### II. TESTIMONY & DISCUSSION

**Chairman Michael San Nicolas** opened the floor for individuals wishing to provide public testimony.

**Peter Roy Martinez** read a prepared statement in support of Mr. Untalan's nomination. (see attached)

**Chairman San Nicolas** called the nominee to provide his statement to the Committee.

**Edward Untalan** read a prepared statement. (see attached)

**Chairman San Nicolas** spoke about Mr. Untalan's current experience on the Board and commended him for his leadership as the Board's current chairman. He spoke about the recent bonds that the Airport was issued and asked the nominee about his thoughts on the oversubscription of the bonds with regards to the actual orders.

**Mr. Untalan** explained that many factors may have affected the awarding of bonds and the rate associated with it. He stated that the bond was already priced when the Airport began floating it. He further stated that, although he agreed that the rate could have been brought down, he believed that the demand was driven by the amount of effort that was put in to attract investors. Mr. Untalan further clarified that the bonds issued to the Airport included money for new spending as well as additional grant funding to spend on renovations.

**Chairman San Nicolas** inquired if the Airport had any immediate plans for additional borrowing.

**Mr. Untalan** stated that there are no plans for borrowing in the foreseeable future. He did mention that federal grants have helped to subsidize the expenses at the airport with regards to construction and renovation. However, he cautioned that grant funding eventually diminishes with the completion of projects so there are plans to look at other ways to increase the revenue stream into the Airport. Mr. Untalan mentions that one of the challenges of getting new investors at the Airport is that they are only allowed to enter into an initial five year contract which needs legislative approval in order to extend beyond the initial term.

**Chairman San Nicolas** stated that part of the reason for the need of legislative approval to extend beyond five years is to ensure that the return in investment is realized. He did mention that he is open to revisit the policy and make adjustments that make it more beneficial for all parties involved. Chairman San Nicolas spoke about creating and implementing a biometrics program as it relates to keeping track of visitors who use the visa-waiver program. He asked if the Airport had any plans to implement or invest in a biometrics program.

**Mr. Untalan** stated that the Airport is very interested in working with all the pertinent stakeholders and partners to explore the possibility of a biometrics system. He mentioned that the largest challenge they face is ensuring that all requirements are met by all stakeholders at all levels of government. Mr. Untalan reiterated the willingness of the Airport to work with *I Liheslatura*.

**Senator Aline Yamashita** thanked Mr. Untalan for his willingness to continue serving. She stated that she mentioned in a previous hearing the need to ensure quality customer service at the Airport. She asked Mr. Untalan if he viewed "customer service" as a core value as it relates to Airport operations.

**Mr. Untalan** stated that he wants to ensure that one of the core values he wants to instill is "caring." He said that everyone involved at the Airport needs to care about their jobs, their families, their customers, and their tenants. He stated that he hoped that this would emanate with each employee and stakeholder associated with the Airport.

**Senator Yamashita** asked for clarification on what constitutes non-aeronautical revenue.

**Mr. Untalan** stated that it refers to revenue derived from rental. He mentioned that the Airport has lots of property that can be developed.

**Senator Yamashita** mentioned various ideas for use of the Airport property that needs to be developed and expressed hope that the Airport explores different ideas.

**Mr. Untalan** mentioned that there are several regulations that may have to be met but he is willing to explore the idea.

**Senator Yamashita** asked about noise mitigation for homes, not just in the area surrounding the Airport, but for the entire island.

**Mr. Untalan** stated that there are studies available but he was unsure if any studies included the entire island.

**Senator Frank Aguon, Jr.** commended the leadership of Mr. Untalan. He mentioned that Mr. Untalan has almost perfect attendance at the Board meeting which Sen. Aguon said demonstrates the nominee's commitment to his responsibilities as a member of the Board. He expressed his support for Mr. Untalan's nomination.

**Senator Tony Ada** thanked Mr. Untalan for his service. He commended Mr. Untalan for his attendance at the Board meetings and for the additional time he devotes to his Board responsibilities. He stated his support for the nominee.

**Senator Brant McCreadie** expressed his appreciation for Mr. Untalan's commitment to improving the operations and services at the Airport. He stated his support for the nominee.

**Chariman San Nicolas** stated that his perspective of autonomous government agencies has changed during the course of this term. He stated that autonomous and line agencies must work together to properly serve the entire island of Guam. Chairman San Nicolas stated that he looks forward to working with the Board in the future to improve services for our people and visitors. He concluded by indicating his support for Mr. Untalan's nomination.

**Chairperson**  
**Committee on Aviation, Ground Transportation, Regulatory Concerns, and**  
**Future Generations**  
**32<sup>nd</sup> Guam Legislature**

Hafa Adai Chairperson San Nicolas, distinguished Senators of the 32<sup>nd</sup> Guam Legislature, ladies and gentlemen. My name is Ed Untalan and I am coming again before this body, almost a year and 3 months later, to request your support on my reconfirmation as a member of the Board of Directors for the AB Won Pat Guam International Airport Authority (GIAA).

After being confirmed last year, I originally began my tenure as the Chairperson on the Finance Subcommittee. After the resignation of the former Chairman (Mr. Frank Santos) in September of 2013, and having being unanimously voted by the remaining directors to assume his position, I assumed the role of Chairman on October of 2013.

I have to admit, the last year and three months have been quite exciting, with four main accomplishments: 1) the selection of a new concessionaire; 2) the successful issuance of the 2013 GIAA bonds; 3) the release of an unqualified audit for FY 2012-2013; and, 4) the commencement of the development of the Tiyan parkway.

Going forward, the next couple of years will prove to be even more exciting. With \$150 million in bond and grant funds, the Board has tasked Management to push out as many projects as quickly as possible, not only to benefit the GIAA, but to help stimulate jobs in the construction industry. The two largest projects that are vital and specific to the Airport are the new Arrivals Corridor (\$54 million) and the relocation of the Hold Bag Screening area (\$26 million). While it is estimated that it will take approximately 3 years to complete the Corridor, the Board is pushing to reduce that time line. With its completion, we will be able to finally get rid of those grey dividers and the relocation of the Hold Bag Screening to an area behind the ticket counters would for additional counter space, both leading to a more pleasant customer experience.

During my confirmation hearing last year, I was asked what I wanted to accomplish as a Board member and I had mentioned that I wanted to see a set of Core Values established. Over the last 15 months, I was able to review the organization's Strategic Plan, which had Vision and Mission Statements stated. I also discovered that the Plan has not been updated for a couple of years, many items have been accomplished and it was created via a top-down approach. I have tasked Management to update the Plan, but now through a bottoms-up approach, where the employees would all have input giving them a sense of ownership. Through this plan, I would now like to see these "Core Values" created.

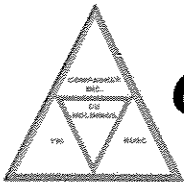

While I have a laundry list of other things I would also like to see accomplished, my desire is to simply transform the GIAA into a property and operation that not only our Island visitors can be proud of, but especially our local people.

Last year I had asked and you provided me with your support. If this body should determine that I am still qualified to continue to serve on the GIAA Board, I will be humbled and honored to do so.

Put respetu,

Ed Untalan

**Re: Edward G. Untalan**

Hafa Adai Senator San Nicolas:

On Thursday, March 20, 2014 Edward G. Untalan is scheduled to appear before your committee for reconfirmation as a member of the Guam Airport Authority Board.

It was a distinct honor and my pleasure for Ed Untalan to have requested for me to submit my personal recommendation in his behalf. Without hesitation or reservation I strongly support continuation of his board membership for the following reasons.

- Ed became one of the most respected and reputable business Executive Leader on Island.
- His educational background as a master of business degree holder speak very well for him as a Bank Manager.
- Mr. Untalan has had the opportunity to have worked in both the private and public employment sectors, as a bank Executive and as the Director of the Government of Guam Economic Development Authority. These employment experiences gave Ed an invaluable working knowledge in how the Guam Economy works.
- I do not have the slightest doubt that his financial background and business acumen made him a valuable contributor to the Airport Authority Board.
- For a couple of years now Ed is a board member of CU Holdings Group of companies where

he has significantly contributed immensely to CU Holding Business Group (Compadres, Inc. TRI, Inc., RUEC, Inc. & Property Development Projects).

- The spiritual orientation part of his life made him a model head of his family.
- Mr. & Mrs. Jose L.G. Untalan must be very proud of their son Ed for what he is today.

Without a moment of hesitation please allow Mr. Ed Untalan his rightful position as a continued member of the Airport Authority Board.

Sincerely,

  
Eduardo G. Camacho

Together with his family, Mr. Untalan has given of his time, talent, and resources in support of numerous church-sponsored events which have benefited both our parish and local communities. Throughout his professional career, I strongly believe that his strong work ethic is a result of his unwavering faith and respect for every person he encounters.

As a priest and a personal friend to Mr. Untalan, the opportunity to offer words of support and encouragement in a public forum, for what is usually reserved in private, gives us pause to reflect on the willing stewards of faith, leadership, and service who are present in our community. I am confident Mr. Untalan will continue to serve our island well as a member of the Board of Directors of the Guam A. B. Won Pat International Airport Authority.

Thank you for the opportunity to provide this testimony and for your utmost consideration of Mr. Untalan's nomination. *Si Yu'us Ma'ase.*

**REFERENCE:** Testimony in Support of Re-Appointments to the GIAA Board  
Edward G. Untalan, Rosalinda E. Tolan and Gurbinder Sobti

Dear Senator San Nicolas:

This testimony is submitted to the Committee on Aviation, Ground Transportation, Regulatory Concerns and Future Generations in full support of the re-appointment of **Mr. Edward G. Untalan, Mrs. Rosalinda A. Tolan, and Mr. Gurbinder S. Sobti**, to the A.B. Won Pat International Airport Authority, Guam (GIAA), Guam Board of Directors.

Individually, these Directors have demonstrated responsible corporate governance throughout their terms of service on the GIAA Board of Directors. Mr. Untalan has served since 2012, Mrs. Tolan since 2011 and Mr. Sobti enters his third non-consecutive term in the GIAA Board of Directors that spans over 20 years and three (3) administrations. They each have distinct aptitude in creating policy and making decisions for what is best for the A.B. Won Pat International Airport Authority, Guam.

Mr. Untalan, Mrs. Tolan, and Mr. Sobti are from very diverse backgrounds. This diversity creates a balanced and fair synergy amongst themselves and other members of the Board, often finding resolution on Airport issues. An example of their service was the September 20, 2013 closing of \$247 Million in Airport Revenue Bonds, which was the most successful municipal bond sale ever in Guam's history.

Also under their oversight, the Airport also closed FY 2013 with a clean audit and posted a \$7M increase in net assets.

Their continued service is much needed to proceed with the \$167 Million in projects with funds from the revenue bonds and federal grants. Key projects include: International Arrivals Corridor, Phase 3 Near Fault Seismic Upgrade, Hold Bag Screening Relocation, Security

Screening Checkpoint, Flight Information Display System, Integrated Passenger Loading Bridge Replacement, Common Use Check in Facilities, Fuel System Improvements, Parking Expansion, Interisland Passenger Facility, Aircraft Rescue and Fire Fighting Facility Replacement, Cargo Apron Relocation, Replacement of Terminal Seating, Access Control and Security Improvements, and Terminal Flooring Replacement, along with other capital improvements, additions, and extensions to the Airport.

Your favorable consideration to re-appoint **Mr. Edward G. Untalan, Mrs. Rosalinda A. Tolan, and Mr. Gurvinder S. Sobti**, to the A.B. Won Pat International Airport Authority, Guam (GIAA), Guam Board of Directors is greatly appreciated. Should you have any questions, I will be happy to address them.

**Reference: Re-Appointment of Edward G. Untalan to the A.B. Won Pat International Airport,  
Guam Board of Directors**

Dear Senator San Nicolas:

This is to support the re- appointment of **Mr. Edward G. Untalan** to the A.B. Won Pat International Airport Authority, Guam Board of Directors. Appointed in December 2012, Mr. Untalan has served as a member, and then was elected to Chairman of the Board in 2013. He has been committed to creating safe, efficient and economical operations of Guam's only civilian airport and pride of the people of Guam.

Central to his chairmanship, policies that direct management is to be responsive to the airport consumers – the passengers, tenants, airlines and users, be a community player, and an economic catalyst for the island. Under these tenets, the airport has achieved significant milestones during his service on the Board of Directors.

His financial expertise set the tone for the successful sale of 2013 General Revenue Bonds, which led to nearly \$1.7 billion in institutional orders and significantly lower interest rates, which closed in September 2013. Committed to economic opportunity and being a good neighbor, he has directed management to promote the opportunity to businesses, service providers and the community to take part in the over \$150 million dollars in bond- funded capital improvement projects that will greatly enhance airport facilities and services.

It is his public spiritedness and committed civic engagement that Mr. Untalan is able to lead the agency with fiduciary vigilance required of a complex public corporation. On behalf of Airport Management and staff, we are in full support of Governor Edward B. Calvo's re- appointment of Edward G. Untalan to the A.B. Won Pat International Airport Authority, Guam Board of Directors and look forward to a productive and successful relationship under his continued leadership.

Sincerely,
