GovGuam works to help veterans

Written by Frank B. Aguon Jr.

Jun. 16, 2013 |

guampdn.com

What more must the government of Guam do to help the island's military veterans?

As chairman of the Committee on the Guam U.S. Military Relocation, Homeland Security, Veterans Affairs and Judiciary of the Mina Trentai Dos Na Liheslaturan Guahan, I would like to highlight several of the benefits and services that have been extended to island veterans by their local government, and further enumerate several proposals that have been introduced that continue to recognize the unique service that many of our men and women in the U.S. Armed Forces have provided in the defense and preservation of freedom.

The government of Guam presently provides the following services, benefits or programs for Guam's veterans:

- Veterans license plates;
- Waiver of license plate fees for 100-percent disabled American veteran or legal guardian;
- Waiver of driver's license fees (operator, chauffer or motorcycle), process eased through the provision of official documentation directly to Revenue and Taxation;
- Waiver of motor vehicle registration for 100-percent disabled American veteran and individual unemployable;
- Preferential points for government of Guam employment;
- Waiver of fees for special Gold Star License Plates for parents, widow/widower of deceased veteran; and
- Burial spaces at the Veterans Cemetery.

In addition, your leaders in the Guam Legislature continue to consider additional services or benefits for our veterans to include the following:

- The establishment of a Fallen Heroes Monument for the War on Terror (to be entertained by Liheslaturan Guahan in the upcoming session);
- The creation of a Guam Veterans Registry, which will directly assist in further advocating for much-needed local and federal services and programs for our veterans;
- The eventual establishment of the "Sengsong Betaranun Guahan" or Guam Veterans Village, which will serve as a one-stop service center for veterans and a permanent home for the Office of Veterans Affairs; and
- The expansion of the waiver of the driver's license fee, to be applicable to all classes and endorsements.

The committee is in the process of finalizing the aforementioned information and much more, in both a written brochure format and an electronic format, which will be made available to all of Guam's veterans through my office.

As can be noted with the information provided above, your government has worked diligently over the years in providing our veterans with much needed services and benefits. These efforts will continue in the years ahead, as I can attest to the tremendous support for veterans by members of I Liheslaturan Guahan, who acknowledge and appreciate the special service provided by Guam's veterans--retired, active duty, or reserve.

I would like to close by mentioning ongoing efforts by the committee in bringing together primary veteran service providers in our community. This includes our local veteran organizations, our partners in the federal government (Guam Vet Center, Veterans Benefits Office, Outpatient Clinic, and others) and nonprofit organizations, i.e. WestCare.

It is through collaboration and understanding the needs of our veterans that we can altogether work toward ensuring the proper services and programs are identified and made available for our veterans.

Frank B. Aguon Jr. is a senator in the 32nd Guam Legislature and chairs its Committee on Guam U.S. Military Relocation, Veterans Affairs, Homeland Security and Judiciary.
