Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees; and at various times from January to December, we here on the islands give a day or part of a day in recognition of the importance of trees to us as an island community, and of what they yield in adornment, comfort, and useful products; and

WHEREAS, Arbor Day 2015 activities will include educational visits by Smokey the Bear at various schools around the island, and community-centered islandwide tree planting of thousands of Acacia trees at various locations around our island; and
