adai*, my name is Monica Giger. I am currently a class of 2020 graduate at St. Paul Christian School. First off, I just want to say thank you to everyone for this thrilling opportunity. When I was speaking to my father about this position, I thought it was a perfect way to voice my opinion based on the youth generation and just young adults in general. As an athlete, I've grown up in Parks and Rec., such as the Tamuning Gym, growing up as an athlete playing basketball every single day. I realized that it's very important for me to voice out other people's opinions based on the younger generation on what things we can fix of, off the environmental things.

Since I've grown up in the gym, I believe there are some things we can work on in the environment for kids but also families as well. I know that also tourism plays a really big role based on Guam. So, I believe there are things we aren't we should work on through tourism as well so that way they know that they're in a safe and eco-friendly environment.

SENATOR KELLY MARSH (TAITANO) PHD., COMMITTEE CHAIR: *Si Yu'os ma'ase'* for that. I can see that you have a lot of good vision. I think it's so important, and I appreciate this time around... I don't know who all the members have been in the past, but I know that this time around a lot of our Board Members or Commission Members, that they are users of the parks. They are users of the facilities. I think just as I spoke about with artists being part of the Council on the Arts & Humanities, This is going to make some really important differences to have people who understand the needs of the community. Understand how these facilities are utilized. And then as you mentioned for you in particular, having some of that youth perspective to make sure that they're represented as well. So, what I will do is now move on to Acting Director. Mr. John Burch and let him provide testimony as well.

MR. JOHN BURCH, ACTING DIRECTOR, DEPARTMENT OF PARKS AND RECREATION: Thank you, Madam Chair, and good evening to you and also to Senator San Augustin and congratulations Monica on your upcoming graduation. Well, thank you for this opportunity to support Governor Lou Leon Guerrero's nomination of Ms. Monica Giger to serve as the "Youth Member" on the Department of Parks and Recreation's Commission with the consent of the Legislature, an appointment to the DPR Commission will help us to meet our mission of setting policy and direction for the Department of Parks and Recreation.

Serving on a DPR Commission requires responsibility and commitment. Along with the DPR Commission's regular monthly meetings will, of course, be work sessions, community meetings, and testimonies at public hearings before the Guam Legislature and participation in various community functions throughout the year whenever needed. So, I look forward to Ms. Giger's appointment with the DPR Commission, and I thank her for agreeing to join us in this hard but rewarding work. Therefore, I humbly request the Legislature to move forward quickly and filling this Commission position. Thank you again for allowing me this opportunity to testify and support Ms. Giger's nomination.

SENATOR KELLY MARSH (TAITANO) PHD., COMMITTEE CHAIR: *Si Yu'os ma'ase'* Acting Director Burch for your testimony. I'll go ahead and see if Senator Joe San Augustin has any comments or questions that he'd like to ask that.

SENATOR JOE S. SAN AGUSTIN: Thank you, Madam Chair. Can everybody hear me? Am I okay? I'm both hooked up via Zoom and also my phone just in case they freeze up, okay? Monica, I look forward to supporting your nomination. When I looked at your packet, you'll be graduating. Well, I have the number four grand that has graduated, so, I look forward. I like you to get involved in what's going on in the government. We need to get more youth involved because that's how we change things. Most of us like John and I, we're not going to be around...you know. We hope to be around a little bit longer, but we want you folks to be the one to take over. You got to prepare to take over and run with it. Let's get the sports going, let's get going that's getting the parks running, do the surfing that you like to do... get the talent showing. Let's get as much youth involved so we can start trending the way it needs to trend. All right?

I look forward to your supporting your nomination on the floor. Thank you. Thank you, Madam Chair.

SENATOR KELLY MARSH (TAITANO) PHD., COMMITTEE CHAIR: Si Yu'os Ma'ase' for your comments Senator. What I wanted to do is as the Director of Acting Director Burch was mentioning, you know there's a lot to the Department of Parks and Recreation. The main goal is to really serve community needs, and you very well pointed out that tourists are part of whose needs are being served there. And so, I appreciate your foresight in thinking about that because that is an important aspect. We want it to be a safe visit, an enjoyable visit, and I do see them in the parks and at different sites or facilities all the time. That is an important consideration, and then there's something that I think you're very well versed for, which is perhaps sports tourism considerations.

I know that the slingers would like to have a worldwide slinging competition. It may be virtual this year, but you know, we have the national basketball team and others, so it won't always be in our facilities. Still, there may be opportunities that someone with your background and some of the other board member backgrounds that they can be thinking about how this fits into that bigger picture. As to how to serve our youth, using our facilities in various ways, to prepare them for these kinds of activities.

Part of what I wanted just to point out is some of what you will have oversight of, along with the Director and the other Board Members. So, we do have the Territorial Park System, which consists of quite a few Parks throughout the entire island. Maybe one of the things that the Board will be deciding on when they first get together, which is hopefully soon. You're going to be meeting that will be making up a quorum soon is whether you're interested in touring part of a good portion of

these parks and facilities to get an understanding of where we're at. I will say that the Acting Director has been incredibly active, and I'm incredibly grateful that he has been ever since he's gotten in.

He's been rehabilitating a lot of the facilities and just safeguarding the parks and so forth and then getting the budget so Senator San Agustin should be glad to hear that. Getting the budget together, getting the structure of personnel needed together, and he'll be able to work with the Board once you all begin to start meeting about some of those sorts of issues. I think each of you is in excellent hands.

So in addition to the Territorial Park System, there are those facilities that I mentioned, and they get a lot of heavy use and keeping them in good working order and maintenance. It's been an issue for a long time. They get a lot of heavy use, and perhaps there's room there for awareness programs or just helping people understand how to help take care of those facilities so that they continue to serve everybody.

Going back to some of that conversation that I had earlier. Even the arts can be part of this. They can be helping people understand how it works, understand why they should care about contributing to not littering in the parks, and helping take care of the facilities. The artists could be part of what you guys do to convey some of these messages. Part of their responsibilities, of course, are helping keep the island beautiful through the parks and maintaining the parks and the facilities.

The Paseo is there as well. The pools that we've heard about a lot this year and have gone through challenges for many years are part of what you need to look at, and again, I appreciate the Acting Director. He has taken that very seriously. He has looked long and hard at the pools and their needs to assess them and so forth. But again, this will be something that the Board Members will also be looking out. You guys work closely with the Director and give him some guidance on some of the vision that the Board has and that he puts that into action. It's a very close relationship that you guys have. Part of this as well, just to go through some of what you'll be overseeing, is that there are lifeguards and park patrol officers that are part of this whole picture as well.

I don't want to forget... because I think maybe not a lot of people understand that the public cemetery is also under the Department of Parks and Recreation. There may be ways that that comes into some of the discussion of the Board and certainly it's some of the work that the Director does daily.

So, with the Board Members, the duties, one of the first things that you will be doing is appointing the Director. The Board will get together. They will review the work that's been going on and the qualifications of the Director and then determining if they are going to appoint him and discuss a variety of the Department of Parks and Recreation matters.

And you will be responsible for creating a report. So not you alone, obviously, but the Board all together and working with the Department of Parks Recreation. What they do is each year, they develop a report to outline the activities that took place over the year and then their vision for what they will be tackling for the next year.

You've spoken a little bit about some of your vision. For Acting Director Burch...is there anything that I left out that you'd like to add in for her to consider as a Board Member?

MR. JOHN BURCH, ACTING DIRECTOR, DEPARTMENT OF PARKS AND RECREATION: Yes, you left out that we also have historic preservation, which plays a big part in preserving our culture and our history.

SENATOR KELLY MARSH (TAITANO) PHD., COMMITTEE CHAIR: Yes, thank you for that reminder. What we did this year and I'm not sure that they've done it in the past, but we put the historic preservation entities together. So, that isn't under my oversight, and I did forget it, so thank you for reminding me. It's a very important part of what the Department of Parks and Recreation does.

My background is in historic preservation, so you would think that I would have remembered that off the bat. But it's true; they have responsibility over a hundred and sixty-six historical sites throughout the island. They have responsibility for nominating new sites. The maintenance of them. The safeguarding of them many other things like that.

Now they do have a historic preservation review board that does work closely with that Historic Resources Division, but that all comes under the Department of Recreation, which means that you have that higher level of oversight there.

MR. JOHN BURCH, ACTING DIRECTOR, DEPARTMENT OF PARKS AND RECREATION: Yeah, not much else, Senator. You covered quite a bit.

SENATOR KELLY MARSH (TAITANO) PHD., COMMITTEE CHAIR: Yes.

MR. JOHN BURCH, ACTING DIRECTOR, DEPARTMENT OF PARKS AND RECREATION: I plan that I recently just got all the contact numbers and contact email addresses, so I'll be sending out very soon a proposal for them to have their first meeting and select their officers. Because we don't have any officers there and then, of course, decide on the Governor's nominee. Hopefully, by then, I'm hoping that Ms. Giger does receive confirmation so she could be a part of that. But even if not, I will still send them, so also though they won't have voted, their votes won't count. They were still participating. I plan to get that going, so hopefully, they'll have the first meeting this month.

SENATOR KELLY MARSH (TAITANO) PHD., COMMITTEE CHAIR: Great!

MR. JOHN BURCH, ACTING DIRECTOR, DEPARTMENT OF PARKS AND RECREATION: We're planning to be moving forward.

SENATOR KELLY MARSH (TAITANO) PHD., COMMITTEE CHAIR: Great, that's very good to hear, and Ms. Giger and I had talked about that a little bit that we will get your confirmation packet to all, through all the processes as quickly as possible. But even if you are not confirmed until next month as it works its way through the processes, we certainly want you to be a part of the Board meeting so that you're well-versed, you're meeting everybody, and you're part of the activity from the get-go. So, let's see... Was there anything else that anybody wanted to provide as a comment? I think probably pretty good.

So, we've completed our questions and our comments from the Committee, the panel, and everybody else who was here on the confirmation hearing for Ms. Monica Giger to serve as the "Youth Member" to the Department of Parks and Recreation Commission Board of Directors. So what I will do is I will read our adjournment, and I will announce the time of this end.

We are ending that confirmation hearing of *I Maga'håga's* nominee, Ms. Monica Giger, for the position for being a Commission Member of the Department of Parks and Recreation. The time is now 7:10 pm, and I just will go through some closing adjournment business.

So, a public reminder the Committee will continue to receive written testimonies for the next few days. Please address your written testimony to the Committee on Heritage and the Arts, Parks, Guam Products, Hagåtña Revitalization, Self-Determination, and Regional Affairs and submitted via email to office.senatorkelly@guamlegislature.org or to my office located at the second floor of the Guam Congress Building and that applies to any of the three confirmation hearings that we heard today for a Mr. Joseph D. Certeza, for Ms. Jillette Leon Guerrero or for Ms. Monica Giger.

Si Yu'os ma'åse' for your attendance and participation in today's virtual confirmation public hearing. Today's hearing is now adjourned. *Si Yu'os ma'åse'* for your attendance and participation in the virtual confirmation hearing. Have a good evening and thank you all for your patience in waiting to be the third in that round.
