2014 sponsored by Senator McCreadie. Just for the information of the public the notices as well as the print dated Thursday March 26, 2014 and likewise in the very same day the notification to all the stakeholders inclusive of the media sources out there for assisting in disseminating their particular information, the initial public information to stakeholders was shortly released thereafter and then the second print was released on March 31 on Monday with regards to this public hearing and a then a subsequent notification and a reminder was presented to all the stakeholders dated March 31<sup>st</sup>, so like was mentioned a little earlier we have to proceed in sequence according to the agenda and the first bill that will be entertained once again is bill number 280 which is relative to bias motivated crimes sponsored by Senator Tony Ada but before I allow him to provide some brief comments in regards to this particular measure I wanna thank my good colleagues for joining us in the public hearing this morning to my immediate right is Senator Tom Ada, to my immediate left Chris Duenas, to his left is Senator Brant McCreadie, and then to Senator McCreadies left is Senator Tom Ada. So for all those who signed in for bill number 280 which I believe we do have Mr. Deputy Chief from the Attorney General's Office Phil if you could please join us at the panel and in the meantime will go ahead and allow Senator Tony Ada to provide a description of the measure but before once again I proceed in that direction I'd like to recognize Speaker Ben Pangelinan thank you very much Mr. Speaker for joining us this morning, Senator Tony Ada."

**Senator V. Anthony Ada**

"Thank you Mr. Chair just a brief on bill 280 and what the bill does is that it defines and punishes bias motivated crimes and good morning and thank again Mr. Chairman and bias motivated crimes are violent criminal offenses involving bias against a person or group because of such reasons such as ethnicity, disability, religion, and sexual orientation, no one should be a target of a crime simply because he or she is part of a certain group. The victim suffers, the victims group suffers, are island suffers and bill 280 seeks to set as a deterrent to this type of crime, thank you Mr. Chair."

**Senator Frank B. Aguon, Jr.**

"Thank you very much Senator Tony Ada, Mr. Tydingco would you please identify yourself for the record and proceed with your testimony."

**Mr. Phil Tydingco**

"Good Morning Chairman Aguon, Senator Aguon, Senators Tom Ada, Senator Ben Pangelinan, Senator Tommy Morrison, Senator Chris Duenas, Senator Brant McCreadie, and Senator Tony Ada. Phil Tydingco Chief Deputy on behalf of Attorney General Rapadas and the Office of the Attorney General with regard to bill 280-32 of course we support the intent to try to address those and of crimes that may be based on a unconstitutional bias motivation you know hate, also known as hate crimes if i think this is what the bill is intended to try an cover one could characterize it as a statute to try an address hate crimes and certainly we support that concept of, I think the best

**GUAM U.S. MILITARY RELOCATION  
VETERANS' AFFAIRS | HOMELAND SECURITY | JUDICIARY**

I MINA'TRENTAI DOS NA LIHESLATURAN GUAHAN | 32ND GUAM LEGISLATURE

input that I would like to give today is that are office is just asking for and I know there's probably ten days after this public hearing we just need some time to digest the, the drafting and the elements of this law so that we can try to see whether there are any potential inconsistencies or constitutional issues regarding for example I was just trying to understand the function of the penalty enhancements whether, whether this statue is intended to be tied, it starts out with institutional vandalism so is the hat crime based on institutional vandalism but then this bill goes on to talk about penalty enhancements for crimes against a person's body that's why they cite 16,19 those are assault, murder, rape, and so forth, those statutes so, are input here is that otherwise certainly we support the concept to address this area and we should have it on are books. There's always that concern that, that can come up there are circumstances in our community where there is ethnic or racial bias that some people claim exist and so whenever you do have people that belong to underserved or underprivileged or less social economic and sometimes are the unfairly blamed for larger problems even though they may contribute to it certainly having this kind of crime in books will help address those circumstances if the evidence, the motivation behind crimes committed against a person biased on their race, ethnicity, religion and so forth for evidence so again we support the concept so that's my input, but we just need a little bit more time to see whether there are any legal issues just wanted to get it a little bit more."

**Senator Frank B. Aguon, Jr.**

"Thank you very much Mr. Tydingco just also for your information a copy traditionally of are public hearing notices are forwarded to the Attorney General's Office for his initial review before we conduct public hearings so yes you will be granted the additional ten days for any additional comments or written comments you would like to provide to the sponsor of the measure, Senator Tony Ada."

**Senator V. Anthony Ada**

"Thank you Mr. Chairman I'd like to thank the A.G.'s office for their participation in this bill and also we look forward to continuing working with them on the mark up and any suggestions that they may seem to include, thank you Mr. Chair. "

**Senator Frank B. Aguon, Jr.**

"Thank you very much Senator Ada, Senator Pangelinan you have any comments or suggestion?"

**Sentor Ben Pangelinan**

"Thank you very much Mr. Chair. I do, kind of wanna share just reconciliation issues which I think needs to occur with regards to bias motivated crimes as the Attorney General has metioned. The hate crime statutes are usually against person's and not buildings and so does one reconcile that with existing federal laws on those issues and I think that's what we find it's our committee when bills are introduced where they cannot get introduced out there without some of the background work and of course we depend on the public hearing process before it goes out but from our committee we also depend a lot on the author to take some of the feedback from the public hearing

**GUAM U.S. MILITARY RELOCATION  
VETERANS' AFFAIRS | HOMELAND SECURITY | JUDICIARY**

I MINA'TRENTAI DOS NA LIHESLATURAN GUÁHAN | 32ND GUAM LEGISLATURE

and resolve those issues before the committee moves on to work and we find that we have to do a lot of that and sometimes bills get, are left in the committee waiting on the author to resolve some of those issues when the committee feels it doesn't understand the authors intent. My suggestion would be not only will the committee look at this but the author should kind of take some of the input here and try to work with what input has been given to respond to some of these questions and that assists the committee not just this committee but all the committees in the legislature in moving some of these bills forward if we kind of have to wait and do the work ourselves we can't read the authors mind based upon the public input that has occurred and we don't want to at that time if the author is not willing to give up what his intent is and leave it to the committee to determine that then i think they need to come back to the committees with some of these input and so keeping the record open continuing the hearing to continually receive these till committee and author is satisfied that whatever will come out of the committee continues to meet the intent of the author. I think it's very important to ensure that we move smoothly on the debate, on the session floor in which the bill reflects the intention of the author even if it's amended out of committee so that my suggestion in terms of what may, should occur in some of these processes thank you very much Mr. Chair."

**Senator Frank B. Aguon, Jr.**

"Thank you very much Speaker Pangelinan and on that note the committee will continue to receive testimonies on bill number 280-32(LS) for the subsequent ten days from this public hearing date and the committee reserves the right to continue this hearing within that ten day timeline so that in fact the public is exposed to any changes or amendments that maybe significant in nature so."

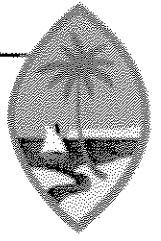

**Mr. Phil Tydingco**

"if I could just add one more point to make with regard to, we will contact Senator Tony Ada, we work very well with him in working and correcting these bills so we like to know where these, the origin of the language and which jurisdiction it came from but even though I can't speak for Guam Police Department I now notice that there's a requirement for bias crime reporting in training and its mandatory, if I were there legal counsel I would request that you change it to may establish as opposed to shall because it appears to be a non funded mandate and hate crime or bias crime training is rather sophisticated, you would probably wanna invite like the FBI guys or department of justice guys that try to, I don't think we have anybody whose an expert in providing that training and it looks like it would be a, cause i know what's gonna happen GPD's gonna call us up and say you guys have the ability and resources to do this type of bias crime reporting and training and maintain a repository and all of that those mandates and as you know these impact budgets so it would probably impact both are budgets although it puts the wholeness on GPD I would respectfully request that you, you make it permissive at this time in terms of priority, I'm only referring to page, well section 70-105 it says bias crime reporting and training, I just request that you make it permissive at this time unless it's funded, thank you."

**Senator Frank B. Aguon, Jr.**

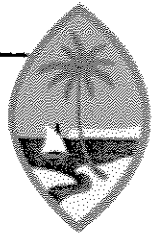

"Thank you very much again Mr. Chief Deputy of the Attorney General's Office, Mr. Tydingco and once again like was mentioned a little earlier, the committee reserves the right to or will continue to receive public testimony, written testimony on this particular measure ten days subsequent to this hearing and once again does reserve the right within that ten days to call a subsequent public hearing continuation of this public hearing discussion, should there be any significant proposed amendment in regards to this measure and that saying continuance provision would apply to all the legislature measures that are being publicly heard today specifically because they deal directly with individuals in the community and the public safety, so that being said we are moving forward to bill 282."

I MINA' TRENTAI DOS NA LIHESLATURAN GUÁHAN  
2014 (SECOND) Regular Session

Bill No. 280-32(19)

Introduced by:

V. Anthony Ada 

**AN ACT TO ADD A NEW CHAPTER 72 TO 9GCA  
RELATIVE TO BIAS-MOTIVATED CRIMES.**

**BE IT ENACTED BY THE PEOPLE OF GUAM:**

**Section 1. Legislative Findings and Intent.** *I Liheslaturan Guáhan* finds that all people have a stake in an effective response to and mitigation of violent bigotry. Hate crimes demand a priority response because of their special emotional and psychological impact on the victim and the victim's community. The damage done by hate crimes cannot be measured solely in terms of physical injury or dollars and cents. Hate crimes may effectively intimidate other members of the victim's community, leaving them feeling isolated, vulnerable and unprotected by the law. By making members of minority communities fearful, angry and suspicious of other groups -- and of the power structure that is supposed to protect them -- these incidents can damage the fabric of our society and fragment communities.

It is the intent of *I Liheslatura* to create within Guam's Penal Code, laws that will deter such abhorrent behavior and punish the offenders.

**Section 2.** A new Chapter 72 is added to 9GCA as follows:

**Chapter 72**

**Bias-motivated Crimes**

**§72101. Bias-Motivated Crimes, defined**

## Is a school crime more heinous than a home invasion?

*Posted: Apr 03, 2014 5:04 PM*

*Updated: Apr 03, 2014 5:04 PM*

by Krystal Paco

Guam - From a legal opinion, Bill 280 better known as the Safer Schools Act of 2014, raises some red flags. As Chief Deputy Attorney General Phil Tydingco testified this morning, he questions if committing a crime at a school is more heinous than that if one's home was invaded by a burglar.

"Right now the statute provides for a minimum mandatory five years when someone burglarizes your home and usually our castle is sacrosanct and if the policy is that schools are sacrosanct then very well. We just wanted to pose that question to you folks as policy makers that increasing the penalties for the school would appear to put it above the invasion or burglarizing of our homes," he said.

We should note, schools islandwide continue to be hit by vandals daily. Most recently, two minors ages 10 and 15 were taken into custody in connection with burglaries to Marshal Sablan Elementary School in Agat.

## Senator Tony Ada Introduces Bill to Increase Penalties for Hate Crimes

*Guam News - Guam News*

Guam - Senator Tony Ada has introduced a bill that would increase prison time for a person convicted of a "Hate Crime".

Senator Ada cites a case in which a suspect reportedly attacked a man leaving a Maniglaio Bar last week. The suspect first asked the victim if he was Chamorro, and then attacked, after the victim said 'yes' he is Chamorro.

The Senator describes that incident as a ""bias motivated" crime and Bill #280, he says, would "double the jail time" for a person convicted of such a crime.

READ Bill #280 HERE

According to a release from Senator Ada, Guam is one of the few jurisdictions in the U.S. that does not have a hate crime law. Bill #280, he says, "is based on model legislation produced by the Anti- Defamation League."

**READ the release from Seantor Tony Ada below:**

### *NEWS RELEASE*

*February 20, 2014*

#### *Senator Tony Ada Introduces Hate Crimes Bill*

*On February 16, 2013 at approximately 2:00a.m., Dream-on Panian and four unidentified male individuals approached a patron as he was leaving a lounge in Mangilao. Panian is alleged to have asked the patron if he was Chamorro. According to the patron, when he responded "yes", Panian assaulted him. Panian was charged with assault as a misdemeanor.*

*Senator Tony Ada introduced Bill No. 280-32(LS) today that would create a special allegation for bias motivated crimes. Had this bill been law at the time the crime above had occurred, the defendant would have been facing double the jail time, an increase in the degree of criminality from a misdemeanor to a felony and a fine up to \$10,000.*

*Senator Ada believes that Guam has always been a spiritual and family oriented community and that because of our island's ethnic diversity and tolerance, "racism, bigotry and hate have no place in our society."*

*Guam is one of the few jurisdictions in the United States that does not have a hate crime law. Bill No. 280-32(LS) is based on model legislation produced by the Anti- Defamation League. Senator Ada hopes that the bill will make it through the legislative process expeditiously.*

I MINA' TRENTAI DOS NA LIHESLATURAN GUÅHAN  
2014 (SECOND) Regular Session

Bill No. 280-32(19)

Introduced by:

V. Anthony Ada 

**AN ACT TO ADD A NEW CHAPTER 72 TO 9GCA  
RELATIVE TO BIAS-MOTIVATED CRIMES.**

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds that all  
3 people have a stake in an effective response to and mitigation of violent bigotry.  
4 Hate crimes demand a priority response because of their special emotional and  
5 psychological impact on the victim and the victim's community. The damage done  
6 by hate crimes cannot be measured solely in terms of physical injury or dollars and  
7 cents. Hate crimes may effectively intimidate other members of the victim's  
8 community, leaving them feeling isolated, vulnerable and unprotected by the law.  
9 By making members of minority communities fearful, angry and suspicious of  
10 other groups -- and of the power structure that is supposed to protect them -- these  
11 incidents can damage the fabric of our society and fragment communities.

12  
13 It is the intent of *I Liheslatura* to create within Guam's Penal Code, laws that will  
14 deter such abhorrent behavior and punish the offenders.

15  
16 **Section 2.** A new Chapter 72 is added to 9GCA as follows:

17 **Chapter 72**
