## Senator Cruz – Sponsor Statement

As the main sponsor of Bill No. 178-31 (LS), I apologize for my absence. However, I am grateful that my cosponsor, Senator Palacios, is reading this sponsor statement today. Bill No. 178-31 (LS) is important legislation to prohibit the importation, production, distribution or sale of malt beverages infused with caffeine and/or stimulants such as guarana, ginseng, absinthe, and taurine.

Data from the Behavioral Risk Factor Surveillance System reveals that both heavy drinking and binge drinking are significantly higher among adults on Guam as compared to the US. Heavy drinking among Guam males is almost double that of US males (10.7% vs. 5.6%), while binge drinking among Guam males is 65% higher (34.5% vs. 20.9%). About 25% of heavy drinkers and 20% of binge drinkers are aged 18-24. Half of all heavy drinkers and 40% of binge drinkers are under the age of 35. Malt beverages infused with caffeine and other stimulants are a highly intoxicating supersized alcoholic beverage marketed largely to young consumers through a colorful array of 23.5- ounce single serving cans in assorted flavors including grape, strawberry lemonade, strawberry watermelon, and blueberry pomegranate. Each 23.5-ounce can contains nearly the equivalent of five servings of alcohol. If consumed in an hour, one can meet the standard for binge drinking.

The combination of caffeine and other stimulants does not ameliorate alcohol's negative effects on motor coordination. Adding caffeine and other stimulants is potentially harmful because such additives impair one's ability to judge their intoxication level. Young people are particularly vulnerable because they are more likely to misjudge their intoxication level and are more likely to take risks. BLAST, and other brands such as Four Loko, Joose, and Tilt, are examples of powerful and dangerous sickly sweet alcohol in a can. High consumption of these brands may lead our youth to drive intoxicated, commit sexual assault, suicide, and perform poorly in school. With Bill No. 178-31 (LS), it is my hope that my colleagues will join Senator Palacios and I in banning beverages of these types before they gain a negative stranglehold on Guam's youthful consumer.

Thank you all for participating in this Public Hearing.
