I. OVERVIEW

Individual(s) Registered for oral or written testimony:

Jose A. San Agustin, Director, Department of Corrections, provided testimony in support of the Bill.

II. SUMMARY OF TESTIMONIES

Chairman Adolpho B. Palacios, Sr. convened the public hearing for the Committee on Public Safety, Law Enforcement and Judiciary at 9:10 a.m., read the title of the bill and deferred to the author, Senator V. Anthony Ada, to summarize its contents.

Senator V.A. Ada stated that the Bill requires sex offenders to register their e-mail and prevents them from using a pseudonym. He noted that sex offenders have high rates of recidivism and that this will help keep the community safe.

Chairman Palacios noted the absence of representation from the Office of the Attorney General or the Unified Judiciary of Guam and cited the need for a mark-up meeting to include legal input. The Chairman then called Director Jose San Agustin to testify on the Bill.

Director San Agustin supports the Bill. He stated that DNA profiling will improve law enforcement. He also believes that limiting the availability of social networking sites for Sex Offenders will help reduce risks to the community. He further stated that the registration of e-mail addresses with the court and prevention of the use of aliases when a Sex Offender gets an e-mail address is an essential component for the regulation of Sex Offenders' use of the internet.

Senator Mana Silva Tajeron asked about the protocols for social networking by inmates while they are incarcerated. Director San Agustin stated that they are supposed to only use internet for educational purposes, not for social networking. Senator Tajeron suggests that they be educated about the law prior to their release. Director San Agustin agreed that there should be a program to address this.

Senator Christopher M. Duenas thanked Director San Agustin for participating and commended the author for putting the proposal forward.

Senator V.A. Ada said that the Bill takes into account the changes that were made to the Sex Offender Registry.

Chairman Adolpho B. Palacios, Sr., declared that Bill No. 102-31(COR) is duly heard. The Chairman concluded the hearing and requested that written testimony be submitted within the next ten (10) days. He adjourned the hearing at 9:30 a.m.

III. WRITTEN TESTIMONIES

No further written testimony received within the ten (10) day period after the public hearing.

III. FINDINGS AND RECOMMENDATIONS

Findings

Mark-up Meeting, Tuesday, April 12, 2011

Participants:

Senator Adolpho B. Palacios, Sr., Chairman
Edward Lee, Office of Senator V. Anthony Ada

Pete Leon Guerrero, Office of Senator V. Anthony Ada

Ann Keith, Legal Advisor, Judiciary of Guam

Ruben Payumo, Sex Offender Registry, Judiciary of Guam

Marie Reyes, Sex Offender Registry, Judiciary of Guam

Joseph Leon Guerrero, Chief Deputy Marshal

Peter Avilla, Deputy Marshal

Basil O'Mallen, Deputy Attorney General, Office of the Attorney General

Chairman Adolpho B. Palacios, Sr., convened the mark-up meeting at 2:02 p.m., explained the purpose of the meeting and his understanding of the Bill's implications.

Deputy Attorney General Basil O'Mallen asked about the violation for family violence implicated by Bill 99 and Mr. Edward Lee stated that it is intended to be in conjunction with a sex crime.

Ruben Payumo clarified about DNA profiling, that GPD collects the DNA samples at DOC after the registration of a sex offender. Legal Advisor Ann Keith stated that DNA is not submitted to CODIS, but to the sex offender database.

Chief Deputy Marshal Joseph Leon Guerrero stated that there is a backlog of DNA that has yet to be processed by the FBI and Ms. Keith stated that GPD lacks the capacity to do DNA testing, independently. Mr. Payumo stated that GPD collects DNA then sends the specimens off-island to be tested by the FBI.

Mr. Lee said that in the states, it is standard to test sex offenders and Mr. O'Mallen stated that it already occurs on Guam.

Mrs. Keith stated that Guam is among the few jurisdictions that is compliant with the Adam Walsh Child Protection and Safety Act.

Mr. O'Mallen followed up saying that currently all DNA samples get tested by the FBI, but that it takes very long because there is a backlog.

Mr. Lee asked how many sex crimes are investigated per month and Mr. O'Mallen estimated that there are about ten (10). Mr. Lee said that Bill 99 can strengthen enforcement. Mr. O'Mallen stated that what gives him the most hope about the bill is that it shows a commitment to provide more funding. Mr. Lee responded that the capacity should be built up to use DNA as a tool of local law enforcement. Mr. O'Mallen stated that Ms. Hinkle-Sanchez would like to send comments and suggested amendments to the Bill(s).

Ms. Keith brought up that DNA testing is available on island at UOG, but that it is not for forensic testing. Mr. Lee stated that a primary concern is that DNA evidence is handled properly. Chief Deputy Marshal Leon Guerrero discussed cheek swabs and how they are handled.

Chairman Palacios proceeded to Bill 101 and explained its intent, as he understands it. Mr. Lee asked if there are occasional searches of sex offenders' computers and devices which can have access to the internet.

There was a discussion regarding who would enforce and conduct searches. From the discussion, it was clear that the law would be enforced by parole officers when a sex offender is on parole, but that generally the Guam Police Department would be the primary enforcement agency. Mr. Lee explained that the bill is largely preventative, as it would restrict the use of internet by sex offenders.

A discussion followed on social networking sites and whether there could be difficulty enforcing it. Mr. Lee pointed out that it would not totally ban the use of social networking sites, but only those which do not have a policy on the use of the site by sex offenders, like Myspace, whereas Facebook would be allowable because of their policies.

There was a discussion of computer forensics, including a recent case where an offender used the wireless connection of their neighbor.

There was a discussion about the public relations of the Judiciary, the Sex Offender Registry and the Office of the Attorney General as they relate to raising awareness of their programs. After the discussion, the meeting concluded.

Notes on Substitute Bill No. 102-31 (COR)

The Committee has made amendments to Bill No. 102-31 (COR) for the substitute Bill. The title contained two (2) grammatical errors, requiring the addition of a comma to separate the clauses and a correction of the spelling of "registered."

The only substantive amendment to the Bill is to add the language "and/or 'from' field(s)" to the requirement that identifying information be provided on e-mails so that a Sex Offender is not able to engage in e-mail communications anonymously.

Recommendations

The Committee on Public Safety, Law Enforcement and Judiciary hereby reports out **Bill No. 102-31 (COR), as substituted by the Committee, with the recommendation TO PASS.**
