**AN ACT TO AMEND SECTION 3 AND SECTION 4 OF
PUBLIC LAW 28-91, RELATIVE TO LEASING A
PORTION OF NO. 10142 NEW PTN TRACT 100, ALSO
KNOWN AS THE DEDEDO SPORTS COMPLEX.**

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Intent. Public Law 24-259, authored by then-Senator Felix P. Camacho, authorized a lease of government property to “Strike Zone,” a commercial interest offering to construct and operate a baseball and softball training center adjacent to other developments at the Northern Regional Sports Complex. This authorization was subsequently amended by Public Law 28-91, authored by then-Senator Jesse Lujan, which changed the location of the lease from Dededo to Paseo. This amendment was prompted by a change in the plans to *not* construct baseball and softball fields at the Northern Regional Sports Complex. The original plans to construct baseball fields has now been realized. As such, the commercial interest is requesting a change in the authorization to return to the Northern Regional Sports Complex for the purposes already approved and in accordance with the terms and conditions set out in Public Law 28-91. By passage of this legislation, *I Liheslaturan Guahan* affirms its intent to authorize the lease of land for the purposes previously approved.
