2009 (FIRST) Regular Session

Bill No. 229-30 ^{COR} ~~(18)~~

Introduced by:

Judith T. Won Pat, Ed.D. 
T.R. Muna Barnes 

AN ACT TO ADD ARTICLE 13 TO CHAPTER 15
AND TO ADD ARTICLE 7 TO CHAPTER 18 BOTH
OF TITLE 17 OF THE GUAM CODE ANNOTATED,
RELATIVE TO THE DR. ANTONIO C.
YAMASHITA TEACHER CORPS.

2009 Sep 15 AM 11:04 AM

1 BE IT ENACTED BY THE PEOPLE OF GUAM:

2 Section 1. Legislative Findings and Intent. *I Liheslaturan Guåhan* finds
3 that the Department of Education faces a shortage of teachers annually. *I*
4 *Liheslatura* recognizes that the Yamashita Educator Corps was created to
5 encourage and produce the number of teachers necessary to educate our
6 island's children. *I Liheslatura* further recognizes that the impact on the fiscal
7 budget due to the current status of the national and world economy does not
8 allow for a larger appropriation to the Yamashita Educator Corps. Due to this
9 realization, *I Liheslatura* finds that in order to provide the adequate benefits to
10 all students and potential teachers within our public school system, program
11 changes to the Yamashita Educator Corps (YEC) need to be made. Currently,
12 students under the YEC receive benefits of a full payment of tuition and fees
13 for attendance at the University of Guam, a payment of \$250 for textbooks for
14 each semester, and monthly stipend. Under the current YEC, there is an

1 undergraduate program that seeks to produce teachers, and two graduate
2 programs, one seeking to establish a corps of principals and the other for
3 counselors.

4 *I Liheslatura* finds that although principals and counselors are an
5 essential part of any school system, the teacher shortage crisis is more critical
6 and requires significant attention. It is the intent of *I Liheslatura* to delete the
7 principal corps and the counselor corps under the YEC in order to focus
8 funding toward producing teachers.

9 *I Liheslatura* further finds that in order to maximize benefits for more
10 student scholarships, *I Liheslatura* intends to limit scholarship benefits to only
11 full payment of tuition and fees and a credit of \$500 each semester for the
12 purchase of textbooks. Based on the current total amount of student benefits
13 for the four year undergraduate program at the School of Education at the
14 University of Guam compared to the total amount of proposed student
15 benefits for the four year undergraduate program at the School of Education
16 at the University of Guam, there will be a total of one extra scholarship for
17 every one point six students currently enrolled in the YEC undergraduate
18 program. For every two students currently enrolled in the YEC graduate
19 program, one new scholarship is available for the undergraduate program.

20 **Section 2. Community Service Requirements.** Article 13 is hereby
21 *added* to Chapter 15 of Title 17 of the Guam Code Annotated to read:

22 **“ARTICLE 13**
