To Senator Joe S. San Agustin:

I'm writing this letter on behalf of Alice Marie Teijeron, representing her work at Empower Retirement under my supervision from January 3rd, 2017 to January 18th, 2019. Empower Retirement is one of the largest retirement services companies in the United States providing services to over 9 million customers. Empower has been fortunate to service the Government of Guam Defined Contribution Plan and Deferred Compensation plan for over 20 years. In that time, Alice supported the Government of Guam Retirement Fund for 13 years. The first 8 years she served as the Retirement Plan Counselor providing education on retirement to Guam employees/retirees and then the last 5 years at Empower as the Director of Client Relations. Alice worked directly with the Trustees that provide fiduciary oversight to that program. In addition, Alice managed a local staff of 3 people. Two Field Administrative Support associates and one Retirement Plan Counselor who provides counseling to Government of Guam employees around the importance of saving for retirement.

During the two years that Alice and I worked together I found Alice to be extremely passionate about her work overseeing the retirement funds defined contribution plans. It was also apparent she took great pride in supporting her community in this way. During that two years we worked together she demonstrated an ability to navigate significant legislative changes to the retirement fund and the retirement plans we administer. This event demanded a strong attention to detail, a sense of urgency and working within a fluid environment as legislative proposals changed and ultimately were approved. She was able to quickly focus our local team to appropriately and proactively communicate the legislative changes. She organized our local team in a way that Government of Guam employees could make informed decisions in what was their best interest. Alice's ability to mobilize her team, build relationships within the Government of Guam and to bring people together to take action is a terrific strength of Alice's.

Should you need anything further, please do not hesitate to reach out directly. I wish her the very best as she continues to grow her career.

Respectfully submitted,

Rob Dwyer | Vice President | Government Markets
