RE: Confirmation Hearing, Guam Parole Board

Hafa Adai! Good morning Senators of the 32nd Guam Legislature. I would like to thank the Calvo – Tenorio Administration and you for the opportunity to serve as a Commissioner on the Guam Parole Board.

At this time, I would first like to introduce myself and give you some insight towards my educational achievements and extensive Public Service. A copy of my Resume is also attached to this document for your consideration, need be.

My name is John T. Palomo and I am a voting resident of Dededo. In the 1970's I received an ASSOCIATE OF ARTS Degree and subsequently BBA. I obtained two majors in Public Administration and Business Administration with a Minor in Sociology. I was a candidate for my Master's Degree Program, but did not pursue it.

I have a total of 28 years of Government experience, including my years of Military service. I have accepted Government Appointments to serve as an Interim Program Administrator for the Information Coordinating Committee. I once served as the Deputy Director of the Guam Energy Office, and P.U.A.G. I was also tapped to serve as the Chief of Employment Service for the Department of Labor. I served as the Director of Parks and Recreation and lastly, I worked for Catholic Social Services for 17 years after my Government retirement.

I was temporarily assigned to the Department of Corrections for 1 year under the CETA Program. I was also one of 16 individuals selected to attend the University of Guam's Junior Executive Training Program. While I was in that particular program, I observed and assisted the counselors at the Department of Corrections.

Now that I have been appointed to serve as a Commissioner of the Guam Parole Board, I would like to ensure there will be no conflict of interest if my appointment is confirmed by the Legislature. I would also like to assure the members of the 32nd Guam Legislature and the General Public that I am a man of dedication and loyalty. I have had the opportunity to work with many different kinds of people in the public and private sectors.

Although there may be questions as to whether or not I am suitable to sit as a member of the Guam Parole Board, I would like to assure the Legislature, Administration and General Public that I will dedicate myself, be honest, do the

right thing, follow all policies, procedures, mandates and governing Rules & Regulations in accordance with Guam Law, which pertain to the Parole Board. I will get acquainted with my fellow Commissioners and promise to be extremely fair in any final decision I make as a member of the Parole Board. I do not believe that I can be influenced by any Government Official or family members. The facts related to cases at hand, will be on a case by case basis and my conscience will be my guidance. Thank you for allowing me the opportunity to sit before you today and potentially the opportunity to serve as a commissioner of the Guam Parole Board.

Sincerely,

John T. Palomo
