The public hearing on agenda item Bill No. 54-31 (COR) was Called-to-Order at 09:03 A.M.

II. SUMMARY OF TESTIMONY & DISCUSSION.

CHAIRMAN DENNIS G. RODRIGUEZ, JR., convened the Public Hearing on Bill No. 54-31 (COR). Invited Senator Christopher Duenas, author of Bill No. 54-31 (COR), to explain the intent of the bill.

Senator Chris Duenas: Thank you very much Mr. Chairman. This maybe the first time that I defend the bill as testimony had already been given in my introduction. First of all I d like to thank you for your timeliness in conducting this public hearing. Obviously these two bills have a similarity in terms of their recognition, in not only the general but also the primary. A large number of spoiled ballots and the discrepancies and the election process itself. So this Bill-54-31, basically, tries to do 3 things to correct that process; 1) to separate the congressional ballot from the other offices as a stand alone ballot, and conduct the other elections on the primary ballot; 2) ensure that during the primary, that both the parties are placed at the opposite sides of the ballot so that its very simple the instructions. The election designated employee to give simple instructions to vote on one side of the ballots. The 3) is related but probably more to the general, of course a primary election as well, and that is to codify and help the election commission that it is placed in law that they conform to oversee citizens absentee act, commonly know as the "Move Act-Military and Overseas Empowerment." And that was a strong point of contention in the general election than the primary. And so but I believe that it will allow for the concurrence going into the general. So it's pretty basic and pretty straightforward. In anticipation of some of the issues that Uncle Larry has brought up there is an opportunity in the mark up meetings to recommend this bill, should the separation of the ballots not be proper because of the potential of having not voted strictly along party lines because of the fact that there is a provision to have a 2 sided ballot. The ballot will be less busy and have more room and accommodate to conduct this. We can still have the congressional ballot but we can still have it on one side. So you can still have the congressional race, but if it is 2-sided it is a lot less tempting for those who want to vote in the congressional race and also want to participate and vote for another individual but also want to vote for another party perhaps senatorial and mayoral so that ca be amended. I want to complete the opening by agreeing with what they discussed while understanding the terms of the party elections that should be conducted by the parties. But with the understanding and having research the election commission, every time before an election is to be conducted. Issues their letter to the parties, the parties respond and they continue to respond that a primary election shall be conducted by the GEC. And it will be up the parties to respond to the election indicate THEY will take the responsibility of conducting their primary and placing their nominations before the GEC and before the regularly scheduled general election. So, with that Mr. Char, I would like to thank you for the opportunity to introduce this bill and I will defer to you at this time.

Chairman: Thank you very much Senator Duenas. Mr. Carbullido is you going to testify first? And we can come back.

Carbullido: No I'm not going to testify.

Chairman: Thank you very much. Mr. Ramirez?

Ramirez: As you might know Congress still passes a lot of laws. The law mandated that after 15 days after the election, if the candidate does not receive 50+1 votes then a runoff should occur to see who be the next candidate.

Chairman: Thank you Mr. Ramirez. Are there any other members who wish to speak on this bill? No? Ok? Just like the first bill we'll have a mark up of this and have the GEC have a look at this. The committee will now conclude the hearing on Bill 54-31, and accordingly Bill 54 has been heard. The committee will continue to receive testimony for the next few days. Submit testimony to the Committee on Health and Human Service, Economic Development, Senior Citizens and Election Reform and submit it via email at senatordrodriguez@gmail.com, or at my office at 176 Sirenu Ave., Guam or here at the legislative building at 155 Hesler Place, Hagatna Guam. Thank you.

There being no other testimony, or comments by Senators, Chairman Rodriguez declared the bill as having been duly heard, and concluded the public hearing on Bill No. 54-31 (COR).

Fiscal Note: Requested February 10, 2011 (attached), and was received on February 28,2011 (attached).

An Act to amend §7105, §16301(a), §16301(d) and §16301(e) of Title 3, Guam Code Annotated, relative to the Primary Election ballot; to mandate the separation of local and federal elective offices; and, to mandate the Guam Election Commission adopt the same policy and procedures for local office absentee ballots as required under the Uniform and Overseas Citizens Absentee Voting Act (UOCAVA), as amended by the Military and Overseas Voter Empowerment (MOVE) Act.

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Statement and Intent. The Guam Election Commission has ascertained that a number of ballots cast in the 2010 Primary Election were spoiled as a result of cross-over votes being cast for a Republican Gubernatorial team and for the Democrat candidate for the office of Washington Delegate. It is the intent of *I Liheslatura* to encourage voters of Guam to exercise their right in a manner that minimizes the spoiling of their cast ballots. To this end, *I Liheslatura* proposes to change the Primary Election ballot so that all candidates from one (1) recognized political party are listed on one side of the ballot, with all candidates from the other recognized political party listed on the opposite side. It is also the intent of *I Liheslaturan Guáhan* that the ballot for all federal elective offices shall be separate from the ballot for all local elective offices.

Section 2. §7105 of Title 3, Guam Code Annotated is amended to read:

“§ 7105. Order of Names on Ballot - Legislature. The Commission shall prepare the ballot in such a manner that a nominee's name shall appear under the name of the political party, if any, sponsoring such nominee.

2 a random manner. Each contestant for any office under a party or independent designation shall be
3 listed according to lot drawn by the Election Commission. All drawings for ballot position shall be
4 done publicly and persons appearing on the ballot shall be specifically invited to attend. The
5 drawings for ballot placement shall be accomplished as soon as is reasonably possible after the
6 identity of the persons to appear on the ballot is known to the Election Commission.

7 The names of the nominees shall appear in columns vertically in such order as is determined
8 by lot. ~~[Columns for recognized political parties shall be listed on the basis of the number of~~
9 ~~nominees elected to the Legislature at the last preceding regular general election in descending order~~
10 ~~from left to right; last shall appear the names of those nominees not sponsored by any political party,~~
11 ~~which shall appear under the designation "Independent".]~~ The names of all nominees holding the
12 office for which they are seeking election shall have the word **INCUMBENT** printed immediately
13 after them.”

14 **Section 3. §16301(a) of Title 3, Guam Code Annotate, is amended to read:**

15 “(a) All candidates for all offices to be contested in the forthcoming General Election shall
16 appear on a Primary Ballot to be voted upon by voters in each voting district. A voting district is
17 each district within Guam as defined in 1 GCA § 403, unless otherwise provided in this Title. The
18 Guam Election Commission shall ~~[determine a method]~~ publish a ballot with the names of all
19 qualified candidates from the Republican Party on one (1) side of the ballot, and the names of all
20 qualified candidates from the Democratic Party on the opposite side. This ballot format shall be used
21 [that] to limit[s] voters to casting votes in only one party for all offices in that Primary Election. The
22 ballot for each federal elective office shall be separate from the ballot for each local elective office;”

23 **Section 4. §16301(d) of Title 3, Guam Code Annotated, is amended to read:**

24 “(d) There shall appear specific instructions in boldface type on each ballot that a voter may
25 cast votes for candidates appearing on that ballot for one (1) party only; that if votes are cast for
26 candidates of more than one (1) party for any office or nomination of offices appearing on the ballot,
27 the entire ballot shall be void. The instructions on the ballot shall clearly indicate that voters are
28 allowed to cast votes in only one (1) party for all offices in that Primary Election, and shall not cast
29 votes on more than one (1) side of the ballot. Any ballot wherein votes are cast for more than one (1)
30 party for all offices in that Primary Election shall be void;”

31 **Section 5. §16301(e) of Title 3, Guam Code Annotated, is amended to read:**

1 ~~“(e) [The order in which a party shall appear on the ballot shall be determined publicly by the~~
2 ~~Guam Election Commission; each concerned party shall be given reasonable notice of the time and~~
3 ~~place of the drawing and shall be invited to attend;]~~
