2        **Section 1. Legislative Statement.** In recent years, *I Liheslaturan Guåhan*  
3 has for various reasons placed restrictions on sums appropriated from the Tourist

1 Attraction Fund to the Guam Visitors Bureau. While these restrictions are  
2 intended to preserve the integrity and proper use of tourism marketing dollars  
3 obtained through receipts from the Monthly Excise Tax of Occupancy of Hotel and  
4 Similar Lodging House Facilities, recent economic events, including, the global  
5 financial market meltdown, has negatively impacted visitor arrivals. The Bureau's  
6 dependence on volatile collections deposited into the Tourist Attraction Fund and  
7 the infrequency of cash allotments for appropriations approved by *I Liheslatura* to  
8 the Bureau has severely impacted the bureau's ability to carry out its purpose  
9 outlined in §9104, Chapter 9, Title 12, Guam Code Annotated.

10 It is the intent of *I Liheslatura* to assist the Guam Visitors Bureau in its  
11 ability to procure necessary services related to its marketing mission by providing  
12 greater flexibility in the statutes governing its current and previous appropriations  
13 from the Tourist Attraction Fund.
