COMMITTEE REPORT DIGEST

I. OVERVIEW

The Committee on Guam U.S. Military Relocation, Homeland Security, Veterans' Affairs and Judiciary convened a public hearing on Monday, March 4th, 2013, at 9:00 a.m. in the Public Hearing Room of *I Liheslaturan Guahan*. Among the items on the agenda was Bill No. 6-32 (LS) - B.T. McCreadie / D.G. Rodriguez, Jr. - An act to amend §25.15 and §25.20 of Chapter 25, Title 9, Guam Code Annotated, relative to strengthening penalties for crimes involving criminal sexual conduct, which may be cited as the "Predator Prevention Act". as substituted.

Public Notice Requirements

All legal requirements for public notices were met, with requests for publication sent to all media and all Senators on February 25th, 2013, and March 1st, 2013, via e-mail. Copies of the hearing notices and e-mail notifications are appended to the report.

Senators Present

Senator Frank B. Aguon, Jr.
Senator Anthony V. Ada
Speaker Judith Won Pat
Senator Brant McCreadie
Senator Chris Duenas

The public hearing was called to order at 9:00 a.m.

II. SUMMARY OF TESTIMONY AND DISCUSSION

Senator Aguon: Recognized colleagues. Sen. Brant McCreadie, sponsor; at his immediate right, Sen. Tony Ada. Public hearing will be discussing four measures, all of which fall under the jurisdiction of the Committee. First is Bill 6-32. Sen. Aguon delineated bills, and sponsors, and recognized. Speaker Judi Won Pat.

Early notices were circulated. Resolution on VAWA was on agenda, but will no longer be considered due to actions of Congress last Friday. Congress was able to pass that measure and as such it will no longer be discussed. The resolution would have endorsed programs under that act, but now the question is how it will be affected by sequestration.

For information of body -- notices were sent out as required Open Government Law; press releases were sent out in compliance with that requirement.

There are copies of newspaper clippings, with reassurance as to compliance.

First item on agenda is Bill 6-32, re Predator Prevention Act. Sen. Aguon asked Sen. McCreadie with regards to how to proceed. Mr. Josh Tenorio and Mr. Phil Tydingco are present to testify.

Sen. McCreadie: Bill 6, or Predator Prevention Act, is a concerted effort to reduce crimes of sexual violence. It ensures that predators serve 100% of their sentence; punishments are extended to life without possibility of parole. Office has received numerous phone calls, will see testimony today on victim of repeat offenders. Senator claims that Guam has one of the highest per capita in terms of repeat offenders. This bill attempts to put those offenders where they belong--in prison.

Sen. Aguon: Offers to proceed with agenda, asks whether to proceed with testimony first.

Josh Tenorio: States title and names of those accompanying them. Present to provide testimony to bill subsequent to this. States that they don't have a position yet on this, but hope to have one within 10 days. Comments on appropriateness of judges to comment on legislation. Wants to indicate to Sen. that they have circulated copies of the bill; hopes to have an opportunity to address committee before 10 days. Presiding judges have sent copies of Bill 6 to others. No position for the hearing.

Sen Aguon: Thanks that judiciary is aware of issues that affect our community.

Phil Tydingco: On behalf of Mr. Rapadas, Attorney General. Would like to make it known that they've been working with Sen. McCreadie. Supports intent of bill; supports holding offenders accountable. They like the main feature, which is the 'second strike' type language, pertaining to repeat offenders. Having said that--they realize opportunity for amendments. They request to consider submitted amendments. There is language that adds not suspending sentence, probation. They are bringing it up because of cases that they are planning to appeal, on appeal; when Legislature sets minimums, such minimums are thought to be mandatory. There are disputes by defense side of court that certain language can be ignored the court. AG believes that adding such language is good for the future. Right now, with the current statute as it stands, they are interpreting it as meaning what it says; that there is a mandatory floor. AG claims that for a number of defense attorneys, unless language is specified, statute doesn't mean having a floor. Not just for this bill but others as well. AG is concerned that the bill may get attacked--and that prosecution will no longer be able to offer plea agreements below where they agreed to. Victims may be upset that plea agreements may be reached that requires going below the minimum. They have submitted an amendment to Sec. McCreadie, but want to stress that they support the gist of the bill--the core aspect of it, with regards to second strike, especially with research showing that once they trigger a second strike, they tend to be repeat offenders.

Sienna Macario: Testifying as sister of victim of violence. Sister was abducted. Finished watching a movie; parked on the third floor. Mother took elevator. Sister took the stairs. When she got to her car, man came up behind her and pulled her into the car. Ms. Macario tried to fight back, but the man threatened her, pulled, threatened her with a knife. The man said that if she if called cops, he would kill sister. They eventually found her sister before anything happened to her. However they also found that the man set the back doors on child lock; the intention with her sister was there. They also found that he had past history of sexually abusing a 14-year old girl. Since those incidents, they have been paranoid about everything, and have felt helpless, as if mace isn't even enough to protect them. She thinks 15 years is not enough. Repeat offenders should suffer harsher sentencing, and as such supports Bill 6-32.

Sen. Aguon: Thanks Ms. Macario on behalf of committee. Bills like this are intended to prevent incidents in the future; testimonies like Ms. Macario's stress need for such legislation. Asks if other testimonies are needed; recognizes Sen. Chris Duenas.

Sen McCreadie: Asks Phil Tydingco regarding earlier statement. Asks whether, notwithstanding issues regarding appeal, whether additional language is needed to help victims from being repeatedly offended? Is this something we need?

Phil Tydingco: Again, agrees with the core feature regarding second strike. Believes that second strike means what it means. However, thinks that it would help having additional language explicitly saying that. Thinks that unless clarified, this could open floodgates of litigation; appeals, people wanting their sentences looked at again. There are some statutes that have that language out of caution. Otherwise second strike language is perfectly okay, as it is, and accomplishes policy.

Sen. McCreadie: Asks whether right now, in his opinion, the word 'minimum', whether it is not clear enough--whether discretion is not possible.

Phil Tydingco: AG read statute that minimum is mandatory, and that there is no discretion. However AG thinks others might reasonably argue that it **does not**, and that it might open the door to challenges.

Speaker Won Pat: Asks whether (4861/2) bill only applies to those under 14, or all victims.

Phil Tydingco: Explains that as one element of crime; there are many ways to commit sexual violence. For example, if relative or member or household, would cover incest or guardian. Legislation protects defendants under 14; first degree criminal conduct charge.

Speaker Won Pat: Asks a question on another section of the bill.

Phil Tydingco: Clarifies second strike concept; technically, seven different types of conduct. Explains second strike language in different subsection. Clarifies that only issue AG's office has is related to appeals--when bill adds language regarding no possibility of reduction of sentence, is redundant to existing possibility of life without parole; no need to add further clarification, doing so would only add obfuscation.

Speaker Won Pat: Asks Josh Tenorio regarding normal position of judges regarding legislation as prescriptive, versus giving them discretion.

Joshua Tenorio: Claims that judicial discretion is a big topic for judges. States that this is a contentious issue across states. He claims no position for judges, but that it is a major topic of discussion in the judicial system, especially with regards to prescribed sentences for crimes. They are still trying to determine whether judges will offer a position.

Speaker Won Pat: States that she has reservations about legislature acting as 'judge and jury'; balancing with desire of body to ensure that sentences are strong enough. States however that with 641 sex offenders registered, whether current statutes are enough as they are; asks whether anyone has checked with the Dept. of Corrections on possible causes and effects. Reiterates possible intersections with federal jurisdiction, and need to look at issue holistically.

Josh Tenorio: Brings up past legislation by Speaker, Sen. Yamashita, Vice Speaker Cruz, that addresses lack of counseling, and lack of funding source. Claims lack of research, data, on extent to which sex offenders can truly be rehabilitated. States that the number of individuals to be placed on registry is actually over 900, and that they will provide committee with relevant reports.

Speaker Won Pat: Thanks Mr. Tenorio. Indicates to Chairman that it might be necessary to get information from DOC as well. Brings up issue of 'Romeo and Juliet' laws. Asks if there is data, and whether that can also be sent to committee.

Josh Tenorio: Answers that there is data, which can be provided.

Sen. Frank Aguon: Recognizes Lt. Arthur Paulino, and his offer of testimony.

Lt. Arthur Paulino: Introduces himself; Office of Community Affairs. Offers testimony on behalf of Chief Bordallo. Guam Police Department supports intent of bill. However, claims concern whether Dept. of Corrections has capacity to contain larger population should this bill pass. Impacts on confinement.

Sen. Frank Aguon: Thanks Lt. Paulino. Comments on adult drug court, and strict prerequisites. Local rate is lower than national rates, as indication of success. Infers that providing similar program may be beneficial to community, if such offenders can be rehabilitated.

Lt. Paulino: States that later on in the process, it may be possible. However, they are concerned about impacts in the beginning of process--when offenders are brought in; whether DOC would have capacity to process such arrests. Questions whether they have personnel to process such arrestees; once they go to lockup, whether they have capacity. Recollects a moment when he was asked whether they can make room in the bathrooms for detainees. Agrees that there are resources for rehabilitation, but the issue is with initial arrest process.

Sen. Frank Aguon: Agrees that it is a legitimate concern, and inquires that they may be need for proposal for expansion of facilities are relocation. Questions whether we are in the business of focusing on resources, or on needs and desires of victims and community.

Sen. Anthony Ada: Refers to repeat offense of first degree, sentencing of life without parole. However, claims no sentence imposed if defendant commits first degree then second degree; or second degree then first degree. What happens if individual commits second degree, then first degree--would the life sentence be triggered?

Phil Tydingco: Second strike language, as written, only applies to repeated first-degree offenses, or repeated second-language offenses. Currently, statute as written would not apply. However claims that Sen. McCreadie is contemplating this.

Sen. Tony Ada: So if it's first, then second-degree, would it trigger life sentence?

Phil Tydingco: No, it wouldn't. Second strike only triggered when it's twice of first degree, or twice of second degree.

Sen. Tony Ada: Shouldn't it trigger if it's first degree, then second degree?

Phil Tydingco: That would have to be clarified, and included into this bill. I would also however like to clarify with Speaker, regarding Romeo and Juliet--a second strike would only apply to those who haven't been incarcerated in first strike. They do acknowledge the questions with regards to rehabilitation, and its efficacy; however, incapacitation is also important, especially realizing that there are some members who may not be able to be rehabilitated.

Sen. Frank Aguon: Realizes the importance of all these programs, especially with regards to the possibility of rehabilitation. For example--after fifteen years, it is important to ask whether the offender has received proper treatment. Recognizes comment by Sen. Duenas.

Sen. Chris Duenas: Comments with regards to judicial discretion. Asks Josh Tenorio--if bill is amended to reflect "up to" sentencing, whether this would allow for flexibility.

Josh Tenorio: Hesitant to offer opinion, but realizes that this is a mathematical question.

Sen. Chris Duenas: Asks whether consideration of "up to 15 years" would resolve concerns; especially with regards to courts becoming more specialized, and Romeo and Juliet issue.

Josh Tenorio: States that they will bring issue back to judiciary. Makes additional points--admission on points. For example, with drug offenses, seriousness of crime factors in to use of specialty courts. With regards to DOC, the only judge who would address offenses would be Judge Barcinas. Understands that with Dept. of Youth Affairs and youth offenders, the more serious offenders would be detained. It is not the same with the prison population. When judges are issuing sentences, there are no issues with judge regarding capacity concerns.

factors in to use of specialty courts. With regards to DOC, the only judge who would address offenses would be Judge Barcinas. Understands that with Dept. of Youth Affairs and youth offenders, the more serious offenders would be detained. It is not the same with the prison population. When judges are issuing sentences, there are no issues with judge regarding capacity concerns. They would check with AG's office on whether offenders would be furloughed. Capacity of facilities is not a factor for sentencing. The only opportunity that the judges would know would be at DYA, because they are juveniles, but not with adult offenders.

Sen. Chris Duenas; Wants to clarify that, especially with Romeo and Juliet issue, it is with regards to minors, and make sure that sensitivity is of concern--to ensure that we don't prosecute youth because of the ways laws are set up. But we do want to stress that we agree with the intent of the law. Would like to clarify again, however--adding "up to"--would this allow flexibility?

Phil Tydingco: This statute would not apply to Romeo and Juliet--this only applies to second convictions of offenders. Victims and their families want to know that they are able to heal within 15 years and not have to worry. But these are apples and oranges, with regards to Romeo and Juliet--as a matter of policy, this has to do with convicting those guilty of second rape, and whether we want to give the families and victims a sense of comfort. We know that Romeo and Juliet will be considered, but this is not the context for that.

Sen. Chris Duenas: Thanks the AG's office.

Sen. Brant McCreadie: Looking at Romeo and Juliet issue. But want to clarify that this legislation not intended to take away from judiciary, but to protect the victims. Don't think that our government needs to be backed up into an economic corner and give offenders a loophole. As the AG said--what is our position if offenders commit those acts again? Our intent is to put these offenders in prison for the rest of their lives if they commit a second offense.

Sen. Aguon: Thanks Sen. McCreadie and testimonies; concludes public hearing for Bill 6-32. Committee is open to further evidence and testimony over the next ten days, pursuant to the committee report.

III. FINDINGS AND RECOMMENDATION

The Committee on Guam U.S. Military Relocation, Homeland Security, Veterans' Affairs and Judiciary to which was referred "Bill No. 6-32 (LS) - B.T. McCreadie / D.G. Rodriguez, Jr. - An act to amend §25.15 and §25.20 of Chapter 25, Title 9, Guam Code Annotated, relative to strengthening penalties for crimes involving criminal sexual conduct, which may be cited as the "Predator Prevention Act"" hereby submits these findings to *I Mina' Trentai Dos na Lehislaturan Guahan* and reports out Bill No. 6-32 (COR) with a recommendation **TO DO PASS**.

MINA' TRENTAI DOS NA LIHESLATURAN GUÅHAN
2013 (FIRST) Regular Session

Bill No. 6-32(25)

Introduced by:

Brant McCreadie

D.G. Rodriguez, Jr.

2013 JAN - 7 AM 11:27

**AN ACT TO AMEND §25.15 AND §25.20 OF
CHAPTER 25, TITLE 9, GUAM CODE
ANNOTATED, RELATIVE TO STRENGTHENING
PENALTIES FOR CRIMES INVOLVING
CRIMINAL SEXUAL CONDUCT, WHICH MAY BE
CITED AS THE "PREDATOR PREVENTION ACT".**

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds
3 that there exists an alarming rate of incidences on Guam and throughout the
4 nation involving criminal sexual conduct. *I Liheslatura* is especially concerned
5 with sex crimes involving children as well, the most vulnerable in our
6 community. According to the *Crimes Against Children Research Center*, one (1)
7 in five (5) girls and one (1) in twenty (20) boys is a victim of child sexual
8 abuse.

9 As of December 2012, there were a total of Six Hundred Forty One (641)
10 sex offenders registered with the Guam Sex Offender Registry, Unified

1 Judiciary of Guam. Nearly half of this figure, or Three Hundred Fifty (350)
2 offenders, have been convicted of a sexually violent offense.

3 *I Liheslaturan Guåhan* further finds that local media regularly report on
4 arrests or court proceedings involving sexual crimes against children. These
5 reports continue to expose a very dangerous problem for Guam's close knit
6 community. Crimes involving criminal sexual conduct and crimes committed
7 against children are heinous and further inflict unfathomable effects in the
8 lives of victims and their families.

9 Therefore, it is the intent of *I Liheslaturan Guåhan* to strengthen existing
10 penalties for sexual offenses involving minors, by amending Sections 25.15
11 and 25.20 of Chapter 25, Title 9, Guam Code Annotated. *I Liheslatura* further
12 intends that these penalties serve to ultimately reduce and eliminate
13 incidences involving such terrible acts against Guam's children.

14 **Section 2.** Sections 25.15 and 25.20 of Chapter 25, Title 9, Guam Code
15 Annotated, are hereby *amended*, to read:

16 **"§ 25.15. First Degree Criminal Sexual Conduct.**

17 (a) A person is guilty of criminal sexual conduct in the first degree if he
18 or she engages in sexual penetration with the victim and if any of the
19 following circumstances exists:

20 (1) the victim is under fourteen (14) years of age;

21 (2) the victim is at least fourteen (14) but less than sixteen (16) years of
22 age and the actor is a member of the same household as the victim, the actor is

1 related to the victim by blood or affinity to the fourth degree to the victim, or
2 the actor is in a position of authority over the victim and used this authority to
3 coerce the victim to submit;

4 (3) sexual penetration occurs under circumstances involving the
5 commission of any other felony;

6 (4) the actor is aided or abetted by one or more other persons and either
7 of the following circumstances exists:

8 (i) the actor knows or has reason to know that the victim is
9 mentally defective, mentally incapacitated or physically helpless; or

10 (ii) the actor uses force or coercion to accomplish the sexual
11 penetration.

12 (5) the actor is armed with a weapon or any article used or fashioned in
13 a manner to lead the victim to reasonably believe it to be a weapon;

14 (6) the actor causes personal injury to the victim and force or coercion is
15 used to accomplish sexual penetration; and

16 (7) the actor causes personal injury to the victim, and the actor knows or
17 has reason to know that the victim is mentally defective, mentally
18 incapacitated or physically helpless.

19 (b) Criminal sexual conduct in the first degree is a felony in the first
20 degree. Any person convicted of criminal sexual conduct under §25.15(a)
21 shall be sentenced to a minimum of fifteen (15) years imprisonment, and may

MINA' TRENTAI DOS NA LIHESLATURAN GUÅHAN
2013 (FIRST) Regular Session

Bill No. 6-32 (LS)

As substituted by the Committee on Guam
US Military Relocation, Veterans' Affairs,
Homeland Security and Judiciary

Introduced by:

Brant McCreadie
D.G. Rodriguez, Jr.

**AN ACT TO AMEND §25.15 AND §25.20 OF
CHAPTER 25, TITLE 9, GUAM CODE
ANNOTATED, RELATIVE TO STRENGTHENING
PENALTIES FOR CRIMES INVOLVING
CRIMINAL SEXUAL CONDUCT, WHICH MAY BE
CITED AS THE "PREDATOR PREVENTION ACT".**

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds
3 that there exists an alarming rate of incidences on Guam and throughout the
4 nation involving criminal sexual conduct. *I Liheslatura* is especially concerned
5 with sex crimes involving children as well, the most vulnerable in our
6 community. According to the *Crimes Against Children Research Center*, one (1)
7 in five (5) girls and one (1) in twenty (20) boys is a victim of child sexual
8 abuse.

1 As of December 2012, there were a total of Six Hundred Forty One (641)
2 sex offenders registered with the Guam Sex Offender Registry, Unified
3 Judiciary of Guam. Nearly half of this figure, or Three Hundred Fifty (350)
4 offenders, have been convicted of a sexually violent offense.

5 *I Liheslaturan Guåhan* further finds that local media regularly report on
6 arrests or court proceedings involving sexual crimes against children. These
7 reports continue to expose a very dangerous problem for Guam’s close knit
8 community. Crimes involving criminal sexual conduct and crimes committed
9 against children are heinous and further inflict unfathomable effects in the
10 lives of victims and their families.

11 Therefore, it is the intent of *I Liheslaturan Guåhan* to strengthen existing
12 penalties for sexual offenses involving minors, by amending Sections 25.15
13 and 25.20 of Chapter 25, Title 9, Guam Code Annotated. *I Liheslatura* further
14 intends that these penalties serve to ultimately reduce and eliminate
15 incidences involving such terrible acts against Guam’s children.

16 **Section 2.** Sections 25.15 and 25.20 of Chapter 25, Title 9, Guam Code
17 Annotated, are hereby *amended*, to read:

18 **“§ 25.15. First Degree Criminal Sexual Conduct.**

19 (a) A person is guilty of criminal sexual conduct in the first degree if he
20 or she engages in sexual penetration with the victim and if any of the
21 following circumstances exists:

22 (1) the victim is under fourteen (14) years of age;

1 (2) the victim is at least fourteen (14) but less than sixteen (16) years of
2 age and the actor is a member of the same household as the victim, the actor is
3 related to the victim by blood or affinity to the fourth degree to the victim, or
4 the actor is in a position of authority over the victim and used this authority to
5 coerce the victim to submit;

6 (3) sexual penetration occurs under circumstances involving the
7 commission of any other felony;

8 (4) the actor is aided or abetted by one or more other persons and either
9 of the following circumstances exists:

10 (i) the actor knows or has reason to know that the victim is
11 mentally defective, mentally incapacitated or physically helpless; or

12 (ii) the actor uses force or coercion to accomplish the sexual
13 penetration.

14 (5) the actor is armed with a weapon or any article used or fashioned in
15 a manner to lead the victim to reasonably believe it to be a weapon;

16 (6) the actor causes personal injury to the victim and force or coercion is
17 used to accomplish sexual penetration; and

18 (7) the actor causes personal injury to the victim, and the actor knows or
19 has reason to know that the victim is mentally defective, mentally
20 incapacitated or physically helpless.

21 (b) Criminal sexual conduct in the first degree is a felony in the first
22 degree. Any person convicted of criminal sexual conduct under §25.15(a)

1 shall be sentenced to a minimum of fifteen (15) years imprisonment, and may
2 be sentenced to a maximum of life imprisonment without the possibility of
3 parole. The term imposed shall not be suspended, as indicated in §80.60 of
4 Chapter 80, Title 9 GCA, nor will ~~Any person convicted of criminal sexual~~
5 ~~conduct in the first degree shall not be eligible for~~ work release or educational
6 programs outside the confines of prison be granted nor shall the provisions
7 under §80.31 apply. Any such sentence shall include a special parole term of
8 not less than three (3) years in addition to such time of imprisonment.

9 (c) Any person convicted of criminal sexual conduct under §25.15(a)
10 subsequent to a first conviction of criminal sexual conduct under §25.15(a)
11 shall be sentenced to a minimum of twenty five (25) years imprisonment, and
12 may be sentenced to life imprisonment without the possibility of parole. Said
13 term shall not be suspended as indicated in §80.60 of Chapter 80, Title 9 GCA,
14 nor shall parole, work release or educational programs outside the confines of
15 prison be granted."

16 **"§ 25.20. Second Degree Criminal Sexual Conduct.**

17 (a) A person is guilty of criminal sexual conduct in the second degree if
18 the person engages in sexual contact with another person and if any of the
19 following circumstances exists:

20 (1) that other person is under fourteen (14) years of age;

21 (2) that other person is at least fourteen (14) but less than sixteen (16)
22 years of age and the actor is a member of the same household as the victim, or

1 is related by blood or affinity to the fourth degree to the victim, or is in a
2 position of authority over the victim and the actor used this authority to
3 coerce the victim to submit;

4 (3) sexual contact occurs under circumstances involving the commission
5 of any other felony;

6 (4) the actor is aided or abetted by one or more other persons and either
7 of the following circumstances exists:

8 (i) the actor knows or has reason to know that the victim is
9 mentally defective, mentally incapacitated or physically helpless; or

10 (ii) the actor uses force or coercion to accomplish the sexual
11 contact.

12 (5) the actor is armed with a weapon or any article used or fashioned in
13 a manner to lead a person to reasonably believe it to be a weapon;

14 (6) the actor causes personal injury to the victim and force or coercion is
15 used to accomplish the sexual contact; and

16 (7) the actor causes personal injury to the victim and the actor knows or
17 has reason to know that the victim is mentally defective, mentally
18 incapacitated or physically helpless.

19 (b) Criminal sexual conduct in the second degree is a felony in the first
20 degree but a person convicted of criminal sexual conduct in the second degree
21 who receives a sentence of imprisonment shall not be eligible for work release
22 or educational programs outside the confines of prison. The term imposed

1 shall not be suspended, as indicated in §80.60 of Chapter 80, Title 9 GCA, nor
2 probation be imposed in lieu of said minimum term nor shall parole be
3 granted nor shall the provisions under §80.31 apply. Any such sentence shall
4 include a special parole term of not less than three (3) years in addition to
5 such time of imprisonment.

6 (c) Any person convicted of criminal sexual conduct under §25.20(a)
7 subsequent to a first conviction of criminal sexual conduct under §25.15(a),
8 which involves sexual penetration, shall be sentenced to a minimum of twenty
9 five (25) years imprisonment, and may be sentenced to life imprisonment
10 without the possibility of parole. Said term shall not be suspended nor
11 probation be imposed in lieu of said term as indicated in §80.60 of Chapter 80,
12 Title 9 GCA, nor shall parole, work release or educational programs outside
13 the confines of prison be granted.”

14 **Section 3. Effective Date.** This Act shall be effective upon enactment
15 and shall apply prospectively.

Subject: Written Testimony
Re: Bill 6-32 (LS)

Dear Senator Aguon:

Buenas yan Hafa Adai! The Guam Police Department is submitting this testimony regarding Bill 6-32 (LS) – An act to amend §25.15 and §25.20 of Chapter 25, Title 9, Guam Code Annotated, relative to strengthening penalties for crimes involving criminal sexual conduct, which may be cited as the “Predator Prevention Act.”

The Guam Police Department supports the intent of Bill 6-32(LS) which addresses criminal sexual conduct punishments. However, there may be a concern whether or not the Department of Corrections and the Government is able to properly sustain a larger prison population with the addition of more perpetrators serving out life sentences should this Bill pass. Although this could be a Department of Corrections and Judiciary issue, the Guam Police Department works within the Criminal Justice System. There have been some impacts of arrest confinement with the Department of Corrections due to overcrowding of detainees at the Hågatña Lock-up.

We thank you for giving us the opportunity to provide our comments on this Bill. *Dangkulo na si Yu'os ma'ase!*

Senseramente,

FRED E. BORDALLO, JR.
Chief of Police

My name is Shienna Macario and my sister is a victim of sexual violence. On January 5, 2012, my sister was abducted. My family and I had just finished watching a movie @ Microworld Mall theaters. We headed to the parking garage nearest the theater where she had parked on the 3rd floor. We had a stroller with us so ~~we~~ ^{my mother and I} decided to take the elevator. My sister took the stairs because she had received a call from her husband who she had married only two days before the incident happened. When she got to her car (while my mother and I were lat trying to look for her) a man came up from behind her, shoved her into the passenger seat and got into the car. My sister tried to escape through the other door but the ^{man} kept pulling and lifting her. He was able to cut her left hand.

As she tried to fight back, he repeatedly punched ~~her~~ ^{her face} until she gave the other hand. ^{He also had a knife with him. threatened use w/ a knife} Meanwhile, ^{white} ~~my mother and I~~ ^{arrived on the} ~~my mother~~ ^{3rd floor,} ~~we heard screaming~~ ^{only to hear screaming}

so I decided to run and check where it was coming from. I saw my sister's car's tail light activate so I opened the door.

As I opened it, I saw the ^{man} ~~guy~~ ^{knives} ~~knives~~ ^{knives} towards my sister.

He turned around and saw me. When he did, he quickly slammed the door shut and looked out. He told my sister ~~to take my~~ He called down the window a little and told my

sister to take my phone away from me because I might call the cops. He also said that if I do, he would kill my sister.

I didn't want to give my phone so he drove off with my sister in the car. Luckily they were able to locate my sister before anything had happened to her.

A week after the incident, we found out that he had set the back door on child lock, which made it even more obvious that his intentions to abuse my sister was there. He also had a history of ~~abusing~~ sexually abusing a 14 y/o girl.

Since the incident, my sister and I still suffer from paranoia. I believe that repeat offenders ^{offenders} should suffer harsher sentencing because they were given the opportunity to change. With that, I support Bill 6-32, introduced by Senator Blant McCreadie.

I don't know how long it'll take ~~before~~ for us to recover but ~~15 years~~ 15 years is surely not enough.

→ have been paranoid about almost everything. we're too afraid to be alone, especially at night. Every time a man would pass by, my heart would be racing and I can't help but cry because I feel so helpless. It's like Mac is not even enough to protect me.
