### I. COMMITTEE PROCEEDINGS

**Acting Chairman BJ Cruz:** Thank you for your presence this morning for the Committee on Appropriations, Public Debt, Legal Affairs, Retirement, Public Parks,

Recreation, Historic Preservation and Land public hearing. We are here this morning to hear Bill 324-32. I have Jimmy Teria and Dr. John Taitano. Dr. Taitano, I understand you are on call so you will go first.

### Testimonies

**Dr. John Taitano:** Thank you for allowing us to do the first presentation. Speaking on behalf of the Young Men's League of Guam, I am the Vice President; the President is presently off-island.

[Read written testimony verbatim. See attached]

**Acting Chairman Benjamin Cruz:** Thank you very much, Doctor. Mr. Teria.

**Mr. Jimmy Teria:** Good afternoon, my name is Jimmy Teria I am the secretary for the Young Men's League of Guahan and we have a resolution here signed by the Board of Directors.

[Read resolution #2014-002 verbatim. See attached]

**Acting Chairman Benjamin Cruz:** Thank you Mr. Teria.

**Mr. Andrew Laguana:** I have just a brief comment. I am a member of the Board of Directors for the Young Men's League of Guam. I read a little bit of history about the YMLG and it was not a cakewalk. There was a lot of resistance by the then American Governor and the local clergy. It took the initiatives of all these gentlemen before us to write a letter to the United States President to get it approved. It is with that we totally support this bill. I think it is fitting to name something with permanence like a park in the city of Hagåtña, the capital city. It is fitting we name something after YMLG. That is my comment. Thank you.

**Acting Chairman Benjamin Cruz:** Thank you very much. I think our local historian may want to add to that. Dr. Bevaqua.

**Dr. Michael Lujan Bevaqua:** (translated from Chamorro to English). I will attempt this in Chamorro because I really like the intentions of this gathering. I know there is difficulty in discussions of this nature especially if done in the Chamorro language but we persist and continue to try.

It is a challenge for our young people to know our language and it is important that they hear it all around them. For myself, once a month, every month I go to the clubhouse to immerse myself in the language and that is what I like. I support this bill because this group has historical significant. When you look back at the list of past members, there were Governors, Commissioners, Senators, people of leadership positions. I have told my students that if they want to learn, this is one of the clubs you can learn from. For me the most important aspect of this club is its early history. This is the significance because

the resistance to form the group was a challenge for our forefathers; they fought against the Navy and the church. But in their minds they saw it as important to have a meeting place to be Chamorro person, a place where they can gather and be proud and use the language, a place where they can celebrate being Chamorro. If you look back in history, the colonizers whether they were Spanish, Americans or Japanese, they tried to remove the language and the culture from the Chamorro people. They (Colonizers) instead tried to tell us who we were, that they were lower class. They did not want them to proliferate language and culture; the colonizers told them that their language and culture were of no service and of no value. But these men band together and told them, no we need to create a space to honor and celebrate who we are as a Chamorro people.

I can't believe that it has been a hundred years since the formation of the club. It is important that we mark a territory to recognize the efforts put forth by the early forefathers and a park is a good way to do it. Thank you for this opportunity to speak.

**Acting Chairman Benjamin Cruz:** Thank you very much Dr. Bevaqua. Senator Tom Ada, do you have a question?

**Senator Tom Ada:** I just have two questions: Can you clarify if it is west Hagåtña Park or east? The bill says east but you said west. I asked someone where this park is and someone pointed to that (west). So, this is west then.

**Mr. Andrew Laguana:** When you are facing the ocean, it is left from the hot dog stand. So whatever that is, that's what it is.

**Senator Tom Ada:** I guess the dividing line is the Agana Stadium. Anything to the right of that is east, anything to the left of that is west. We just need to be more clear as to which park we are talking about because this leads me to my second question. In so naming this area, this park, after the Inetnon Lalâhen Guahân, will the organization take on the responsibility of maintaining the park?

Because right now the Department of Parks and Recreation is maintaining it and now we are going to put the organization's name and I am sure you want to see this as a shining landmark. So, is it reasonable to assume that the organization will assume the responsibility of maintaining the park; cutting the grass maybe short of re-building of the pavilion.

**Mr. Andrew Laguana:** That question was raised by the members, but the idea was just for the renaming of the park and maybe the painting of the shelters. As far as the maintenance, the daily or weekly maintenance of the park will still remain with Department of Parks and Recreation.

**Senator Tom Ada:** That is really important to know because the bill does not say that. Maybe the organization is thinking, hey, we don't want that responsibility we just want the fame and glory. We may need to make that more clear.

**Acting Chairman Benjamin Cruz:** We also need to clarify what might be a misconception by the director. The Director, Mr. Blas, submitted testimony and in part he says “the YMLG is also a supporter in DPR and are in the process of formalizing public-partnership for the adoption of maintenance of the East Hagatna Beach.” So we will have to clarify that.

**Mr. Andrew Laguana:** Maybe in addition to that, a map showing where it is instead of a description of east or west.

**Acting Chairman Benjamin Cruz:** Depending on whether you are facing it.

**Mr. Andrew Laguana:** It could be north or south.

**Senator Tom Ada:** I think on the western side, there are three pavilions.

**Mr. Andrew Laguana:** Yes, I think I will clarify that.

**Acting Chairman Benjamin Cruz:** Senator Tina Muna Barnes, do you have a question?

**Senator Tina Muna-Barnes:** I too read the report from Mr. Blas from the Department of Parks and Recreations for both Bill 295 and 324. My question to the members: was the Mayor of Hagåtña included in this process? Did he give his support or intention to support or was he made aware that this change?

**Mr. Andrew Laguana:** Ah, no.

**Senator Tina Muna-Barnes:** I support this bill, but think it is very important that we involve the Mayor. Usually when a bill of this magnitude is introduced, the Municipal Planning Council (MPC) - in this case the renaming of a park or area - and within the jurisdiction of that mayor’s village and then the MPC gets involved and they send a resolution to this body in support. I know that it is in support, but I just don’t see it here. I guess we will just ask the committee to double check.

**Mr. Andrew Laguana:** Okay, we will put that on the list.

**Senator Tina Muna-Barnes:** Please. Saina ma’ase.

**Acting Chairman Benjamin Cruz:** Thank you very much, Si Yu’os Ma’ase.

This concludes the testimony on Bill No. 324-32. There being no additional individuals to present any additional testimony, this Committee will continue to remain open for the acceptance of any additional information or public testimony on the bill discussed. You can submit those testimonies to my office directly on 324 W. Soledad Avenue, Hagatna, as well as the Guam Legislature at 155 Hesler St., Hagatna or email at [office@senbenp.com](mailto:office@senbenp.com)

The public hearing was adjourned at 3:09 pm.

Buenas yan Hafa Adai,

Dangkolo na si Yu'os ma'ãse' to Senator Frank Aguon and the late Senator Ben Pangelinan and the 32<sup>nd</sup> Guam Legislature for their support in naming the West Hagåtña Beach the "**I Inetnon Lalahen Guahan -YMLG Centennial Beach Park**" The Board of Directors and the membership of the Young Men's League of Guam unanimously support this bill, as this is a great way to recognize and honor our fraternal organization for the many years of dedication and effort in preserving and promoting the Chamorro culture. The YMLG is honored and humbled by this gesture and generosity and the "**I Inetnon Lalahen Guahan - YMLG Centennial Beach Park**" will stand as a testament to the centuries of hardship and strength of the Chamorro people and for posterity.

Our people have withstood the conquest of the Spanish conquistadors, American colonialism and the Japanese occupation during World War II and survived the atrocities of war. We are truly a proud people with resilience and perseverance and the YMLG will continue to promote pride in our young people and respect for our Man'Åmko and perpetuate the Chamorro culture. Biba the 32<sup>nd</sup> Guam Legislature! Biba Guam! Biba YMLG!

Re: Testimony on Bill No.s 295-32 (COR) and 324-32 (COR)

Hafa Adai! The Department of Parks and Recreation is in full support of the referenced Bills. The Mikkel Tan I. Vy Foundation is a long standing supporter of DPR, having made numerous contributions throughout the years to the improvement of the Tiyan recreation facilities at no cost to DPR or the Government of Guam. The YMLG is also a supporter of the DPR and are in the process of formalizing a public-private partnership for the adoption and maintenance of the East Hagatna Beach Park.

Thank you for the opportunity to comment. If you have any questions, please do not hesitate to contact me directly.

Regards,

## Diabetes forecast points to rise in cases

**SUVA (Fiji Times)** – Twenty-one years from now, the incidence of diabetes among Fiji's population could be 30 percent, equating to a ratio of one diabetic patient for every healthy person.

This was revealed by medical officer-in-charge and chair of Diabetes Fiji for the Central and Eastern Division, Dr. Lisi Finaisi.

He made the assertion while commenting on predictions made by international medical experts that by 2035, the total number of people suffering

from diabetes around the world could increase to 592 million.

For Fiji, the percentage of diabetics could increase from 30 percent to 50 percent. "So instead of a 3-to-1 ratio, we are looking at a 1-to-1 ratio for diabetes patients," she said.

She said about \$548 billion was spent globally last year to combat diabetes.

Finaisi said local authorities were looking at people between the ages of 40 and 59 years, who were dying prematurely.

"About 5.1 million deaths were recorded globally last

year. This means that every six seconds, a person dies from diabetes."

### Affordability

According to Finaisi, the increase in these diseases was because of the affordability of sugar-sweetened beverages and food items.

"We have to make the healthier choice the more affordable choice.

"People don't die of diabetes – they die from the complications of diabetes. We should try to control and prevent these diseases in the first place."

## PNG among top 10 countries of smokers

**PORT MORESBY (Loop PNG)** – Papua New Guinea is one of the top 10 countries in the world with the highest smoking prevalence.

According to the World Health Organization, 60 percent of adult men and 27 percent of women in PNG are current smokers.

WHO country representative Dr. Pieter Van Maaren

says this is a major epidemic that requires urgent and swift action.

"The harm caused by tobacco is not just a set of numbers. It is the loss of mothers, fathers, sisters and brothers. It is the struggle of lifelong treatment for chronic illnesses. It is the trial that families must bear as breadwinners are unable to work."

And it is at the cost to the nation as a whole, as it tries to meet the heavy burden that the tobacco industry places on the economy," Maaren said.

He urged the government to support the proposed amendments to the Tobacco Control Act and to increase taxes on tobacco products which will discourage people from smoking and stay healthy.

## Pacific forum leaders asked not to smoke, promote healthy initiatives

**KOROR (RNZI)** – Health authorities on Palau have asked Pacific Island Forum leaders to lead the way and not to smoke during this week's summit.

The program manager of non-communicable diseases in Palau, Edolem Ikerdeu, says several

the meetings."

Meanwhile, a Fiji academic in Australia says the Pacific Islands Forum is going through a turbulent phase but it is still a key body in the region.

Delegates are gathering in the Micronesian state of Palau for the 45th Forum summit, which opens on Tuesday.

A leaders' retreat will be held on Thursday, when a new secretary general is expected to be named as a replacement for Tuiloma Neroni

Slade, who is finishing a six-year term. Brij Lal, of the Australian National University, says the

forum remains relevant.

"It might have become a bit unwieldy but I think that it certainly has a role to play in terms of providing technical advice, expert advice on topics and subjects that individual countries in the region might not have the capacity. You do have expertise in the forum and I think it is a question of harnessing those for strategic purposes."

"For the entirety of the meetings, we recommended that we have this physical activity with the president to promote, of course, active living."

**- Edolem Ikerdeu, Program manager of non-communicable diseases in Palau**

Palau President Tommy Remengesau will lead the walk. She says the summit's organizing committee is ensuring leaders will only be eating healthy food during their stay in Palau.

"For the entirety of the meetings, we recommended that we have this physical activity with the president to promote, of course, active living. We also recommended healthy eating so we put out dietary guidelines for Palau to all the vendors responsible for preparing the food for all
