II. COMMITTEE PROCEEDINGS

Chairman Benjamin Cruz. We will proceed with Bill No. 349-32 (COR), An Act to Rezone Lot No. 5221-1-4-R1, Municipality of Barrigada, from Agriculture Zone (A) to Multi-Family Dwelling Zone (R-2).

Senator Aguon, you are the main sponsor. Would you like to make an opening statement?

Senator Frank Aguon Jr. Thank you very much, Vice Speaker. We have the Mercado family representative who will provide testimony on this bill. If you take a look at the legislative findings and intent, I think it is self-explanatory. This family came into inherited property and it was not appropriately zoned. They now come to the Legislature to ask consideration for an appropriate zone change and I look forward to the comments.

Chairman Benjamin Cruz. Please proceed, Mr. Mercado.

Mr. Elmer C. Mercado. Good morning, Mr. Chairman and members of the Committee.
[Read testimony verbatim. See attached]

Chairman Benjamin Cruz. Thank you very much. Mr. Borja, do you wish to provide testimony?

Mr. Michael Borja. Thank you very much. On Bill No. 349 on the issue of the property to be rezoned from Agriculture to R-2 in Barrigada, I would have preferred the process to go through our chain. But, in this specific matter while we always want to make sure that the land zone changes are to be in the interest of the owner, this zone change is a requirement because they obviously are not in an R-1 or even Agriculture; they go well beyond that to an R-2.

If they had gone through the process of trying to obtain the zone change through us and we went through the regulatory agencies, in this specific case as an R-2 requirement, the sewer changes – or waste water change requirement - EPA would say that they could not use a septic tank, but they would have to be hooked up to a sewer. What we know of this specific property is that the only active sewer lines reside up on Route 16, which are about four house lots away and above the house lot. So, it would an incline for a sewer waste line to go up in that area.

What the regulatory agencies always try to do in all aspects for zone change requirement request is to find alternative ways for them to still obtain that zone change so they can realize what they need. In this case, I think what EPA – and I can't specifically speak on their behalf – but, through our practice with them is that they may have to build something and not use a leaching field, but to build multiple septic tanks that would have to be regularly pumped out and that would satisfy the requirement for a multi-unit lot like an R-2.

We respectfully ask that with this zoning change, there be conditions placed on this R-2 change that should be necessary and that's only speaking for one specific kind of issue. I don't know if there are any others; GPA would have to also look and see that all these different units are not on one power meter that they need to be on separate power meters, for example. Those are the kinds of things that are necessary for obtaining an R-2 property. In this case, it really should an R-2, but does it comply? Most likely it may not comply on some cases.

We ask that this individual property owner work with the regulatory agencies to achieve what is required and that there be conditions placed on the change to R-2.

Chairman Benjamin Cruz. Besides the septic tank and the possibility of having to review with GPA, are there others we need to address?

Mr. Michael Borja. Municipal Planning Council for Barrigada needs to have some kind of input on this matter, especially since it goes from an Agriculture to R-2. That is a significant jump. Just to let the gentleman know, in this process going from Agriculture to R-2, it can be based on the signature from the Director of Land Management. It does not have to go through the Land Use Commission. It can be made into a Summary Zone Change. Now, many of the same requirements stand with the Summary Zone Change as far as getting the regulatory agency's inputs through the Application Review Committee process. It does not have to go through the Land Use Commission. Once all those conditions are satisfied, then the Chief Planner's office does a kind of notice of action. Then, it is based on the signature of Director of Land Management. It can be a much quicker process.

Chairman Benjamin Cruz. Can you sit down with him after this hearing to see if there is a way you can expedite this?

Mr. Michael Borja. Sure, as we will do with the folks for the previous bills heard today, we are going to work with each one of them. There are steps that are necessary and very willing to work with these individuals.

Senator Frank Aguon, Jr. Mr. Mercado, you have heard directly from Mr. Borja, the Director of Land Management who has extended his assistance and guidance. What I would like to request is that you and your family work closely with his office and if by chance, the proceedings are not satisfactory within the next two weeks, then I would like to request that you let me know if you want to proceed with this legislation and I will work with my colleagues to see if can proceed. But, I anticipate that your efforts will be fruitful working with the Department of Land Management. Can I ask you to consider going that route initially? If within fourteen days if it is not satisfactory in terms of the timing of the process and the progression of the discussions, then we can revisit this proposal. The intent is to make sure that your family has optimal usage of your property. You were very frank about why you wish the property to be rezoned; so you can apply economic benefits to assist your family. I appreciate that. Thank you, Mr. Chairman.

Chairman Benjamin Cruz. Inasmuch as all the bills have the record open for the next ten days, it might behoove you to see if you can move it faster through the Director than with us, because we go into budget session next Monday and I don't anticipate reporting bills out until September. If you guys can work this out and get back to Senator Aguon or get back to my office and let us know that if it looks like it is getting resolved and that you are satisfied with the treatment you are receiving. Then, we won't need this route.

This concludes the testimony on Bill No. 349-32 (COR). There being no additional individuals to present any additional, this Committee will continue to remain open for the acceptance of any additional information or public testimony on the bill discussed. You can submit those testimonies to my office directly on Soledad Avenue, as well as the Guam Legislature or through any of the electronic processes either email at office@guam.net

This hearing is adjourned.

III. FINDINGS & RECOMMENDATIONS

The Committee on Appropriations, Public Debt, Legal Affairs, Retirement, Public Parks, Recreation, Historic Preservation and Land, hereby reports Bill No. 349-32 (COR), as introduced with the recommendation TO REPORT OUT ONLY

MINA' TRENTAI DOS NA LIHESLATURAN GUÅHAN
2014 (SECOND) Regular Session

Bill No. 349-32 (COR)

Introduced by:

FRANK B. AGUON, JR.

AN ACT TO REZONE LOT NO. 5221-1-4-R1, MUNICIPALITY OF BARRIGADA, FROM AGRICULTURE ZONE (A) TO MULTI-FAMILY DWELLING ZONE (R-2).

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guahån* finds
3 that the late Victorino and Fina Mercado, property owners of Lot No. 5221-1-4-R1,
4 in the Municipality of Barrigada, self-constructed a two story duplex on the
5 existing property and converted it into a four-plex building. The intention of
6 Victorino and Fina Mercado, was to accommodate their children and finance their
7 education through the rental of the additional units. As children and heirs of the
8 late Victorino and Fina Mercado, Elmer C. Mercado and Lulu T. Mercado
9 (husband and wife) and Therese M. Bugayong and Danilo B. Bugayong (husband
10 and wife), ½ undivided interest, as community property owners of Lot No. 5221-1-
11 4-R1, Barrigada, Guam, Estate No. 61159, Suburban, containing an area of 1,858 ±
12 square meters, as shown on Drawing No. EBM 79-39, L.M. No. 098 FY80,
13 prepared by Emil B. Meregillano, RLS No. 51, dated January 22, 1980;-
14 LM098FY80 Map Pac #310027, located in the Municipality of Barrigada, Guam
15 would like to continue to utilize the existing property as additional income and
16 access the accumulated equity in their property. (*Attachment A*)

17 Furthermore, *I Liheslaturan Guahån* finds that the present property is zoned
18 Agricultural (A), and prior to construction, all building and occupancy permits
19 were approved, certifying compliance with all applicable rules, regulations and

2014 JUN -9 PM 3:07

1 laws by the proper government agencies. This places the four-plex in an approved
2 and legal structure but the non-conforming status restricts the current property
3 owners access to the accumulated equity in their property.

4 Therefore, it is the intent of *I Liheslaturan Guahân* to resolve this problem
5 through the rezoning of Lot No. 5221-1-4-R1, in the Municipality of Barrigada,
6 from Agricultural (A) to Multi-Family Dwelling Zone (R-2).

7 **Section 2. Lot Rezoning.** Notwithstanding any other provisions of law,
8 Lot No. 5221-1-4-R1, in the Municipality of Barrigada and owned by Elmer C.
9 Mercado and Lulu T. Mercado (husband and wife) and Therese M. Bugayong and
10 Danilo B. Bugayong (husband and wife) is hereby rezoned to Multi-Family
11 Dwelling Zone (R-2).

12 **Section 3. Effective Date.** This provision contained herein shall take
13 effect immediately upon enactment of the Act.

14 **Section 4. Severability.** *If* any provision of this Act or its application to any
15 person or circumstance is found to be invalid or contrary to law, such invalidity
16 *shall not* affect other provisions or applications of this Act which can be given
17 effect without the invalid provisions application, and to this end the provisions of
18 this Act are severable.

Subject: Testimony - Bill No. 349-32 (COR) Rezone Lot #5221-1-4-R1 Agriculture to R2

Buenas yan Hafa Adai! The Department of Land Management has reviewed the listed bill and submits the following:

This legislation is asking a property to be rezoned without the vetting necessary in our Territory's statutes that calls for the "technical and professional review, analysis, advice, and agency positions concerning various development activities on Guam."

The Application Review Committee (ARC) made up of our regulatory agencies is mandated to review requests for zone changes that are submitted to the Department of Land Management. Their tasking is:

- (a) Ensure compliance with regulatory standards, procedures, policies, rules and regulations;
- (b) Ascertain the overall environmental, socioeconomic, infrastructural and cultural impact of proposed projects;
- (c) Evaluate alternative development activities or subdevelopment alternatives with applicant/developer/petitioner to provide the best development plan for the community;
- (d) Assist other ARC member agencies and other government agencies in establishing social, physical infrastructural, economic, and cultural programs and standards for the proper development of Guam's present and future growth;
- (e) Develop and provide official position statements by government of Guam agencies on applications submitted under the Zoning and Subdivision Laws, the Territorial Seashore Protection Act and other such laws as may be enacted by the Legislature.

By curtailing this review process, lots may be rezoned that may not be in compliance with regulatory standards. Additionally, the broad nature of a

commercial zone may be contrary to the desires of the immediate surrounding communities since there is no input from the respective municipal planning councils.

The Department of Land Management greatly supports zone changes especially when they are in the economic interest of our island and to the benefit of the land owner. We encourage business development and strongly recommend using the processes already in place so we can ensure that the tools necessary for business development are available to land owners who seek to change the zoning of their property. Additionally, land rezoning from Agricultural to Residential (R2) can use the more abbreviated process available under the Summary Zone Change. It still undergoes a review by the ARC but when no objections are found, the director can approve the zone change.

In this specific case, a major concern with making the zone change for Lot #5221-1-4-R1 from Agricultural to Residential (R2) is that R2 zoning requires a connection to a sewer because septic tank use is significantly restricted and requires critical consultation with Guam Environmental Protection Agency. Sewer does not exist on the adjacent street of this property but a connection on Route 16 is available, however, it is on an elevation higher than the subject lot. If this property owner had used the established methods for zone changes, they would have been informed of this issue and been provided with any available alternatives.

Senseramente,

MICHAEL J.B. BORJA
Director

Personal Testimony
Bill No. 349-32 (COR)

August 5, 2014

Elmer Mercado
PO Box 217782
Barrigada, Guam 96921

Good morning, Mr. Chairman, Benjamin J.F. Cruz, and members of the committee.

Thank you Senator Frank Aguon for introducing Bill No. 349-32 to your committee and entertaining my request to rezone our property from zone "Agricultural" to zone "R2".

My name is Elmer Mercado. I am a resident of 162 Sgt Peter Aguon Street in Barrigada. I have been a resident of Guam for over 30 years.

My parents purchased the property in 1984 and slowly put up a temporary house. Five years later, my parents and the siblings self-constructed a two-story duplex with the intention to put their children to college. Once the siblings started college, the economy wasn't doing well, so my parents converted the duplex into a four-plex building to help us pay for our college.

In 2005, my father passed away and my mother in 2009. Before she passed away, she fought cancer for 8 years. The siblings went through a costly cancer treatment with my mom and the probate set us back financially.

As children and heirs of the property, my sister and I are trying to legitimize what my parents have set up and would like to pursue this request to rezone our property as supplemental income to help alleviate our financial burden.

Sincerely,

A handwritten signature in black ink, appearing to read "Elmer C. Mercado". The signature is fluid and cursive, with a large initial "E" and "M".

The Bureau requests that Bill No. 349-32 (COR) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

Bill No. 349-32(COR) is an Act to rezone Lot. No. 5221-1-4-R1, Municipality of Barrigada, from an Agricultural Zone (A) to a Multiple-Family Dwelling Zone (R-2).

The Bill proposes that the specified lot be rezoned so that the owners can properly access the equity of their property. Per the Department of Revenue & Taxation, the land tax rate and the building tax rate would not change regardless of the change to any property's zoning. Per the Department of Land Management, zone changes done through legislation are not charged any fees in regards to zone change amendments or certification of zoning fees. There is no component of the Bill that requires an act to make any changes to the property's existing infrastructure.

The intent of the Bill poses no fiscal impact upon any funds of the Government of Guam.

Munoz said he's very happy for his cast crew, "and especially for my funders who also contributed to the project." He noted however that in moments of euphoric triumph "one must always remain anchored in humility and grace. This is an industry where you experience amazing peaks and low altitude valleys. It's important to focus on doing quality work and dangerous to be caught up in the hype."

This is the first time Munoz has utilized the web to release a film. He decided to take this route to get an audience.

"More people watch content on computers and smart phones than they do on traditional televisions. Looking at the analytics, more people have seen 'Griot's Lament' over the past three weeks than my last three films combined."

The feedback and reviews make the efforts worthwhile with funding being a huge obstacle to the success of the project. Additionally, Munoz recounted an incident when his team was almost shot down by the LAPD because they weren't officially permitted to film.

"The officer was actually happy to see a group

Guam native Alex Munoz, right, is shown filming his latest work "Griot's Lament."

of people making an artsy film in his beat. He could have shut us down, but instead he let us off the hook."

Noting the outstanding contributions of people from Guam, Munoz mentioned locals Jeannett Da Duck and Thelma Hechenova.

"Averill Leano did an amazing job doing the color correction and creating an award winning moon shot. The film looks good because of Averill's great eye. And the film sounds amazing because of Teddy Salas. We were up until 3 in the morning mixing the film. I have never met with a sound

mixer who is so creative, innovative, and efficient. I am very proud of Averill and Teddy's contributions. Success is always best when it is shared."

While websisode 2 will be released on Michael Jackson's birthday, in the meantime, Munoz looks forward to more contributions to Guam's film scene.

"I'm going to get back to Guam to conduct another FYI FILMS workshop with youth at DYA in 2015. We were just awarded a significant grant. I love working with youth, particularly on Guam."

Youth can also look forward to the 671/213 Alliance, an initiative meant to offer support and networking for people from Guam and all of the Marianas heading to Los Angeles in pursuit of a film career.

"We plan to offer two 671/213 Alliance scholarships before the year ends. Five one thousand dollar grants will be awarded to filmmakers on Guam to support them in their filmmaking pursuits."

He will also complete work on a documentary and proceed with the development of a local animation series.

Griot's Lament is viewable on Vimeo and Genius.com.

Ref: Applicant **Ms MICHELE. LEON GURRERO, EUGENE H. SANTOS,**
request for a zone change from "A" Agricultural to "C" Commercial zone,
Municipality of Dededo.

Dear Mr. Santos,

The DPW is in receipt of your letter seeking assistance providing comments to a Zone Change to the following lots:

- (1.) Zone change from "A" (Agricultural) to "C" (Commercial) zone for the proposed Community Laundromat and Café on lot designated as DLM Map No.P10.9A-3-16 Municipality of Dededo.
- (2.) Zone change from "A" (Agricultural, Conditional use permit for Retail Store) to "C" (Commercial) zone with existing Retail Store on lot designated as DLM Map No.P10.9A-3-R19, Municipality of Dededo.

The above subject lots are corner lots with front yard facing Chalan Langet and side yard facing Chalan Mannantos. Chalan Langet is a 40' wide Public Access and Utility Right of Way with two (2) lanes paved road approximately twenty-two (22') feet wide with traffic flow which is low during the day or evening hours and will not impact its normal traffic flow.

DPW believes that the rezoning of the above lots will not have adverse effects on the residential area where as Lot P10.9A-3-R19 has been approved for conditional use permit for a Retail Store. Additionally, a Laundromat and Cafe is essential and/or public convenience to the surrounding neighborhood. The DPW therefore recommends approval for zone change.

Sincerely,

Carl V. Dominguez

The Bureau requests that Bill No. 349-32 (COR) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

Bill No. 349-32(COR) is an Act to rezone Lot. No. 5221-1-4-R1, Municipality of Barrigada, from an Agricultural Zone (A) to a Multiple-Family Dwelling Zone (R-2).

The Bill proposes that the specified lot be rezoned so that the owners can properly access the equity of their property. Per the Department of Revenue & Taxation, the land tax rate and the building tax rate would not change regardless of the change to any property's zoning. Per the Department of Land Management, zone changes done through legislation are not charged any fees in regards to zone change amendments or certification of zoning fees. There is no component of the Bill that requires an act to make any changes to the property's existing infrastructure.

The intent of the Bill poses no fiscal impact upon any funds of the Government of Guam.

MINA' TRENTAI DOS NA LIHESLATURAN GUÅHAN
2014 (SECOND) Regular Session

Bill No. 349-32 (COR)

Introduced by:

FRANK B. AGUON, JR. 

**AN ACT TO REZONE LOT NO. 5221-1-4-R1, MUNICIPALITY
OF BARRIGADA, FROM AGRICULTURE ZONE (A) TO
MULTI-FAMILY DWELLING ZONE (R-2).**

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guahån* finds
3 that the late Victorino and Fina Mercado, property owners of Lot No. 5221-1-4-R1,
4 in the Municipality of Barrigada, self-constructed a two story duplex on the
5 existing property and converted it into a four-plex building. The intention of
6 Victorino and Fina Mercado, was to accommodate their children and finance their
7 education through the rental of the additional units. As children and heirs of the
8 late Victorino and Fina Mercado, Elmer C. Mercado and Lulu T. Mercado
9 (husband and wife) and Therese M. Bugayong and Danilo B. Bugayong (husband
10 and wife), ½ undivided interest, as community property owners of Lot No. 5221-1-
11 4-R1, Barrigada, Guam, Estate No. 61159, Suburban, containing an area of 1,858 ±
12 square meters, as shown on Drawing No. EBM 79-39, L.M. No. 098 FY80,
13 prepared by Emil B. Meregillano, RLS No. 51, dated January 22, 1980;-
14 LM098FY80 Map Pac #310027, located in the Municipality of Barrigada, Guam
15 would like to continue to utilize the existing property as additional income and
16 access the accumulated equity in their property. (*Attachment A*)

17 Furthermore, *I Liheslaturan Guahån* finds that the present property is zoned
18 Agricultural (A), and prior to construction, all building and occupancy permits
19 were approved, certifying compliance with all applicable rules, regulations and

M.B.

1 laws by the proper government agencies. This places the four-plex in an approved
2 and legal structure but the non-conforming status restricts the current property
3 owners access to the accumulated equity in their property.

4 Therefore, it is the intent of *I Liheslaturan Guahân* to resolve this problem
5 through the rezoning of Lot No. 5221-1-4-R1, in the Municipality of Barrigada,
6 from Agricultural (A) to Multi-Family Dwelling Zone (R-2).

7 **Section 2. Lot Rezoning.** Notwithstanding any other provisions of law,
8 Lot No. 5221-1-4-R1, in the Municipality of Barrigada and owned by Elmer C.
9 Mercado and Lulu T. Mercado (husband and wife) and Therese M. Bugayong and
10 Danilo B. Bugayong (husband and wife) is hereby rezoned to Multi-Family
11 Dwelling Zone (R-2).

12 **Section 3. Effective Date.** This provision contained herein shall take
13 effect immediately upon enactment of the Act.

14 **Section 4. Severability.** *If* any provision of this Act or its application to any
15 person or circumstance is found to be invalid or contrary to law, such invalidity
16 *shall not* affect other provisions or applications of this Act which can be given
17 effect without the invalid provisions application, and to this end the provisions of
18 this Act are severable.
