3           **WHEREAS,** Project *Kariñu* is Guam’s Early Childhood System of Care for  
4 young children from birth to age five (5) who are experiencing challenges in their

1 social, emotional, and/or behavioral development, as well as for young children who  
2 are considered “at risk”; and

3 **WHEREAS**, Project *Kariñu* is the only program on Guam that provides early  
4 childhood mental health services with three (3) licensed professional counselors who  
5 provide mental health consultation and play therapy. Project *Kariñu* works closely  
6 with families and other services to support young children’s social and emotional  
7 development and mental health by building awareness and parenting skills,  
8 conducting screening and assessments, and providing family support, individualized  
9 treatments, and interventions; and

10 **WHEREAS**, over the past six (6) years, Project *Kariñu* has collaborated  
11 successfully with Guam CEDDERS, as well as other early childhood agencies, and  
12 has been at the forefront of many early childhood initiatives. As an integral part of the  
13 Early Childhood Comprehensive System, Project *Kariñu* works to enhance Guam’s  
14 early childhood workforce and to create system changes and policy reforms where it is  
15 needed. Project *Kariñu* successfully engages and educates families in a manner that  
16 upholds system of care core values and principles, including being child-centered,  
17 family-driven, community-based, and culturally and linguistically responsive; and

18 **WHEREAS**, Project *Kariñu* has performed above and beyond the call of duty  
19 in its grant requirements, and its work has greatly impacted our island community.  
20 All of its services are free, and it has been able to secure a total of Two Million  
21 Dollars in matching in-kind funds. To date, Project *Kariñu* has received five hundred  
22 thirty-four (534) referrals since its doors opened for services on June 1, 2011. This

1 number far exceeds the required number of referrals by the Federal Cooperative  
2 Agreement of three hundred sixty (360) children; and

3 **WHEREAS**, Project *Kariñu* is the sole program that provided training and  
4 resources to cross-agency service providers on the DSM-V and DC-0-3R (diagnostic  
5 tools for assessing early childhood social, emotional, and behavioral health) in May of  
6 2015; and

7 **WHEREAS**, one of the ways that Project *Kariñu* helps is through the provision  
8 of interpreter services, the translation of developed products in different languages,  
9 and the collaboration with Culturally and Linguistically Appropriate Services (CLAS)  
10 and Culture Language Access Service Partners (CLASP); and

11 **WHEREAS**, Project *Kariñu* continues to build capacity within all early  
12 childhood programs and agencies through cost sharing and braiding of funds for  
13 trainings; and Project *Kariñu*'s family support activities promote the importance of  
14 positive parent-child relationships; now therefore, be it

15 **RESOLVED**, that the Committee on Rules of *I Mina'Trentai Tres Na*
