II. COMMITTEE PROCEEDINGS

Senator Vicente (ben) Cabrera Pangelinan: I want to thank everyone for their presence this morning on this public hearing by the Committee on Appropriations, Taxation, Public Debt, Banking, Insurance, Retirement, and Land. All notices for the public hearing were issued in conformance with the Open Government Law and this morning we have confirmations and bills before the Committee.

The next bill on the agenda is Bill 182 an act to amend and add §80128, Title 5 Guam Code Annotated, Chapter 80, relative to authorizing to the Guam Public Library System to contract for lease of a portion of frontage property at the Nieves M. Flores Public Library in Hagåtña to operate a small mobile food establishment. We have with us the author of this legislation, Senator Sam Mibini. I will give her an opportunity to make a short presentation on the intention of the bill.

(a) Bill Sponsor Summary

Senator Sam Mabini: Thank you Mr. Chairman. Bill 182 follows suit on a lot of other bills that were heard this morning. We are supporting our agencies to be more enterprising to help fund operational needs. This bill allows GPLS to contract for lease apportion of their frontage property to operate a small food establishment. There are a lot of libraries in the nation that partner with café like business establishments. So, the idea was to develop a café like experience. The food establishment will be overseen by the Library Board and the director. The funds will support infrastructure. I hope my colleagues will support this bill. Thank you.

Senator Vicente (ben) Cabrera Pangelinan: Thank you very much Senator Mabini. We have not had any person signed in to testify at this time but we did receive testimony from GPLS. There being no further questions, for the record, Bill 182 has been publicly heard.

(b) Testimony

None

III. FINDINGS & RECOMMENDATIONS

The Committee on Appropriation, Taxation, Public Debt, Banking, Insurance, Retirement, and Land, hereby reports Bill No. 182-31 (LS), As Introduced, by the committee, with the recommendation **TO PASS**.

Bill No. 182-31(15)

Introduced by:

Sam Mabini, Ph.D. *SM*

AN ACT TO AMEND AND ADD §80128, TITLE 5 GUAM
CODE ANNOTATED, CHAPTER 80, RELATIVE TO
AUTHORIZING TO THE GUAM PUBLIC LIBRARY SYSTEM
TO CONTRACT FOR LEASE OF A PORTION OF
FRONTAGE PROPERTY AT THE NIEVES M. FLORES
PUBLIC LIBRARY IN HAGATNA TO OPERATE A SMALL
MOBILE FOOD ESTABLISHMENT.

2011 MAY -4 PM 12: 18
P

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative findings and intent. *I Mina'Trentai Unu Na*

Liheslaturan finds the need for the Guam Public Library System to be authorized, solicit and contract to lease of frontage property of the Nieves M. Flores Public Library (Hagatna Public Library) to a small mobile food establishment to provide drink and food services for library patrons and the general public.

I Mina'Trentai Unu Na Liheslaturan finds that many public libraries throughout the nation partner with “cafe” business establishments to improve services to library patrons. To better serve local library patrons, the Guam Public Library System seeks to contract with a “cafe” mobile food service business to be set-up at the outside premises of the Nieves M. Flores Public Library (Hagatna Public Library). Establishing an outside “cafe” like experience may also attract and increase more patrons and visitors to the establishment.

1 *I Mina'Trentai Unu Na Liheslaturan* finds that agencies may have
2 enterprising opportunities that can fund operational needs. Allowing GPLS to lease
3 a portion of frontage property at Nieves M. Flores Public Library to a business
4 establishment will provide a new revenue generating source to support library
5 infrastructure.

6 **Section 2.** A new Subsection §80128 added to Chapter 80, Title 5, Guam
7 Code Annotated to read:

8 “§80128. Contract to lease of frontage property, in accordance with current
9 procurement law, a food establishment to provide drink and food services for
10 library patrons and the general public. This shall be limited to a small-size mobile
11 food establishment, with services including, but are not limited to, the selling of
12 coffee and other drinks or snacks, with a facility to consume them on the premises,
13 or as deemed appropriate by the Library Board.

14 (a) The solicitation and contracting for lease of frontage property to a
15 food establishment may include, to the extent deemed practicable, appropriate and
16 necessary, the use of the exterior frontage property of the Nieves M. Flores
17 Memorial Library.

18 (b) All funds received from the contract for lease of frontage property
19 shall be maintained separate and apart from any other fund of the Government of
20 Guam, and independent records, and an independent bank account shall be kept in
21 connection with this fund. The revenue from the contract for lease of frontage
22 property shall be used for facility maintenance or improvements. These funds will
23 be used at the sole discretion of the Director of the Guam Public Library System.

24 (c) Funds directed, as a result of revenue received from the contract
25 for lease of frontage property, shall be subject to an annual audit by the Office of
26 the Public Accountability.”

27 **Section 3. Effective Date.** This Act shall take effect upon enactment.

1 **Section 4. Severability.** If any provision of this Law or its application to
2 any person or circumstance is found to be invalid or contrary to law, such
3 invalidity shall not affect other provisions or applications of this Law which c can
4 be given effect without the invalid provisions or applications, and to this end the
5 provisions of this Law are severable.

Re: Bill No. 182-31(LS), “An Act to Amend and to add §80128, Title 5 Guam Code Annotated, Chapter 80, Relative to authorizing to the Guam Public Library System to contract for lease of a portion of frontage property at the Nieves M. Flores Public Library in Hagatna to operate a small mobile establishment.”

Buenas yan Hafa Adai Mr. Chairman and Members of the Committee:

Thank you for permitting the Guam Public Library System (GPLS) an opportunity to present written testimony on Bill No. 182-31(LS). GPLS has no objections to this bill, but recommends that the Committee have consideration for the following:

With regards to Section 1.

Section 1. Legislative findings and intent. *I Mina Trentai Unu Na Liheslaturan* finds the need for the Guam Public Library System to be authorized, solicit and contract to lease of frontage property of the Nieves M. Flores Public Library (Hagatna Public Library) to a small mobile food establishment to provide drink and food services for library patrons and the general public. *I Mina Trentai Unu Na Liheslaturan* finds that many public libraries throughout the nation partner with "café" business establishments to improve services to library patrons. To better serve local library patrons, the Guam Public Library System seeks to contract with a “café” mobile food service business to be set-up at the outside premises of the Nieves M. Flores Public Library (Hagatna Public Library). Establishing an outside “café” like experience may also attract and increase more patrons and visitors to the establishment.

I Mina Trentai Unu Na Liheslaturan finds that agencies may have enterprising opportunities that can fund operational needs. Allowing GPLS to lease a portion of frontage property at Nieves M. Flores Public Library to a business establishment will provide a new revenue generating source to support library infrastructure.

GPLS response: GPLS believes this will certainly generate much needed funds for the GPLS and attract more patrons to utilize our services without having to leave the premises for lunch or to buy drinks when needed. However, all should continue to adhere to the GPLS policies with regards to food, drinks, etc., in the Library. With regards to anything being set up outside the GPLS premises, it should not interfere with any pending GPLS Capital Improvement Projects, or other GPLS facility improvements.

With regards to Section 2.

Section 2. A new Subsection §80128 added to Chapter 80, Title 5, Guam Code Annotated to read: "§80128. Contract to lease of frontage property, in accordance with current procurement law, a food establishment to provide drink and food services for library patrons and the general public. This shall be limited to a small-size mobile food establishment, with services including, but are not limited to, the selling of coffee and other drinks or snacks, with a facility to consume them on the premises, or as deemed appropriate by the Library Board.

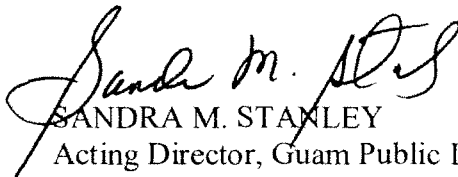

(a) The solicitation and contracting for lease of frontage property to a food establishment may include, to the extent deemed practicable, appropriate and necessary, the use of the exterior frontage property of the Nieves M. Flores Memorial Library. (b) All funds received from the contract for lease of frontage property shall be maintained separate and apart from any other fund of the Government of Guam, and independent records, and an independent bank account shall be kept in connection with this fund. The revenue from the contract for lease of frontage property shall be used for facility maintenance or improvements. These funds will be used at the sole discretion of the Director of the Guam Public Library System. (c) Funds directed, as a result of revenue received from the contract for lease of frontage property, shall be subject to an annual audit by the Office of the Public Accountability."

GPLS Response: The GPLS Board would have to prepare a contract for review by the Attorney General as to form which would include the requirements of: rental fee as determined by an appraiser; business license; health clearance for the workers of the food mobile; to regulate the size of canopy to set up to cater to the customers; should a storm be declared, it will be the responsibility of the vendor to secure the premises; the requirement of trash disposal and clean up of the area will be the responsibility of the vendor; any power/water source connection (if feasible per Government regulations) will be the responsibility of the vendor and separate from the Nieves M. Flores Memorial Library in Hagatna; vendor to adhere to all government regulations in operating a food business establishment; GPLS will not be responsible and will be free from any liability with regards to any theft or vandalism of the food mobile, its equipment and furnishings, etc.

GPLS Response to Section 2(a), (b), and (c):

- (a) Either GPLS engage with an appraiser or a government of Guam entity to determine the fair market value as to the exact square meter required for the vendor. *GPLS would need funding for this.*
- (b) This will be very practical since we do not have to wait for the issuance of purchase orders from GSA. GPLS will request for quotes from vendors on items needed, withdraw the funds to purchase and ensure that invoices and recorded keeping is accurate at all times.
- (c) We welcome the requirement of an annual audit.
