II. TESTIMONY & DISCUSSION

NOTE: due to technical problems with the audio and visual services, parts of the hearing were not available to the Committee for record purposes

Senator Tina Muna Barnes stated that the bill was introduced at the recommendation of the Mayors' Council of Guam. She said that in the past, mayors and vice mayors knew that they were not able to move unregistered

and unlicensed vehicles through routed and secondary roads because the Council did not have a memorandum of agreement with the Guam Police Department; the fear was that they may be cited. She further went on to state that allowing the use of smaller utility vehicles is more cost effective for the various mayoral offices and will allow them to carry out their collective missions and mandates.

Senator Frank Aguon, Jr. commended the Mayors' Council of Guam for addressing this issue. He stated that allowing access to village roadways for larger vehicles, including construction equipment, during peak traffic time periods should be an avenue that they consider pursuing as long as it doesn't negatively impact the regular flow of traffic or cause undue congestion for drivers. He supports the bill and again commended the manner in which the issue was brought to the attention of the Legislature.

Senator Tommy Morrison asked if the legislation would affect federal grants.

Mr. Carl Dominguez stated that he didn't know the answer at that moment. He stated that Guam's routed roads are heavily traveled and that most drivers do not comply with the speed limit. His concern is that the utility vehicles used by the mayoral offices and the vehicle operators are at a greater risk than if they were traveling on only village roads. He reiterated that his primary concern was safety.

Senator Morrison commended the authors of the legislation. He stated that there needs to be data with regards to accidents involving the utility vehicles used by the mayoral offices as they would be helpful in determining if there is any potential impact to federal funding. He stated his support for the bill.

Senator Tony Ada asked who would be liable if the utility vehicles are involved in an accident since, as an unregistered vehicle, it would not require vehicle insurance.

Mayor Paul McDonald answered that the government would be liable. He further stated that the mayoral offices already drive vehicles that are unregistered.

Mr. Dominguez stated that it is his understanding that the government of Guam is self-insured.

Senator Ada asked if that covered both registered and unregistered government vehicles.

Mr. Dominguez stated that as long as the vehicle was owned by the government, the government would be liable.

Senator Ada asked if the utility vehicles being used have head lights, tail lights, and signal lights.

Mayor McDonald stated that they are equipped with those features.

Senator Ada asked why the utility vehicles cannot just be registered and be able to drive on roadways.

Mayor McDonald stated that is possible. He mentioned that the mayoral offices have certain protocols and procedures in place when using the utility vehicles. The use of utility vehicles for certain operational purposes would be more convenient and affordable for the mayoral offices. Mayoral offices should not be restricted from having certain vehicles travel routed roads because they want to ensure that their villages are maintained and kept clean.

Mayor Vicente Gumataotao stated that the government of Guam is liable for its vehicles but has no money to pay.

Chairman Michael San Nicolas thanked the mayors for their advocacy of the service of the people and thanked Mr. Dominguez for his advocacy for the safety of the people.

III. FINDINGS AND RECOMMENDATIONS

The Committee on Aviation, Ground Transportation, Regulatory Concerns and Future Generations hereby reports out Bill No. 154-32 (COR) with the recommendation

TO REPORT OUT ONLY.

Bill No. 154-32(CON)

Introduced By:

T.R. MUÑA BARNES
B.T. MCCREADIE

AN ACT TO ADD NEW §7103(g) OF CHAPTER 7, TITLE 16, GUAM CODE ANNOTATED, RELATIVE TO EXEMPTING FROM VEHICLE REGISTRATION REQUIREMENTS CERTAIN MOTORIZED UTILITY VEHICLES OPERATED BY GUAM MAYORS IN ACCORDANCE WITH, AND IN FURTHERANCE OF, THEIR STATUTORILY PRESCRIBED DUTY TO OVERSEE, COORDINATE AND OTHERWISE UNDERTAKE THE BEAUTIFICATION AND MAINTENANCE OF THEIR VILLAGES.

2013 JUL 17 PM 2:42
MB

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds
3 that pursuant to §§40112-40113 of Division 4, Chapter 40, Title 5, Guam Code
4 Annotated, Guam Mayors are responsible for general minor repair and
5 maintenance work including but not limited to cleaning, painting, plumbing,
6 planting, collecting and transporting trash and debris, and other similar tasks
7 incident to the general upkeep, beautification and maintenance of their respective
8 villages.

9 *I Liheslaturan Guåhan* further finds that in performing these duties, the
10 Mayors and/or their respective staff regularly operate certain motorized utility
11 vehicles such as multifunctional utility/logistics and equipment vehicles (“mules”),
12 gator recreational utility vehicles (“gators”), and riding mowers.

1 *I Liheslaturan Guåhan* further finds that while the Mayors' operation of
2 these vehicles is primarily limited to the shoulders of public roadways, *I*
3 *Liheslatura* recognizes that said operation involves moving onto the travelled
4 portion of public roadways on certain occasions such as where passage on the
5 shoulder of a road is impossible or otherwise unsafe. Therefore, *I Liheslaturan*
6 *Guåhan* deems it in the public interest that the village Mayors be able to operate
7 these vehicles upon public roadways under certain circumstances, and, toward this
8 end, that said vehicles, when operated as prescribed by this Act, be exempted from
9 the requirements of Guam's vehicle registration law.

10 **Section 2.** Section 7103 of Chapter 7, Title 16, Guam Code Annotated, is
11 hereby *amended* by *adding* new subsection (g) to exempt from vehicle registration
12 requirements certain motorized utility vehicles operated by village Mayors under
13 certain conditions:

14 “(g) Operating a “motorized utility vehicle” in accordance with, and in
15 furtherance of, legitimate Mayoral duties. Mayors, Vice-Mayors, and/or
16 their respective staff may operate unregistered motorized utility vehicles
17 such as mules, gators, golf carts, and riding mowers on public roadways
18 where (1) passage on the shoulder of a roadway is impossible or otherwise
19 unsafe, and (2) the operator of said vehicle is engaged in the performance of
20 Mayoral duties prescribed by 5 GCA §40101 *et seq.*, and is otherwise acting
21 in accordance with Guam law. For purposes of this section, a “motorized
22 utility vehicle” is any motorized vehicle primarily manufactured for off-
23 roadway use, which is sixty-three inches (63”) or less in width, has an
24 unladen dry weight of one thousand eight hundred fifty pounds (1,850 lbs) or
25 less, and travels on less than six (6) wheels.

26 **Section 3. Effective Date.** This provisions contained herein shall take
27 effect immediately upon enactment of this Act.

Department of Public Works – Office of Highway Safety
Written Testimony – Bill 154-32(COR)

Good afternoon, Mr. Chairman and Members of your Committee:

As the Director for the Department of Public Works as well as the Governor's Highway Safety Representative for Guam, I hereby submit my written testimony on Bill 154-32(COR) "an act to add new §7103(g) of chapter 7, Title 16, Guam Code Annotated, relative to exempting from vehicle registration requirements certain motorized utility vehicles operated by Guam mayors in accordance with, and in furtherance of, their statutorily prescribed duty to oversee, coordinate and otherwise undertake the beautification and maintenance of their villages."

The DPW-Office of Highway Safety functions relates to all highway safety standards established by the National Highway Traffic Safety Administration (NHTSA) and the Department of Transportation (DOT). The Office of Highway Safety prepares, develops and revises comprehensive plans based on an evaluation of highway safety problems within the territory to reduce traffic crashes, deaths, injuries, and property damages resulting in Guam's public roadways.

As advocates of highway traffic safety, the DPW-Office of Highway Safety has the following concerns:

1. If these vehicles were to be driven on Guam's public roadways, particularly routed roadways when passage on the shoulder of a roadway is impossible, who will be responsible in the event of a crash?
2. Are these vehicles to be exempted from seat belt use and any future citations from the Guam Police Department? The current law does not exempt these types of vehicles from seatbelt use while operating on the main highway.
3. Are these vehicles even equipped or manufactured with seat belts?

Written Testimony - Bill 154-32(COR)

If this Bill is to be discussed in a round-table format, I **respectfully requested** to be included, along with the staff of the Office of Highway Safety.

RESPECTFULLY SUBMITTED:

Director of DPW
Governor's Highway Safety Representative

Re: Bill No. 154-32

Dear Senator Barnes:

Buenas yan Hafa Adai ginen taotao Barrigada! Vice Mayor Jessie P. Bautista and I, together with members of the Barrigada Municipal Planning Council, hereby submit testimony in support of Bill No. 154-32 (COR).

The proposed legislation would allow Mayors and Vice Mayors and their respective staff to operate basic utility vehicles, such as, mules, gators, golf carts, and riding mowers, in the performance of our duties. As we all know, basic utility vehicles (BUV) is a simple rugged vehicle designed for use in today's developing work force. Passage of this legislation would provide low-cost transportation to provide mobility, freedom and economic assistance to our community.

Once again, thank you for allowing us to submit testimony on Bill No. 154-32 (COR).
