AN ACT TO *AMEND* §66103 OF CHAPTER 66, TITLE 10, GUAM CODE ANNOTATED, RELATIVE TO THE CIVILIAN VOLUNTEER POLICE RESERVE; TO *ADD* A NEW SUBSECTION (c) TO §50111 OF CHAPTER 50, TITLE 5, GUAM CODE ANNOTATED, RELATIVE TO RE-ESTABLISHING THE “ACCESSIBLE PARKING FUND”; AND TO *AMEND* §3401.1(e) OF ARTICLE 4, CHAPTER 3, TITLE 16, GUAM CODE ANNOTATED, RELATIVE TO ACCESSIBLE PARKING FOR PERSONS WITH DISABILITIES.

1 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds
2 that the Accessible Parking Fund (Fund), established as the *Disabled Parking Fund*

1 in 1985 by Public Law 18-28, was originally used to pay for the installation and
2 maintenance of accessible parking spaces at government of Guam buildings. The
3 *Disabled Parking Fund*, administered at the time by the Director of Public Works,
4 was also used to cover the costs for the installation of appropriate parking signs,
5 and for the fabrication of removable windshield placards for registered users.

6 *I Liheslaturan Guåhan* finds that in 1995, through Public Law 23-11, the
7 *Disabled Parking Fund* was renamed to its current nomenclature, and the
8 Governor's Commission on Persons with Disabilities was assigned the
9 responsibility of maintaining such Fund. Proceeds of the Fund were designated for
10 use in an aggressive media campaign to help educate the public about the human
11 aspects of parking in an accessible parking space, and its impact on persons with
12 disabilities.

13 In 1997 through Public Law 24-16, *I Liheslaturan Guåhan* further amended
14 the Fund's enabling statute, 5GCA §50111(c), and assigned the Department of
15 Integrated Services for Individuals with Disabilities (DISID) with the
16 responsibility of maintaining the fund proceeds. *I Liheslaturan Guåhan* also
17 mandated that the Fund be used to cover costs associated with monitoring
18 compliance of accessible parking laws.

19 Nearly a decade later Public Law 28-130, through recommendations made in
20 the Office of the Public Auditor's Report No. 06-03 dated April 2006, *I*
21 *Liheslaturan Guåhan* repealed 5GCA §50111(c), which effectively closed what
22 was reported to be an inactive fund account of the government of Guam. Public
23 Law 28-130 also appropriated Five Thousand Dollars (\$5,000) from a balance of
24 Five Thousand Five Hundred Sixty-six Dollars (\$5,566) to the Guam Police
25 Department (GPD) for the purpose of training volunteers who would assist with
26 the enforcement of accessible parking laws. The remaining balance was to be
27 transferred into the General Fund.

1 *I Liheslaturan Guåhan*, through information recently received from the
2 Chief of Police, finds that the Accessible Parking Fund was *not* closed, and that
3 fines and fees continue to be deposited into the Fund. As of October 11, 2011, the
4 Fund has a balance of Two Hundred Fifty-three Thousand Seven Hundred Fifteen
5 Dollars and Thirty Cents (\$253,715.30). Based on this information, the Chief of
6 Police has requested the assistance of the Chairman of the Committee on Public
7 Safety, Law Enforcement and Judiciary to introduce legislation that would
8 authorize GPD to use proceeds from the Fund for the Civilian Volunteer Police
9 Reserve (CVPR) and Community Assisted Policing Effort (CAPE) programs.
10 Funds would be used to pay for equipment, supplies, and training activities for
11 reservists and volunteers assigned to these units. Police Reservists and CAPE
12 volunteers continue to assist regular full-time officers with the enforcement of
13 accessible parking and other public safety and law enforcement mandates.

14 *I Liheslaturan Guåhan* also finds that the Chief of Police has requested that
15 such legislation authorize GPD to extend the use of Fund proceeds to pay for
16 similar requirements of the agency's operations bureau, including repairs to
17 highway patrol vehicles, acquisition of police equipment and supplies, and for
18 other purposes aimed at strengthening GPD's ability to enforce accessible parking
19 and other public safety and law enforcement mandates.

20 *I Liheslaturan Guåhan* further finds that individuals with disabilities are
21 inconvenienced when the accessible parking law is violated, and thus have a
22 significant stake in compliance with accessible parking. DISID thus has a role to
23 play in promoting compliance with the law to the benefit of Guam's community of
24 persons with disabilities.

25 It is, therefore, the intent of *I Liheslaturan Guåhan* to re-establish the
26 Accessible Parking Fund in 5GCA §50111(c), and share the revenue derived from
27 enforcement of the accessible parking law between the Accessible Parking Fund

1 and the Police Services Fund to improve compliance with accessible parking by
2 amending 16GCA §3401.1(e). *I Liheslaturan Guåhan* intends for GPD to use the
3 proceeds to assist with the enforcement of accessible parking and other public
4 safety and law enforcement mandates towards the preservation of law and order.

5 **Section 2.** §66103 of Chapter 66, Title 10, Guam Code Annotated, is
6 hereby *amended* to read:

7 **“§ 66103. Training, Equipping and Maintenance of Records.**

8 The Chief of Police *shall* devise a program whereby the Guam Police
9 Department and the Civil Defense Office will provide the members of the
10 Civilian Volunteer Police Reserve training in law enforcement and
11 operational techniques and procedures for natural and man-made
12 emergencies. The Civilian Volunteer Police Reserve *shall* maintain a roster
13 of volunteers who have received the training prescribed herein. In order to
14 maintain membership in the Reserve, each member must keep up with his
15 scheduled training, and *no* volunteer may remain in the Reserve if he or she
16 is unable to keep up with or otherwise absorb the training. Additionally,
17 basic supplies and equipment *shall* be provided to assure a constant and
18 operability of the Civilian Volunteer Police Reserve, including a continuing
19 program for replacement.”

20 **Section 3. Accessible Parking Fund.** A new Subsection (c) is hereby
21 *added* to §50111 of Chapter 50 of Title 5, Guam Code Annotated, to read:

22 “(c) A Fund to be known as the Accessible Parking Fund (Fund) is
23 hereby re-enacted and will continue to be separate and apart from any other
24 fund of the government of Guam. The Department of Integrated Services for
25 Individuals with Disabilities *shall* maintain the Fund, and *shall* utilize the
26 Fund for the purpose of ensuring community awareness regarding parking
27 issues for individuals with disabilities, which *shall* include the monitoring

1 and compliance for the provision of accessible parking for individuals with
2 disabilities.”

3 **Section 4. Accessible Parking for Persons with Disabilities.** §3401.1(e)
4 of Article 4, Chapter 3, Title 16, Guam Code Annotated, is hereby *amended* to read
5 as follows:

6 “(e) A violation of Subsections (b), (c), or (d) of this Section is
7 punishable by a fine of *no less than* Three Hundred Dollars (\$300.00) and *no*
8 *more than* Five Hundred Dollars (\$500.00). A violation of Subsections
9 (b)(1) or (c) of this Section, or of Title 16 GCA Chapter 3, or §3401(d) by
10 any individual(s) qualifying as a disabled person, as defined within Title 16
11 GCA §7120.1(a)(2), may have citation(s) dismissed upon the presentation of
12 a special license plate or a removable windshield placard obtained pursuant
13 to §7120.1 of Title 16, GCA before the Court. The Courts may, at its
14 discretion and by direction, create a methodology and system that authorizes
15 the administrative support services of the Courts to certify the presentation
16 of a placard by a person with a disability for the purposes of dismissal in
17 order to forgo the need of a personal court appearance, and that such
18 methodology and system strongly consider the potential for abuse. Fifty
19 percent (50%) of all fines imposed hereunder by the Court *shall* be deposited
20 into the Accessible Parking Fund, maintained by the Department of
21 Integrated Services for Individuals with Disabilities or its successor agency,
22 pursuant to Title 5 GCA §50111(c), and the remaining fifty percent (50%)
23 *shall* be deposited into the Police Services Fund, maintained by the Guam
24 Police Department. Additionally, any vehicle(s) illegally parked pursuant to
25 this Subsection, may be towed; and the owner of such vehicle(s) will be
26 liable for reasonable towing expenses, which *shall* constitute a lien against
27 the offending vehicle.”

1 **Section 5. Accumulated Funds.** One Hundred One Thousand Five
2 Hundred Dollars (\$101,500) currently in an account of the Department of
3 Administration where the proceeds of fines from enforcement of the Accessible
4 Parking Law are deposited *shall*, on the effective date of this Act, be transferred
5 from such account into the Police Services Fund to be maintained by the Guam
6 Police Department, and the remaining balance of the funds *shall* remain in the
7 Accessible Parking Fund to be maintained by the Department of Integrated
8 Services for Individuals with Disabilities.

II. SUMMARY OF TESTIMONIES

Chairman Adolpho B. Palacios, Sr. convened the public hearing of the Committee on Public Safety, Law Enforcement and Judiciary on Bill No. 294-31 (LS) at 8:35 a.m., read the agenda for the public hearing, and then called Lieutenant Michael Arcangel and Sergeant Jasmine to testify. The Chairman stated that a report by the Office of the Public Auditor had catalogued a number of inactive accounts, including the Accessible Parking Fund. Chairman Palacios stated that the accessible parking account was not closed, despite the repeal of the Accessible Parking Fund law. The Bill intends to create an Accessible Parking and Law Enforcement Fund to provide funding for the equipment and training for Police Reservists and CAPE volunteers. The Chairman called Ms. Helena Kubo to testify.

Lieutenant Michael Arcangel read the prepared written testimony of Chief of Police Fred E. Bordallo. Chief Bordallo stated that the Department supports Bill No. 294-31 (LS). He said that the Fund will help provide for equipment and training for the Civilian Volunteer Police Reserve. *(See attached written testimony.)* Lieutenant Arcangel said that he also supports the Bill. He stated that the Civilian Volunteer Police Reserve (CVRP) and the Civilian Assisted Policing Effort (CAPE) are very helpful to the Department and that there is need of additional funding to support their law enforcement capabilities.

Sergeant Jovito Jasmine stated that the Bill would greatly enhance the capabilities of the CAPE and CVPR programs in assisting the Department in enforcing the law.

Ms. Helena Kubo read the written testimony of Director Benito Servino. In his written testimony, Director Servino stated that his support for re-enacting the Accessible Parking Fund with restricted purposes, to be administered by the Department for Integrated Services for Individuals with Disabilities (DISID). *(See attached written testimony.)*

Chairman Palacios stated his intent to hold a mark-up meeting and to include DISID and GPD.

Chairman Adolpho B. Palacios, Sr., declared that Bill 294-31 (LS) has been duly heard. The hearing was adjourned at 9:35 a.m.

IV. FINDINGS AND RECOMMENDATION

First (1st) Mark-up Meeting on Bill 294-31 (LS) on September 21, 2011 at 9:03 a.m.:

Participants:

Senator Adolpho B. Palacios, Sr., Chairman.
Director Benito Servino, DISID
Chief Fred E. Bordallo, GPD
Captain Mark Charfauros, GPD
Major Leon Ryan, GPD
Lieutenant Michael Arcangel, GPD
Sergeant Jovito Jasmine, GPD

Proceedings:

Chairman Adolpho B. Palacios, Sr., convened the meeting at 9:03 a.m. at his office. He stated that the Office of the Public Auditor had indicated in a report that the Accessible Parking Fund was an inactive account, the revenue of which should revert to the General Fund. The Legislature since repealed the Accessible Parking Fund law, but revenues from the enforcement of Guam's accessible parking law have continued to be deposited into the account, despite the repeal of the law. He stated his position that there can be mutually beneficial revenue-sharing for the DISID and GPD.

Chief Fred E. Bordallo stated that he had reviewed the Office of the Public Auditor's report and Public Law 24-14. He said that the original mechanism for the enforcement of accessible parking was private security with optional enforcement for GPD. The OPA recommended the closure of the account because the DISID enforcement officer position was vacant and there was no effective enforcement mechanism. Chief Bordallo discussed the establishment of the Community Assisted Policing Effort (CAPE) program, which enforces the accessible parking law. He said that GPD is best prepared for enforcement. The Chief said that proper enforcement will deter people from violating the law and gave the example of litter citations from the Guam Environmental Protection Agency which was transferred to the Department.

Director Benito S. Servino stated that the budget for the predecessor to DISID was very low in the past and that there was poor enforcement of the accessible parking law. He envisioned a public ad campaign and improved signage. Director Servino explained why the accessible parking fund was established and discussed his earlier efforts with accessible parking.

Chief Bordallo asked Director Servino if they would get proper signage for public agencies and private entities.

Captain Mark Charfauros discussed the creation of the CAPE and Civilian Volunteer Police Reserve (CVPR) programs to enforce the accessible parking law. He said that the expenses that the Director pointed out in his written testimony are justified as costs of

enforcement. Captain Charfauros stated that not all of the funds were used to administer the CAPE and CVPR programs. He said that the increased compliance from aggressive enforcement eventually decreases the revenue due to improved compliance with the law. The Captain pointed out that establishing quotas for citations are illegal.

Chief Bordallo talked about the beginning of the CAPE program and said that without community-based enforcement, enforcement of the accessible parking law would fall short.

Chairman Palacios said that he sees a need for revenue sharing. He asked Director Servino to provide a list of the mandates for DISID, which does not include the enforcement of accessible parking at this point. The Chairman said that enforcement of proper signage/spacing, etc. could perhaps be enforced by DISID. He suggested that funds for GPD derived from the accessible parking enforcement could go to the Police Services Fund.

Sergeant Jovito Jasmine stated that they provide documents for public awareness of the accessible parking law.

Captain Charfauros stated that law enforcement is expensive.

Major Leon Ryan stated that there has been an intention to acquire additional equipment for the CAPE and CVPR programs, but funds have not been available.

There was discussion about the potential for confrontations in enforcement.

The Chairman reiterated his intent to hold another meeting to discuss the topic of revenue sharing between DISID and GPD from the accessible parking-related revenues.

Director Servino discussed noncompliance in government by providing insufficient parking space(s) and improperly marking them.

Chairman Palacios suggested the possibility of deriving additional revenue from improper signage.

Lieutenant Michael Arcangel talked about enforcement on individuals in government in their professional capacity.

Director Servino discussed the intent of the Accessible Parking Fund.

Sergeant Jasmine mentioned issues with enforcement in the courts, including improper signage and/or markings on accessible parking spaces.

Discussion continued on the enforcement of the accessible parking law and Director Servino expressed interest in creating a role for DISID in the enforcement of signage and markings.

Sergeant Jasmine suggested that clients of DISID be encouraged to join the CAPE program as volunteers.

Chairman Adolpho B. Palacios, Sr., concluded the meeting.

Second (2nd) Mark-up Meeting on Bill 294-31 (LS) on October 3, 2011 at 2:00 p.m.:

Participants:

Senator Adolpho B. Palacios, Sr., Chairman

Chief Fred E. Bordallo, GPD

Director Benito S. Servino, DISID

Proceedings:

Chairman Adolpho B. Palacios, Sr., convened the meeting at 2:00 p.m. at his office. The Chairman explained the legislative process following the mark-up meeting. Chairman Palacios discussed the idea of splitting the funds from enforcing the accessible parking law and depositing a portion into the Police Services Fund. The Chairman discussed getting more DISID clients involved in the CAPE program.

Director Benito Servino asked whether any funding is provided specifically to the CAPE program in the 2012 Fiscal Year Budget. Chief Fred Bordallo responded that there is no appropriation specifically for the CVPR or CAPE programs.

Chairman Palacios asked how CAPE has been funded. Chief Bordallo talked about the Accessible Parking Fund support for the CAPE program. Director Servino asked whether CAPE's operations are budgeted. Chief Bordallo said that some funds were budgeted, but insufficient for the program. Chief Bordallo discussed training upgrades that are intended for the programs.

Chief Bordallo stated that there are between 30 to 40 CAPE volunteers and about 30 CVPR officers. Director Servino discussed the need for a multimedia campaign to promote awareness of the accessible parking law. Chairman Palacios discussed the potential for federal funding for such an awareness campaign. Director Servino stated that there are no grants available since accessible parking is seen as a policing issue. Director Servino talked about rampant abuse of the accessible parking spaces.

Chief Bordallo said that many volunteers have taken the accessible parking as a responsibility because they feel it is right. He discussed capacity building in the CAPE training program.

Director Servino discussed the expansion of CAPE jurisdiction into littering enforcement. Chief Bordallo said that drug enforcement draws upon forfeiture to strengthen the program. He discussed increasing training through the funds.

Chairman Palacios asked that the focus be on how funds derived enforcement of the accessible parking fund will be divided. Director Servino suggested that 60% go to DISID and 40% go to GPD. Chief Bordallo agreed with that division of funds.

Chairman Palacios asked how accessible parking signs will be made. Director Servino stated that the Department of Public Works used to handle it, but that they would be able to be made more quickly if it were contracted out to private vendors.

Discussion continued on the division of the current balance of the Accessible Parking Fund. Director Servino and Chief Bordallo agreed to the same 60-40 division of funds.

Director Servino related a personal experience with accessible parking. He asked whether private security can enforce the accessible parking law and Chairman Palacios stated that guards are able to if they have received appropriate training.

The meeting concluded at 2:44 p.m.

The Committee on Public Safety, Law Enforcement and Judiciary hereby reports out **Bill No. 294-31 (LS), as amended by the Committee, with the recommendation TO PASS.**

2011 (FIRST) Regular Session

Bill No. 294-31(LS)

Introduced by:

Adolpho B. Palacios, Sr.

AN ACT TO AMEND §66103 OF CHAPTER 66, TITLE 10, GUAM CODE ANNOTATED RELATIVE TO THE CIVILIAN VOLUNTEER POLICE RESERVE, TO ADD A NEW §66103.1 TO SAID CHAPTER RELATIVE TO ESTABLISHING THE “ACCESSIBLE PARKING AND LAW ENFORCEMENT FUND”, AND TO AMEND §3401.1(e) OF ARTICLE 4, CHAPTER 3, TITLE 16, GUAM CODE ANNOTATED, RELATIVE TO ACCESSIBLE PARKING FOR PERSONS WITH DISABILITIES.

1 BE IT ENACTED BY THE PEOPLE OF GUAM:

2 Section 1. Legislative Findings and Intent. *I Liheslaturan Guåhan*
3 finds that the Accessible Parking Fund (“Fund”), established as the *Disabled*
4 *Parking Fund* in 1985 through P.L. 18-28, was originally used to pay for the
5 installation and maintenance of accessible parking spaces at government of
6 Guam buildings. The *Disabled Parking Fund*, administered at the time by
7 the Director of the Department of Public Works, was also used to cover
8 costs for the installation of appropriate parking signs and for the fabrication
9 of removable windshield placards for registered users.

10 *I Liheslaturan Guåhan* finds that in 1995 through P.L. 23-11, the
11 *Disabled Parking Fund* was renamed to its current nomenclature and the
12 Governor’s Commission on Persons with Disabilities was assigned the
13 responsibility of maintaining such fund. Proceeds of the Fund were

1 designated for use in an aggressive media campaign to help educate the
2 public about the human aspects of parking in an accessible parking space
3 and its impact on persons with disabilities.

4 In 1997 through P.L. 24-16 *I Liheslaturan Guåhan* further amended
5 the Fund's enabling statute, 5GCA §50111(c), and assigned the Department
6 of Integrated Services for Individuals with Disabilities with the
7 responsibility of maintaining fund proceeds. *I Liheslaturan Guåhan* also
8 mandated that the Fund be used to cover costs associated with monitoring
9 compliance of accessible parking laws.

10 Nearly a decade later P.L. 28-130, through recommendations made in
11 the Office of the Public Auditor's Report No. 06-03 dated April 2006, *I*
12 *Liheslaturan Guåhan* repealed 5GCA §50111(c) which effectively closed
13 what was reported to be an inactive fund account of the government of
14 Guam. P.L. 28-130 also appropriated Five Thousand Dollars (\$5,000.00)
15 from a balance of Five Thousand, Five Hundred Sixty Six Dollars
16 (\$5,566.00) to the Guam Police Department (GPD) for the purpose of
17 training volunteers who would assist with the enforcement of accessible
18 parking laws. The remaining balance was to be transferred into the General
19 Fund.

20 *I Liheslaturan Guåhan*, through information recently received from
21 the Chief of Police, finds that the Accessible Parking Fund was not closed
22 and that fines and fees continue to be deposited into the Fund. As of the
23 latter part of August 2011, the Fund has a balance of approximately Two
24 Hundred Fifty Thousand, Two Hundred Seventy Six Dollars and Eighty
25 Eight Cents (\$250,276.88). Based on this information the Chief of Police
26 has requested the assistance of the Chairman of the Committee on Public
27 Safety, Law Enforcement and Judiciary by introducing legislation that

1 would authorize GPD to use proceeds from the Fund for the Civilian
2 Volunteer Police Reserve (CVPR) and Community Assisted Policing Effort
3 (CAPE) programs. Funds would be used to pay for equipment, supplies, and
4 training activities for reservists and volunteers assigned to these units.
5 Police Reservists and CAPE volunteers continue to assist regular full-time
6 officers with the enforcement of accessible parking and other public safety
7 and law enforcement mandates.

8 *I Liheslaturan Guåhan* also finds that the Chief of Police has
9 requested that such legislation authorize GPD to extend the use of Fund
10 proceeds to pay for similar requirements of the agency's operations bureau,
11 including repairs to highway patrol vehicles, acquisition of police equipment
12 and supplies, and for other purposes aimed at strengthening GPD's ability to
13 enforce accessible parking and other public safety and law enforcement
14 mandates.

15 It is therefore the intent of *I Liheslaturan Guåhan* to re-establish the
16 Accessible Parking Fund and to specifically designate such Fund within
17 Chapter 66 of Title 10, Guam Code Annotated relative to the Civilian
18 Volunteer Police Reserve program. *I Liheslaturan Guåhan* intends for GPD
19 to maintain the use of the Fund and ensure that proceeds are used to assist
20 with the enforcement of accessible parking and other public safety and law
21 enforcement mandates toward the preservation of law and order.

22 **Section 2. Training, Equipping and Maintenance of Records;**
23 **Accessible Parking and Law Enforcement Fund.** Section 66103 is hereby
24 *amended* and a new Section 66103.1 is *hereby* added, both of Chapter 66,
25 Title 10, Guam Code Annotated, to read:

26 **“66103. Training, Equipping and Maintenance of Records.**

1 The Chief of Police shall devise a program whereby the ~~police~~
2 ~~and fire divisions of the~~ Guam Police Department, and the Civil
3 Defense Office, provide the members of the Civilian Volunteer Police
4 Reserve training in ~~crime and fire prevention control~~, law enforcement
5 and operational techniques and procedures for natural and man-made
6 emergencies. The Civilian Volunteer Police Reserve shall maintain a
7 roster of volunteers who have received the training prescribed herein.
8 In order to maintain membership in the Reserve, each member must
9 keep up with his scheduled training and no volunteer may remain in
10 the Reserve if he or she is unable to keep up with or otherwise absorb
11 the training. Additionally, basic supplies and equipment shall be
12 provided to assure a constant and operability of the Civilian Volunteer
13 Police Reserve, including a continuing program for replacement.

14 **§66103.1. Accessible Parking and Law Enforcement Fund.**

15 There is hereby created, separate and apart from other funds of
16 the government of Guam, a fund to be known as the “Accessible
17 Parking and Law Enforcement Fund”. Fines collected pursuant to
18 §3401.1 of Article 4, Chapter 3, Title 16, Guam Code Annotated shall
19 be deposited into this Fund.

20 This Fund shall not be commingled with the General Fund or
21 any other fund of the government of Guam. The Accessible Parking
22 and Law Enforcement Fund shall not be transferred by I Maga'låhen
23 Guåhan nor borrowed against.

24 Proceeds of this Fund shall be used exclusively for the purpose
25 of enforcing the public's compliance with accessible parking and
26 other public safety and law enforcement mandates toward the
27 preservation of law and order. The Chief of Police shall determine

1 appropriate use of the Fund's proceeds, which shall be limited to the
2 purchase of equipment and supplies, training of active and volunteer
3 personnel, and other purposes he or she deems critical to
4 strengthening the work of the agency's Civilian Volunteer Police and
5 Community Assisted Policing Effort programs.

6 The Chief of Police shall account for and administer the
7 Accessible Parking and Law Enforcement Fund, and shall prepare and
8 submit to the Speaker of I Liheslaturan Guåhan monthly reports
9 reflecting all transactions and other information summarizing the
10 financial condition of this Fund."

11 **Section 3. Accessible Parking for Persons with Disabilities.**

12 §3401.1(e) of Article 4, Chapter 3, Title 16, Guam Code Annotated is
13 hereby *amended* to read as follows:

14 "(e) A violation of Subsections (b), (c), or (d) of this Section is
15 punishable by a fine of *no less than* Three Hundred Dollars (\$300.00)
16 and *no more than* Five Hundred Dollars (\$500.00). A violation of
17 Subsections (b)(1) or (c) of this Section, or of Title 16 GCA Chapter
18 3, or §3401(d) by any individual(s) qualifying as a disabled person, as
19 defined within Title 16 GCA §7120.1(a)(2), may have citation(s)
20 dismissed upon the presentation of a special license plate or a
21 removable windshield placard obtained pursuant to §7120.1 of Title
22 16, GCA before the Court. The Courts may, at its discretion and by
23 direction, create a methodology and system that authorizes the
24 administrative support services of the Courts to certify the
25 presentation of a placard by a person with a disability for the purposes
26 of dismissal in order to forgo the need of a personal court appearance,
27 and that such methodology and system strongly consider the potential

1 for abuse. All fines imposed hereunder by the Court *shall* be
2 deposited into the Accessible Parking and Law Enforcement Fund,
3 maintained by the Guam Police Department pursuant to Title §10
4 GCA §~~50111(e)~~66103.1. Additionally, any vehicle(s) illegally parked
5 pursuant to this Subsection, may be towed; and the owner of such
6 vehicle(s) will be liable for reasonable towing expenses, which *shall*
7 constitute a lien against the offending vehicle.”

8 **Section 4. References made to the “Accessible Parking Fund”.**

9 References made in the Guam Code Annotated relative to the
10 “Accessible Parking Fund” shall be replaced with the “Accessible Parking
11 and Law Enforcement Fund”.

12 **Section 5. Effective Date.** This Act shall be effective upon
13 enactment.

2011 (FIRST) Regular Session

Bill No. 294-31 (LS)

As amended by the Committee on Public Safety,
Law Enforcement and Judiciary

Introduced by:

Adolpho B. Palacios, Sr.

AN ACT TO AMEND §66103 OF CHAPTER 66, TITLE 10, GUAM CODE ANNOTATED, RELATIVE TO THE CIVILIAN VOLUNTEER POLICE RESERVE; TO ADD A NEW SUBSECTION (c) TO §50111 ~~§66103.1~~ TO SAID CHAPTER 50, TITLE 5, GUAM CODE ANNOTATED, RELATIVE TO RE-ESTABLISHING THE “ACCESSIBLE PARKING ~~AND LAW ENFORCEMENT~~ FUND”; AND TO AMEND §3401.1(e) OF ARTICLE 4, CHAPTER 3, TITLE 16, GUAM CODE ANNOTATED, RELATIVE TO ACCESSIBLE PARKING FOR PERSONS WITH DISABILITIES.

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

8 costs for the installation of appropriate parking signs and for the fabrication
9 of removable windshield placards for registered users.

10 *I Liheslaturan Guåhan* finds that in 1995 through P.L. 23-11, the
11 *Disabled Parking Fund* was renamed to its current nomenclature and the

1 Governor's Commission on Persons with Disabilities was assigned the
2 responsibility of maintaining such fund. Proceeds of the Fund were

4 public about the human aspects of parking in an accessible parking space
5 and its impact on persons with disabilities.

6 In 1997 through P.L. 24-16 *I Liheslaturan Guåhan* further amended
7 the Fund's enabling statute, 5GCA §50111(c), and assigned the Department
8 of Integrated Services for Individuals with Disabilities (DISID) with the
9 responsibility of maintaining fund proceeds. *I Liheslaturan Guåhan* also
10 mandated that the Fund be used to cover costs associated with monitoring
11 compliance of accessible parking laws.

12 Nearly a decade later P.L. 28-130, through recommendations made in
13 the Office of the Public Auditor's Report No. 06-03 dated April 2006, *I*
14 *Liheslaturan Guåhan* repealed 5GCA §50111(c) which effectively closed
15 what was reported to be an inactive fund account of the government of
16 Guam. P.L. 28-130 also appropriated Five Thousand Dollars (\$5,000.00)
17 from a balance of Five Thousand, Five Hundred Sixty Six Dollars
18 (\$5,566.00) to the Guam Police Department (GPD) for the purpose of
19 training volunteers who would assist with the enforcement of accessible
20 parking laws. The remaining balance was to be transferred into the General
21 Fund.

22 *I Liheslaturan Guåhan*, through information recently received from
23 the Chief of Police, finds that the Accessible Parking Fund was not closed
24 and that fines and fees continue to be deposited into the Fund. As of ~~the~~
25 ~~latter part of August~~ October 11, 2011, the Fund has a balance of
26 approximately Two Hundred Fifty Three Thousand Seven Hundred Fifteen
27 Dollars and Thirty Cents (\$253,715.30) ~~Two Hundred Fifty Thousand,~~

1 ~~Two Hundred Seventy Six Dollars and Eighty Eight Cents (\$250,276.88).~~

2 Based on this information the Chief of Police has requested the assistance of
3 the Chairman of the Committee on Public Safety, Law Enforcement and
4 Judiciary by introducing legislation that would authorize GPD to use
5 proceeds from the Fund for the Civilian Volunteer Police Reserve (CVPR)
6 and Community Assisted Policing Effort (CAPE) programs. Funds would
7 be used to pay for equipment, supplies, and training activities for reservists
8 and volunteers assigned to these units. Police Reservists and CAPE
9 volunteers continue to assist regular full-time officers with the enforcement
10 of accessible parking and other public safety and law enforcement mandates.

11 *I Liheslaturan Guåhan* also finds that the Chief of Police has

13 proceeds to pay for similar requirements of the agency's operations bureau,
14 including repairs to highway patrol vehicles, acquisition of police equipment
15 and supplies, and for other purposes aimed at strengthening GPD's ability to
16 enforce accessible parking and other public safety and law enforcement
17 mandates.

18 *I Liheslaturan Guåhan* further finds that individuals with disabilities
19 are inconvenienced when the accessible parking law is violated and thus
20 have a significant stake in compliance with accessible parking. DISID thus
21 has a role to play in promoting compliance with the law to the benefit of
22 Guam's community of persons with disabilities.

23 It is therefore the intent of *I Liheslaturan Guåhan* to re-establish the
24 Accessible Parking Fund in 5GCA §50111(c) and share the revenue derived
25 from enforcement of the accessible parking law between the Accessible
26 Parking Fund and the Police Services Fund to improve compliance with
27 accessible parking by amending 16GCA §3401.1(e). ~~to specifically~~

1 ~~designate such Fund within Chapter 66 of Title 10, Guam Code Annotated~~

Subject: **Written Testimony**
Re: **Bill 294-31 (LS)**

Dear Senator Palacios:

Buenas yan hafa adai, Senadot. I am submitting this written testimony relative to Bill 294-31(LS) -- "An act to amend §66103 of Chapter 66, Title 10, Guam Code Annotated, relative to the Civilian Volunteer Police Reserve, to add a new §66103.1 to said Chapter relative to establishing the "Accessible Parking and Law Enforcement Fund," and to amend §3401.1(e) of Article 4, Chapter 3, Title 16, Guam Code Annotated, relative to accessible parking for persons with disabilities."

I fully support the intent of Bill 294-31(LS), which we hope will be passed into law soon. The Civilian Volunteer Police Reserve (CVPR) and Community Assisted Policing Effort (CAPE) Programs of the Guam Police Department have been very active in enforcing the Accessible Parking laws throughout the island. If the bill is successful, the new law will be the mechanism in place which will drive the efforts of the CAPE and also to provide for the much-needed recruitment and training of CVPR Officers. As far as I am aware of, the department has had the mandate by law to provide for basic police equipment to be issued to our CVPR Officers, and a

stipend of \$250.00 for volunteering 42 hours or more of service a month. Due to budgetary constraints not only now, but also in the last several years, it has been a difficult task to channel monies to the program to take care of and to train new reservists.

Thank you for giving us the opportunity to provide this written testimony. *Dangkulo na si Yu'os ma'ase!*

31st Guam Legislature

Subject: Testimony of Non-Support for Bill No. 294-31(LS) – Senator Adolpho B. Palacios, Sr.

AN ACT TO AMEND §66103 OF CHAPTER 66, TITLE 10, GUAM CODE ANNOTATED RELATIVE TO THE CIVILIAN VOLUNTEER POLICE RESERVE, TO ADD A NEW §66103.1 TO SAID CHAPTER RELATIVE TO ESTABLISHING THE "ACCESSIBLE PARKING AND LAW ENFORCEMENT FUND", AND TO AMEND §3401.1(e) OF ARTICLE 4, CHAPTER 3, TITLE 16, GUAM CODE ANNOTATED, RELATIVE TO ACCESSIBLE PARKING FOR PERSONS WITH DISABILITIES.

Buenas yan Hafa Adai Senator Palacios and Members of the Committee on Public Safety, Law Enforcement & Judiciary.

My name is Ben S. Servino, and I currently serve as the Director for the Department of Integrated Services for Individuals with Disabilities (DISID).

I have reviewed Bill 294-31 (LS) and commend the Guam Police Department (GPD) for their efforts in addressing the enforcement mandates of the Accessible Parking Law.

I have also researched and confirmed with the Department of Administration (DOA) that the "Accessible Parking Fund" (Account # 5236C081200GA021240) was not closed and that fines are still being deposited into the Fund. As of September 9th, 2011, the account balance is **\$250,604.89** (Please see attachment A).

During FY 2010-2011, there was a total expenditure of **\$61,111.47** from the "Accessible Parking Fund" (Please see attachment B) which was supposedly accessed and utilized by GPD for the purchase of the following vehicle, multimedia equipment, office supplies, clothing, stipends, telecommunication services, and computer/printer supplies:

1 - 2010 Ford Sport-Trac Pick/Up (\$28,875), 100 - Saunder Clipboards (\$2,600), Landlines for the Mangilao Koban (\$53-\$73/month), Stipends for Civilian Volunteer Police Reserves (\$6,500), 100 - Traffic Vest (\$2,685), 50 - SWAT Side Zip (\$4,350), 149 - Tactical/Khaki Pants (\$6,407), 1 - Lumens Multimedia Projector (\$659), Printer and Computer Supplies (\$471), including Printer/Toner Cartridges (\$3,374).

I have also had an opportunity to review the FY2012 SUMMARY OF BASE OPERATIONAL APPROPRIATION for GPD that was highlighted on Page 71-72 of **Bill No. 304-31 (LS)** and noticed that **\$250,000** was allocated for **Supplies and Materials** (\$215,000/General Fund and \$35,000/Police Services Fund), **\$126,700** was allocated for **Miscellaneous Costs** (\$44,559/General Fund and \$ 82,141/Police Services Fund), and **\$464, 719** was allocated for **Contractual Services** through the Police Services Fund.

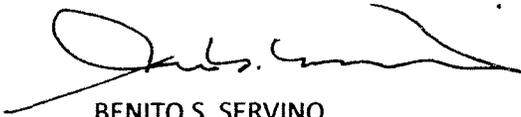

After reviewing these documents, I am concerned that some of the equipment and supplies that were purchased with resources from the "Accessible Parking Fund" may not be used exclusively for the purpose of enforcing the public's compliance with the accessible parking law. I also feel that GPD has adequate resources to pay for equipment, supplies and repairs to highway patrol vehicles through their 2012 Budget Allocation.

As a result, I highly recommend that the "Accessible Parking Fund" be re-enacted and that the Department of Integrated Services for Individuals with Disabilities (DISID) be assigned the responsibility of maintaining the proceeds of the funds with expenditures restricted for the following purpose:

- 1) Establishment of a collaborative multi-media campaign between DISID, GPD, Rev & Tax, and the PBS to help educate the public about the provisions of the Accessible Parking Law, the human aspects of parking in an accessible parking space, and its impact on persons with disabilities.
- 2) Providing stipend payments to Consumers with Disabilities for assisting DISID in conducting site assessments of Private Businesses and GovGuam facilities to ensure that adequate accessible parking spaces and accessible path of travel are provided.
- 3) Providing resources to help support the costs of training Civilian Volunteer Police Reserves (CVPR) and the Community Assisted Policing Effort (CAPE) program as it relates specifically to the enforcement of the Accessible Parking Law.
- 4) Covering the costs for the procurement and installation of "Accessible Parking" signage and maintenance of accessible parking spaces within all GovGuam buildings.

I thank you for providing me this opportunity to provide input on Bill 294-31 (LS).

Sincerely,

BENITO S. SERVINO
Director, DISID

I MINA'TRENTAI UNU NA LIHESLATURÁN GUÅHAN
2011 (FIRST) Regular Session

2011 Nov 26 PM 3:09

Bill No. 294-31(LS)

Introduced by:

Adolpho B. Palacios, Sr.

AN ACT TO AMEND §66103 OF CHAPTER 66, TITLE 10, GUAM CODE ANNOTATED RELATIVE TO THE CIVILIAN VOLUNTEER POLICE RESERVE, TO ADD A NEW §66103.1 TO SAID CHAPTER RELATIVE TO ESTABLISHING THE “ACCESSIBLE PARKING AND LAW ENFORCEMENT FUND”, AND TO AMEND §3401.1(e) OF ARTICLE 4, CHAPTER 3, TITLE 16, GUAM CODE ANNOTATED, RELATIVE TO ACCESSIBLE PARKING FOR PERSONS WITH DISABILITIES.

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan*
3 finds that the Accessible Parking Fund (“Fund”), established as the *Disabled*
4 *Parking Fund* in 1985 through P.L. 18-28, was originally used to pay for the
5 installation and maintenance of accessible parking spaces at government of
6 Guam buildings. The *Disabled Parking Fund*, administered at the time by
7 the Director of the Department of Public Works, was also used to cover
8 costs for the installation of appropriate parking signs and for the fabrication
9 of removable windshield placards for registered users.

10 *I Liheslaturan Guåhan* finds that in 1995 through P.L. 23-11, the
11 *Disabled Parking Fund* was renamed to its current nomenclature and the
12 Governor’s Commission on Persons with Disabilities was assigned the
13 responsibility of maintaining such fund. Proceeds of the Fund were

1 designated for use in an aggressive media campaign to help educate the
2 public about the human aspects of parking in an accessible parking space
3 and its impact on persons with disabilities.

4 In 1997 through P.L. 24-16 *I Liheslaturan Guåhan* further amended
5 the Fund's enabling statute, 5GCA §50111(c), and assigned the Department
6 of Integrated Services for Individuals with Disabilities with the
7 responsibility of maintaining fund proceeds. *I Liheslaturan Guåhan* also
8 mandated that the Fund be used to cover costs associated with monitoring
9 compliance of accessible parking laws.

10 Nearly a decade later P.L. 28-130, through recommendations made in
11 the Office of the Public Auditor's Report No. 06-03 dated April 2006, *I*
12 *Liheslaturan Guåhan* repealed 5GCA §50111(c) which effectively closed
13 what was reported to be an inactive fund account of the government of
14 Guam. P.L. 28-130 also appropriated Five Thousand Dollars (\$5,000.00)
15 from a balance of Five Thousand, Five Hundred Sixty Six Dollars
16 (\$5,566.00) to the Guam Police Department (GPD) for the purpose of
17 training volunteers who would assist with the enforcement of accessible
18 parking laws. The remaining balance was to be transferred into the General
19 Fund.

20 *I Liheslaturan Guåhan*, through information recently received from
21 the Chief of Police, finds that the Accessible Parking Fund was not closed
22 and that fines and fees continue to be deposited into the Fund. As of the
23 latter part of August 2011, the Fund has a balance of approximately Two
24 Hundred Fifty Thousand, Two Hundred Seventy Six Dollars and Eighty
25 Eight Cents (\$250,276.88). Based on this information the Chief of Police
26 has requested the assistance of the Chairman of the Committee on Public
27 Safety, Law Enforcement and Judiciary by introducing legislation that

1 would authorize GPD to use proceeds from the Fund for the Civilian
2 Volunteer Police Reserve (CVPR) and Community Assisted Policing Effort
3 (CAPE) programs. Funds would be used to pay for equipment, supplies, and
4 training activities for reservists and volunteers assigned to these units.
5 Police Reservists and CAPE volunteers continue to assist regular full-time
6 officers with the enforcement of accessible parking and other public safety
7 and law enforcement mandates.

8 *I Liheslaturan Guåhan* also finds that the Chief of Police has
9 requested that such legislation authorize GPD to extend the use of Fund
10 proceeds to pay for similar requirements of the agency’s operations bureau,
11 including repairs to highway patrol vehicles, acquisition of police equipment
12 and supplies, and for other purposes aimed at strengthening GPD’s ability to
13 enforce accessible parking and other public safety and law enforcement
14 mandates.

15 It is therefore the intent of *I Liheslaturan Guåhan* to re-establish the
16 Accessible Parking Fund and to specifically designate such Fund within
17 Chapter 66 of Title 10, Guam Code Annotated relative to the Civilian
18 Volunteer Police Reserve program. *I Liheslaturan Guåhan* intends for GPD
19 to maintain the use of the Fund and ensure that proceeds are used to assist
20 with the enforcement of accessible parking and other public safety and law
21 enforcement mandates toward the preservation of law and order.

22 **Section 2. Training, Equipping and Maintenance of Records;**
23 **Accessible Parking and Law Enforcement Fund.** Section 66103 is hereby
24 *amended* and a new Section 66103.1 is *hereby* added, both of Chapter 66,
25 Title 10, Guam Code Annotated, to read:

26 **“66103. Training, Equipping and Maintenance of Records.**

1 The Chief of Police shall devise a program whereby the ~~police~~
2 ~~and fire divisions of the~~ Guam Police Department, and the Civil
3 Defense Office, provide the members of the Civilian Volunteer Police
4 Reserve training in ~~crime and fire prevention control~~, law enforcement
5 and operational techniques and procedures for natural and man-made
6 emergencies. The Civilian Volunteer Police Reserve shall maintain a
7 roster of volunteers who have received the training prescribed herein.
8 In order to maintain membership in the Reserve, each member must
9 keep up with his scheduled training and no volunteer may remain in
10 the Reserve if he or she is unable to keep up with or otherwise absorb
11 the training. Additionally, basic supplies and equipment shall be
12 provided to assure a constant and operability of the Civilian Volunteer
13 Police Reserve, including a continuing program for replacement.

14 **§66103.1. Accessible Parking and Law Enforcement Fund.**

15 There is hereby created, separate and apart from other funds of
16 the government of Guam, a fund to be known as the “Accessible
17 Parking and Law Enforcement Fund”. Fines collected pursuant to
