### II. INTRODUCTION, SUMMARY OF TESTIMONY & DISCUSSION

**Vice Speaker Cruz:** Next on the agenda is Bill 145-32 (LS) introduced by Senator Aguon, Senator Morrison and Senator Tom Ada. The main sponsor is here so I'll ask him to give a short introduction. Senator Aguon.

**Senator Aguon:** Thank you Mr. Vice Speaker, Mr. Chairman. The proposal is really self explanatory and I want to thank the Mayor of Malesso for bringing this to our attention in terms of trying to continue to recognize our Veterans, especially the ones who live in Malesso and the southern part of our community. Also, thank you to the community of Malesso. There's a gentleman by the name of Mr. Taijeron who has provided testimony and since then has amended his position on this bill and I will see if he would like to provide additional comments. I would also like to thank Senators Morrison and Tom Ada for their co-sponsorship for this

particular measure. Thank you once again to the Mayor of Malesso and the community for their support. Thank you Mr. Chairman.

**Vice Speaker Cruz:** Thank you Senator Aguon. I would like to note for the record that Mayor Chargualaf has submitted written testimony in favor of this legislation as well as Mr. Tajeron, however in opposition, but if there's an amendment, we'll find out. There's only one person here to testify, Mr. San Nicolas.

**Mr. Arthur San Nicolas:** Good morning Senators, Mr. Speaker, Senator McCreadie, Aguon, Morrison and Ms. Yamashita. I'm glad to see Senator Morrison is from the South and Senator Aguon you are a Veteran yourself. My name is Arthur San Nicolas and I am here to testify on Bill No. 145-32 (LS). Mr. San Nicolas reads his testimony, which is attached for the record.

**Vice Speaker Cruz:** Mr. San Nicolas I hope that you would provide us a copy of that testimony so that we may include in this committee report. That testimony, in all my years, has been the most eloquent pieces of testimony that I've heard in chairing all hearings. So, please provide us with a copy before you leave. Thank you for your testimony.

**Mr. Arthur San Nicolas:** Thank you Mr. Speaker.

**Senator Yamashita:** Thank you Mr. Vice Speaker. Sir, thank you! I am most honored to sit here and listen to you. As Mr. Vice Speaker has said, you have done the most eloquent job in putting everything in perspective. Thank you taking the time to share and God Bless you! Thank you Mr. Vice Speaker.

**Mr. Arthur San Nicolas:** Thank you!

**Senator Tommy Morrison:** Thank you Mr. San Nicolas. I am proud to hear that testimony come out from your heart and I'm sure that you're speaking on behalf of many of the families in the south as well as other parts of the island. I'd like to thank the author of this bill for pulling me in to discuss this and I know that the Mayor has talked about this idea for several years and brought this to his council. His effort to take action immediately so that we can honor our veterans. Thank you and I want to thank the families that are here from Malesso to pay tribute and also recognize our veterans down south. I've always enjoyed those memorial services since I was a kid, at the Veterans Memorial Park in Humatak. It would be nice to see similar services throughout the island and our neighboring villagers. Thank you for taking the time to be here and share your passionate testimony with us.

**Senator Aguon:** Thank you Mr. Chairman. Arthur, I too want to thank you, Dangku'lo Na Si Yu'os Ma'ase, for sharing your testimony with us. When I reflect upon all the comments that you've shared, you really hit the nail on the head. In terms of being able to commemorate and memorialize our veterans regardless where they're from. Just for the record, the slight amended change on the title and it would read, "*Malesso Veterans Sons and Daughters Pier Park*" in consistent with the resolution that the Mayor had submitted to the Committee. I would like to make sure that it's noted in the record so that we address that. The individual that previously submitted testimony in opposition of this measure, had serious concerns of deleting the word "Pier" and that's where the compromise came in, in terms of making sure that that continues as part of the name. But the tribute, the objective, is still accomplished in terms of recognizing and memorializing our veterans who have served and who are also serving. Thank you very much Arthur and please extend my appreciate to the Mayor and to the MPC for adopting the resolution. Most especially for the recognition of our veterans and all of their services, so thank you very much, thank you Mr. Chairman.

**Senator McCreadie:** Thank you Mr. Vice Speaker. Arthur, listening to your testimony, I agree with everyone and what they said. Thank you for taking us down memory lane and sharing some of your experiences is how close it hits home when it comes to not just veterans, but active family members serving in the military. So, I think it's important to acknowledge some and all who ever paid the ultimate price fighting for our country and our island. I do want to commend the author, Senator Aguon, for always looking out for our veterans and taking it very serious and giving them a voice through the legislature, so I think it's very important to note. Like you said, you hit right on the nail. Thank you Arthur and thank you guys for coming here today and you have my full support.

**Vice Speaker Cruz:** Thank you very much and please extend our condolences to your family and our thanks to your son in law for his service and all the others sons and daughters who are currently deployed. If you so kind and leave us a copy of your testimony. Thank you. Bill No. 145 is duly heard.

July 26, 2013

Dear Senator's,

Buenas yan Hafa Adai. Thank you for giving me the opportunity to submit a written testimony in support of Bill No. 145-32. While I would like to be there personally to testify in support of the bill, my travel itinerary conflicted with this schedule of this hearing.

For the past 69 years the village of Merizo has been hosting Memorial Services for the Tinta & Faha Massacre Victims. Subsequently one of my predecessors and his/her Municipal Planning Council members incorporated the War Casualty Veterans of the various World Wars and made them a part of the Annual Memorial Services.

When I came into office in 2009, I continued to host the Memorial Service with reservations. As the current Mayor, I strongly believe that these war casualty Veterans should be accorded their own distinct Memorial Service during Memorial Day. In line with that thinking I also believe that Veterans as a whole should have a venue dedicated in their honor, so that Memorial Services as well as celebrations be accorded them during Memorial Day and Veterans Day respectively.

The dedication and naming of the Merizo Pier Park Ground is a token of the appreciation and recognition of our Veterans sacrifices to protect and preserve the liberties and freedom we enjoy today. This selfless, noble and worthy cause should have no opposition. Anyone who chooses to oppose would only have selfish interest at heart. I chose the war casualty veterans and veterans as a whole to have the park dedicated and named after them, because every family in Merizo have or had a veteran family member. So the honor and pride would be shared by many of the Merizo residents.

Once again thank you for the opportunity and it is my hope and desire that you unanimously support the passage of Bill No. 145-32.

Sincerely and Respectfully,

Ernest T. Chargualaf  
Mayor of Merizo

Buenas yan hafa adai,

My name is Arthur SanNicolas, I am from the beautiful village of Malessso. I am here this morning to testify on Bill No 145-32 (COR) relative to naming the Malessso Pier Park, "Plasan Beteranon Mansendalon Malessso" (Veteran Sons and Daughters of Malessso Park)

I am sure that some may disagree on the naming of the Malessso Park. Maybe, for the reason of "too much areas being named after the veterans".

However, we must look beyond that and focus on who we are really honoring. For the Men and Women, Sons and Daughters of Malessso that haved served in WWI, WWII, Korean War, Vietnam War, Iraq War, and currently the War in Afghanistan.

Per capita Guam has more soldiers enlisted in the U.S. Armed Forces than any state. Per capita Guam, also has more casualties of war than any state.

During the Vietnam war, Soldiers came back home to the U.S. being called Baby Killers or Murderers. They didn't come home to open arms nor was given a hero's welcome. However, here on Guam we welcomed our veteran's home with loving open arms. Because it's the way we were taught, our culture, our tradition, and values. By the way my brother-in-law, Albert Barcinas Doyle was the 13<sup>th</sup>. Casualty from Guam during the Vietnam war.

Some soldiers no matter what war came home having to deal with the effects of war. In which also affected their family.

A growing number of soldiers take their own life because of the effects of war.

A growing number of marriages end up in divorces because the effects of war.

Spouses playing both rolls of parenting praying that their military spouse comes back home alive. Parents also praying for the same.

But we all know that there will be soldiers that will pay the ultimate sacrifice of war. Spouses having to explain to their children why their Mommy or Daddy never came home/died. Only having memories to hold onto.

A month prior to my son-in-laws deployment in march, we had to bury his daughter Tori (my grand-daughter). Not only, having to deal with the emotional stress of losing a daughter, but also leaving his spouse Ariana (my daughter) and two year old daughter Emma behind. At the same time accomplishing the mission.

I have relatives, nieces, nephews, son-in-law that have and are currently in the U.S. Armed Forces, deployed serving this country, more importantly this island. The sworn commitment they gave when they raised their right hand .

This is only a tiny fraction of what we can do for the ultimate service and sacrifices these veterans have and continue to do for the freedom we enjoy today.

We may not be able to vote for Presidents, but certainly your vote to pass this bill will be greatly appreciated and remembered by the family members of veterans that have gone before us and the veterans that are currently serving in the U.S. Armed Forces.

Again, my name is Arthur San Nicolas and I'm in full support of Bill 145-32 (COR).

Thank you and Si Yu'us Ma'ase...

**Footnotes:**  
The intent of this bill is to rename the Malessos Pier Park. Bill does not appear to have a fiscal impact as it makes it the responsibility of the village's Municipal Planning Council to fund the cost of constructing new signage for the name change and also for the maintenance and beautification of the park.

Honorable Senator Aguon,

I am not in favor of renaming the Merizo/Malessso Pier. The name as it currently stands is iconic and clearly associates the village with the pier. To rename the pier after a veteran in particular or veterans in general would adversely affect the "PLACE" marketing effect that has been established with the pier.

Malessso is already so far displaced from having direct opportunities with the millions of tourist that visit our island because of the distance from the hotels they stay in. Consider Talofof Bay. Why don't we rename the bay Veteran's bay. How about Haunama Bay in Hawaii.

I compare this to the Malessso Pier. Merizo/Malessso bears popularity with the tourist because of it's quaint qualities and because of the Pier. One of the most beautiful photos can be taken from the pier and tourists share their experience with others as having taken that photo at the Merizo Pier. Merizo has few icons that draw people to the village. The Pier is one of them, and I would like for tourists and visitors to remember they were at the Malessso Pier and not at the veteran's pier.

Why don't you change Talofof Bay to "Veteran's Bay" Same effect there if you ask me. Consider if you will the Four P's of marketing from your MBA studies and the importance "PLACE" quickly becomes apparent as well as the other P's.

I am a veteran with several DD 214s and I still wait in line with the rest of our public even though I can go to the front of the line. I think we have more than enough places named after us sir, veteran's that is.

Please feel free to call me at 688-4222 if you would like to discuss this issue further.

The people of Malessso need the continuous and consistent notoriety to ensure their small, and I mean "small" business interests remains as popular or easy to explain when referenced by the pier. To rename the pier would be to take away something that all residents of Malessso share.

I just told a Talofof colleague of mine that they were going to rename the bay and he was very disturbed until I

told him it was the Malessso pier. He calmed down a bit but still remained disturbed and bewildered about the name change. He then shared his stories of jumping off the pier in Merizo/Malessso.

Please do not change the name of the pier.

Very respectfully,

Major Philip S.N. Taijeron, Jr.
