The Senator thanked the nominee for still wanting to serve back in to the government but in a different capacity and ensuring that again all our children are well educated, well informed, the parents are well informed, and bridging that gap with communication. The Senator noted where the military discipline comes in because she always want to make sure that chain of command, or that information is free flowing both up and down and that everyone stays informed. Re: Charlene Concepcion, Parent Representative for Education Board Nominee

Buenas yan hafa adai, Madam Speaker,

I am writing this letter in support of the appointment of Ms. Charlene Concepcion as a Parent Representative for the Education Board. My name is Raquel Flores and I have been a teacher for the Guam Department of Education for over 19 years.

Ms. Concepcion was the parent of one of my former students last school year 2012-2013. As a parent, she displayed much support and actively participated in her daughter's education and achievements in my class. She was always involved and ready to provide assistance not only in her child's success but the class as well. Her daughter's outstanding scholastic achievements along with her exceptional citizenship is testimony of her involvement as a parent.

I support Ms. Concepcion's appointment and feel that she will definitely represent the parents of our school system well. I am certain that Ms. Concepcion will be an asset to the board. If you have any questions, please feel free to contact me at 300-1035 x 6505.

As Commander, it is with great pleasure that I write this letter of recommendation for SrA Charlene Concepcion, Financial Services Technician for the 254th Comptroller Flight, Guam Air National Guard. Without a doubt, SrA Concepcion contributed significantly to the federal and state missions of the Guam Air National Guard and the Island of Guam. She adds value to the organization and brings a wealth of experience, knowledge, and allegiance to the fight. SrA Concepcion is the right candidate to fill the appointment as the Guam Education Board Parent Representative and my pick for this position.

I have had the wonderful privilege of working with SrA Concepcion this past year while she held the Temporary Technician then Temporary Active Guard Reserve position as Staff Accountant for the 254th Comptroller Flight. Her maturity and willingness to learn a new area of Finance was refreshing to the organization. Admirable traits of this bright airman include the following: achievement oriented, analytical thinker, effective presenter, and highly articulate. Airman Concepcion is responsible and will undoubtedly be well suited for this appointment. SrA Concepcion is a team player and eagerly takes on tasks as they come her way, supporting leadership at all levels to complete the mission and accomplish the objectives.

Currently detailed to the 254th RED HORSE Squadron, SrA Concepcion continues to exhibit the same level of commitment and energy in her new surroundings. In the very brief time spent with this unit thus far, she has participated in their mobility readiness training, brought their Government Travel Card program up to speed, and educated the members on their financial responsibilities. A truly outstanding airman, regardless of where you place her.

Should you need any additional information, please contact the undersigned at (671) 366-3907 or via email at veronica.reyes@ang.af.mil.

Sincerely,

VERONICA M. REYES, Capt, GUANG

Dear Speaker Won Pat:

Hafa Adai! This letter is in support of the Governor of Guam's nomination of Charlene D. Concepcion to serve as a Member of the Guam Education Board.

I had the privilege of working with Mrs. Concepcion during my appointment as a Senior Staff member of the Office of the Governor of Guam from 2003-2010. She joined the Office of the Governor following a brief stint as an Executive Secretary at the Guam Department of Public Works. She came highly regarded to the Executive Branch from the Legislative Branch where she served many years as a Staff Assistant to the late Former-Speaker Antonio Umpingco. Mrs. Concepcion quickly gained the trust and support of all the staff of Former Governor Felix P. Camacho serving as Staff Assistant and Scheduling Officer. Her professionalism and expert understanding of the operations of the Executive Branch served the Office of the Governor well until the expiration of her appointment.

As Executive Assistant and later Deputy Chief of Staff, I worked daily with Mrs. Concepcion and appreciated her advice and support of the Governor of Guam. Her collective experiences allowed the group charged with the daily management of the Governor's Schedule to be able to better serve him-both on-island and abroad. Additionally, her attention to detail and knowledge of the operations of the branches of the Government of Guam made Mrs. Concepcion a vital link in the intergovernmental relations process.

Education is a key part of Charlene's life. She was diligent in her training in support of her important role with Former Governor Camacho-supported by the National Governors Association. Charlene also took this a step further during her tenure at the Governor's Office-taking evening classes at the Guam Community College successfully earning an Associates' Degree and soon after enlisting in the United States Air Force and joining the Guam Air National Guard. This act was with full support of her husband and seven children and was an inspiration to all of the appointed and professional staff at the Ricardo J. Bordallo Governors' Complex.

As a parent of public school students, Mrs. Concepcion will be a valuable voice to grow student achievement in Guam. Her skills will certainly complement the communication between the Board and parents island-wide. Her public policy experience will be of significant value to the Department of Education and Guam policy makers alike. I am confident Mrs. Concepcion will be a valuable advocate for programs and policies linking students and parents and the respective school communities in which they live and learn.

Our island community is best served with people like Charlene D. Concepcion. As a former colleague, friend and parent of public school children myself, I humbly ask for your consideration to allow Charlene D. Concepcion to serve the Guam Education Board, where I am certain she will serve the people of Guam with distinction.

Sincerely,

Speaker, 32nd Guam Legislature

Dear Speaker Judith Won Pat,

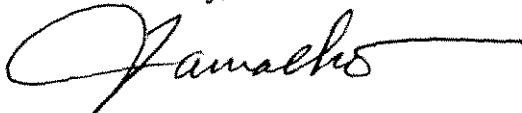

It is my honor to submit testimony in support of Mrs. Charlene D. Concepcion for the appointed position of Guam Education Board Parent Representative. I know she will be a very capable, informed, and active member of the board in her representative role for all parents and their concerns with the Department of Education.

As a mother of seven children that have all received their education in our public school system, she is personally and keenly aware of the many issues within DOE. Having worked for the late Speaker Antonio R. Unpingco for many years, for myself at the Office of the Governor, the Department of Public Works, Guam Economic Development Authority, and presently with the Guam Air National Guard as a Financial Management Specialist, Charlene offers much experience with different branches of government and a keen understanding of the many complex issues facing GDOE. Throughout her years of employment, Mrs. Concepcion has also pursued higher education by taking courses at GCC as a part time student. In 2008 she received her associates degree from GCC and is currently pursuing her undergraduate studies at the University of Maryland, AAFB.

It is quite obvious education is her passion, but in addition to providing for her children, Charlene is an avid supporter of her children in the many community sports programs they are involved in such as baseball, softball, soccer, and other extra-curricular activities they may be involved in. Charlene is truly dedicated to her children and thus is very much involved in the community. This type of activity gives her much exposure to the community as a parent, student, and employee. All these attributes are part of the skill-sets and awareness she will bring to the Board of Education as a Parent Representative.

It is with much pride and humility that I submit my recommendation for Charlene D. Concepcion to serve as the Parent Representative to the Board of Education. Thank you for your kind consideration.

Sincerely,

Dear Speaker Won Pat,

I am very pleased to endorse Mrs. Charlene Concepcion for the position as a Parent Representative for the Guam Education Board. Mrs. Concepcion is an exceptional member of the comptroller flight and provides valuable support to the entire organization. Our unit has been very fortunate to have Mrs. Concepcion provide direct support wherein she has streamlined a number of processes and ensured compliance in the financial management administration for over one hundred fifty members. I believe her technical knowledge of financial compliance will be a tremendous asset to the Guam Education Board to ensure fiduciary responsibility of public funds and overall well-being of our children's education.

In addition to being a technical expert, Mrs. Concepcion has always demonstrated solid character and integrity. As a member of the profession of arms, professionalism and honor are at the core of our service. Mrs. Concepcion exemplifies these values day in and day out. I have seen her perform in some stressful situations and her calm disposition has proven valuable to address even the most sensitive issues. She always maintains her bearing and integrity within the workplace providing the recommendations that are legally and morally correct. I believe that these traits and qualities would be invaluable in her support as a public servant serving the Guam Education Board.

Mrs. Concepcion's technical background, professionalism, and integrity are the foundation for her success with our organization. I have no doubt that she will bring these same qualities as well as the energy to her role as a Parent's Representative to the Guam Education Board if given the opportunity. If you should have any questions or require additional information, please do not hesitate to contact me at 366-4000 or frankthomas.blaz@us.af.mil.

Håfa Adai Speaker Won Pat!

Si Yu'os Ma'ase for allowing me to submit testimony in support of the appointment of Charlene D. Concepcion to the Guam Education Board as a parent representative.

I've known Charlene for quite some time. She served as my executive assistant when I was the Administrator of the Guam Economic Development Authority. She helped to coordinate board meetings and performed multiple administrative functions. Her decision-making skills were very much valued and considered an asset for various matters that impacted GEDA.

I also know she has had prior experience and roles within the government serving under the Office of the Governor, Department of Public Works and even the late Speaker Antonio R. Unpingco. Not only has Charlene chosen to serve her community, she also continues to serve her country in the Guam Air National Guard.

I believe appointing Charlene to the Guam Education Board is a wise choice, especially because she is an ambitious person that has spent the majority of her life serving others. She also has the financial management background that will be useful in the decisions that must be made to give our educators and children the tools they need to succeed.

Thank you again for this opportunity to support Charlene and ultimately, our Island.
