AN ACT TO *AMEND* SECTION 6 OF PUBLIC LAW 20-189 AND SECTION 4 OF PUBLIC LAW 20-133, RELATIVE TO APPLYING UNIFORM CONDITIONS FOR SUBDIVISIONS.

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds that
3 the government of Guam's land for the landless programs provides an opportunity for
4 our people to realize their dreams of owning a home. Since the inception of the land
5 for the landless program, many of our people have taken advantage and benefited just
6 like any other homeowner. The program basically allows for residents who own no
7 land or who are not eligible to inherit land as a matter of right to qualify and purchase
8 through the program house lots at an affordable price.

1 *I Liheslatura* further finds that certain conditions have been established relative
2 to set restrictions on when property through the program can be sold. While laws all
3 appear to be standardized at ten (10) years with respect to the date of alienation on
4 subdivisions and other lots administered through the program, *I Liheslatura* finds that
5 there was somehow a variance in the Ija Subdivision in Inarajan, also referenced as
6 Tract 3734 and Tract 3241 in Umatac, as they are locked in for twenty (20) years.
7 Public Law 20-189, the enabling legislation for the Ija Subdivision, and Public Law
8 20-133, the enabling legislation for the Umatac Subdivision, places that a grantee
9 covenants not to alienate the respective property for twenty (20) years except may
10 mortgage the property solely for the purpose of constructing a residence.

11 It is therefore the intent of *I Liheslaturan Guåhan* to set policy that is
12 consistent. In this regard, *I Liheslatura* intends to amend provisions concerning the
13 date of alienation on the Ija and Umatac Subdivisions so that laws governing
14 subdivisions are uniform.

15 **Section 2.** Section 6 of Public Law 20-189 is hereby *amended* to read:

16 “**Section 6. Re-entry.** Every deed of conveyance of a lot under this Act
17 *shall* contain a right of re-entry by the government if the grantee sells or leases
18 any of the conveyed property within ten (10) years after the date of execution of
19 the deed by the Governor.”

20 **Section 3.** Section 4 of Public Law 20-133 is hereby *amended* to read:

21 “**Section 4. Limitations in Deed.** Each deed conveying a lot pursuant
22 to this Act shall contain a right of reverter to the government if the grantee sells
23 or leases any of the conveyed property within ten (10) years after the date of
24 execution of the deed, or if the grantee inherits or otherwise acquires other land
25 in Guam in addition to the conveyed lot and at the time of such subsequent
26 acquisition of land the grantee has not constructed any structure on the

1 conveyed lot.”

2 **Section 4. Severability.** *If* any of the provisions of this Act or the application
3 thereof to any person or circumstance is held invalid, such invalidity shall *not* affect
4 any other provision or application of this Act which can be given effect without the
5 invalid provision or application, and to this end the provisions of this Act are
6 severable.
