II. TESTIMONY & DISCUSSION

Chairman Michael San Nicolas: We will go ahead and begin with public testimony on Bill No. 176-32. I will yield to the author for his opening comments.

Senator Vicente Pangelinan: Thank you, Mister Chairman. Bill 176-32 is a bill that gets its genesis from Bill No. 64-32 which was passed by the Legislature but unfortunately vetoed by the Governor. In his veto message, the Governor had pointed out that his concern with the regards to the bill and the concept that was embodied by the bill was the existence of the word "property." He felt that when you include that word it may be interpreted to include real property and, thus, tied into construction, property warranties of the contractors, and the real estate. The existence of that interpretation could lead to an overly long length of time for the service contract to be provided. That was the single concern he pointed out with regards to what the bill was intending to provide. We looked at it and reviewed it and we still believe that the existence of statute that would allow the continuance of these extended warranty contracts. I say continuance because they had existed before and when the Department of Revenue and Taxation decided to issue a ruling, it put an end to the extension of these unless these companies became licensed as insurance companies and fall under the insurance regulations. We, at that time

in reviewing that interpretation, felt that there was enough service and safeguards being provided in existing statutes and legislation across the country that provided for the existence of service contracts warranties or extended warranties and not require that they be subject to the more rigorous requirements of being formed and subject to insurance policies and insurance companies. We then looked at those concerns, removed the word “property” so there is no misinterpretation or the intention, and reintroduced the bill with that change. We sent the bill to the Governor informing him that a new bill had been introduced with that change there and solicited his comments on whether or not this was going to be sufficient. The Governor did not formally respond to us and we received no feedback, negative or otherwise, from his office with this change in the bill. So, we are proceeding with the introduction of Bill 176 with that change that was of concern to the Governor. We hope that would meet the requirements of his concerns and proceed to allowing, once again, the offering of extended warranty service contracts that had existed in the past and provide opportunities for businesses to provide this service to the consumers of Guam and to the businesses of Guam. Thank you very much for the opportunity to present that introduction on the history of Bill No. 176.

Chairman San Nicolas: Thank you very much. On Bill 176-32, we only have a single individual signed up. Mr. Johnson, you did not indicate whether or not you would be offering testimony.

Mr. Richard Johnson: Our client, The Warranty Group, is the one who requested the advice from the Department of Revenue and Taxation and was told that they would have to register as an insurer, which was not the case anywhere else. That being the case, my client asked me to approach a senator who might be interested. We approached Senator Pangelinan and worked with him in getting the first bill done and we have worked with him on getting the second bill done. My client submitted their own testimony by email. I hope you have received it. I’ll let their testimony speak for itself. I just wanted to make sure I was here and was heard if anybody had any questions or concerns about the bill, I could try to deal with them.

Chairman San Nicolas: Thank you, Mister Johnson. There being no other individuals who signed up for testimony, Mister Speaker, did you have any questions?

Senator Pangelinan: No. I think the record on the initial public hearing is quite extensive. We solicited the automobile dealers and such, and they all presented positive testimony supporting it. At that time, we all did not feel there was a problem with the word “property,” I think the Governor’s concern is legitimate and, by addressing it, we can move forward on providing opportunities for our community to receive this service as well as entrepreneurs and businesses who may want to provide this additional services to businesses that may not want to do it in house but contract it out. I think all the way around that this will provide opportunities for the people in our community as well as a service that can be provided in our community.

Chairman San Nicolas: Thank you Mister Johnson.

Mr. Johnson: Thank you, Senator Pangelinan, for your work on the bill.

Chairman San Nicolas: There being no other individuals testifying with regards to Bill 176-32, it will be considered as being heard for the record.

III. FINDINGS AND RECOMMENDATIONS

The Committee on Aviation, Ground Transportation, Regulatory Concerns and Future Generations hereby reports out Bill No. 176-32 (COR) with the recommendation TO REPORT OUT ONLY.

I MINA'TRENTAI DOS NA LIHESLATURAN GUÅHAN
2013 (FIRST) Regular Session

Bill No. 176-32 (COR)

Introduced by:

V. C. Pangelinan 

**AN ACT TO ADD A NEW ARTICLE 2 TO CHAPTER 12,
DIVISION 2, TITLE 22 OF THE GUAM CODE
ANNOTATED, RELATIVE TO THE LICENSING OF
SERVICE CONTRACTS SOLD ON GUAM.**

2013 JUN 11 AM 9:31

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Statement and Intent. *I Liheslaturan Guåhan*

finds that under current Guam law, the definition of insurance as interpreted by the Insurance Commissioner classifies service contracts, also known as extended warranties, as an insurance product. However, service contracts are being sold on Guam and are *not* being regulated by the Department of Revenue and Taxation (DRT) regardless of the fact that the DRT has opined that they are insurance products under Guam's definition of insurance.

Thirty-six (36) states have enacted legislation, which expressly provides that service contracts *do not* constitute insurance, or that they are *not* subject to the state's insurance laws. Three (3) state departments of insurance have informally opined that service contracts are *not* insurance contracts. Eleven (11) states have either enacted a framework making it clear that a service contract is *not* subject to regulation as an insurance product in that state, or have informally opined as such.

I Liheslaturan Guåhan finds that service contracts can be a beneficial consumer product and should be made readily available without undue and burdensome regulation.

1 **Section 2. Service Contracts.** A new Article 2 is hereby *added* to
2 Chapter 12, Division 2 of Title 22, Guam Code Annotated, to read:

3 **"ARTICLE 2**

23 implied warranties *shall* be exempt from the requirements under this Article.

24 **§ 12202. Definitions.**

17 the event of non-performance by the insured service contract provider. A
18 reimbursement insurance policy insurer *shall not* terminate the policy until it
19 has issued a notice of termination required by the Commissioner under the
20 insurance laws, rules, or regulations of the government of Guam. The
21 termination of a reimbursement insurance policy *shall not* reduce the
22 insurer's responsibility for service contracts issued by service contract
23 providers prior to the date of termination. A service contract provider *shall*
24 be considered the agent of the reimbursement insurance policy insurer for
25 purposes of determining duties owed by the insurer to service contract
26 holders in accordance with the service contract, and this Article. Insurers are
27 deemed to have received the premiums for the insurance upon the payment

1 of provider fees by consumers for service contracts issued by the insured
2 service contract provider. "All obligations and liabilities" include:

3 (1) the failure or inability of the insured service contract
4 provider to perform under the terms and conditions of the provider's

7 provider's failure or inability to return the unearned portion of the
8 paid service contract fee to the service contract holder.

9 (g) *Service contract* for the purposes of this Article means a
10 contract or agreement for a separately stated consideration for a specific
11 duration to perform the repair, replacement or maintenance of goods or
12 indemnification for repair, replacement or maintenance, for the operational

14 materials, workmanship, accidental damage from handling, or normal wear
15 and tear, with or without additional provisions for incidental payment of
16 indemnity under limited circumstances, including, but *not* limited to, towing,
17 rental and emergency road service, and road hazard protection. Motor
18 vehicle manufacturer and original equipment manufacturer (OEM)-backed
19 contracts *shall* be exempt from the requirements in this Article. Service
20 contracts may provide for repair, replacement, or maintenance of goods for
21 damage resulting from power surges or interruption. Service contracts also
22 include a contract or agreement sold for a separately stated consideration for
23 a specific duration that provides for any of the following:

24 (1) the repair or replacement or indemnification for the
25 repair or replacement of a motor vehicle for the operational or
26 structural failure of one or more parts or systems of the motor vehicle

1 brought about by the failure of an additive product to perform as
2 represented;

3 (2) the repair or replacement of tires and/or wheels on a
4 motor vehicle damaged as a result of coming into contact with road
5 hazards, including, but *not* limited to, potholes, rocks, wood debris,
6 metal parts, glass, plastic, curbs, or composite scraps;

7 (3) the removal of dents, dings, or creases on a motor vehicle
8 that can be repaired using the process of paint-less dent removal

16 the replacement of any part or component of a motor vehicle's
17 interior.

18 (h) *Service Contract Provider* means a person who is contractually
19 obligated to the service contract holder under the terms of the service
20 contract.

21 (i) *Service Contract Holder* or *contract holder* means a person
22 who is the purchaser or holder of a service contract.

23 (j) *Service Contract Seller* means the person who sells the service
24 contract to the consumer.

25 (k) *Warranty* means a warranty made without consideration, solely
26 by the manufacturer, importer, or seller of goods or services, that is *not*
27 negotiated or separated from the sale of the product and is incidental to the

1 sale of the product, that provides repair or replacement for defective parts,
2 mechanical or electrical breakdown, labor, or other remedial measures.

3 **§ 12203. License Required.**

4 It *shall* be unlawful for any person to act as, or offer to act as, or hold

9 upon a form prescribed by the Commissioner, and *shall* pay to the
10 Commissioner a fee as provided under this Article. A service contract

12 and furnish such updates to the Commissioner. The application *shall* include
13 or be accompanied by the following information and documents:

14 (a) all basic organizational documents of the service contract

17 agreement, bylaws, and other applicable documents, and all amendments to
18 those documents;

19 (b) the identities of the service contract provider's executive
20 officers directly responsible for the service contract provider's service
21 contract business, and, if more than fifty percent (50%) of the service
22 contract provider's gross revenue is derived from the sale of service
23 contracts, the identities of the service contract provider's directors and
24 stockholders having beneficial ownership of ten percent (10%) or more of
25 any class of securities;

26 (c) audited annual financial statements *or* other financial reports
27 acceptable to the Commissioner for the two most recent years, which prove

1 that the applicant is solvent, and any information the Commissioner may
2 require in order to review the current financial condition of the applicant;

3 (d) an application fee of Two Hundred Fifty Dollars (\$250.00),
4 which *shall* be deposited in the Better Public Service Fund; and

5 (e) any other pertinent information required by the Commissioner.

6 **§ 12204. Financial Responsibility.**

7 (a) Any service contract provider applying for a license *shall* be
8 solvent and *shall* meet the minimum requirements under this Section. *If* the
9 financial responsibility requirement under this Section is to be maintained by
10 the service contract provider's parent company, the parent company *shall*
11 guarantee the service contract provider's obligations under service contracts
12 sold by the service contract provider licensed under this Article.

13 (b) The service contract provider *shall* provide one of the
14 following:

15 (1) provide both:

16 (A) maintain a funded reserve account for all
17 obligations under service contracts issued and in force on
18 Guam. The reserves *shall not* be less than forty percent (40%)
19 of the gross consideration received from the sale of the service
20 contract, less claims paid, for all in force contracts. The reserve
21 account *shall* be subject to examination by the Commissioner;
22 and

23 (B) place in trust with the Commissioner, for all
24 service contracts issued and in force on Guam, a financial
25 security deposit having a value that is the larger of Forty
26 Thousand Dollars (\$40,000 or five percent (5%) of the gross
27 consideration received, less claims paid for the sale of the

1 service contracts. The financial security deposit *shall* consist of
2 one of the following:

3 (i) a surety bond issued by an authorized
4 surety;

5 (ii) securities of the type eligible for deposit by
6 authorized insurers on Guam;

7 (iii) cash or time certificate of deposit issued by
8 a bank that is licensed in Guam and is insured by the
9 Federal Deposit Insurance Corporation (FDIC) or by the
10 National Credit Union Administration (NCUA);

11 (iv) a letter of credit issued by a qualified
12 financial institution; or

13 (v) another form of security authorized by the
14 Commissioner by rule, subject to the approval of *I*
15 *Liheslaturan Guåhan*.

16 Service contracts for those service contract providers that
17 provide the security in Subsections (A) and (B) of §
18 12204(b)(1) *shall* contain a statement in substantially the same

26 Commissioner, and who is in good standing with the Commissioner.
27 Service contracts insured by a reimbursement insurance policy *shall*:

1 (A) conspicuously state the name and either the
2 address or contact information for the insurance company; and

3 (B) contain a statement in substantially the following
4 format:

7 *policy. If your service contract provider fails to pay or provide*
8 *service on your claim, or a cancellation refund, or any other*
9 *covered obligation under this service contract within sixty (60)*
10 *days after that claim or request has been made by you to this*
11 *service contract provider, you may then directly present your*
12 *claim or request for service or payment to your service contract*
13 *provider's insurance company."*

14 **§ 12205. Powers and Duties.** The Commissioner *shall*:

25 (g) establish, suspend, revoke, or reprimand service contract
26 licenses; and

27 (h) perform the other duties necessary to implement this Article.

1 **§ 12206. Recordkeeping.**

2 (a) The service contract provider or service contract provider's
3 administrator *shall* keep accurate accounts, books, and records of all
4 transactions regulated under this Article.

5 (b) Accounts, books, and records maintained as required by this
6 Section *shall* include the following:

7 (1) copies of each type of service contract sold;

8 (2) the name and address of each service contract holder, to
9 the extent that the name and address have been furnished by the
10 service contract holder;

11 (3) a list of the locations where the service contract
12 provider's service contracts are marketed, sold, or offered for sale;
13 and

14 (4) recorded claims filed which, at a minimum, *shall* contain
15 the date and description of each claim under the service contract
16 provider's service contracts.

17 (c) The service contract provider for each service contract *shall*
18 retain records required under this Section for *at least* one year after coverage
19 under the contract has expired. A service contract provider discontinuing
20 business on Guam *shall* maintain records required under this Section until it
21 provides the Commissioner with satisfactory proof that the service contract
22 provider has discharged all contractual obligations to contract holders on
23 Guam.

24 (d) The records required under this Section may be, but are *not*
25 required to be, maintained on a computer disk, computer drive or server or
26 other electronic recordkeeping technology. *If* records are maintained in a

1 form other than hard copy, the records *shall* be in a form allowing
2 duplication as a legible hard copy at the request of the Commissioner.

3 (e) Upon request of the Commissioner, the service contract
4 provider *shall* make available to the Commissioner all accounts, books, and
5 records concerning service contracts sold by the service contract provider
6 reasonably necessary to enable the Commissioner to determine compliance
7 or noncompliance with this Article.

8 **§ 12207. Filing of Annual Report.**

9 (a) Every registered service contract provider must file an annual
10 report for the preceding calendar year with the Commissioner on or before
11 July 1st of each year, or within any extension of the time the Commissioner
12 for good cause may grant. The report must be in the form and contain those
13 matters as the Commissioner prescribes, and *shall* be verified by at least two
14 officers of the service contract provider, or for service contract providers
15 with a single officer, the sole officer of service contract providers with a
16 single officer.

17 (b) At the time of filing the report, the service contract provider
18 must pay a filing fee of Twenty Five Dollars (\$25.00), which *shall* be
19 deposited in the Better Public Service Fund.

20 (c) As part of any investigation by the Commissioner, the
21 Commissioner may require a service contract provider to file monthly
22 financial reports whenever, in the Commissioner's discretion, there is a need
23 to more closely monitor the financial activities of the service contract
24 provider. If the Commissioner requires monthly financial reports, the service
25 contract provider *shall* file monthly financial statements, which *shall* be filed
26 with the Commissioner *no later than* the twenty-fifth (25th) day of the month
27 following the month for which the financial report is being filed. These

1 monthly financial reports are the internal financial statements of the service
2 contract provider. The monthly financial reports that are filed with the
3 Commissioner constitute information that might be damaging to the service
4 contract provider if made available to its competitors, and therefore *shall* be
5 kept confidential by the Commissioner. This information may not be made
6 public or be subject to subpoena, other than by the Commissioner, and then
7 *only* for the purpose of enforcement actions taken by the Commissioner.

8 **§ 12208. Receipt and Disclosures.**

9 (a) Service contract providers *shall* provide purchasers of a service
10 contract with:

11 (1) a receipt or other written evidence of the purchase of the
12 service contract that *shall* be provided to the service contract holder;

13 (2) a copy of the service contract that *shall* be provided
14 within a reasonable period of time from the date of purchase; and

15 (3) *except* for offers or sales of service contracts by
16 telephone, mail, or electronic means, a written copy of the basic terms
17 and conditions of the service contract to be made available to the
18 purchaser where the purchaser is physically present at the point of
19 sale.

20 (b) Service contracts *shall* be written in clear, understandable
21 language, and *shall* be printed or typed in a typeface and format that is easy
22 to read.

23 (c) All service contracts *shall*:

24 (1) state the name and address of the service contract
25 provider and the administrator of the service contract, if different from
26 the service contract provider;

1 (2) identify the service contract seller and the service
2 contract holder, to the extent that the service contract holder has
3 furnished the service contract seller, administrator, or service contract
4 provider with that information;

5 (3) the terms of the sale, including the purchase price;

6 (4) the procedure the service contract holder must follow to
7 obtain service;

8 (5) any deductible amount that applies;

9 (6) the specific merchandise and services to be provided, and

Re: Bill No 176-32 (COR) Service Contracts

Dear Chairman San Nicolas:

Automotive Warranty Services, Inc. ("AWS") appreciates of the ability to submit testimony on Bill 176-32 authorizing Guam dealerships and consumer retailers to offer service contracts to their consumers. AWS supports enactment of the Bill into law.

Service contracts are an efficient way for consumers to protect what can be major purchases such as an automobile, major appliances or small electronics. Consumers spend a lot of time researching these purchases. The service contract delivers the additional peace of mind that if a repair, replacement, technical support or related emergency services arise from such a purchase, there is a quick and effective means for continued use and enjoyment of product.

As additional support for your legislation, we respectfully submit for your consideration and review, a White Paper which outlines the supports removing service contract from insurance treatment.

We understand prior legislation (Senate Bill 64-23) was vetoed by the Governor in June of this year. In direct response to the objection generating that veto, all reference to residential or real property has been deleted from the definition of service contract in the current legislation. The definition of service contract is no longer so expansive. The administration recognized the importance of this legislation and noted a desire to work to create a version with adequate consumer protections. We believe the current Bill achieves the common goal of protecting consumers while eliminating unnecessary regulation.

With the removal of the objectionable terms, we believe this Bill should be successful.

AWS appreciates Senator Pangelinan's efforts in introducing and promoting this legislation and your Committee's efforts in promptly hearing it. We would be happy to answer any questions or provide additional information as may be required.

Very truly yours,

Elizabeth Kastigar
Senior Counsel

I MINA'TRENTAI DOS NA LIHESLATURAN GUÅHAN
2013 (FIRST) Regular Session

Bill No. 176.32 (COR)

Introduced by:

V. C. Pangelinan 

**AN ACT TO *ADD* A NEW ARTICLE 2 TO CHAPTER 12,
DIVISION 2, TITLE 22 OF THE GUAM CODE
ANNOTATED, RELATIVE TO THE LICENSING OF
SERVICE CONTRACTS SOLD ON GUAM.**

2013 AUG 29 AM 9:31

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Statement and Intent.** *I Liheslaturan Guåhan*
3 finds that under current Guam law, the definition of insurance as interpreted by the
4 Insurance Commissioner classifies service contracts, also known as extended
5 warranties, as an insurance product. However, service contracts are being sold on
6 Guam and are *not* being regulated by the Department of Revenue and Taxation
7 (DRT) regardless of the fact that the DRT has opined that they are insurance
8 products under Guam's definition of insurance.

9 Thirty-six (36) states have enacted legislation, which expressly provides that
10 service contracts *do not* constitute insurance, or that they are *not* subject to the
11 state's insurance laws. Three (3) state departments of insurance have informally
12 opined that service contracts are *not* insurance contracts. Eleven (11) states have
13 either enacted a framework making it clear that a service contract is *not* subject to
14 regulation as an insurance product in that state, or have informally opined as such.

15 *I Liheslaturan Guåhan* finds that service contracts can be a beneficial
16 consumer product and should be made readily available without undue and
17 burdensome regulation.

1 **Section 2. Service Contracts.** A new Article 2 is hereby *added* to
2 Chapter 12, Division 2 of Title 22, Guam Code Annotated, to read:

3 **“ARTICLE 2**

4 **SERVICE CONTRACTS**

5 § 12201. Service Contracts Excepted.

6 § 12202. Definitions.

7 § 12203. License Required.

8 § 12204. Financial Responsibility.

9 § 12205. Powers and Duties.

10 § 12206. Recordkeeping.

11 § 12207. Filing of Annual Report.

12 § 12208. Receipt and Disclosures.

13 § 12209. Returns and Refunds.

14 § 12210. Prohibited Acts.

15 § 12211. Rules.

16 § 12212. Enforcement.

17 § 12213. Effective Date.

18 § 12214. Severability.

19 **§ 12201. Service Contracts Excepted.** The marketing, sale,
20 offering for sale, issuance, making, proposing to make and administration of
21 a service contract *shall not* be construed to be the business of insurance, and
22 *shall* be exempt from regulation as insurance under this Division. Express or
23 implied warranties *shall* be exempt from the requirements under this Article.

24 **§ 12202. Definitions.**

13 issued to a service contract provider by an authorized insurer. Pursuant to
14 this insurance policy, the insurer agrees, for the benefit of the service
15 contract holders, to discharge all of the obligations and liabilities of the
16 service contract provider under the terms of the issued service contracts or in
17 the event of non-performance by the insured service contract provider. A
18 reimbursement insurance policy insurer *shall not* terminate the policy until it
19 has issued a notice of termination required by the Commissioner under the
20 insurance laws, rules, or regulations of the government of Guam. The
21 termination of a reimbursement insurance policy *shall not* reduce the
22 insurer's responsibility for service contracts issued by service contract
23 providers prior to the date of termination. A service contract provider *shall*
24 be considered the agent of the reimbursement insurance policy insurer for
25 purposes of determining duties owed by the insurer to service contract
26 holders in accordance with the service contract, and this Article. Insurers are
27 deemed to have received the premiums for the insurance upon the payment

1 of provider fees by consumers for service contracts issued by the insured
2 service contract provider. “All obligations and liabilities” include:

3 (1) the failure or inability of the insured service contract
4 provider to perform under the terms and conditions of the provider’s
5 issued service contracts; and

7 provider’s failure or inability to return the unearned portion of the
8 paid service contract fee to the service contract holder.

9 (g) *Service contract* for the purposes of this Article means a
10 contract or agreement for a separately stated consideration for a specific
11 duration to perform the repair, replacement or maintenance of goods or
12 indemnification for repair, replacement or maintenance, for the operational
13 or structural failure of any motor vehicle or other goods due to a defect in
14 materials, workmanship, accidental damage from handling, or normal wear
15 and tear, with or without additional provisions for incidental payment of
16 indemnity under limited circumstances, including, but *not* limited to, towing,
17 rental and emergency road service, and road hazard protection. Motor
18 vehicle manufacturer and original equipment manufacturer (OEM)-backed
19 contracts *shall* be exempt from the requirements in this Article. Service
20 contracts may provide for repair, replacement, or maintenance of goods for
21 damage resulting from power surges or interruption. Service contracts also
22 include a contract or agreement sold for a separately stated consideration for
23 a specific duration that provides for any of the following:

24 (1) the repair or replacement or indemnification for the
25 repair or replacement of a motor vehicle for the operational or
26 structural failure of one or more parts or systems of the motor vehicle

1 brought about by the failure of an additive product to perform as
2 represented;

3 (2) the repair or replacement of tires and/or wheels on a
4 motor vehicle damaged as a result of coming into contact with road
5 hazards, including, but *not* limited to, potholes, rocks, wood debris,
6 metal parts, glass, plastic, curbs, or composite scraps;

7 (3) the removal of dents, dings, or creases on a motor vehicle
8 that can be repaired using the process of paint-less dent removal
9 without affecting the existing paint finish and without replacing
10 vehicle body panels, sanding, bonding or painting;

12 cracks, but which expressly excludes the replacement of the entire
13 windshield; or

14 (5) the repair of damage to the interior components of a
15 motor vehicle caused by wear and tear, but which expressly excludes
16 the replacement of any part or component of a motor vehicle's
17 interior.

18 (h) *Service Contract Provider* means a person who is contractually
19 obligated to the service contract holder under the terms of the service
20 contract.

21 (i) *Service Contract Holder* or *contract holder* means a person
22 who is the purchaser or holder of a service contract.

23 (j) *Service Contract Seller* means the person who sells the service
24 contract to the consumer.

25 (k) *Warranty* means a warranty made without consideration, solely
26 by the manufacturer, importer, or seller of goods or services, that is *not*
27 negotiated or separated from the sale of the product and is incidental to the

1 sale of the product, that provides repair or replacement for defective parts,
2 mechanical or electrical breakdown, labor, or other remedial measures.

3 **§ 12203. License Required.**

4 It *shall* be unlawful for any person to act as, or offer to act as, or hold
5 himself or herself out to be a service contract provider, nor may a service
6 contract be sold to a consumer, *unless* the service contract provider has a
7 valid license as a service contract provider issued by the Commissioner. A
8 service contract provider *shall* make an application to the Commissioner
9 upon a form prescribed by the Commissioner, and *shall* pay to the
10 Commissioner a fee as provided under this Article. A service contract
11 provider *shall* update the application information and documents annually
12 and furnish such updates to the Commissioner. The application *shall* include
13 or be accompanied by the following information and documents:

14 (a) all basic organizational documents of the service contract
15 provider, including any articles of incorporation, articles of association,
16 partnership agreement, trade name certificate, trust agreement, shareholder
17 agreement, bylaws, and other applicable documents, and all amendments to
18 those documents;

19 (b) the identities of the service contract provider's executive
20 officers directly responsible for the service contract provider's service
21 contract business, and, if more than fifty percent (50%) of the service
22 contract provider's gross revenue is derived from the sale of service
23 contracts, the identities of the service contract provider's directors and
24 stockholders having beneficial ownership of ten percent (10%) or more of
25 any class of securities;

26 (c) audited annual financial statements *or* other financial reports
27 acceptable to the Commissioner for the two most recent years, which prove

1 that the applicant is solvent, and any information the Commissioner may
2 require in order to review the current financial condition of the applicant;

3 (d) an application fee of Two Hundred Fifty Dollars (\$250.00),
4 which *shall* be deposited in the Better Public Service Fund; and

5 (e) any other pertinent information required by the Commissioner.

6 **§ 12204. Financial Responsibility.**

7 (a) Any service contract provider applying for a license *shall* be
8 solvent and *shall* meet the minimum requirements under this Section. *If* the
9 financial responsibility requirement under this Section is to be maintained by
10 the service contract provider's parent company, the parent company *shall*
11 guarantee the service contract provider's obligations under service contracts
12 sold by the service contract provider licensed under this Article.

13 (b) The service contract provider *shall* provide one of the
14 following:

15 (1) provide both:

16 (A) maintain a funded reserve account for all
17 obligations under service contracts issued and in force on
18 Guam. The reserves *shall not* be less than forty percent (40%)
19 of the gross consideration received from the sale of the service
20 contract, less claims paid, for all in force contracts. The reserve
21 account *shall* be subject to examination by the Commissioner;
22 and

23 (B) place in trust with the Commissioner, for all
24 service contracts issued and in force on Guam, a financial
25 security deposit having a value that is the larger of Forty
26 Thousand Dollars (\$40,000 or five percent (5%) of the gross
27 consideration received, less claims paid for the sale of the

1 service contracts. The financial security deposit *shall* consist of
2 one of the following:

3 (i) a surety bond issued by an authorized
4 surety;

5 (ii) securities of the type eligible for deposit by
6 authorized insurers on Guam;

12 financial institution; or

13 (v) another form of security authorized by the
14 Commissioner by rule, subject to the approval of *I*
15 *Liheslaturan Guåhan*.

16 Service contracts for those service contract providers that
17 provide the security in Subsections (A) and (B) of §
18 12204(b)(1) *shall* contain a statement in substantially the same

11 (3) a longer time period as specified in the service contract.

12 (b) Upon return of the service contract to the service contract

26 cancellation, *shall* mail to the service contract holder at the service contract
27 holder's last known address, a written prior notice of cancellation that states

1 the effective date of the cancellation; provided, that prior notice under this
2 Subsection *shall not* be required if cancellation is for:

3 (1) nonpayment of the service contract provider's fee for the
4 service provided under the service contract;

5 (2) a material misrepresentation by the service contract
6 holder to the service contract provider; or

7 (3) a substantial breach of duties of the service contract
