II. COMMITTEE PROCEEDINGS

Chairman Pangelinan. Bill 63-32 introduced by Speaker Won Pat which is an act to amend § 22425(q) of Article 4, Chapter 22, Division 2, Title 5 GCA relative to designating additional revenue derived from the valuation of real property due to commence during calendar years 13 and 14 towards the replacement or renovation of Simon Sanchez High School and other educational facilities requiring new construction or new rehabilitation and for other educational related purposes.

We have, signed up to testify, Mr. John Camacho. He's not here at this time, but he did submit written testimony, and that will be appended to the Committee Report. In addition, I have Mr. Neil Saylor who signed up to testify indicating that he supports the bill. Were you going to provide oral testimony as well?

Please step forward, introduce yourself for the record, and you may begin your testimony. Make sure the red light is on when you're ready to speak. Before we hear from you, I would like to go ahead and give the opportunity for the author of the bill to give us a short synopsis. Speaker Won Pat?

(a) **Bill Sponsor Summary.**

Speaker Won Pat. Thank you very much, Mr. Chairman. In March 2013 this year, during an oversight hearing held by the chairperson, Senator Mike San Nicolas, the Committee on Aviation, Ground Transportation, Regulatory Concerns, Future Generations, and the Department of Revenue and Taxation, there was testimony that the Department of Revenue and Taxation provided that they're in the process of completing a valuation of real property, and it is scheduled to commence with the issuance of the Request for Proposals of applicable services.

The valuation of real property which, is scheduled to occur during calendar years 2013-14 is expected to yield an upward adjustment of real property payments. In August 2012 during the budget hearings, Director John Camacho said they assessed about \$20-21 million a year. And this is his quote so "if we anticipate an increase in property values to be about 30%, we're just estimating on generating \$7 million of additional taxes."

The bill intends to utilize the additional proceeds collected as a result of the anticipated real property valuation to be appropriated from the Territorial Education Facilities Fund for the purpose of funding education-related priorities, including the replacement or renovation of Simon Sanchez High School and other education facilities requiring new construction or rehabilitation and for other educational purposes including the purchase of new school buses.

The bill further authorizes, in the event that the financing of the projects envisioned in this subsection are affected by the debt ceiling then the Guam Economic Development Authority

may pursue municipal lease financing. The Territorial Education Facilities Fund is actually generated through real estate taxes dedicated for education. Thank you very much, Mr. Chair.

Chairman Pangelinan. Thank you very much, Speaker Won Pat. Mr. Saylor?

(b) Testimonies.

Mr. Neil Saylor. My name is Neil Saylor. I'm a teacher at Simon Sanchez High School. I've taught there since 1990. I've just completed my 23rd year in the main building the entire 23 years. I couldn't be more pleased and happy with the intent of the bill. We're all very anxious to see an upgrade to our campus, and I prepared a statement. I'll just read it out if I may.

Having taught at Simon Sanchez High School main building since 1990, I fully support the intent of the Bill 63-32. I, however, have one major concern in the language of the bill. The term "or renovation of..." in reference to Simon Sanchez High School should be stricken from the bill, in my opinion. Leaving "rebuilding of" to remain as the sole intent of the bill's passage in that regard.

The degree of deterioration of the main school building which I've taught in for 23 years is such that a renovation wouldn't sound economic cost be prohibitive to bring it anywhere near what is required as an up-to-date instructional institution worthy of the island's students.

From hopelessly outdated and poorly designed interior spaces, lack of outside windows, collapsed and still present ceiling insulation tiles on the second floor, inadequate electrical and plumbing provisions, poorly installed communication lines, lack of handicap accesses to a regularly failing air conditioning system, the list goes on and on with which costs would be encouraged remedy only likely to be encountered still again down the road.

The condition of the gym and the numerous temporary classrooms outside, adjacent to the main building, speaks even louder to the same issue. The science wing is the only remaining area of the campus which relatively new in construction which remains in reasonable condition; therefore, I urge the changing of the language to eliminate any possible illusions affecting upcoming plans to address increased student populations in the northern village and to surely save the taxpayer from throwing good money after bad as plans are advanced for rebuilding Simon Sanchez High School.

Chairman Pangelinan. Thank you and Si Yu'os Ma'āse', Mr. Saylor. Can you make sure you provide my staff with a copy of your statement so we can append it to the Committee Report? Speaker Won Pat, any questions?

Speaker Won Pat. No--not a question. I understand where you're coming from. I used to be a school principal at F.B. Leon Guerrero Middle School right next door, and I've seen the condition of the school. But we're not the experts--eventually, whomever is going to do the assessment will make that determination--very similar to what happened at JFK. When it was closed down, the thought was to have two proposals: one to build anew, the other to renovate so they would have to weigh all those. I personally don't like the structure in the sense that it's

totally closed. If anything should happen such as power outages, then the school is closed down, and it shouldn't be.

I'm with you on this; however, I'm not the expert, I can't make that decision of the engineers. That's the only reason for the language, and thank you very much for your testimony.

Chairman Pangelinan. Mr. Saylor, thank you very much. There being no other witnesses who have signed up on Bill 63, we'll have declared Bill 63 as publicly heard.

Chairman Pangelinan. This concludes the testimony on Bill No. 63-32. There being no additional individuals to present any additional testimony, this Committee will continue to remain open for the acceptance of any additional information or public testimony on the bill discussed. You can submit those testimonies to my office directly on Soledad Avenue, as well as the Guam Legislature or through any of the electronic processes either email at office@senbenp.com or through our website at senbenp.com.

This hearing is adjourned.

Senator Pangelinan,

Buenas yan Hafa Adai! My name is John P. Camacho and I currently serve as the Director of the Department of Revenue Taxation (the Department). I have reviewed Bill No. 63-32 (Cor) and wish to commend the members of this committee for their efforts to replace or renovate Guam public school educational facilities or other education-related purposes.

The bill intends on designating additional revenue derived from the valuation of real property. Before this legislation can be realized, the Department will need funding to complete the Real Property Tax valuations.

Upon enactment of the bill, the Department is required to provide an Estimated Revenue Report of the additional revenue that would accrue to the Government of Guam as a result of the most recent valuation of real property, no later than 30 days following the completion and approval of the valuation of real property. The Department will comply with this requirement upon enactment of Bill No. 63-32 (Cor).

Thank you for giving me the opportunity to respond to Bill No. 63-32 (Cor).

Sincerely,

JOHN P. CAMACHO

TESTIMONY OF MS. MANA SILVA TAJERON

ACTING ADMINISTRATOR

GUAM ECONOMIC DEVELOPMENT AUTHORITY

BILL 63-32 (COR)

Hafa Adai Chairman Pangelinan and members of the Committee on Appropriations, Public Debt, Legal Affairs, Retirement, Public Parks, Recreation, Historic Preservation and Land. Thank you for the opportunity to provide testimony on Bill No. 63-32, "AN ACT TO AMEND §22425(q) OF ARTICLE 4, CHAPTER 22, DIVISION 2, TITLE 5, GUAM CODE ANNOTATED, RELATIVE TO DESIGNATING ADDITIONAL REVENUE DERIVED FROM THE VALUATION OF REAL PROPERTY, DUE TO COMMENCE DURING THE CALENDAR YEARS 2013 AND 2014, TOWARDS THE REPLACEMENT, OR RENOVATION OF, SIMON SANCHEZ HIGH SCHOOL, AND OTHER EDUCATION FACILITIES REQUIRING NEW CONSTRUCTION OR REHABILITATION; AND FOR OTHER EDUCATION-RELATED PURPOSES."

The Guam Economic Development Authority (GEDA) is supportive of the intent of Bill 63-32 as it seeks to fund improvements to educational facilities, will create jobs and will result in an overall economic boost to our economy. However, please note that the Department of Revenue and Taxation will require funds for the commencement of the real property revaluation. Additionally, GEDA notes the following:

- This legislation will take 100% of the new property taxes resulting from the completion of a new property valuation for education related needs
- 60% will go exclusively towards the replacement or renovation of Simon Sanchez High School.
- Up to 20% will be used to purchase new school buses
- The remaining revenue shall be used to fund projects contained in §22425(q), Article 4, Chapter 22, Division 2, Title 5 of the GCA
- The legislation authorizes a General Obligation bond or a municipal lease financing to be floated to obtain these education related goals.

GEDA would like to suggest that a portion of this new revenue be allocated towards the operational needs of the Department of Education as a means to augment increasing costs in this area.

I wish to thank the Committee for the opportunity to present testimony today on Bill No. 63-32. *Si Yu'os Ma'ase!*

Dear Speaker Won Pat,

I write this letter in support of Bill 63-32, to designate additional revenue derived from the valuation of real property due to commence during calendar years 2013 and 2014 towards the replacement or renovation of Simon Sanchez High School and other education facilities requiring new construction or rehabilitation; and for other education related purposes.

I am currently an assistant principal at Simon Sanchez High School. I can certainly verify that we need as much help as we can get for our classrooms. Not only do we lack classrooms, but many of the ones in use are in need of repair or renovation. Our temporary buildings need to be replaced simply because they were designated as "temporary" many years ago. Nowhere else can a student walk in a classroom and have his or her foot go right through the floor; this actually happened to us in one of those temporary buildings.

If construction does actually occur here in our school, I think a new structure behind the science wing or near the tennis courts would be best away from the main building. That way we can still stay on-campus during construction, with minimal disruption. The students can then move into the new building when done and construction can continue once more on the other buildings. I hope this suggestion helps. At any rate, please add me to those in favor of Bill 63-32 to be enacted into law.

Sincerely,

Dennis A. Malliy

Testimonial In Favor of Bill 63-32

Buenas yan Hafa Adai! My name is Rebecca A.R. Duenas, Assistant Principal of Simon A. Sanchez High School. I am hereby providing support in favor of Bill 63-32, which proposes to use revenue from increases in real property tax to replace or renovate Simon Sanchez High School and other education facilities and other educational purposes.

I am in support of this bill for one very simple reason--our school community is in dire need of facilities that do not leak on the first floor and have working toilets that don't get clogged almost on a daily basis. Senators, yes, we have done very well despite the condition of our facilities, but can you imagine the possibilities of what our school would be able to accomplish if we had better facilities? (Just to give you food for thought).

Thank you for allowing me to submit my testimony.

Sincerely,

Testimony in Favor of Bill: 63-32

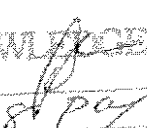

Hafa Adai! My name is Beth N. Perez, Principal of Simon A. Sanchez High School. I am here to testify in support of Bill 63-32. Thank you Speaker Judith Won Pat, Senator Aline Yamashita and Senator Tina Muna-Barnes for introducing this Bill. This Bill gives light at the end of the tunnel for our school community because we know that our facility can significantly be improved if funds were available and this Bill is the avenue in making it happen.

Again, I am in support of Bill 63-32—and behalf of all the past, current and future SHARKS... Thank you again for introducing this Bill.

A.A. Yamashita, Ph.D.

AN ACT TO AMEND §22425(q) OF ARTICLE 4, CHAPTER 22, DIVISION 2, TITLE 5, GUAM CODE ANNOTATED, RELATIVE TO DESIGNATING ADDITIONAL REVENUE DERIVED FROM THE VALUATION OF REAL PROPERTY, DUE TO COMMENCE DURING CALENDAR YEARS 2013 AND 2014, TOWARDS THE REPLACEMENT, OR RENOVATION OF, SIMON SANCHEZ HIGH SCHOOL, AND OTHER EDUCATION FACILITIES REQUIRING NEW CONSTRUCTION OR REHABILITATION; AND FOR OTHER EDUCATION-RELATED PURPOSES.

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan*
3 finds that the Department of Revenue and Taxation recently informed *I*
4 *Liheslatura's* Committee on Aviation, Ground Transportation, Regulatory
5 Concerns, and Future Generations, during an Oversight Hearing held in
6 early March 2013, that the process of completing a valuation of real

1 property is scheduled to commence with the issuance of a Request for
2 Proposal for applicable services.

3 *I Liheslatura* finds that the valuation of real property, which is
4 scheduled to occur during calendar years 2013 and 2014, is expected to
5 yield an upward adjustment of real property payments. Therefore, *I*
6 *Liheslaturan Guåhan* intends for the additional proceeds collected, as a result
7 of the anticipated real property valuation, to be appropriated from the
8 Territorial Education Facilities Fund for the purpose of funding education-
9 related priorities, including the replacement, or renovation of, Simon
10 Sanchez High School, and other education facilities requiring new
11 construction or rehabilitation; and, for other education purposes, including
12 the purchase of new school buses.

13 *I Liheslatura* further intends to authorize *I Maga'låhen Guåhan* to
14 pledge the additional proceeds as a source of payment for a General
15 Obligation bond, or municipal lease financing, secured for the purposes
16 stated herein.

17 **Section 2. Estimated Revenue Report Required.** No later than
18 thirty (30) days following the completion and approval of the valuation of
19 real property, the Director of Revenue and Taxation shall provide a written
20 estimate of the additional revenue that would accrue to the government of
21 Guam as a result of the most recent valuation of real property. The
22 estimate shall be transmitted immediately upon completion to *I*
23 *Liheslaturan Guåhan*.

1 **Section 3. Funding Authorized.** §22425(q) of Article 4, Chapter 22,
2 Division 2, Title 5, Guam Code Annotated, is hereby amended, to read:

3 “(q) Additional bonds for Northern the replacement, or renovation
4 of, Simon Sanchez High School, and other education facilities requiring
5 new construction or rehabilitation, and Asan Elementary School for other
6 education-related purposes. ~~In the event that the debt capacity of the~~
7 ~~government of Guam as limited under §11 of the Organic Act of Guam~~
8 ~~shall, as a result of the triennial property tax valuation now underway, be~~
9 ~~increased by no less than \$101,000,000 the aggregate principal amount of~~
10 ~~bonds authorized under this section shall be increased by \$101,000,000 and~~
11 ~~the following project shall be added to the projects listed in subsection (m)~~
12 ~~of this section:~~

13 (1) ~~Elementary School located in Asan, Guam~~ ———— ~~\$15,000,000~~

14 (2) ~~Northern High School~~ ———— ~~\$86,000,000~~

15 There is hereby appropriated from the Territorial Education Facilities
16 Fund up to sixty percent (60%) of the additional revenue derived as a result
17 of the most recent valuation of real property due to commence during
18 calendar years 2013 and 2014. I Maga'låhen Guåhan is authorized to utilize
19 this appropriation as a source of payment for a General Obligation bond
20 secured for the replacement, or renovation of, Simon Sanchez High School,
21 to include athletic facilities, and other education facilities requiring new
22 construction or rehabilitation. I Maga'låhen Guåhan is further authorized to
23 expend up to twenty percent (20%) of the additional revenue cited herein

1 to purchase new public school buses. In the event that the financing of the
2 projects envisioned in this Subsection are affected by the debt ceiling, the
3 Guam Economic Development Authority may pursue municipal lease
4 financing.

5 The balance of the revenue referenced herein shall remain available
6 to fund projects authorized in accordance with §22425(m) of Article 4,
7 Division 2, Chapter 22, Title 5, Guam Code Annotated."

8 **Section 4. Severability.** If any provision of this Act or its
9 application to any person or circumstance is found to be invalid or contrary
10 to law, such invalidity shall not affect other provisions or applications of
11 this Act which can be given effect without the invalid provisions or
12 application, and to this end the provisions of this Act are severable.

13 **Section 5. Effective Date.** This Act shall be effective upon
14 enactment.

Comments:

The proposed legislation is seeking new additional real property tax revenues based on the reassessment of taxable real properties island wide; however such reassessment is still in the pending stages; therefore, data with respect to identifying the fiscal impact of such reassessment of the property value is not available at this time. However, assumptions on the potential revenues are use to illustrate to the possible outcome of such proposal. Please see attached comment sheet.

AN ACT TO AMEND §22425(q) OF ARTICLE 4, CHAPTER 22, DIVISION 2, TITLE 5, GUAM CODE ANNOTATED, RELATIVE TO DESIGNATING ADDITIONAL REVENUE DERIVED FROM THE VALUATION OF REAL PROPERTY, DUE TO COMMENCE DURING CALENDAR YEARS 2013 AND 2014, TOWARDS THE REPLACEMENT, OR RENOVATION OF, SIMON SANCHEZ HIGH SCHOOL, AND OTHER EDUCATION FACILITIES REQUIRING NEW CONSTRUCTION OR REHABILITATION; AND FOR OTHER EDUCATION-RELATED PURPOSES.

1 BE IT ENACTED BY THE PEOPLE OF GUAM:

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan*
3 finds that the Department of Revenue and Taxation recently informed *I*
4 *Liheslatura's* Committee on Aviation, Ground Transportation, Regulatory
5 Concerns, and Future Generations, during an Oversight Hearing held in
6 early March 2013, that the process of completing a valuation of real

1 property is scheduled to commence with the issuance of a Request for
2 Proposal for applicable services.

3 *I Liheslatura* finds that the valuation of real property, which is
4 scheduled to occur during calendar years 2013 and 2014, is expected to
5 yield an upward adjustment of real property payments. Therefore, *I*
6 *Liheslaturan Guåhan* intends for the additional proceeds collected, as a result
7 of the anticipated real property valuation, to be appropriated from the
8 Territorial Education Facilities Fund for the purpose of funding education-
9 related priorities, including the replacement, or renovation of, Simon
10 Sanchez High School, and other education facilities requiring new
11 construction or rehabilitation; and, for other education purposes, including
12 the purchase of new school buses.

13 *I Liheslatura* further intends to authorize *I Maga'låhen Guåhan* to
14 pledge the additional proceeds as a source of payment for a General
15 Obligation bond, or municipal lease financing, secured for the purposes
16 stated herein.

17 **Section 2. Estimated Revenue Report Required.** No later than
18 thirty (30) days following the completion and approval of the valuation of
19 real property, the Director of Revenue and Taxation shall provide a written
20 estimate of the additional revenue that would accrue to the government of
21 Guam as a result of the most recent valuation of real property. The
22 estimate shall be transmitted immediately upon completion to *I*
23 *Liheslaturan Guåhan*.

1 **Section 3. Funding Authorized.** §22425(q) of Article 4, Chapter 22,
2 Division 2, Title 5, Guam Code Annotated, is hereby amended, to read:

3 “(q) Additional bonds for Northern the replacement, or renovation
4 of, Simon Sanchez High School, and other education facilities requiring
5 new construction or rehabilitation, and Asan Elementary School for other
6 education-related purposes. ~~In the event that the debt capacity of the~~
7 ~~government of Guam as limited under §11 of the Organic Act of Guam~~
8 ~~shall, as a result of the triennial property tax valuation now underway, be~~
9 ~~increased by no less than \$101,000,000 the aggregate principal amount of~~
10 ~~bonds authorized under this section shall be increased by \$101,000,000 and~~
11 ~~the following project shall be added to the projects listed in subsection (m)~~
12 ~~of this section:~~

- 13 (1) ~~Elementary School located in Asan, Guam~~ ———— \$15,000,000
14 (2) ~~Northern High School~~ ————— \$86,000,000

15 There is hereby appropriated from the Territorial Education Facilities
16 Fund up to sixty percent (60%) of the additional revenue derived as a result
17 of the most recent valuation of real property due to commence during
18 calendar years 2013 and 2014. I Maga'låhen Guåhan is authorized to utilize
19 this appropriation as a source of payment for a General Obligation bond
20 secured for the replacement, or renovation of, Simon Sanchez High School,
21 to include athletic facilities, and other education facilities requiring new
22 construction or rehabilitation. I Maga'låhen Guåhan is further authorized to
23 expend up to twenty percent (20%) of the additional revenue cited herein

1 to purchase new public school buses. In the event that the financing of the
2 projects envisioned in this Subsection are affected by the debt ceiling, the
3 Guam Economic Development Authority may pursue municipal lease
4 financing.

5 The balance of the revenue referenced herein shall remain available
6 to fund projects authorized in accordance with §22425(m) of Article 4,
7 Division 2, Chapter 22, Title 5, Guam Code Annotated.”

8 **Section 4. Severability.** If any provision of this Act or its
9 application to any person or circumstance is found to be invalid or contrary
10 to law, such invalidity shall not affect other provisions or applications of
11 this Act which can be given effect without the invalid provisions or
12 application, and to this end the provisions of this Act are severable.

13 **Section 5. Effective Date.** This Act shall be effective upon
14 enactment.
