II. TESTIMONY & DISCUSSION

Vice Speaker Benjamin J.F. Cruz announced Bill No. 200-32 (COR) then read a sponsor statement on behalf of Senator Rory J. Respicio:

“Thank you for scheduling Bill No. 200 for a public hearing. This legislation will provide more clarity in Police Clearance Forms and would reform the police clearance process so that charges that do not result in convictions would not be included in the report. Bill No. 200-32 (COR) provides for a fairer and less confusing clearance process and would abide by the principle of ‘Innocent until proven guilty’. This legislation provides that issued Police Clearances shall only include ‘charges for which the arrestee is convicted’ and ‘charges for which a juvenile is convicted as an adult.’

“This measure is [sic] line with concerns both nationally and locally about the use of arrest information, particularly when the charges resulted in no conviction. A majority of states across the country have enacted limits on the use of arrest histories when making employment decisions. Also, under the United States Civil Rights Act, the Equal Employment Opportunity Commission’s guidelines protect job seekers from discrimination based on arrest histories. Locally, the Attorney General’s Office recently sent the Chief of Police “Information and Guidance” (Ref: GPD13-0361, dated August 23, 2013) also recommending reforms for police clearance reports.

“Thank you, again, for this opportunity to comment. I respectfully request that this statement be included with your committee’s report on Bill 200-32 (COR). Signed, Rory J. Respicio.”

Senator Cruz stated Phillip J. Tydingco, Chief Deputy Attorney General, Attorney General’s Office, signed up to testify but was no longer present, and that the Chief of Police, also not present, has been invited and is expected to provide written testimony.

The public hearing for Bill No. 200-32 (COR) ended at 12:30 p.m.

Vice Speaker Cruz received written testimony from Chief Deputy Attorney General Phillip J. Tydingco, Attorney General’s Office.

III. FINDINGS AND RECOMMENDATIONS

The Committee hereby recommends approval of Bill No. 200 as substituted by the Committee on General Government Operations and Cultural Affairs. The Substitute version of the measure incorporates recommendations by the Attorney General's office that fulfills the intent of the legislation while preserving the full access and utilization by law enforcement agencies of criminal histories.

8 *I Liheslatura* further finds that a majority of jurisdictions across

6 *I Liheslatura* further finds that local police clearance reports are

Re: Sponsor Statement on Bill No. 200-32 (COR)

Dear Vice-Speaker Cruz:

Thank you for scheduling **Bill No. 200-32 (COR)- "An act to amend Title 10 Guam Code Annotated §77135 Relative to Police Clearances, to be known as the "Police Clearance Clarity Act of 2013,"** for a public hearing. This legislation will provide more clarity in Police Clearance Forms and would reform the police clearance process so that charges that do not result in convictions would not be included in the report. Bill No. 200-32 (COR) provides for a fairer and less confusing clearance process and would abide by the principle of "Innocent until proven guilty". This legislation provides that issued Police Clearances shall only include "charges for which the arrestee is convicted" and "charges for which a juvenile is convicted as an adult."

This measure is line with concerns both nationally and locally about the use of arrest information, particularly when the charges resulted in no conviction. CONFIRMATION

SUBJECT: Legislative Bill No. 200-32 (COR), An Act to Amend Title 10 Guam Code Annotated §77135 Relative to Police Clearances, to be Known as the "Police Clearance Clarity Act of 2013"

Dear Vice-Speaker Cruz,

Thank you for the opportunity to submit written testimony on Bill No. 200-32. I apologize for not being able to stay and present verbal testimony on Bill No 200-32 as I had to attend another scheduled noon commitment that day.

As written the bill sets forth the establishment of procedures for police clearances to contain only charges for which the arrestee is convicted and charges for which a juvenile is convicted as an adult. Delegations of lawmaking power to the executive branch or administrative agencies are impermissible if they were unduly broad. The Supreme Court of the United States held that delegations of legislative power contain "intelligible standards". *Panama Refining Co., v. Ryan*, 293 U.S. 388 (1935), *Schechter Poultry Co. v. United States*, 291 U.S. 495 (1935), *Yakus v. United States*, 321 U.S. 414 (1944).

In this instance, the bill can easily avoid the potential unlawful delegation of legislative authority and accomplish the bill's intent without establishing procedures by eliminating the "establishment of Procedures regarding" to read as follows:

SECTION 2. A *NEW* Title 10 Guam Code Annotated §77135 is *added* to read:

RECEIVED
10/10/2013
3:23 PM

“§ 77135. (a) ~~The Establishment of Procedures regarding~~ Police Clearances SHALL ONLY include the following relative to arrests and police reports:

1. Charges for which the arrestee is convicted.
2. Charges for which a juvenile is convicted as an adult.

(b) The restrictions in subsection (a) of a Police Clearance do not apply to federal and local law enforcement criminal history records.”

The recommendation to insert a new subsection (b) to Section 77135 is to ensure the restriction of information to be permitted in a police clearance does not apply to criminal history records used by federal and local law enforcement.

Sincerely,

PHILIP J. TYDINGCO

Subject: Requesting Clarification on Bill No. 200-32 (COR) Testimony

Dear Deputy Attorney General Tydingco:

Hafa adai. At the outset, allow me to express my gratitude for the prompt response by your office to the request for written testimony on Bill No. 200-32 (COR) "AN ACT TO AMEND TITLE 10 GUAM CODE ANNOTATED SEC 77135 RELATIVE TO POLICE CLEARANCES, TO BE KNOWN AS THE 'POLICE CLEARANCE CLARITY ACT OF 2013.'"

If I may, I would like to request further clarification with respect to your submission. As I understand it, Bill No. 200-32, if enacted with your amendment, would restrict Police Clearance forms only to charges for which the arrestee was convicted as an adult and no further information regarding other charges would be publicly released through the Police Clearance process. The phrasing of your amendment to add a new subsection (b) does raise the question as to whether this language would completely reverse the restrictions in subsection (a) since the only records in question are criminal histories that I assume would include arrests without conviction and the context of the bill deals directly with Police Clearances. In reading your correspondence, you indicate your intent to allow access and use of full crime histories by law enforcement officials. Would it perhaps be more clear if your subsection (b) read:

"(b) the restrictions in subsection (a) do not apply to the use by federal and local law enforcement agencies of criminal history records."

Once again, I appreciate your submission and I look forward to your response to my inquiry. *Si Yu'as Ma'åse.*

Re: Legislative Bill No. 200-32 (COR), An Act to Amend Title 10 Guam Code Annotated § 77135
Relative to Police Clearances, to be Known as the "Police Clearance Clarity Act of 2013"

Dear Senator Respicio,

Thank you for your letter of October 22, 2013 requesting clarification on Bill No. 200-32.

Based on the original draft of Bill No. 200-32, our office recommended the elimination of the phrase "establishment of Procedures regarding" from the Bill in order to avoid a potential unlawful delegation of legislative authority challenge and to accomplish the Bill's intent.

Our office also proposed language to ensure that the restrictions to the police clearance do not apply to law enforcement criminal records. "Rap Sheets" are critical to law enforcement investigations as they provide law enforcement officers with all arrest information.

Police clearances are provided to the general public for many needs such as employment, licensing, or rentals whereas "rap sheets" are arrest records kept by law enforcement authorities and used for internal investigatory purposes. Although the Bill would apply to police clearances, we want the Bill to be clear that the proposed restrictions to a police clearance do not apply to a "rap sheet".

Therefore, the language proposed by your office would help to ensure it.

Sincerely,

PHILLIP J. TYDINGCO

RE: **Bill No. 200-32(COR)**
RE: TESTIMONY

Dear Senator Respicio:

I wanted to offer some comments on the above-referenced bill. First, let me thank you for introducing this bill. I have been practicing law in Guam since 1977, and have first hand experience with difficulties that the police clearances cause in our community. I, like many attorneys in this community, had never heard of a police clearance in any jurisdiction where I had been before Guam that were obtained for employment purposes. The Civil Rights Act of 1964 is a federal statute aimed at insuring that people are not discriminated against for numerous reasons. One of the matters that is addressed in that act is that an employer cannot ask a prospective employee if they have ever been arrested. There are certain exceptions to that, for instance, law enforcement, military, etc., but they are based upon need. The reason behind that is, of course, because people can get arrested and never get convicted and they should not have to bear the heavy burden of that arrest in an attempt to find employment.

The Guam Police Department has had a habit of placing anything that is in a person's record on a police clearance. I presume they issue police clearances so they can make additional income. But, by allowing the police to put matters on a police clearance requested by an employer which is not a question the employer could ask the employee personally, circumvents the 1964 Civil Rights Act.

At a time when it is difficult enough for people to gain employment, allowing employers to circumvent the 1964 Civil Rights Act by asking for a police clearance which the Guam Police Department will include everything that has ever transpired is clearly inappropriate. I endorse your Bill to limit the information on police clearances, and oppose the convoluted amendments sought by the Attorney General. They obviously do not understand the need for our people to try to gain employment, and they should not be circumventing federal statutes by allowing employers to gain information which the employer cannot obtain directly from the prospective employee.

Should you have any questions, please do not hesitate to contact me.

Sincerely,
CUNLIFFE & COOK

Member of Congress

Subject: Invitation to Round Table Discussion on Deportation

Dear Congresswoman Bordallo:

Hafa Adai!

On **Monday, October 14, 2013 at 10:00 a.m.** at the Guam Legislature's Public Hearing Room, the Committee on Rules, Federal, Foreign & Micronesian Affairs and Human & Natural Resources & Election Reform will be holding a Round Table discussion on the provision under Public Law 32-049 which requires the deportation of certain convicted criminals who enter Guam under the Compacts of Free Association.

Public Law 32-049, "AN ACT TO ADD A NEW §80.50 TO ARTICLE 2 OF CHAPTER 80, TITLE 9, GUAM CODE ANNOTATED, RELATIVE TO CREATING A 'THREE STRIKES' PROVISION FOR HABITUAL OFFENDERS OF SERIOUS CRIMES" was signed into law on July 5, 2013 and includes a provision I authored to help alleviate crowding at our island's prison. The provision I authored contained in the new Public Law requires "Upon conviction of a deportable crime, the Attorney General of Guam (AG) shall immediately notify the U.S. Immigration and Customs Enforcement (ICE) Division of the U.S. Department of Homeland Security (DHS) of Guam's desire to have the COFA citizen deported. The AG shall work closely with the U.S. ICE Division of DHS to ensure all documents related to the conviction and required for deportation are immediately provided to the proper authorities."

Currently, under the terms of the Compacts of Free Association, citizens of the Freely Associated States, the Republic of the Marshall Islands and the Republic of Belau who have entered Guam via the Compact are subject to deportation if convicted of a felony or a crime of moral turpitude. They also are subject to deportation if they are sentenced to one year or more for any crime committed or if they are repeat offenders for Driving Under the Influence of Alcohol statutes.

The round table will be held in order to help facilitate the implementation of this provision on Guam. Your attendance and participation is greatly appreciated. For your information, attached is a list of questions the committee plans to ask the panel.

Should you have any questions, please feel free to contact my office at 472-7679. *Si Yu'os Ma'åse'!*

Very truly yours,

Subject: Invitation to Round Table Discussion on Deportation

Dear U.S. Attorney Limtiaco:

Hafa Adai!

On **Monday, October 14, 2013 at 10:00 a.m.** at the Guam Legislature's Public Hearing Room, the Committee on Rules, Federal, Foreign & Micronesian Affairs and Human & Natural Resources & Election Reform will be holding a Round Table discussion on the provision under Public Law 32-049 which requires the deportation of certain convicted criminals who enter Guam under the Compacts of Free Association.

Public Law 32-049, "AN ACT TO ADD A NEW §80.50 TO ARTICLE 2 OF CHAPTER 80, TITLE 9, GUAM CODE ANNOTATED, RELATIVE TO CREATING A "THREE STRIKES" PROVISION FOR HABITUAL OFFENDERS OF SERIOUS CRIMES" was signed into law on July 5, 2013 and includes a provision I authored to help alleviate crowding at our island's prison. The provision I authored contained in the new Public Law requires "Upon conviction of a deportable crime, the Attorney General of Guam (AG) shall immediately notify the U.S. Immigration and Customs Enforcement (ICE) Division of the U.S. Department of Homeland Security (DHS) of Guam's desire to have the COFA citizen deported. The AG shall work closely with the U.S. ICE Division of DHS to ensure all documents related to the conviction and required for deportation are immediately provided to the proper authorities."

Currently, under the terms of the Compacts of Free Association, citizens of the Freely Associated States, the Republic of the Marshall Islands and the Republic of Palau who have entered Guam via the Compact are subject to deportation if convicted of a felony or a crime of moral turpitude. They also are subject to deportation if they are sentenced to one year or more for any crime committed or if they are repeat offenders for Driving Under the Influence of Alcohol statutes.

The round table will be held in order to help facilitate the implementation of this provision on Guam. Your attendance and participation is greatly appreciated. For your information, attached is a list of questions the committee plans to ask the panel.
