SENATOR DENNIS G. RODRIGUEZ, JR.

Ms. Amy Sue Santos : (Please see attached written testimony)

Chairman Senator Dennis Rodriguez, Jr.: Thank you very much Ms. Amy Sue and like to my indulgence of my good colleagues, I didn't recognized them the Vice Chair Senator Tony Ada, thank you very much & Senator Chris Duenas , Thank you for joining us. So Mr. Jared and so I can call on Ms. Reyna Calvo

Mr. Jared Ivre: My name is Jared and here to offer my testimony in support to Ms. Hope Pangelinan appointment to the Guam Board of Social Worker. I'm currently Hope's Supervisor as the Medical Social Work Supervisor as the Medical Social Services at Medical of the Pacific so I have the daily opportunity to work with her and see her on the front lines as she serves the patients, clients and families of our hospice families as well as those with significant debilitating illness. Our profession as social work is rooted, values and ethics and I'm sure in your research you know what some are those are. You know Hope is really and all of my years of work and I been a social worker for close to 20 years and I do have a master on social work degree and I advice students and employee on a variety of social work setting. And Hope really thus bring with her a spirit energy and commitment to the values that we hold very dear and our social work profession, and service and her commitment to social justice and special the dignity of the person and the importance of human relationship which probably I would say is one of her greatest attributes and qualities and her interaction & work with families and her commitment to obtaining that very high level of competence. I have full faith of her ability to serve the island of Guam on this capacity. I'm excited as we move forward and gets very exciting and I know Hope is little nervous to be here today, we talk a little bit about it but I can't think of more appropriate appointment to this forth than Hope Pangelinan so Thank you for receiving my testimony.

Chairman Senator Dennis G. Rodriguez, Jr.: Thank you very much Sir. Ms. Rhina Calvo , sorry about that earlier.

Ms. Reyna Calvo: Hafa Adai Senators. My name is Reyna Clavo , I'm a license marriage encounter therapist on our island and I'm here to fully support Hope in this appointment. Ms. Pangelinan , I work side by side with her at the project Karinu so I witness her commitment, her strong work ethic and her generosity of heart. She's someone that's accountable and I cannot say enough good things about Hope Pangelinan. I've seen her she has modeled leadership over at project Karinu and the things she does outside she called to do and she walks the extra mile for that and for the families that she advocated and as well as the children in need so that why I'm here to fully support her and Thank you.

Chairman Senator Dennis G. Rodriguez, Jr. : Thank you very much Ms. Calvo. Vice Chairman, Senator Duenas anything for this panel? Okay, thank you very much and appreciate your testimony. Thank you. Now, I like to call on the appointee, Ms. Pangelinan to please come

SENATOR DENNIS G. RODRIGUEZ, JR.

forward as you come forward I like to recognize your mom and dad who's here in your support. Thank you very much for being here. Thank you.

Ms. Hope Pangelinan: Good afternoon, I like to acknowledge both Chairman and Vice Chairman for being here today and also Senator Duenas. Excuse me I'm so nervous. My name is Hope I humbly like to thank my colleague for being here who is in support of me to be a member of the Guam Social work board. I also like to thank you in considering me on this position and this capacity. I know that is going to be very honorable and full of hard work but energy and like what my colleague say my hard work. I will definitely put out what the role entails. I'd like to share with you a little bit of my background in social and like share my interest. I think I will be a appropriate member to the Guam Social work Board and in the end I hope that , that will be enough information for Senator to decide if I'm the right person to serve the people of Guam and to give justice to the social work profession . My social work career did not start with the bachelor's degree. I like to say that it started as a teenager. I was actively involve with Santa Teresita Catholic Church which is a very renowned Youth Ministry organization at that time it was only 3 ministries up it to 8. I like to say that it wasn't for my faith and my passion to create community change and make a difference for youth members then the profession will not excess today because I will not know what to do. After I graduate with my Bachelors Degree I did work at Dementia at the Family Support Elderly program and also do counseling with Health Services of the Pacific another elderly program and at Project Karinu which deal with children birth to five. I'm currently an individual therapist at American Medical Center and counseling at Health of the Pacific. I got my masters here in Guam but that was quit a journey , I did go off island a couple of times to the University of Baltimore and University of Hawaii, Manoa. In Maryland I was offered an internship with John Hopkinson University the Kennedy Career Institute which is renowned and have been featured on ABC 14 . With me being passionate about my island it did have the same value to me that's why I came back to Guam. And I ended up finishing my masters here. And as I mentioned we work got together and saw the need of licensure in Guam so together as a group we work hard into pushing this board and so I like to thank everyone for being here today. As a member of the social work board I do hope to model the social work value that our interest and ultimately that we do accomplish in the best interest of only our client that we service and costumer protection but also hope that we will advance the social work profession so that those of us here that choose to practice on Guam and those who do come to Guam practice social work will have that opportunity to transfer their licensees co'z I just don't want to hear that their degree is not measurable to those that have received it off island. So I just want to leave that with you and I hope that and hope to be appointed to this board and I hope that I be able to provide all the hard work that necessary. Thank you.

SENATOR DENNIS G. RODRIGUEZ, JR.

Chairman Senator Dennis G. Rodriguez, Jr.: Thank you very much Hope. Senator Morrison, Thank you for joining us this afternoon. First of all congratulation again for your appointment. As you know with your appointment now would allow the board with one chair to officially meet now and start the work to social work, it's very important that we moved forward and as I told you, you have my support and the work you done when you were at project Karinu. And so I thank you for that and expect that your nomination packet will be move forward in the Legislative process.

Ms. Hope Pangelinan: Thank you very much.

Chairman Senator Dennis G. Rodriguez, Jr: Thank you very much. Vice Chairman

Vice Chairman Senator Tony Ada: Thank you Mr. Chair and Hope I'm not familiar with you but I know of you as I'm the chairman of the Hospice advisory board of the Health Services of the Pacific. And all I can say is that the feedback I get from as a Chairman is that are bringing the councilor are doing an excellent job and social workers are doing a good job. Just as excellent as the councilor comfort our families during their most darkest and trouble times and it takes a lot on a person to be a able to do that and still be able to have the energy the strength to carry on and do the other projects that you do have and I think that you have a full plate, you know like project Karinu, HSP and now with the board. My only question is that, would you find being on the board will take time away from HSP or from project Karinu or from other activities that you are involve and would you be able to still give your full attention and a 100% to the board?

Ms. Hope Pangelinan : thank you for that question and I think it's very appropriate. I just wanted to mention that I'm no longer employed with Project Karinu, I'm now employed with Health and Services of the Pacific and part time at American Medical Center so in terms of my commitment, there's something about me that I love is the drive and goals and determination. If I don't have a goal in life then I feel bored out of my mind. I'm always been a part of community change and development like I said since I was a teenager. I think my parents for allowing me to stay up until 2 am to an event but that always been me and when I put my mind to something I drive it home. Like I said I put this out for the betterment of our island and I don't look at this in terms of self interest. I know that this is needed and I was with this in the beginning so I have that passion.

Vice Chair Senator Tony Ada: And I'm glad you do and I'm glad you said it and I think your parents are great inspiration for you. To be there all the time for you and letting you stay up 'til 2 o'clock. And I think with all that said, I believed that you will make an excellent member for this board. And I hope that you continue to do what you do and comfort families the best that you

SENATOR DENNIS G. RODRIGUEZ, JR.

can. And encourage other people and those that you know encourage them to seek the work of social work and let's get more people on board into the social work. Like you said, our island truly thus need it and you have my full support and you have my vote.

Ms. Hope Pangelinan: Thank you Senator Ada

Chairman Senator Dennis G. Rodriguez, Jr: thank you very much, Senator Duenas

Senator Chris Duenas : Thank you Mr. Chairman. Hope I can only say that I would hope that if I ever nervous in front of the panel I have the composure that you have because you done very well so far. You Know Hope you embodied as so many of us Guamanian have and so proud of and I love that you shared with us that you went off island , you sought your education but you feel that it's important to come home and serve your people and to be with your people. I think it's just meant so much to me and it tells me that you're somehow appropriate for this board. Co'z you're an example for all of us, an example for all of us and you make us proud. What I want to say in reviewing your packet is just two things is to see your extensive work and good working with Military families and other situation it shows that you also have brought a diverse exposure and that's what a board member needs to have. It's not just that tunnel vision of one area but you gonna be serving the people of Guam and the basis of service that you bring to the board so I thank for the very appropriate appointment and looking over your qualities. You also have some (inaudible) come up here today and testify on your behalf with no exception for your family being here in full support and I can't see why you been able to be so successful in life . So with that we just close with the fact that my experience as the Director at Youth Affairs, social worker assigned from our caring custody individuals, youth in correction and dealing with our youth program are really at the core of the success of any outcome with children turning their life around. And the one thing that I appreciate that the fact that faith aspect to it because I noticed that at my youth affairs that along with other mired affairs that help our youth turn their life around those who became more active and their faith regardless wither there is mass on Sunday that we have or other services provided by those spiritual guidance that is their largest impact that they have in their lives. The diversity and you have my full support ,I really appreciate you broad diversity and you certainly have my full support please impart your wisdom and work with the board coz I know you guys are gonna do some great things. This legislation is great legislation and is gonna moved Guam in the right direction. Mr. Chairman, thank you and I hope you continue the hard work and you certainly have my vote.

Ms. Hope Pangelinan: Thank you Senator Duenas

Chairman Senator Dennis Rodriguez, Jr: Thank you, Senator Morrison.

SENATOR DENNIS G. RODRIGUEZ, JR.

Senator Tommy Morrison: Thank you Mr. Chairman. Good afternoon and I congratulate you on your nomination by the Governor of Guam. I certainly appreciate your packet a lot of great information for us to review. I apologized to walking in the middle of the interview to hear your testimony. I certainly agree to my colleague statement and look forward to working with you. You have my full support, thank you.

Ms. Hope Pangelinan: Thank you Senator Morrison.

Chairman Senator Dennis Rodriguez, Jr: Thank you Senator Morrison. I want to read this it's in her resume; a hope is not seen is no Hope at all. Hope for what they already have but if we hope for what we did not have we wait for it patiently, Romans 8:24 -25. I think that makes a lot of sense.

Ms. Hope Pangelinan: story of my life

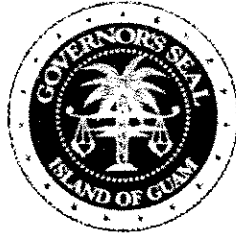

Chairman Senator Dennis Rodriguez, Jr: That's right. Hope again thank you very much. For your commitment to serve our people and capacity as a board member and the social work board. Now that we completed your confirmation hearing we move forward _ and wait for the next legislative session and hope that they entertain them. Okay again congratulation and to the mom and dad congratulations too and to all the social workers, thank you.

Dear Senator Rodriguez:

My name is Amy Sue B. Santos and I am the current President of the National Association of Social Workers (NASW), Guam Chapter. My testimony today is in support of the confirmation for Ms. Hope Pangelinan, MSW for the Guam Social Work Board.

Ms. Hope Pangelinan has been an active member in the social work community since her time as a Bachelor of Social Work student. She has worked with the elderly in the National Family Caregiver Support Program and the youngest population of our community with Project Karinu. She is currently working with Health Services of the Pacific, which is a private home health care company. She was active in the creation of PL 31-250 and in advocating not only for her clients but the social work community of Guam.

As part of the pilot group of Master of Social Work students at the University of Guam, we were pioneers in the current collaboration between the University of Hawaii in Manoa and the University of Guam that has given an avenue for BSW graduates on Guam to acquire a Council on Social Work Education accredited Master of Social Work Degree. She has also acquired her license as an Individual, Marriage, and Family Therapist.

NASW-Guam Chapter is proud to support Ms. Hope Pangelinan for the Guam Social Work Board and are optimistic that you will allow her the chance to serve on this board.

Please do not hesitate to contact me at 482-6157 if you have any questions or concerns.

Thank you for your continued support of the Social Work profession and we look forward to working with you and your staff to protect our consumers.

Sincerely,

REFERENCE: Guam Social Work Board Appointment for Hope Pangelinan, MSW, IMFT

Hafa Adai Senator Rodriguez,

Thank you for the opportunity to write in support of the appointment of Hope Pangelinan, MSW, IMFT, to the Guam Social Work Board. My name is Ovita Rebanio Perez and I am a Professional Social Worker and a licensed Individual, Marriage and Family Therapist (IMFT) on Guam.

As former President of the National Association of Social Workers, Guam Chapter, I have worked with Ms. Pangelinan on the Social Work Reinvestment Initiative (SWRI) committee which helped organized the creation of the Guam Social Work Act under PL 31-250. She was also nominated by the NASW Guam Chapter Board of Directors to serve in the Guam Social Work Board and her name was given to the Honorable Governor Eddie Calvo for his nomination to the Guam Legislature both through my tenure as NASW Guam Chapter President as well as through the leadership of Ms. Amy Sue Santos, current NASW Chapter President.

Ms. Pangelinan received her Bachelor of Social Work, (BSW) and her Master in Social Work (MSW) degrees in 2006 and 2010, respectively. She has worked in various social work settings on Guam and has also received her licensure for Individual, Marriage and Family Therapy through the Guam Allied Health Board. She brings social work ethics, skills, and knowledge to a very high standard, earning respect from her social work colleagues and consumers alike. She is a very committed social worker and I am honored to be her colleague. It is with great confidence that she will provide the Guam Social Work board with the same exemplary commitment.

It is my hope that given her credentials, the Guam Legislature will approve her nomination to the Guam Social Work Board. If you have any questions, please contact me at (671) 727-6843.

Respectfully submitted,

Ovita Rebanio Perez, MSW, IMFT
