## II. SUMMARY OF TESTIMONIES

Chairman Adolpho B. Palacios, Sr. convened the public hearing for the Committee on Public Safety, Law Enforcement and Judiciary at 9:05 a.m., read the title of the bill and summarized its contents. He stated that the Safe Harbor provisions should not apply to law enforcement positions. He said that it undermines the credibility of law enforcement officers. He opined that there is no cure for the damage that it does for an officer's credibility in enforcing the law. The Chairman summarized the contents of the bill, and he called the panel of Director of Agriculture Mariquita Taitague, Chief of Police Fred Bordallo, Director of Parks and Recreation Pete Salas, and General Manager of the Commercial Port Pedro Leon Guerrero, to testify.

Mariquita Taitague read her prepared written testimony. She supports Bill 63. She believes that such law enforcement personnel should be held to a higher standard and suggested that the Agriculture Commodity Inspectors and the Entomologist also be included. (*See attached written testimony.*)

Fred Bordallo read his prepared written testimony. He supports Bill 63. He requested that all Testing Designated Positions (TDPs) should be included. He suggested that changes be made to Bill 75. He stated that not all firefighter personnel are law enforcement personnel, including Emergency Medical Technicians (EMTs). Following his written testimony, he made additional comments. He stated that much of the police force are in the National Guard and that the National Guard covers all employees under a Safe Harbor designation. He stated that Safe Harbor requires that treatment be sought and that they end their drug use. (*See attached written testimony.*)

Pete Salas stated that the Department of Parks and Recreation fully supports Bill 63. He agreed with Chief Bordallo that the exclusion of Safe Harbor should be reviewed government-wide. He said that the Park Patrol Officers have received training as peace officers and that their inclusion in the Bill is appreciated.

General Manager Pedro Leon Guerrero, Jr., read his prepared written testimony. He stated that they support the intent of the legislations but have concerns about its

impacts on the revision and implementation of the Port Drug Free Workplace Program.  
(See attached written testimony.)

Chairman Palacios stated that if applicants at any time between the submission of an application and when they would be hired by the Guam Police Department, if found to have used illegal drugs, shall be barred from being hired. He said that it is fine for all positions except law enforcement because it irreparably damages the credibility of the officer to enforce the law. He said that the language "member" is a designation of sworn or uniform personnel. He stated that the Drug-Free program was implemented in 1995 by Executive Order. Safe Harbor is provided by that executive order and it covers almost all positions in the government of Guam. He stated that Test Designated Positions (TDPs) are those positions whose operations have implications for public safety, including some workers at the Guam Waterworks Authority. If those were to be included in Safe Harbor, it would narrow the application of Safe Harbor. He reiterated that for a law enforcement officer to admit to violating the law by using drugs, it undermines their credibility beyond repair.

Senator V.A. "Tony" Ada asked whether there should be an exemption for those who have become addicted to a prescription medication, and Chief Bordallo stated that there is the possibility that a person could be prescribed medication, potentially out of the territory, which is legal and face adverse action if they test positive for that drug in Guam if they occupy a TDP. Senator Ada asked the panel whether there is a serious problem with an abuse of Safe Harbor. The Directors said no, but Chief Bordallo stated that there have been several cases where it has been utilized. Senator Ada asked whether there should be a zero-tolerance policy for drug use and Chief Bordallo stated that if it were to be considered, there should be comprehensive study on the issue.

Chairman Palacios stated that service in the National Guard is protection of the nation, not law enforcement, by and large. The Chairman stated that Safe Harbor protects from adverse effects of the use of illegal drugs, not legal prescription medications. Chairman Palacios read the standards for a person to serve as a police officer.

Senator Mana Silva Taijeron asked whether there is a policy about the use of drugs which may cause impairment. Chief Bordallo stated that they have such a policy on the use of firearms with regard to drugs, including medications. Senator Taijeron stated that she believes law enforcement should be held to a higher standard.

Senator Chris Duenas asked how often they conduct drug testing. Chief Bordallo stated that there have not been for over six (6) years, but when new applicants are subject to

drug testing. Mr. Leon Guerrero stated that it occurs every three (3) months. Both Director Taitague and Director Santos stated that besides drug testing when employees are hired, there is no random drug testing.

Chairman Palacios cited the case of when Customs and Quarantine Agency where random drug testing about eight (8) months ago caught officers who had used drugs. He stated that he supports the elimination of Safe Harbor, altogether.

Chairman Adolpho B. Palacios, Sr., declared that Bill No. 63-31(COR) is duly heard. The Chairman concluded the hearing and requested that written testimony be submitted within the next ten (10) days. He adjourned the hearing at 10:05 a.m.

### III. WRITTEN TESTIMONIES

**Mariquita Taitague, Director, Department of Agriculture** (*Summarized in Section II*)

**Fred Bordallo, Chief, Guam Police Department** (*Summarized in Section II*)

**Pedro Leon Guerrero, Jr., General Manager, Port Authority of Guam** (*Summarized in Section II*)

**Ross White, resident of Dededo, testimony received March 11, 2011 via email.** Mr. White expressed his support on Bill 63. He stated that law enforcement personnel take an oath to uphold the laws before they pin on a badge, and that the public expects them to be held to the highest standards to hold them in confidence and trust. This bill is a positive step to enhance the image of Guam's law enforcement personnel, and to help build public confidence and respect in them. (*See attached written testimony.*)

No additional written testimony was received following the public hearing.

TERM “DEFINITION” AS USED IN THIS CHAPTER BY  
AMENDING §75100(a), CHAPTER 75, TITLE 10 GUAM CODE

**BE IT ENACTED BY THE PEOPLE OF GUAM:**

**Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds that the Department of Administration Drug-Free Workplace Program (DOA/DFWP) was adopted through Executive Order 95-29 on December 6, 1995. The Drug-Free Workplace Program provides guidelines for the implementation, enforcement and administration of the program.

The Drug-Free Workplace Program provides for drug testing of government of Guam employees and prospective employees to ensure compliance with the program. The DOA/DFWP also provides for counseling and rehabilitation for employees who voluntarily admit to illegal drug use without the threat of discipline. This provision is

1 known as “Safe Harbor”. “Safe Harbor” is defined in the DOA/DFWP as “A  
2 provision of the DFWP which gives an employee a one-time opportunity to  
3 voluntarily identify himself/herself as a user of illegal drugs willing to undertake  
4 counseling and, as necessary, rehabilitation. “Safe Harbor” insulates the employee  
5 from discipline for these admitted, but otherwise unknown, past acts of illegal drug  
6 use. It does not protect the employee from discipline for admitting to drug trafficking  
7 or other drug-related offenses.”

8 Over the years most all government agencies, including autonomous agencies,  
9 have adopted the DOA/DFWP as part of their policy, via a memorandum of  
10 understanding.

11 Although “Safe Harbor” has its benefit in helping employees, *I Liheslaturan*  
12 *Guåhan* believes that it should not be applicable to law enforcement personnel,  
13 employees or positions as the term is defined in §75100(a), Chapter 75, Title 10 Guam  
14 Code Annotated. Employment in these positions demands that a high ethical and  
15 professional code of conduct be adhered to in order to maintain the reputation and  
16 credibility crucial for the performance required by the position. The credibility and  
17 reputation of the employee in these positions would be severely damaged when one is  
18 known to have used illegal drugs. It is essential that “Zero-Tolerance” be the policy  
19 for the positions defined in §75100(a), Chapter 75, Title 10 Guam Code Annotated.

20 It is therefore, the intent of *I Liheslaturan Guåhan* to exclude law enforcement  
21 personnel, employees and positions as the term is defined in §75100(a) from the  
22 application of the provision of “Safe Harbor” under the Department of Administration  
23 Drug-Free Workplace Program by adding a new §75107; and to include other law  
24 enforcement personnel under the “definition” by amending §75100(a), Chapter 75,  
25 Title 10 Guam Code Annotated.

26 **Section 2.** A new §75107 is hereby added to Chapter 75, Title 10 Guam Code  
27 Annotated, to read as follows:

1           **“§75107. “Safe Harbor” Exemption.** Notwithstanding any other  
2 law, rule, executive order, regulation or policy, the provision of “Safe  
3 Harbor” as the term is described in the Department of Administration  
4 Drug-Free Workplace Program as promulgated by Executive Order 95-29  
5 shall not be applicable to law enforcement personnel, employees and  
6 positions, as the term is defined in §75100(a), Chapter 75, Title 10 Guam  
7 Code Annotated and shall not be applicable to all Test Designated  
8 Positions (TDP) of the government of Guam.”

9           **Section 3.** §75100(a) of Chapter 75, Title 10 Guam Code Annotated, is hereby  
10 amended to read as follows:

11           **“§75100. Definition.**

12           As used in this Chapter:

13           (a) *Law enforcement personnel, employee or position* means the  
14 following:

15                   (1) All sworn members of the Guam Police Department  
16 including the Chief of Police;

17                   (2) All sworn members of the Guam Fire Department

**Subject: Bill 63-31: An Act to exclude the Law Enforcement personnel and other positions from the provisions of "Safe Harbor". Department of Agriculture's Testimony**

Committee Chairman Senator Palacios:

Buenas yan Hafa Adai, I would like to submit oral and written testimony in support of Bill 63-31 an act to exclude law enforcement personnel, and positions from the application of the provision of "safe harbor", as the defined in Section 75100(a) under the Department of Administration Drug Free Workplace Program by adding a new Section 75107 and to include other law enforcement personnel under the "Definition" by amending Section 75100(a), Chapter 75, Title 10 Guam Code Annotated (GCA). The bill proposes to hold law enforcement personnel and those positions that are included in the definition to a higher standard.

The Department of Agriculture recommends that Section 75100 (a) (11), which currently includes all Conservation Officers and the Chief, be amended to include all Conservation Officers, the Director of the Department of Agriculture (who is the *ex-officio* Chief Conservation Officer under Title 5 GCA, Section 63103), the Department of Agriculture Commodity Inspectors, and the Department of Agriculture Entomologist. As these additional positions fall under the "Public Safety and Law Enforcement Compensation Review" (Title 10 GCA Section 55102 (g)(7-8)), it would be appropriate to include these positions into Bill 63-31.

Thank you very much for your consideration of this amendment.

Sincerely,

Re: **Bill 63-31**

*Buenas Yan Hafa Adai, Senadot.*

I am submitting this written testimony relative to Bill 63-31, an act to exclude law enforcement personnel, employees and positions from the application of the provision of "Safe Harbor" under the government of Guam's drug-free workplace program by adding a new §75107 to Chapter 75, Title 10 Guam Code Annotated; and to include other law enforcement personnel under the term "Definition" as used in this Chapter by amending §75100(a), Chapter 75, Title 10 Guam Code Annotated.

My command staff and I have reviewed and discussed the contents of the bill and are in support of the Bill in general. We, however, are requesting that with respect to the aforementioned bill that would exclude Law Enforcement (LE) from Safe Harbor, that the bill be made applicable to all TDP's (Testing Designated Position) government wide. To arbitrarily single out LE would be discriminatory and not hold the other TDP's to the same standard.

Another clarification that we would like to be made is §75100(a) definitions, which indicates law enforcement personnel, employees or position. §75100(a) 1. means: all members of the Guam Police Department including the Chief of Police. Would this include our department civilian staff employees? If so, we respectfully request that they be excluded.

In conclusion, we respectfully request for the recommendation mentioned herein to be considered and included in Bill 75-31.

Sincerely,

*Hafa Adai!* Mr. Chairman and Members of the Committee,

I want to thank you for this opportunity to provide testimony on behalf of the Jose D. Leon Guerrero Commercial Port regarding Bill No. 63-31 (COR) – An Act to exclude law enforcement personnel, employees, and positions from the application of the provision of "Safe Harbor" under the government of Guam's Drug-Free Workplace Program by adding a new §75107, to Chapter 75, Title 10 Guam Code Annotated; and to include other law enforcement personnel under the term "Definition" as used in this Chapter by amending §75100(a), Chapter 75, Title 10 Guam Code Annotated. For the record my name is Pedro A. Leon Guerrero, Jr. and I am the General Manager of the Jose D. Leon Guerrero Commercial Port.

While we do support the intent of this legislation we have some concerns as it impacts our efforts already underway to revise and implement our Port Drug Free Work Place Policy. As it currently stands, we utilize the Government of Guam Department of Administration's Drug Free Workplace Program. However, our staff has been working for quite some time on a comprehensive plan to adopt that will be embedded into our Port Personnel Rules and Regulations.

Our Board of Directors recently approved the proposed Drug Free Workplace Program and now our staff members are working with our consultant to prepare the implementation plan for the program. Once finalized, our Port Drug Free Workplace Program will ensure the safety and well-being of all of our employees and will entail a fair program that does not single out any one class of employees for stricter or more lenient response. At the Port, we are working hard to ensure that we have a strict program in place that protects the interests of the Port, the people of Guam and the employees themselves.

We sincerely hope to be able to move forward with the outstanding efforts underway already at the Port and we look forward to working with you on this legislation.

Sincerely,

PEDRO A. LEON GUERRERO, JR.

Senator Palacios;

I just wanted to express my support for Bill 63 which you just introduced. Law enforcement personnel take an oath to uphold the laws before they even pin on a badge. The public expects them to be held to the highest standards, in order that we may hold them in confidence and trust. This bill is a positive step in enhancing the image of Guam Law enforcement personnel, and will help build public confidence and respect in them. Thank you for introducing this bill.

### AT A GLANCE

A one-time opportunity to get counseling and rehabilitation for the use of illegal drugs shouldn't be open to Guam law enforcement personnel, according to proposed legislation that was discussed during a legislative hearing yesterday.

Bill 63, introduced by Sen. Adolpho Palacios, would take away police and other law enforcement personnel's right to take advantage of a "Safe Harbor" provision.

Under current Guam law, Gov-Guam employees who voluntarily admit to illegal drug use have a one-time opportunity to identify themselves and undergo counsel-

The Safe Harbor program gives a government of Guam employee a one-time opportunity to voluntarily identify him or herself as a user of illegal drugs and to undertake counseling or rehabilitation. Bill 63, if passed into law, would prohibit the following GovGuam employees from the program:

- ▲ Members of GPD, including the chief of police;
- ▲ Members of the Guam Fire De-

- partment, including the fire chief;
- ▲ Officers at the Department of Corrections, including the director;
- ▲ Customs and quarantine officers, including the director;
- ▲ Employees of the Department of Youth Affairs who engage in juvenile detention and rehabilitation work, including the director;
- ▲ Tax enforcement officers from the Department of Revenue and Taxation, attorney general, deputy and assistant attorneys general, and attorney general investigators;

- security officers employed by Gov-Guam, or performing work for the Government of Guam, including but not limited to lock-up guards, and those performing security at the airport and port;
- ▲ Deputy marshals of the Unified Guam Judiciary, including the chief;
- ▲ Probation officers and alternative sentencing officers of the Unified Guam Judiciary, including the chief probation officer;

ing or rehabilitation. But employment in law enforcement "demands a high ethical and professional code of conduct to be adhered to in order to maintain the reputation and

credibility crucial for the performance required by the position," according to Bill 63.

The committee on public safety, law enforcement and judiciary

heard testimony on the bill yesterday. In written testimony, Police Chief Fred Bordallo expressed support for the bill, but requested that the bill be amended to exclude civil-

ian employees of the police department.

Yesterday, GPD spokesman Officer A.J. Balajadia confirmed that a police officer has been removed from patrol duties, and has sought Safe Harbor. Balajadia said the officer is required to undergo treatment and that the department is going to monitor the process.

He added that Bordallo has "zero-tolerance to the use and selling of illegal drugs."

In January, police confirmed that an officer was under investigation for possible substance abuse. That officer was placed on 20 days administrative leave, Balajadia has said.

The police department will be implementing department-wide drug testing, according to Balajadia.
