The public hearing on agenda item Bill No. 98-32 (LS) was called to order at 10:00AM.

II. SUMMARY OF TESTIMONY & DISCUSSION.

Chairman Rodriguez: There are two related subject matter in this Bill. First, it establishes a single, island-wide repository of immunization records. We have been working with the Department since last year. The second part is relative to reporting submissions. Today it is made at the Guam Memorial Hospital and the Bill places it to the Office of Vital Statistics so we can have a more coordinated records. I also know we have set up a separate accounting of the Office of Vital Statistics.

James Gillan: I am here to testify for and against this bill. I am in support of the first part, however, not for the second part of the bill.

Currently, we have the system to which we "opt-in" and this legislation provides us the system of "opt-out," which basically states that "No I do not want my information in the system." The current system we have causes a lot of problems, where it cannot provide an accurate count of children who received immunizations. What we would like to see is the development and establishment of

SENATOR DENNIS G. RODRIGUEZ, JR.

electronic records, which would really help us. We do know that we have small providers who would not go with electronic records. In my confirmation, I made a commitment to have at least 98% will received their immunizations. I still think that we are ways away from that. We still have challenges with the WebIZ system right now, where some physicians input the data, and some do not. This “opt-out” system is the way to go and people have to consciously make the decision of not wanting to be in the system.

On the abortion records, there are some sentiments from the Office of Vital Statistics, which I am not sure of. We would not mind to be the repository of that. Right now, it will be an unfunded mandate. We only have three people in the Office of Vital Statistics, where a lot of work is being done by the three staff. Right now, we are not ready for that. I understand that the Record System at the hospital also needs relief.

Engracia Valencia: Data Quality Insurance for the program. WebIZ captures demographic information data of children and adults on Guam. Currently we have both public and private providers enrolled in our registry, and are able to access the registry including 7 private providers, 21 daycares, 26 public schools, and 1 private school. Basically, I am in support of this bill which benefits children and the parents as well. WebIZ can access their immunization records when people fail to bring in their immunization card.

Senator Rodriguez: One thing that caught my attention is mentioning 26 public schools, but only one private school. Why is that?

Engracia Valencia: because it is not mandated. I also want to mention the New York State passed the law mandating all below the age of 19 years to submit their records including medical histories.

Senator pangelinan: In the New York Legislation you read, did they have an opt-out provision or was it all mandatory?

Engracia Valencia: I would have to look into it, but I know most of them have the “opt-out” provision.

Senator pangelinan: is there a benefit to opting out?

Engracia Valencia: Some parents are concern of privacy. Once a provider is a part of the registry, they can access records from other providers as well.

Senator pangelinan: are there any incentives that we can give parents to discourage them from opting out?

James Gillan: from a Public Health stand point, they all should be in the system. When we do epidemiology for preventable diseases, we want to see all the information but we understand that there are people who value their privacy. If I had it my way, of course, we would like for everybody to be in the system.

SENATOR DENNIS G. RODRIGUEZ, JR.

Senator Pangelinan: When you mention non-communicable diseases, does it include sexually transmitted diseases?

James Gillan: Those are not really vaccine preventable.

Tony Ada: Where does HIPPA fall into this when we talk about privacy?

James Gillan: I think HIPPA allows to access that information when it is medically necessary, but not to simply browse it. You may be able to access but must have some procedures to ensure that providers are not simply browsing for others' information.

Chairman Rodriguez: Going back to the reporting, as a part of the creation of the Office of Vital Statistics fund, perhaps there are sort of assistance that are coming your way. What we are going to have to do is to find the balance. We are looking at both having same struggles.

Carolyn Garrido: Currently, we only have 2 vital statistics admission. We are overwhelmed. We handle about a hundred people making requests of multiple documents. We are also in charge of marriage licenses. To process a marriage license, it takes about an hour. In the meantime we are also processing birth certificates. We are open from 8am to 3:30pm and process off island requests, adoptions, change of names, and others. We do not have the medical training to decipher the medical terms for abortions. I believe that the reporting of abortions should still stay at the Guam Memorial Hospital because they have the training. Yes, we have the revolving fund, where we are mandated to take the unclaimed bodies, which we are going to bury on Friday. We are really overworked.

Senator Rodriguez: I absolutely understand and that is why we established a separate Office of Vital Statistics. Has that been set up already? Where are the other provisions at in terms of helping you?

Carolyn Garrido: I believe we are down at the BBMR already. Yes we are upgrading our computer systems. In the next Fiscal year, we are able to hire at least one other staff. We are very behind on our statistical reporting because we do not have the manpower in doing the reports that we are mandated to do.

Vice Speaker Cruz: I am curious about the unclaimed bodies you will be burying this Friday. Are they fetuses?

Carolyn Garrido: There are four adults. We are mandated to find the funds to bury them.

Vice Speaker Cruz: How long?

Carolyn Garrido: One is since 2010 and no family member has claimed the body.

Chairman Rodriguez: This is why we established this provision because we found out about the unclaimed bodies.

SENATOR DENNIS G. RODRIGUEZ, JR.

Carolyn Garrido: There was a family that was going to claim him, but they didn't push through with it.

Chairman Rodriguez: Since we are in this subject, maybe Alan can speak about it. I understand that some people have a hard time claiming bodies for instances such as homeless or friends of the deceased who no longer have families. What is the continued challenge there?

Carolyn Garrido: The new law that establishes a provision where a person claiming the body must submit a affidavit to the fact that they will be responsible for that person. Then, they take it to Dr. Espinola's office and will then go the Office of Vital Statistics.

Chairman Rodriguez: Is there a time before someone can claim the body?

Carolyn Garrido: All states it's 30 to 60 days, then it would be considered unclaimed.

Chairman Rodriguez: We still need to look at that because we continue to have the problems in that area.

Alan Ulrich: Unfortunately, I do not know about this activity or the issue you are discussing.

Chairman Rodriguez: Okay, regarding the Bill now where we are transferring the abortion report, would you like to testify on that.

Alan Ulrich: The intent of the bill in moving the reporting of records from the hospital to the Office of Vital Statistics. I would just like to ask Sera to comment on this issue.

Sera Rios: We don't do voluntary abortions at the hospital. They are done at clinics that is why I do not understand why GMH is doing the reporting when none are done at the hospital.

Alan Ulrich: Sera informed me that the number of abortion in the hospital is very minimal because of complications where patients are needed to be transfer to the hospital. In general, the hospital does not perform abortion. I understand the concerns of Mr. Gillan and certainly the work that you do at the Vital Statistics and the challenges. It seems that this information is best compiled at the Office of Vital Statistics.

Chairman Rodriguez: When you receive this information, what do you do with it? Do you analyze it and issue report?

Sera Rios: I had to do some research to do the reporting and it takes me less than five hours a month and probably two hours to report it annually. I do an Excel report and report it to Public Health annually.

Chairman Rodriguez: We will have a mark-up meeting for this bill where we can have the both of you present.

SENATOR DENNIS G. RODRIGUEZ, JR.

There being no other testimony, or comments by Senators, Chairman Rodriguez declared the bill as having been heard, and concluded the public hearing on Bill No. 98-32 (LS).

Fiscal Note: Pending request/receipt from COR.

III. FINDINGS AND RECOMMENDATIONS

The Committee on Health & Human Services, Health Insurance Reform, Economic Development and Senior Citizens, hereby reports out Bill No. 98-32 (LS), with the recommendation to

Report Out only.

2013 (FIRST) Regular Session

Bill No. 98 -32 (LS)

Introduced by:

D. G. Rodriguez, Jr. *DR*

**AN ACT TO MANDATE THE ESTABLISHMENT OF A
GUAM IMMUNIZATION REGISTRY, AND TO
PROVIDE FOR THE COORDINATED SUBMISSION
OF OTHER STATISTICAL DATA FOR
COMPILATION AND REPORTING BY THE OFFICE
OF VITAL STATISTICS, BY ADDING A NEW §3210.1
AND AMENDING §3218, ALL OF ARTICLE 2 OF
CHAPTER 3, 10 GCA.**

2013 APR 25 AM 9:08
WPA

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative findings and intent. Section 1. Legislative findings and intent. *I Mina'Trentai Dos Na Liheslaturan Guåhan* finds that there is a significant need for the coordinated collection of immunization records as a means of improving and ensuring proper preventative health care and the protection of the public's safety from contracting communicable diseases. The compilation and tracking of immunization records from birth to adulthood is crucial towards facilitating the Department of Public Health & Social Services (the "Department") mandate to ensure that those required to have mandatory vaccinations are in fact up to date, and that they have been properly administered. Currently, the Department is working under a process, not supported by law, whereby the voluntary signed consent of the patient, or in the case of a minor, the parent or guardian, is required to allow the physician or health care provider to report any vaccination information for input in a Guam Immunization Information System. This "Opt-in" system creates an administrative burden for health care providers. By mandating the submission of immunization information, and changing the process of obtaining

1 records to an “opt-out” process, there will no longer be a need to obtain the signed
2 consent of the patient or the patient’s parent or guardian, in order to be entered into
3 a registry.

4 It is the intent of *I Liheslaturan Guåhan* to establish and maintain a single
5 island-wide repository of immunization records needed to aid, coordinate, and help
6 promote efficient and cost-effective disease screening, prevention and control
7 measures from early age to adulthood. It shall be known as the “*Guam*
8 *Immunization Information System*”. The information to be compiled will allow the
9 Department to assess immunization status, and identify any areas of concern or
10 deficiency that need to be addressed. An efficient mandatory process will also
11 ensure the accuracy of data collected.

12 *I Liheslaturan Guåhan* finds that the compilation and reporting of a partial
13 birth abortion or an abortion is currently the responsibility of the Guam Memorial
14 Hospital Authority. The Guam Memorial Hospital Authority does not, however,
15 generally perform abortions as a generally available health care service under
16 normal circumstances. Further, this responsibility places an unnecessary burden
17 upon GMHA. The responsibility of data collection and compilation would be
18 better coordinated if the responsibility is transferred to the Office of Vital Statistics
19 under the Department of Public Health and Social Services. It is the intent of *I*
20 *Liheslaturan Guåhan* to transfer this responsibility to the Department of Public
21 Health and Social Services, provided, however, all mandatory reporting content
22 required, aside from the department to which the reporting shall be reported, shall
23 remain the same.

24 **Section 2:** A new § 3210.1 is added to Article 2, Chapter 3, Title 10, Guam
25 Code Annotated, to read:

26 **“§3210.1. Guam Immunization Information System.**

27 (a) All health care providers performing immunizations to children and
28 adults shall submit immunization reports to the Department of Public Health and

1 Social Services (“Department”) in a manner compliant with guidelines for
2 submissions issued by the Department which *shall*, at a minimum, indicate the
3 name, date, age, and gender, and specific immunization received by the patient.

4 (1) All immunization records and reports made for the purposes of
5 compliance with this Section that directly or indirectly identify a person
6 *shall* be kept confidential and shall not be disclosed, *except* under the
7 following conditions:

8 (A) The person identified, the person’s legal guardian, or in the case
9 of a minor, the minor’s parent or legal guardian consents;

10 (B) Disclosure is deemed necessary by the Director of the
11 Department to carry out purposes and intent of this chapter;

12 (C) A court directs upon its determination that disclosure is necessary
13 for the conduct of proceedings before it;

14 (D) The disclosure is made between the person’s healthcare provider
15 and payer to obtain reimbursement for services rendered to the person;
16 provided that disclosure shall be made only if the provider informs the
17 person that a reimbursement claim will be made to the person’s payer,
18 the person is afforded an opportunity to pay the reimbursement
19 directly, and the person does not pay; or

20 (E) The Department of Public Health and Social Services releases
21 aggregate immunization information that does not disclose any
22 identifying information of persons whose information is maintained in
23 the registry.

24 (2) Registry information shall be limited to patient name,
25 demographic information, and contact information; information specific to
26 immunizations or medication received by the patient, including types,
27 manufacturers, lots numbers, expiration dates, anatomical sites of
28 administration, routes of administration, vaccine information statement

1 publication dates, doses, dates administered, the patient's history of vaccine,
2 preventable diseases, and contraindications, precautions, adverse reactions
3 to, or comments regarding immunization or medications; and the name and
4 contact information of the vaccination administrator or medication provider
5 and the patient's healthcare provider.

6 (3) The Department of Public Health and Social Services shall adopt
7 administrative, physical, and technical measures to ensure the security of the
8 registry; protect the confidentiality, integrity, and availability of registry
9 data; and prevent unauthorized access to registry information.

10 (b) Purpose for access to registry information; access not disclosure.

11 (1) Notwithstanding (a)(1), it shall not be a disclosure for the persons
12 listed in Paragraphs (2), (3), (4) and (5) of this Subsection to have limited
13 access to registry information for the purposes specified in each subsection.

14 (2) Registry information regarding specific individuals in the registry
15 may be accessed by authorized healthcare providers who are treating, have
16 treated, or have been assigned to treat those individuals; by authorized
17 employees of these healthcare providers; and, by authorized DPHSS health
18 personnel assigned to monitor the immunization or health status of those
19 individuals for the purposes of:

20 (A) Recording the administration of any vaccination, including
21 pandemic influenza vaccine;

22 (B) Determining the immunization history of a patient to
23 deliver healthcare treatment accordingly;

24 (C) Notifying individuals or parents or legal guardians of the
25 need to schedule a visit for an immunization;

26 (D) Generating official immunization records;

27 (E) Ensuring compliance with mandatory immunization
28 requirements;

1 (F) Recording the distribution of the prophylactic and
2 treatment medications administered or dispensed in preparation
3 for and in response to a potentially catastrophic disease threat;

4 or,

5 (G) Complying with Guam Immunization Program.

6 (3) Registry information regarding specific individuals in the registry
7 may be accessed by school and post-secondary school personnel authorized
8 by the director of Public Health and Social Services, superintendent of the
9 Guam Department of Education, or the administrator of a private or post-
10 secondary school for the purpose of ensuring compliance with mandatory
11 student immunization requirements.

12 (4) Registry information regarding specific individuals in the registry
13 may be accessed by authorized health organizations that have been
14 contracted to provide health insurance or health plan coverage for those
15 individuals; provided that access is limited to only the enrollees, members,
16 subscribers, and insured of the authorized health organization, and for the
17 purpose of producing an immunization assessment report by the authorized
18 health organization.

19 (5) Registry information regarding specific individuals in the registry
20 may be accessed by the Department or agents of the Department for
21 purposes of:

22 (A) Ensuring compliance with mandatory immunization
23 requirements;

24 (B) Performing immunization related quality improvement or
25 quality assessment activities;

26 (C) Complying with Guam Vaccines for Children and/or other
27 provided vaccine programs, vaccine ordering and accountability
28 policies and procedures;

1 (D) Producing aggregate immunization assessment reports to
2 monitor and improve public health;

3 (E) Supporting efforts to prevent and manage outbreaks of
4 vaccine-preventable diseases, including pandemic influenza;

5 (F) Assisting the Department in the event of a public health
6 emergency; or

7 (G) Managing and maintaining the Guam Immunization
8 Registry system.

9 (6) The use of the registry information accessed pursuant to this
10 Section shall be limited to authorized vendor for registry development,
11 maintenance and support.

12 (c) Registry record requirements.

13 (1) The establishment of an individual's record in the registry *shall*
14 *not* require the prior consent of a patient, the consent of a patient, or the consent of
15 a patient's parent or legal guardian in the case of a minor or dependent. The
16 Department shall make available to the patient or patient's parent or legal guardian
17 in the case of a minor or dependent, via the patient's health care provider or
18 birthing hospital, a written description of the purpose and benefits of the Guam
19 Immunization Information System, as well as the procedure for refusing inclusion
20 in the registry."

21 **Section 3.** §3218 of Article 2, Chapter 3, 10 GCA, is amended, to read:

22 **"§ 3218. Partial-Birth Abortion and Abortion Report.**

23 (a) An individual abortion report for each abortion shall be completed by
24 the mother's attending physician, and shall be transmitted directly to the Office of
25 Vital Statistics of the Department of Public Health & Social Services. The report

1 shall be confidential and it shall not contain the name of the mother involved. This
2 report shall include:

- 3 (1) Patient number;
- 4 (2) Name and address of the abortion facility or hospital;
- 5 (3) Date of the abortion;
- 6 (4) Zip code or other residential identification of the pregnant
7 woman;
- 8 (5) Age of the pregnant woman;
- 9 (6) Ethnic origin of the pregnant woman;
- 10 (7) Marital status of the pregnant woman;
- 11 (8) Number of previous pregnancies;
- 12 (9) Number of years of education of the pregnant woman;
- 13 (10) Number of living children;
- 14 (11) Number of previous induced abortions;
- 15 (12) Date of the last induced abortion;
- 16 (13) Date of the last live birth;
- 17 (14) Method of contraception used, if any, at the time of conception;
- 18 (15) Date of the beginning of the last menstrual period;
- 19 (16) Medical condition of the pregnant woman at the time of abortion;
- 20 (17) RH type of the pregnant woman;
- 21 (18) Type of abortion procedure used;
- 22 (19) Complications, if any;
- 23 (20) Type of procedure done after the abortion;
- 24 (21) Type of family planning recommended;
- 25 (22) Type of additional counseling given, if any;
- 26 (23) Signature of attending physician; and
- 27 (24) Certification provided for in this section.

1 (b) An individual complication report for any post-abortion care performed
2 upon a woman shall be completed by the physician providing such post-abortion
3 care. This report shall include:

4 (1) Date of the abortion;

5 (2) Name and the address of the medical facility, abortion facility or
6 hospital where the abortion was performed; and

7 (3) Nature of the abortion complication diagnosed or treated.

8 (c) All abortion reports shall be signed by the attending physician and shall
9 be submitted to the Office of Vital Statistics ~~Guam Memorial Hospital Medical~~
10 ~~Records Section~~ within thirty (30) days from the date of the abortion. All
11 complication reports shall be signed by the physician providing the post abortion
12 care and submitted to the Office of Vital Statistics ~~Guam Memorial Hospital~~
13 ~~Medical Records Section~~ within thirty (30) days from the date of the post-abortion
14 care.

15 (d) A copy of the abortion report shall be made a part of the medical record
16 of the patient in the facility or hospital in which the abortion was performed.

17 (e) The Office of Vital Statistics ~~Guam Memorial Hospital Medical Records~~
18 ~~Section~~ shall be responsible for collecting all abortion reports and complication
19 reports, and collating and evaluating all data gathered therefrom, and shall annually
20 publish a statistical report based on such data from abortions performed in the
21 previous calendar year.

22 (f) The Office of Vital Statistics ~~Guam Memorial Hospital Medical Records~~
23 ~~Section~~ shall make available to physicians performing abortions in Guam, forms
24 for both abortion reports and post-abortion care reports, as provided in subsections
25 (a) and (b) of this section.

26 (g) All information in abortion reports and post-abortion care reports and
27 the reports themselves shall be confidential. Information and records may be
28 disclosed only in communications between qualified professional persons in the

1 provision of services or in statistical form for research purposes as required by
2 subsection (e) of this section.

3 (h) Any person who releases confidential information in violation of
4 subsection (g) of this section shall be guilty of a misdemeanor.

5 (i) Any person may bring an action against an individual who has willfully
6 and knowingly released confidential information about such person in violation of
7 subsection (g) of this section for the greater of the following amounts:

8 (1) Five Hundred Dollars (\$500); or

9 (2) Three (3) times the amount of actual damages, if any, sustained by the
10 plaintiff, reasonable attorney's fees and the costs of the action. It is not a
11 prerequisite to an action under this subsection that the plaintiff suffer or be
12 threatened with actual damages.

13 (j) *If* a physician performs a partial-birth abortion on the woman, the
14 physician *shall* report such determination and the reasons for such determination in
15 writing to the medical care facility in which the abortion is performed for inclusion
16 in the report of the medical care facility to the Office of Vital Statistics ~~Guam~~
17 ~~Memorial Hospital Medical Records Section~~ and to the Guam Board of Medical
18 Examiners, *or if* the abortion is *not* performed in a medical care facility, the
19 physician *shall* report the reasons for such determination in writing to the Office of
20 Vital Statistics ~~Guam Memorial Hospital Medical Records Section~~ and to the
21 Guam Board of Medical Examiners as part of the written report made by the
22 physician to the Office of Vital Statistics ~~Guam Memorial Hospital Medical~~
23 ~~Records Section~~ and to the Guam Board of Medical Examiners. The physician
24 *shall* retain a copy of the written reports required under this Section for *not less*
25 *than* five (5) years.

26 (k) Failure to report under this Section will subject physicians to a fine of *no*
27 *less than* Ten Thousand Dollars (\$10,000), but *no more than* One Hundred
28 Thousand Dollars (\$100,000) per offense.

1 (l) Subsection (k) does *not* preclude sanctions *or* disciplinary action *or* any
2 other appropriate action by the Guam Board of Medical Examiners.

3 (m) The Office of Vital Statistics ~~Guam Memorial Hospital Medical~~
4 ~~Records Section~~ shall compile and retain all partial-birth abortion reports it
5 receives under this Section and collate and evaluate all data gathered therefrom,
6 and shall annually publish a statistical report based on such data from partial-birth
7 abortions performed in the previous calendar year *no later than* January 31st of the
8 following
9 calendar year.

10 (n) The Office of Vital Statistics ~~Guam Memorial Hospital Medical Records~~
11 ~~Section~~ shall make available to physicians performing partial-birth abortions in
12 Guam and the Guam Board of Medical Examiners forms for partial-birth abortion
13 reports.

14 (o) All information in partial-birth abortion reports the Office of Vital
15 Statistics ~~Guam Memorial Hospital Medical Records Section~~ receives shall be
16 confidential. Information and reports may be disclosed only in communications
17 between qualified professional persons in the provisions of services *or* in statistical
18 form for research purposes.

19 (p) Any person who releases confidential information in violation of
20 subsection (o) of this Section shall be guilty of a misdemeanor.”

I MINA 'TRENTAI DOS NA LIHESLATURAN GUÅHAN
2013 (FIRST) Regular Session

Bill No. 98-32 (LS), as Substituted
Committee on Health & Human Services,
Health Insurance Reform, Economic
Development and Senior Citizens

Introduced by:

D. G. Rodriguez, Jr.

**AN ACT TO MANDATE THE ESTABLISHMENT OF A
GUAM IMMUNIZATION REGISTRY, AND TO
PROVIDE FOR THE COORDINATED SUBMISSION
OF OTHER STATISTICAL DATA FOR
COMPILATION AND REPORTING BY THE OFFICE
OF VITAL STATISTICS, BY ADDING A NEW §3210.1
AND AMENDING §3218, ALL OF ARTICLE 2 OF
CHAPTER 3, 10 GCA.**

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative findings and intent. Section 1. Legislative findings and intent. *I Mina'Trentai Dos Na Liheslaturan Guåhan* finds that there is a significant need for the coordinated collection of immunization records as a means of improving and ensuring proper preventative health care and the protection of the public's safety from contracting communicable diseases. The compilation and tracking of immunization records from birth to adulthood is crucial towards facilitating the Department of Public Health & Social Services (the "Department") mandate to ensure that those required to have mandatory vaccinations are in fact up to date, and that they have been properly administered. Currently, the Department is working under a process, not supported by law, whereby the voluntary signed consent of the patient, or in the case of a minor, the parent or guardian, is required to allow the physician or health care provider to report any vaccination information for input in a Guam Immunization Information System. This "Opt-in" system

1 creates an administrative burden for health care providers. By mandating the
2 submission of immunization information, and changing the process of obtaining
3 records to an “opt-out” process, there will no longer be a need to obtain the signed
4 consent of the patient or the patient’s parent or guardian, in order to be entered into
5 a registry.

6 It is the intent of *I Liheslaturan Guåhan* to establish and maintain a single
7 island-wide repository of immunization records needed to aid, coordinate, and help
8 promote efficient and cost-effective disease screening, prevention and control
9 measures from early age to adulthood. It shall be known as the “*Guam*
10 *Immunization Information System*”. The information to be compiled will allow the
11 Department to assess immunization status, and identify any areas of concern or
12 deficiency that need to be addressed. An efficient mandatory process will also
13 ensure the accuracy of data collected.

14 *I Liheslaturan Guåhan* finds that the compilation and reporting of a partial
15 birth abortion or an abortion is currently the responsibility of the Guam Memorial
16 Hospital Authority. The Guam Memorial Hospital Authority does not, however,
17 generally perform abortions as a generally available health care service under
18 normal circumstances. Further, this responsibility places an unnecessary burden
19 upon GMHA. The responsibility of data collection and compilation would be
20 better coordinated if the responsibility is transferred to the Office of Vital Statistics
21 under the Department of Public Health and Social Services. It is the intent of *I*
22 *Liheslaturan Guåhan* to transfer this responsibility to the Department of Public
23 Health and Social Services, provided, however, all mandatory reporting content
24 required, aside from the department to which the reporting shall be reported, shall
25 remain the same.

26 **Section 2:** A new § 3210.1 is added to Article 2, Chapter 3, Title 10, Guam
27 Code Annotated, to read:

28 **“§3210.1. Guam Immunization Information System.**

1 (a) All health care providers performing immunizations to children and
2 adults shall submit immunization reports to the Department of Public Health and
3 Social Services (“Department”) in a manner compliant with guidelines for
4 submissions issued by the Department which *shall*, at a minimum, indicate the
5 name, date, age, and gender, and specific immunization received by the patient.

6 (1) All immunization records and reports made for the purposes of
7 compliance with this Section that directly or indirectly identify a person
8 *shall* be kept confidential and shall not be disclosed, *except* under the
9 following conditions:

10 (A) The person identified, the person’s legal guardian, or in the case
11 of a minor, the minor’s parent or legal guardian consents;

12 (B) Disclosure is deemed necessary by the Director of the
13 Department to carry out purposes and intent of this chapter;

14 (C) A court directs upon its determination that disclosure is necessary
15 for the conduct of proceedings before it;

16 (D) The disclosure is made between the person’s healthcare provider
17 and payer to obtain reimbursement for services rendered to the person;
18 provided that disclosure shall be made only if the provider informs the
19 person that a reimbursement claim will be made to the person’s payer,
20 the person is afforded an opportunity to pay the reimbursement
21 directly, and the person does not pay; or

22 (E) The Department of Public Health and Social Services releases
23 aggregate immunization information that does not disclose any
24 identifying information of persons whose information is maintained in
25 the registry.

26 (2) Registry information shall be limited to patient name,
27 demographic information, and contact information; information specific to
28 immunizations or medication received by the patient, including types,

1 manufacturers, lots numbers, expiration dates, anatomical sites of
2 administration, routes of administration, vaccine information statement
3 publication dates, doses, dates administered, the patient's history of vaccine,
4 preventable diseases, and contraindications, precautions, adverse reactions
5 to, or comments regarding immunization or medications; and the name and
6 contact information of the vaccination administrator or medication provider
7 and the patient's healthcare provider.

8 (3) The Department of Public Health and Social Services shall adopt
9 administrative, physical, and technical measures to ensure the security of the
10 registry; protect the confidentiality, integrity, and availability of registry
11 data; and prevent unauthorized access to registry information.

12 (b) Purpose for access to registry information; access not disclosure.

13 (1) Notwithstanding (a)(1), it shall not be a disclosure for the persons
14 listed in Paragraphs (2), (3), (4) and (5) of this Subsection to have limited
15 access to registry information for the purposes specified in each subsection.

16 (2) Registry information regarding specific individuals in the registry
17 may be accessed by authorized healthcare providers who are treating, have
18 treated, or have been assigned to treat those individuals; by authorized
19 employees of these healthcare providers; and, by authorized DPHSS health
20 personnel assigned to monitor the immunization or health status of those
21 individuals for the purposes of:

22 (A) Recording the administration of any vaccination, including
23 pandemic influenza vaccine;

24 (B) Determining the immunization history of a patient to
25 deliver healthcare treatment accordingly;

26 (C) Notifying individuals or parents or legal guardians of the
27 need to schedule a visit for an immunization;

28 (D) Generating official immunization records;

1 (E) Ensuring compliance with mandatory immunization
2 requirements;

3 (F) Recording the distribution of the prophylactic and
4 treatment medications administered or dispensed in preparation
5 for and in response to a potentially catastrophic disease threat;
6 or,

7 (G) Complying with Guam Immunization Program.

8 (3) Registry information regarding specific individuals in the registry
9 may be accessed by school and post-secondary school personnel authorized
10 by the director of Public Health and Social Services, superintendent of the
11 Guam Department of Education, or the administrator of a private or post-
12 secondary school for the purpose of ensuring compliance with mandatory
13 student immunization requirements.

14 (4) Registry information regarding specific individuals in the registry
15 may be accessed by authorized health organizations that have been
16 contracted to provide health insurance or health plan coverage for those
17 individuals; provided that access is limited to only the enrollees, members,
18 subscribers, and insured of the authorized health organization, and for the
19 purpose of producing an immunization assessment report by the authorized
20 health organization.

21 (5) Registry information regarding specific individuals in the registry
22 may be accessed by the Department or agents of the Department for
23 purposes of:

24 (A) Ensuring compliance with mandatory immunization
25 requirements;

26 (B) Performing immunization related quality improvement or
27 quality assessment activities;

1 (C) Complying with Guam Vaccines for Children and/or other
2 provided vaccine programs, vaccine ordering and accountability
3 policies and procedures;

4 (D) Producing aggregate immunization assessment reports to
5 monitor and improve public health;

6 (E) Supporting efforts to prevent and manage outbreaks of
7 vaccine-preventable diseases, including pandemic influenza;

8 (F) Assisting the Department in the event of a public health
9 emergency; or

10 (G) Managing and maintaining the Guam Immunization
11 Registry system.

12 (6) The use of the registry information accessed pursuant to this
13 Section shall be limited to authorized vendor for registry development,
14 maintenance and support.

15 (c) Registry record requirements.

16 (1) The establishment of an individual's record in the registry *shall*
17 *not* require the prior consent of a patient, the consent of a patient, or the consent of
18 a patient's parent or legal guardian in the case of a minor or dependent. The
19 Department shall make available to the patient or patient's parent or legal guardian
20 in the case of a minor or dependent, via the patient's health care provider or
21 birthing hospital, a written description of the purpose and benefits of the Guam
22 Immunization Information System, as well as the procedure for refusing inclusion
23 in the registry.”

24 **Section 3.** §3218 of Article 2, Chapter 3, 10 GCA, is amended, to read:

25 **“§ 3218. Partial-Birth Abortion and Abortion Report.**

1 (a) An individual abortion report for each abortion shall be completed by
2 the mother's attending physician, and shall be transmitted directly to the Office of
3 Vital Statistics of the Department of Public Health & Social Services. The report
4 shall be confidential and it shall not contain the name of the mother involved. This
5 report shall include:

- 6 (1) Patient number;
- 7 (2) Name and address of the abortion facility or hospital;
- 8 (3) Date of the abortion;
- 9 (4) Zip code or other residential identification of the pregnant
10 woman;
- 11 (5) Age of the pregnant woman;
- 12 (6) Ethnic origin of the pregnant woman;
- 13 (7) Marital status of the pregnant woman;
- 14 (8) Number of previous pregnancies;
- 15 (9) Number of years of education of the pregnant woman;
- 16 (10) Number of living children;
- 17 (11) Number of previous induced abortions;
- 18 (12) Date of the last induced abortion;
- 19 (13) Date of the last live birth;
- 20 (14) Method of contraception used, if any, at the time of conception;
- 21 (15) Date of the beginning of the last menstrual period;
- 22 (16) Medical condition of the pregnant woman at the time of abortion;
- 23 (17) RH type of the pregnant woman;
- 24 (18) Type of abortion procedure used;
- 25 (19) Complications, if any;
- 26 (20) Type of procedure done after the abortion;
- 27 (21) Type of family planning recommended;
- 28 (22) Type of additional counseling given, if any;

1 (23) Signature of attending physician; and

2 (24) Certification provided for in this section.

3 (b) An individual complication report for any post-abortion care performed
4 upon a woman shall be completed by the physician providing such post-abortion
5 care. This report shall include:

6 (1) Date of the abortion;

7 (2) Name and the address of the medical facility, abortion facility or
8 hospital where the abortion was performed; and

9 (3) Nature of the abortion complication diagnosed or treated.

10 (c) All abortion reports shall be signed by the attending physician and shall
11 be submitted to the Office of Vital Statistics ~~Guam Memorial Hospital Medical~~
12 ~~Records Section~~ within thirty (30) days from the date of the abortion. All
13 complication reports shall be signed by the physician providing the post abortion
14 care and submitted to the Office of Vital Statistics ~~Guam Memorial Hospital~~
15 ~~Medical Records Section~~ within thirty (30) days from the date of the post-abortion
16 care.

17 (d) A copy of the abortion report shall be made a part of the medical record
18 of the patient in the facility or hospital in which the abortion was performed.

19 (e) The Office of Vital Statistics ~~Guam Memorial Hospital Medical Records~~
20 ~~Section~~ shall be responsible for collecting all abortion reports and complication
21 reports, and collating and evaluating all data gathered therefrom, and shall annually
22 publish a statistical report based on such data from abortions performed in the
23 previous calendar year.

24 (f) The Office of Vital Statistics ~~Guam Memorial Hospital Medical Records~~
25 ~~Section~~ shall make available to physicians performing abortions in Guam, forms
26 for both abortion reports and post-abortion care reports, as provided in subsections
27 (a) and (b) of this section.

1 (g) All information in abortion reports and post-abortion care reports and
2 the reports themselves shall be confidential. Information and records may be
3 disclosed only in communications between qualified professional persons in the
4 provision of services or in statistical form for research purposes as required by
5 subsection (e) of this section.

6 (h) Any person who releases confidential information in violation of
7 subsection (g) of this section shall be guilty of a misdemeanor.

8 (i) Any person may bring an action against an individual who has willfully
9 and knowingly released confidential information about such person in violation of
10 subsection (g) of this section for the greater of the following amounts:

11 (1) Five Hundred Dollars (\$500); or

12 (2) Three (3) times the amount of actual damages, if any, sustained by the
13 plaintiff, reasonable attorney's fees and the costs of the action. It is not a
14 prerequisite to an action under this subsection that the plaintiff suffer or be
15 threatened with actual damages.

16 (j) *If* a physician performs a partial-birth abortion on the woman, the
17 physician *shall* report such determination and the reasons for such determination in
18 writing to the medical care facility in which the abortion is performed for inclusion
19 in the report of the medical care facility to the Office of Vital Statistics ~~Guam~~
20 ~~Memorial Hospital Medical Records Section~~ and to the Guam Board of Medical
21 Examiners, *or if* the abortion is *not* performed in a medical care facility, the
22 physician *shall* report the reasons for such determination in writing to the Office of
23 Vital Statistics ~~Guam Memorial Hospital Medical Records Section~~ and to the
24 Guam Board of Medical Examiners as part of the written report made by the
25 physician to the Office of Vital Statistics ~~Guam Memorial Hospital Medical~~
26 ~~Records Section~~ and to the Guam Board of Medical Examiners. The physician
27 *shall* retain a copy of the written reports required under this Section for *not less*
28 *than* five (5) years.

1 (k) Failure to report under this Section will subject physicians to a fine of *no*
2 *less than* Ten Thousand Dollars (\$10,000), but *no more than* One Hundred
3 Thousand Dollars (\$100,000) per offense.

4 (l) Subsection (k) does *not* preclude sanctions *or* disciplinary action *or* any
5 other appropriate action by the Guam Board of Medical Examiners.

6 (m) The Office of Vital Statistics ~~Guam Memorial Hospital Medical~~
7 ~~Records Section~~ *shall* compile and retain all partial-birth abortion reports it
8 receives under this Section and collate and evaluate all data gathered therefrom,
9 and *shall* annually publish a statistical report based on such data from partial-birth
10 abortions performed in the previous calendar year *no later than* January 31st of the
11 following
12 calendar year.

13 (n) The Office of Vital Statistics ~~Guam Memorial Hospital Medical Records~~
14 ~~Section~~ *shall* make available to physicians performing partial-birth abortions in
15 Guam and the Guam Board of Medical Examiners forms for partial-birth abortion
16 reports.

17 (o) All information in partial-birth abortion reports the Office of Vital
18 Statistics ~~Guam Memorial Hospital Medical Records Section~~ receives *shall* be
19 confidential. Information and reports may be disclosed only in communications
20 between qualified professional persons in the provisions of services *or* in statistical
21 form for research purposes.

22 (p) Any person who releases confidential information in violation of
23 subsection (o) of this Section *shall* be guilty of a misdemeanor.”

24 **Section 4: Severability.** *If* any provision of this Law or its application to
25 any person or circumstance is found to be invalid or contrary to law, such
26 invalidity shall *not* affect other provisions or applications of this Law which can be
27 given effect without the invalid provisions or applications, and to this end the
28 provisions of this Law are severable.

1 **Section 5: Effective Date.** This act *shall* be immediately effective upon
2 enactment, provided, however, for the purposes providing the Office of Vital
3 Statistics, Department of Public Health and Social Services, adequate time for the
4 development and preparation of, but not limited to, guidelines, forms, other
5 requisite documentation and procedures required for implementation, the
6 mandatory reporting provisions pursuant to this Act shall be effective ninety (90)
7 after enactment, and during which time the current reporting requirements shall
8 continue so as to ensure the uninterrupted collection of data.
