The council also will conduct training seminars and educational programs for the members and staff of public bodies and other interested persons on the requirements of the laws and shall publish educational materials, as it deems appropriate. The Council will identify within thirty (30) days, all Government of Guam agencies and instrumentalities not in compliance with the provisions of 5GCA Ch. 10 Article 3 §10305 Home Page for Each Department or Agency of Government, and § 10306 Information Required on Official Home Page, and provide a report to *I Liheslaturan Guåhan*. Once the appointments are made to this Council, the Committee on Rules, Federal, Foreign & Micronesian Affairs and Human & Natural Resources and Election Reform will notify members of their first meeting date and then the Council can move forward following their initial meeting. All meetings will be announced pursuant to the open government law, broadcast live on the legislature's channel, and open to the public.

I am sure you would agree that open government is good government and I look forward to working with you to ensure that we protect our people's right to an open and transparent government.
