## II. COMMITTEE PROCEEDINGS

**Acting Chairman Benjamin Cruz:** The Committee on General Governmental Operations, Cultural Affairs, Appropriations, Public Debt, Legal Affairs, Retirement, Public Parks, Recreation, Historic Preservation and Land will now come to order. We have four bills on the agenda today. The first bill was introduced by Senator Tina Muña Barnes, Bill 428, An Act to add Subsection (F) to §8121 of Article 1, Chapter 8, Title 4 of the Guam Code Annotated, relative to establishing parity in the Retirement Annuity of the Attorney General of Guam. I want to thank my colleagues for joining me, Senator Tom Ada, Senator Aguon and Senator San Nicolas. On the first bill, I have two people that are signed up. We have the Public Auditor, Ms. Brooks and Mr. Joe T. San Agustin from the Board. I'll note for the record that the office received a letter in support of this legislation from the Attorney General-Elect. Ms. Brooks, please?

**Ms. Doris Flores Brooks:** Good afternoon, Senators, my written testimony before you is very brief, but I'll just read it into the record. [Read attached written testimony verbatim].

**Acting Chairman Benjamin Cruz:** Speaker San Agustin?

**Former Speaker Joe T. San Agustin:** Thank you, Mr. Chairman. I'm representing the Board here, this afternoon. Our testimony is actually based on, one, is we charge some kind of semblance of order in what we have done over the years in suspending annuity payments or get them out to various people. Over the years, the legislature has made a lot of concessions for a lot of people that can continue to receive their annuity payment and as such, we have a long list of it right now. Actually, Mr. Speaker, we have never envisioned a lot of our elected officials would end being elected. We never thought of the AG or the auditor or for that matter or a lot of positions that would have suspended annuity, and so over the years, a listing of positions, even bus drivers now and school teachers...actually started off with mainly school teachers, then social workers, and next you know different kinds, even police officers now are involved. Bus drivers are the latest ones. But with respect to these two positions, the subject of this afternoon, we have the elected officials. As I said, we have the AG and hopefully one of these days we're going to have an incumbent in the OPA that happens to be retired, and what do you do? To be consistent throughout the system we have gone through, we have no problem adding these two people in there, because after all everybody else seems to be...be before you know it, we're going to end up with just a few people not having their retirement annuity suspended. In fact, there might be some consideration later on because there are some people in the management of say GPA, Waterworks or even the University president, those people, because they are appointed by the board, their retirement annuity has been suspended. If the governor appoints you, you don't have to get your annuity

suspended. But even the governor's office, except these areas GPA, Waterworks, University of Guam and GCC, so that's going to be the last remnants, and that's something else, you either give it to them or you don't. One of these days, those people...

**Acting Chairman Benjamin Cruz:** We'll cross that bridge...

**Former Speaker Joe T. San Agustin:** I know, that's what I'm saying. That's exactly what we're doing. We're crossing the bridge for the AG and we're anticipating...

**Acting Chairman Benjamin Cruz:** We're not anticipating anything. It's a very short walking bridge.

**Former Speaker Joe T. San Agustin:** Exactly. I'm just giving you a history of what we've gone through and where we are going now.

**Acting Chairman Benjamin Cruz:** Alright, we appreciate the...that will make for a wonderful committee report. Thank you very much. Do any of the Senators have questions? No, ok. Thank you very much, Senators.

This concludes the testimony on Bill No. 428-32 (COR). There being no additional individuals to present any additional testimony, this Committee will continue to remain open for the acceptance of any additional information or public testimony on the bill discussed. You can submit those testimonies to the office directly on Soledad Avenue, as well as the Guam Legislature or through any electronic email processes at [cipo@guamlegislature.org](mailto:cipo@guamlegislature.org)

This hearing is adjourned.

Re: Bill #428-32 Parity for AG and OPA

Good Morning Mr. Chairman, and Members of the Committee:

I respectfully submit this written testimony in favor of Bill #428-32, an act that permits public officials who are elected to the positions of Attorney General (AG) or Public Auditor (PA) to maintain their annuity during their elected tenure. This non-forfeiture provision is available to most elected offices such as senators, judges, and mayors. This legislation would provide parity for AG and PA with other elected offices in all branches of government.

Your favorable consideration and passage is appreciated.

Sincerely,

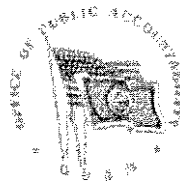

Elizabeth Barrett-Anderson  
Attorney General-Elect

Re: Bill No. 428-32 (COR) An act to add Subsection (F) to 8121 of Article 1,  
Chapter 8, Title 4 GCA Relative to establishing parity in the Retirement  
Annuity of the Attorney General of Guam

Hafa Adai Senators:

We at OPA are in support of Bill 428, which would allow a GovGuam retiree to continue receiving his/her annuity when elected as Attorney General or Public Auditor. This benefit is already made available to retirees serving in the Legislature as well as numerous other positions in health, education and public safety.

We thank and acknowledge the main sponsor of Bill 428, Senator Tina Muna Barnes for bringing parity to these two elected offices.

We also pray that other disparate issues such as OPA staff compensation will also be addressed.

We urge the committees' full support of this measure. Thank you.

Merry Christmas

**GOVERNMENT OF GUAM RETIREMENT FUND  
BOARD OF TRUSTEES  
STATEMENT ON BILL 428-32**

December 9, 2014

**I. INTRODUCTION**

If enacted, Bill 428-32 will amend the Section 8121(a), Article 1, Chapter 8, Title 4 of the Guam Code Annotated to create new categories of retirees who will continue to receive their annuities from the Defined Benefit Plan even after they have returned to employment with the government of Guam. The proposed new categories of employees are persons elected to the office of the Attorney General of Guam or the Office of Public Accountability. Bill 428-32 would authorize retirees in these new categories to “double dip” (i.e., receive both a retirement annuity and a salary plus benefits).

**II. LEGISLATIVE HISTORY**

Double dipping refers to the circumstance in which a Defined Benefit Plan retiree continues to receive annuity benefits while also receiving a salary (and benefits) upon re-employment by the government of Guam. Since the passage of Public Law No. 17-25 on October 7, 1983, it has been the policy of the government of Guam not to allow retired government of Guam employees to return to service without suspending their annuity benefits for the duration of their employment.<sup>1</sup> The general policy against double dipping has continued even after the closure of the Defined Benefit Plan in 1995 and the creation of the Defined Contribution Retirement System.

Over the years, the Legislature has created limited exceptions to the general prohibition against double dipping. For example, based on express legislative intent that there is “exceptional demand” or “critical need” for “positions for which no other qualified/certified applicant was available”, double dipping was permitted on a fiscal (or school/academic) year basis for: certified, registered, or licensed health care professional, or ancillary service personnel, employed at the Guam Memorial Hospital, Department of Mental Health and Substance Abuse, Department of Public Health and Social Services, academic positions for University of Guam and Community College, limited term police officers employed by Guam Police Department to include Police Officers I, II, III and Sergeant I & II, performing duties such as patrol officers, narcotic officers, criminal investigators and school resource officers”. Additional exemptions later were made for employees of the Office of the Governor, Lieutenant Governor, and unclassified employees appointed by the Governor, heads of autonomous agencies appointed by a governing board.<sup>2</sup> Bill 428-32, as drafted, does not

### III. RESTATING SECTION 8121

Section 8121 as codified and Bill 428-32 as introduced do not accurately reflect the full list of positions exempt from Section 8121's suspension of annuity requirements. Section 8121 as codified also is confusing to understand and difficult to implement, because it includes provisions that are non-existent or have expired due to passage of time and are no longer relevant or applicable, as well as internally inconsistent. To provide for accuracy and clarity, the Retirement Fund offers a restatement of Section 8121 in the form of the attached Restated Section 8121, which reflects the current codified statute, revised to delete non-existent, expired or irrelevant provisions, amended to clarify ambiguities and conform to operational implementation, and updated to reflect (a) the recently enacted Public Law No. 32-128, (b) the non-codified categories contained in annual appropriations acts, and (c) the proposed Bill 428-32.

Subject: Comments on Bill 428-32

Dear Senator Cruz,

Bill No. 428-32 (COR) is an act to add Subsection (f) to § 8121 of Article 1, Chapter 8, Title 4 of the Guam Code Annotated, relative to establishing parity in the retirement annuity of the Attorney General of Guam. Subsection (f) is to read as follows:

“Any person who is elected to the Office of the Attorney General of Guam or the Office of Public Accountability, who is retired from Government of Guam and receiving benefits *shall* not relinquish, forfeit, or have such annuity suspended during the period of such elected office.”

The intent of Bill No. 428-32 (COR) is to provide for the Attorney General of Guam and the Public Auditor, if retired and elected to the position, to continue receiving their annuity. This bill is being introduced to establish parity. It appears the parity is to establish equitable standing with individuals who are employees of the Office of the Governor and Lieutenant Governor and those unclassified employees appointed by the Governor as amended by Public Law 30-233. This amendment, made in FY11, allowed for individuals who are retired and appointed or who work in the Governor and Lt. Governor's Office to keep their annuity and receive a payroll check.

The fiscal impact of Bill No. 428-32 (COR) will be the annuity payment from the Retirement Fund. This is so as the subject legislation would allow the elected Attorney General and Public Auditor to continue receiving an annuity (if any) along with the established salaries for their respective positions. The Public Auditor and Attorney General's salaries are between \$100,000 to \$110,000 with annuities calculated at 70% - 85% of salaries for the Defined Benefits Plan members which will be between \$70,000 to \$77,000 at 70%.

Sincerely,

ANTHONY C. BLAZ  
Director

CEBU Pacific's maiden flight to Guam will not push through, as scheduled this month due to the unavailability of slots at Manila terminal, according to Guam International Airport Authority Rolenda Faasuaialie. GIAA's airport market administrator, said the airline recently informed the airport management of the flight launch delay.

Cebu Pacific, a Philippine budget carrier, was originally slated to launch its Guam service this month, with four weekly direct flights for its Manila-Guam route. With the airline service, Guam will soon have three carriers that will operate direct flights to and from Manila. At present, Philippine Airlines and the United Airlines serve that market.

Faasuaialie said Cebu Pacific now anticipates to open the Guam service in March 2015.

"The delay in startup from December 2014 to March 2015 is due to the shortage of slots available at Terminal 2 in Manila where all international flights operate," Faasuaialie said in an interview with Variety.

### Lobbying efforts

Faasuaialie said Cebu Pacific has advised GIAA that they are continuing their lobbying efforts to get the service going, having already applied to the U.S. Department of Transportation for the approval to start passenger service to Guam.

The airline's top executives were on Guam in August to meet with airport officials and board members. They toured the airport facility including ticketing booths and operational areas.

The group then sealed the agreement with Guam airport officials about its much-awaited operation in Guam.

### Weekly flights

Despite the anticipated delay, Cebu Pacific remains committed to fly Tuesday, Thursday, Saturday and Sunday. The airline will utilize A320 aircraft with 180-seat capacity for each flight which will depart Manila at 11:35 a.m. and will arrive in Guam at 3:05 p.m. on those days.

With A320 aircraft, Cebu Pacific's four weekly flights will bring in additional 720 air seats to the market.

The current seat capacity from the Manila market provided by Philippine Airlines and United is at 12,000 seats weekly. Philippine Airlines operates times a week while United nine times weekly.

Cebu Pacific's business operation on Guam is in line with the company's expansion across the board including expanding services to He Palau, Japan and Micronesia.

GIAA officials earlier said Cebu Pacific initially expressed interest in servicing the market two years ago. On Oct 2012, the airline filed its application with the U.S. Department of Transportation and Communications requesting authorization to serve the U.S. market.

During that time, the FAA Aviation Administration yet to lift the security cap of the Philippines and Pacific had initially plan leasing a U.S. aircraft. Each year, the FAA lifted the sit Category 1 which allow tional flights from the pines to the U.S.

Cebu Pacific will use aircraft for this new service.

A 25-year-old man was charged in court yesterday with third-degree criminal sexual conduct as a second-degree felony following a complaint filed by a minor, who claimed she is carrying the defendant's baby.

According to court records, Adam Angoco Hill Jr. snuck into the victim's residence while

responded to a call regarding a possible criminal sexual conduct complaint in the village.

Police said the report was made by the girl's step-mother, who observed signs that the girl might be pregnant. She bought a pregnancy kit and tested the girl. The result was positive.

Prior to the complaint, police received information that the girl had been hanging out with Angoco against her family's advice.

On Dec. 3, the victim

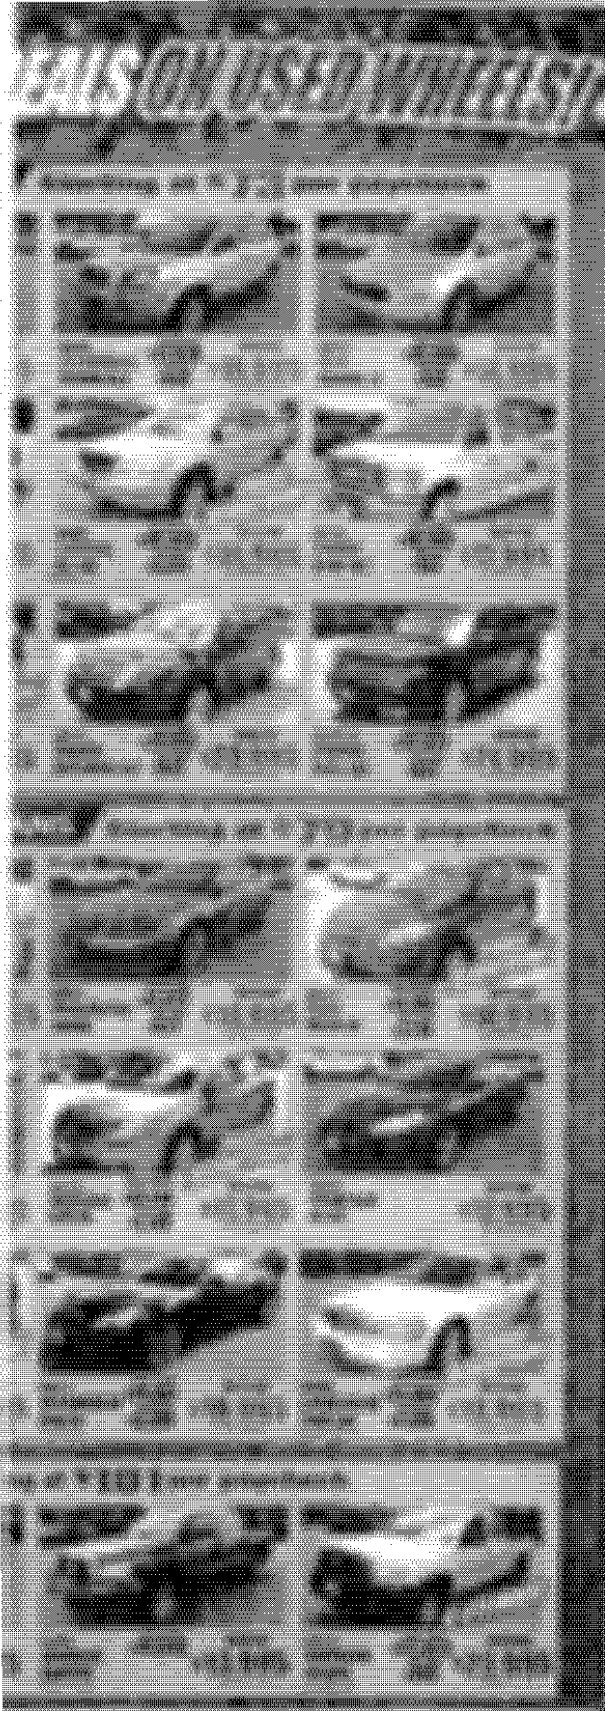

the girl said she first met the defendant via social media sometime in September.

In October, the two met in person and since then, the girl had allegedly been sleeping in the victim's room around 3 a.m. when her step-mother was asleep.

The victim said she had contact last month. She told police that the defendant informed her that he had a baby with another girl.
