## CNMI Briefs

### Japan Jaycees to visit Saipan

SAIPAN – About 850 members of the Junior Chamber International in Tokai, Japan will convene here for games, entertainment and an exchange of cultural experience with locals.

The event will be held at American Memorial Park on Wednesday afternoon.

Ayako Matsumoto, vice president of Pacific Eagle Enterprises Inc., the event coordinator, said about 200 Jaycees are expected to arrive by plane, while 650 more will be arriving aboard the MV Fuji Maru on Wednesday morning.

"This is a great opportunity for Saipan to have these young business entrepreneurs for a two-day trip here. It can help boost the local tourism," Matsumoto said.

On Wednesday, beginning at 5:30 p.m., the Jaycees will meet with members of the local community to experience local culture, food, dances and to know more about the islands.

### NMI students join thespian competition

SAIPAN – Students from San Antonio Elementary School will represent the commonwealth along with other local students in the International Thespian Festival this month.

SEAS acting principal Sibylla Guerrero is confident that their students have enough time to practice in preparation for the competition.

"They practice almost every day," said Guerrero, who also coaches the students.

The school, she added, is very proud of these students.

Marianas High School instructor Harold Easton, the Thespian Society director, also helps prepare the students.

The group will compete against others teams from the states and territories in Lincoln, Nebraska from June 21 to 26.

Guerrero said thespian events help students expand their artistic capabilities and imagination through stage plays and performances that build character and confidence.

# Gov't urged to repair damaged Sugar Dock

SAIPAN – The Pantalan Boys, a group of local residents who frequent the Sugar Dock area, are again reminding the government about the danger posed by the unrepaired portion of the dock.

Two years ago, after three children were reported to have been injured in the area, teams from Coastal Resources Management and the Department of Public Works demolished the dilapidated structure that was used as a diving plank by swimmers.

But up to now, said Jun Sablan, one of the Pantalan Boys, the government has not repaired the other dilapidated portion of the dock.

"It needs to be repaired because the foundation is now obsolete – it was built during the Japanese era," he added.

He said the government will be liable if something happens to the people using the dock.

"We need a preventive measure," he added, as he strongly urged CRM and DPW to immediately repair the dock's damaged portion.

## Garment file closed

SAIPAN – U.S. District Court Senior Judge Alex R. Munson has granted a motion to finally close the Garment Workers Trust Fund's file.

Munson also approved the final report of trustees, and relieved them of their further duties.

The former trustees were former CNMI Superior Court

Associate Judge Timothy Bellas, former California Supreme Court Justice Cruz Reynoso, and former Washington State Supreme Court Chief Justice Richard Guy.

Munson said there was no opposition filed by any interested party.

"It appears from the final report that the case has been fully and completely administered by trustees, and good cause appearing therefrom," he added.

## CNMI Briefs

### Juvenile center guard arrested for sexual abuse

SAIPAN – Federal agents arrested on Friday a Division of Youth Services jail guard on the charge of sexually abusing a juvenile at the Kagman detention center.

Tyron Farley Reyes Fitial, 24, was escorted by federal agents when he appeared in federal court before visiting Chief Judge William H. Aisup of the Northern District of California on Friday afternoon.

"Fitial is charged with violating a person's civil rights when he used his position of authority to force the person, a minor child, to engage in sexual acts while the minor was in the custody of the juvenile detention unit, located in Kagman on the island of Saipan," according to a statement from U.S. Attorney for the District of Guam and the CNMI Leonardo M. Rapadas.

A federal agent described the case as "horrible."

Fitial's arrest comes as part of a wider and ongoing investigation into abusive behavior by guards at the Kagman detention facility, the statement added.

### DPL remits \$2.5 million to help out CUC

SAIPAN – The Department of Public Lands has remitted \$2.5 million to the general fund to help the government address the Commonwealth Utilities Corp.'s fuel problem.

DPL Secretary Oscar M. Babauta, in an interview, said he was sure that other government agencies will remit what is due to the general fund.

Babauta said the amount his department remitted came from DPL's collections.

He said the money does not go directly to CUC as it was remitted to the general fund.

"But of course this will eventually help the CUC," he added.

He said DPL remits some \$800,000 to the general fund each quarter for administrative and other expenses like payroll and utility costs.

# Fuji Maru visit helps NMI economy

SAIPAN – The MV Fuji Maru cruise ship's visit to Saipan last week helped provide a much needed boost to the CNMI's economy.

Pacific Micronesia Tours manager Takashi Nagaoka told the Variety that 16 buses from PMT and Tasi Tours transported the passengers from the port to the Fiesta Resort Hotel & Spa beach.

"The young businesspersons spent the afternoon getting ready for the friendship party scheduled at American Memorial Park with the local residents," Nagaoka said.

This year marks the 37th JC Youth Voyage Tokaigo and the third time for Fuji Maru to come here. The first and second times were in 2006 and 2007.

The Fuji Maru departed Saipan over the weekend.

Saipan seaport manager Mary Ann O. Lizama said 589 young businesspersons were on board the Fuji Maru, while 200 others flew in from Nagoya.

"Having this big group of businesspersons come to the island is a big boost to the economy," Lizama said.

The cruise passengers went out shopping and sightseeing in Garapan, and toured the northern part of Saipan including the Last Command Post and Banzai Cliff before the ship departed.

The 547-foot Fuji Maru cruise is one of the ships regularly used by Japanese businesses to give their workers incentive cruises mostly to Southeast Asian destinations.

Fuji Maru and its sister ship Nippon Maru are now regularly used for cruises throughout the

world including to popular destinations such as Australia, New Zealand, Canada and Alaska.

The MV Fuji Maru is operated by the Mitsui OSK Cruise Lines. Weighing 23,340 tons, the ship carries 600 passengers.

It is just one of several interesting options for Japanese who want to take a cruise, ranging from conventional luxury cruises around the world, to one night cruises for a romantic getaway.

There are also inland Japan waterway cruises like those on the Sumida and other rivers, popular especially during the spring as well as ferry services that network the Japanese archipelago.

There are also international ferries plying between Japan and the outlying islands of other countries.
