COMMITTEE REPORT DIGEST

I. OVERVIEW

The Committee on Education, Public Library and Women's Affairs convened a public hearing on November 25, 2013 at 2:00 pm in *I Liheslatura's* Public Hearing Room. On the agenda was the consideration of Bill No. 204-32 (COR) - An act to amend §§7105-7108 of 17 GCA, relative to the authorization of commercial advertising leases; to authorize the Department of Public Works to establish a commercial advertising space program on school buses; and, to establish the DPW Bus Maintenance Fund.

Public Notice Requirements

All legal requirements for public notices were met, with requests for publication sent to all media and all Senators on November 18, 2013, (5-Day Notice) and November 22 and 23 2013 (48-Hour Notice) via email. Copies of the hearing notices are appended to the committee report.

Senators Present

Speaker Won Pat, Ed.D.
Senator Aline A. Yamashita, Ph.D.
Senator Michael Limtiaco

Chairperson
Vice Chairperson

Appearing before the Committee

Director Carl Dominguez

II. SUMMARY OF TESTIMONY AND DISCUSSION

- **Senator Limtiaco** explained that the purpose of Bill 204 is to amend the existing law that authorizes commercial advertising on school buses by diverting the funds collected to the school bus maintenance fund. The Senator pointed out that the establishment of the fund would dedicate monies to be used for the maintenance of the school bus fleet. The Senator stated that ten states have laws allowing commercial advertising on school buses and eight more states are proposing such legislation. The Senator further stated that the bill would regulate the type of advertising on the school buses.

- **Director Dominguez** testified in support of Bill 204. His written testimony is appended to the committee report.

- **Speaker Won Pat, Ed.D.** noted that Director Dominguez stated in his testimony that the State of Colorado in 1996 was the first in the nation to adopt commercial advertising for school buses. Speaker pointed out that in 1995, Guam enacted the law to allow commercial advertising for school buses and the monies will go to the Department of Education, the law was authored by former Senator Carlotta Leon Guerrero.

- **Director Dominguez** replied that we (Guam) were pioneers in this area.

- **Speaker Won Pat, Ed.D.** expressed disappointment that the Department of Education did not implement the program. However, the Speaker stated it is a good thing that the bill will help with the maintenance of school buses.

- **Senator Limtiaco** pointed out the good work of former Senator Leon Guerrero and it is unfortunate that the rules and regulations were not promulgated to take full advantage. The Senator stated that there has been so much discussion about the maintenance of school buses the past year that it made sense for the Department of Public Works to receive the monies from the commercial advertising.

- **Speaker Won Pat, Ed.D.** asked about a private company handling the management of the program.

- **Director Dominguez** replied he does not foresee the employees of DPW soliciting for commercial advertising. He stated that a marketing company is more

suiting to handle this. He stated that a request for proposal would be issued seeking the best revenue for DPW. He envisioned that a marketing company can lease the space on the bus and the marketing company subleasing the space.

- **Speaker Won Pat, Ed.D.** asked Director Dominguez if he had any objection of the Department determining in the rules and regulations the fees.

- **Director Dominguez** stated no.

- **Senator Limtiaco** stated the bill is designed to engage the private sector and we (DPW) should let those who know how to sell advertising handle it. The Senator stated that DPW is not in the business in commercial advertising and maybe that is why DOE was not able to implement it. The Senator stated to make this work you need a staff that is involved in the business of commercial advertising. The Senator pointed out that other states have used third party for commercial advertising. Director Dominguez asked if there restriction on advertising inside of school buses.

- **Senator Limtiaco** stated that the intent is to take advantage of the school bus per say. The Senator stated that there may be concerns of advertising inside of school buses, but the promulgation of rules and regulations that send positive messages can be used such as anti bullying, anti drug initiatives and MADD.

- **Speaker Won Pat, Ed.D.** stated that she would like to see non profit organizations advertise within the interior of the school buses. The Speaker noted that the Guam Legislature will review the rules and regulations.

- **Speaker Won Pat, Ed.D.** adjourned the public hearing of Bill No. 204-32 (COR)

Re: Bill No. 204-32(COR), AN ACT TO AMEND §§7105-7108 OF 17 GCA, RELATIVE TO THE AUTHORIZATION OF COMMERCIAL ADVERTISING LEASES; TO AUTHORIZE THE DEPARTMENT OF PUBLIC WORKS TO ESTABLISH A COMMERCIAL ADVERTISING SPACE PROGRAM ON SCHOOL BUSES; AND, TO ESTABLISH THE DPW BUS MAINTENANCE FUND.

Buenas yan Hafa Adai Speaker Won Pat!

The Department of Public Works is in support of Bill No. 204-32, which seeks to assist the Department of Public Works (DPW) with the maintenance of its school buses by allowing DPW to place commercial advertising on its school buses with the fees generated going to a dedicated bus maintenance fund to supplement the maintenance of the buses in addition to manage the advertising program.

The DPW currently has 138 buses in its fleet, 10 of which are new 84 passenger models. The rest of the fleet is 9 to 23 years old. On average, there are 110 roadworthy school buses on a school day. The Transportation Maintenance Division of DPW is working very hard to increase that average, with parts that have to be procured from sources off island and with the recruitment of mechanics that will replace those that have left DPW through attrition. With funding from the Department of Interior's Office of Insular Affairs, the DPW will have 12 or more new 60 passenger buses ready for next school year. The DPW intends to keep as many of the older buses operational as back up to ensure as many buses are available to run its 179 routes. This requires a fiscal year budget of approximately \$2.5 Million.

As a perspective on school bus advertising, in my research on the subject, I found that the first state to embrace school bus advertising was Colorado in 1997. According to the National Conference of State Legislatures, 10 states currently allow advertising on the exterior of school buses: Arizona, Colorado, Minnesota, New Jersey, Nevada, Texas and Utah. New Mexico, Rhode Island and Tennessee allow ads on the interior as well as exterior of school buses. Florida, Michigan, Pennsylvania and Wisconsin allow ads on the interiors only of school buses. All these states have allowed advertising on school buses as a way to raise revenue without having to raise taxes. All states restrict advertising to child friendly ads – no alcohol, tobacco, gaming or distasteful subjects. Advertisers include restaurants, credit unions, dentists, insurance agents, auto dealers and hardware stores. Several photos of school bus advertising is attached for your perusal.

The detractors of school bus advertising cite the ads on the sides of buses distract drivers and increase the likelihood of an accident. However, I have not been able to find research or statistics that show that this is the case. Others cite that the ads "junk up the buses." I leave it to you to see the attached photographs and decide if this is the case.

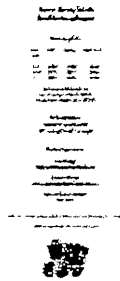

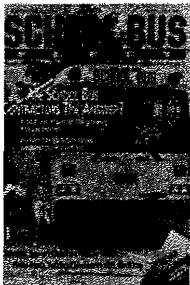

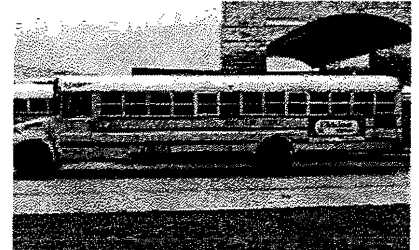

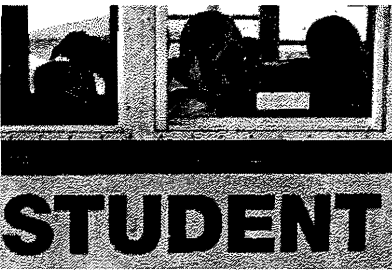

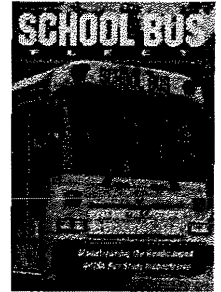

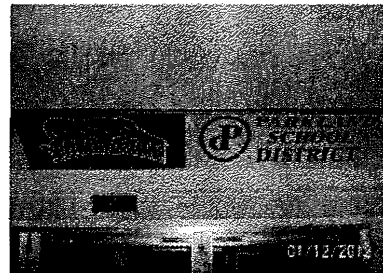

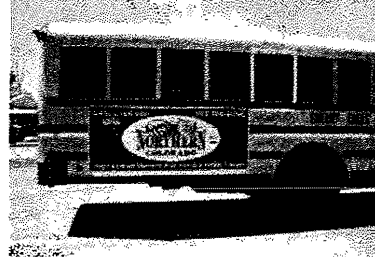

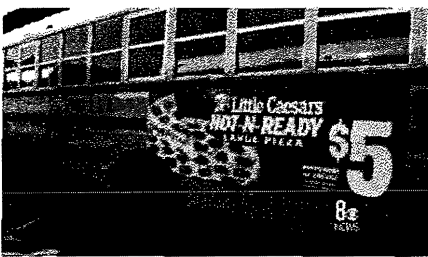

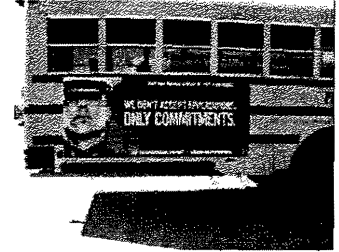

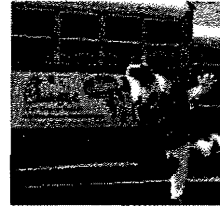

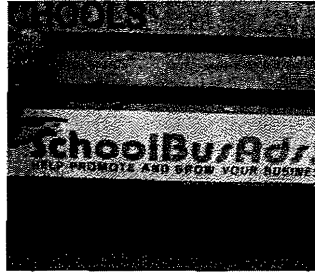

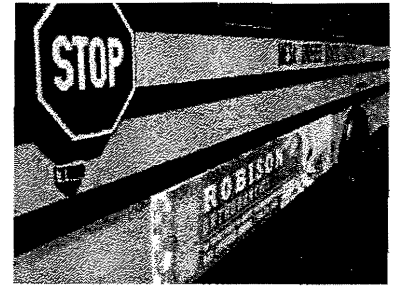

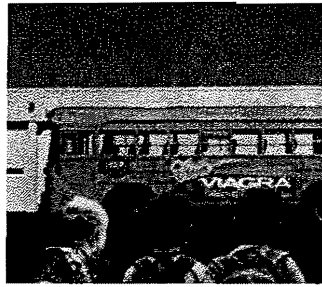

If Bill 204-32 becomes law, the DPW intends to issue an RFP so that a marketing firm manages the entire program of soliciting ads and installing them on the sides of the buses. The DPW simply takes its negotiated share of the advertising fees. Stateside, this share is reported to be as high as 63%.

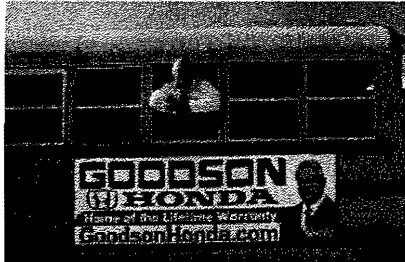

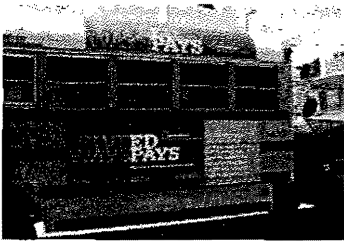

Thank you once again for the opportunity to testify positively on Bill 204-32. The DPW appreciates any financial help it can get with supporting the repair and maintenance of its school buses to provide safe and reliable transportation for the students of Guam.

Si Yu'os Ma'ase.
