II. SUMMARY OF TESTIMONY & DISCUSSION

The public hearing was Called-to-Order at 5:32pm.

Chairman Rodriguez invited those who signed up to testify:

Jeff Marchesseault: Please see attached written testimony.

SENATOR DENNIS G. RODRIGUEZ, JR.

Chairman Rodriguez: Thank you. Mr. Baldyga, before you begin your testimony, I would just like to thank you for your leadership in GVB, most especially in responding with the recent tragedy that occurred in Tumon. We would also like to let you know that the Legislature is here to support.

Mark Baldyga: Please see attached written testimony

Senator Yamashita: I want to echo what our Chairman had said. I want to thank you for your efforts as a leader.

Monte Mesa, Appointee: I appreciate the comments and the testimonies and I am here and honored to continue to serve and contribute positively. I look forward to working with all of you as I have in my previous capacity. I look forward to continuing this island paradise to making Guam a place to live and making a place to grow with our family. I would like to try to achieve that in whatever capacity.

Senator Yamashita: I have gotten to know you in the last two years, everywhere I go you are there and you are a very humble person. GEDA, I am learning a lot from GEDA and I ask at the whole buy local campaign you keep that moving and growing with. The farmers coop in Dededo and I would like all schools to buy local. We have 7 and lost one so I want to know what happened. We would live to see that be a priority. I hope you are looking at transportation to help our people. As it also affect economic development. We met with GEDA and talking about the regional health distribution center plan and I am wondering what you think about that?

Monte Mesa: I believe that there is an opportunity in that regard. I can see that report and dealing with national retailers and off course a lot of manufacturing is done in Asia. I know that the shipping channels to China and the West Coast can sometimes be challenging and maybe temporarily disrupted. I saw that study and that can be an opportunity for Guam in regards to dock where we can bring ships to Guam or fly merchandise to the US. Again, these are for high valued brands that want to be first in the shelves in the market. We would like to see an opportunity for Guam to serve as a hub, potentially, as an option for distribution.

Senator Yamashita: Is that something we can talk about a little bit more at another time?

Monte Mesa: Yes. Again, it can be a certain interest of particular brands but there are more viable options that can be developed. We hope to be fruitful in a 3-5 year strategy based on what the business model is.

Senator Yamashita: My concern is that, when the industry takes a dip, we all know what happens. I really want to see to diversify our economic development. I really hope that we can do new things as well and that all people are welcomed to be trained in the industry. I look forward

to sitting down with you and discussing more of this.

Senator Morrison: What will be your top priority going into GEDA?

Monte Mesa: One of them would be attracting hotel investments. Second, a long term strategy would be developing the cruise industry. I think that as the critical mass of source market focuses onto Asia, a tropical paradise destination, like Guam and the Micronesia, can be something like what the Carribean has done for the cruise industry. I see that future where Guam can be a crossroad between China and Australia. Another option that I am passionate about is the Buy Local products. I have been observing the strategy of what the Chamorro Village was set up to do. I am looking to push for made in Guam products as we establish a great marketing effort. I have stated to GVB as one of my priorities to creating a marketing effort to attract visitors to come here. Now I have developed a plan that I will introduce with GEDA. I know they now have a step grant that can be an avenue to provide our local carvers or weavers which will enable them to produce made in Guam products.

Senator Morrison: I am not sure if you are aware of another initiative that has been discussed which is the "Eat Local"

Monte Mesa: No, not yet but I will definitely look into and how we can continue to foster that

Senator McCreadie: What is your solution in giving small businesses that work hard but fall short in capital and at the same time not needing the government being in the way of their progress? How would you market cultural arts and/or the night market?

Monte Mesa: I think one of the ways is where GEDA can assist. The Federal grants are supposed to give opportunities for small businesses to succeed. I think that as we continue to bring awareness to these grants, there is a significant amount to support small businesses that has a lot of restriction. In this, they can show that there is a lot of viability in their products or service and as long as they comply with all the reporting and measuring of their continual progress, hopefully help them in their endeavors. The STEP grant can encourage them more because there is assistance that can help them.

Senator McCreadie: I think that it is important to educate them with the available grants as well facilitating nit to make sure that their businesses are sustainable.

Senator Limtiaco: I have a high regard for you and your experience and you have my support.

Senator pangelinan: In what other capacity have you recently served in a commission for the government of Guam?

Monte Mesa: I served on the GVB Board as an elected member and I served as a Chairman for

the Port Authority on Guam.

Senator pangelinan: The one that Governor Calvo said that corruption was pervasive at the Port and that what we're seeing in the most recent issues at the port is that the tip of the ice in terms of corruption at the Port. Are you familiar with any corruption at the Port? How long was your service as a Chairman at the Port?

Monte Mesa: I served six years as Chairman.

Senator pangelinan: Six years. Did you see any corruption at the port?

Monte Mesa: Not when I was in charge of it.

Senator pangelinan: So, you think they were hiding it from you that you couldn't see any corruption at the Port, or it just wasn't there?

Monte Mesa: It wasn't apparent to me, at the time I was there. We were looking for a master plan and getting the funding for it and we succeeded and got \$50 million from the Department of Defense who supported our plan. There was corruption at the Port and you are saying that you didn't see it and that they hid it from you really well. I just see a problem that you don't have the capacity, if Governor Calvo is correct, to find, see, or smell any corruption that can occur and they appoint you to another agency. He would call your agency under your direction under a policy perspective, a leadership perspective, and everybody reporting to you and that there was nothing there that you saw that was corrupt or was not in the public interest at all. Then, Governor Calvo comes in a year and say that it's in the tip of the ice berg, corruption is pervasive, I have to change the manager and take the manager somewhere else. I have a problem with that. You know that I am a blunt, honest person, and sometimes people do not appreciate that. They just know that's just the way I am. For me that is a mixed message that he would take the same p[people he blames for corruption and take them somewhere else where they are in the same position. What is going to occur?

Monte Mesa: I disagree with you, Senator. I think you painted a broad brush on the situation. Again, it was an alleged mismanagement..

Senator pangelinan: The Governor said it was not alleged. He had the Port reported to the FBI, the Attorney General. If it's alleged it would be written as alleged that there was corruption at the p[ort and that it was pervasive and it occurred under your watch as well.

Monte Mesa: I disagree with that. That is not how the story went out in the paper. There was no reference to me as a Chairman...

Senator pangelinan: "to the management and leaders of the Port," that's what he said, and you're Chairman, Committee on Health & Human Services, Health Insurance Reform, Economic Development, & Senior Citizens

a part of that.

Monte Mesa: I'm not aware of that when I was a Chairman there. Looking at the long term vision, looking at what the Port needs in the master plan development because that was the focus at the time. Again, I disagree of your reading of the situation in saying that my leadership was corrupt.

Senator pangelinan: Again, that is what the Governor said on his press release.

Monte Mesa: I think that's misleading because I don't think he named me.

Monte Mesa: In light of that message, in leading GVB for ten years, we've accomplished and came back in a very remarkable fashion despite the tsunami in Japan. I think those are some that we need to look at in positive aspects.

Senator Rodriguez: You spoke about the STEP grant in GEDA, are you familiar with the SSBCI program, a 13.1 million grant received from the US treasury. As an incoming member, I ask that you also push for that and promote it to our small businesses.

Senator Yamashita: your vision to help small businesses and I hope you get GEDA to talk to agriculture to get agencies together. Wish you the best of luck.

Hafa Adai Senator Rodriguez:

I am currently off-island and am sending this letter of support to you prepared by my office for Mr. Monte Mesa's executive appointment to the Guam Economic Development Authority (GEDA).

Mr. Mesa has a wealth of private sector experience and government board experience that is sure to aid GEDA in developing and working through the various options and opportunities GEDA must address for economic development for our island. I have no doubt that he will be an asset to the GEDA board and our island.

Thank you for allowing me to provide this brief but direct testimony. I am available for any questions related to this letter of support.

Re: Executive Appointment of Monte Del Mar Mesa to the Board of the Guam
Economic Development Authority

Dear Senator Rodriguez,

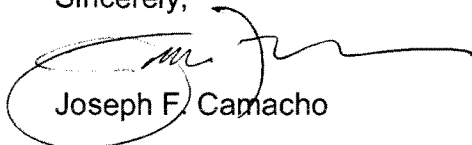

I am writing in support of the legislature's confirmation of Monte Mesa to the
GEDA Board. In the past, I served alongside Monte on both the Guam Visitors
Bureau and the Port Authority of Guam Boards.

Monte is genuinely interested in making improvements to our community for the
long-term benefit of Guam and her people. He carries out his board duties with a
great deal of passion and enthusiasm. He brings to the table a proven track
record of successful leadership in business and government. Monte can be
counted on to get the job done.

Having served on the Boards of GVB and the Port Authority of Guam, he is well
versed in the most critical drivers of economic development for the territory. He
will add an element of diversity and fresh perspective to the GEDA board.

I respectfully recommend that Monte be confirmed to the GEDA Board position to
which he has been appointed.

Sincerely,

Joseph F. Camacho

Re: *Appointment of Monte De Mar Mesa as Member,*
Guam Economic Development Authority

Hafa Adai Senator Rodriguez,

Liz and I wholeheartedly support the nomination of Monte Mesa to the Guam Economic Development Authority Board of Directors. In our opinion, Monte is perhaps second only to Bert Unpingco as Guam's foremost promoter. Monte brings extensive business promotions experience to GEDA and should be able to provide valuable insight and smart recommendations to the programs and initiatives of the Authority.

We recommend swift confirmation of his appointment.

Håfa Adai, Senator Dennis Rodriguez:

I am writing in support of Mr. Monte Delmar Noda Mesa as a member of the Guam Economic Development Authority (GEDA) board of directors.

I have know Mr. Mesa for several years and I have personally witnessed his commitment and dedication to the island community. As former board chairman of the Guam Visitor's Bureau to his board membership at Pa'a Taotao Tano' and now as a board member to the Guam Nikkei Association, Mr. Mesa's diligence and pro-active approach has lent credence to many programs and projects that have been of great benefit to these entities. Further, his business acumen has been tremendous having span several decades. He is professional, honest, responsible and detail oriented, which are all noteworthy assets to his involvement with the Guam Economic Development Authority.

I won't be able to attend the public hearing tomorrow at the Guam Legislature so I am humbly submitting this written testimony in support of his nomination.

Chairman Dennis Rodriguez
Re: Nomination Monte Mesa GEDCA Board
Feb 20, 2013

Hafa Adai Mr. Chairman,

Please accept my most heartfelt endorsement of Monte Mesa to the GEDCA Board of Directors. He will serve Guam well, I am confident of that.

My personal work experience with Monte Mesa was in his capacity as Chairman of the GVB Board of Directors and I was the Chief of Staff to Lt Governor Mike Cruz, who was often in the Acting Governor capacity.

The reason Mike Cruz was in the acting capacity so often is because Governor Felix Camacho and Monte Mesa were off island developing tourist markets for Guam in China and Russia.

The work Monte did in leading the Camacho-Cruz administration into developing new tourism markets for Guam is the main reason why I am so sure he is such a right fit for the GEDCA Board of Directors. He is a business leader and a dedicated son of Guam who happens to also have a creative vision. He will be able to guide Guam's economic development into new markets while strengthening existing ones.

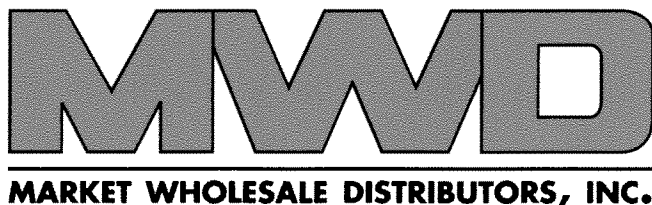

It is important also to note that as a businessman, Monte must stay glued to all things having to do with employee rights and needs, market trends, entrepreneurs, new product development, incoming and outgoing businesses. In short, he has his finger on the pulse of Guam's economic sector.

And finally, I would like to also point out that he has a tremendous track record of community involvement. My most recent conversation with him was about a project with DOE to use vacant warehouse space on a temporary basis to sort donated books from the Guam school system.

I find that Monte will use all his abilities and resources to make Guam a better place for all of us and I find this quite admirable.

Please confirm Monte Mesa to the GEDCA Board of Directors,

Hafa Adai Chairman Rodriguez,

I am honored to have this opportunity to provide written testimony in support of the confirmation of Mr. Monte Mesa as a Board Member of the Guam Economic Development Authority (GEDA). I have known him on a personal and professional level for the past 15 years.

Throughout the time that I have known Monte, he has been actively involved in the Business, Civic, Social, and Cultural Realms of our Island. I first met Monte in my capacity as Executive Director of Sanctuary, Incorporated. He has always been supportive of community organizations which help those in need. He has supported organizations like Sanctuary, the Guam Girl Scouts, the American Red Cross, and Catholic Social Services through donations and volunteerism. He has also served on numerous government boards such as the Guam Visitors Bureau and Port Authority of Guam. In addition, Monte is active in projects which promote/preserve our Chamorro Culture. Aside from his work with GVB (most notably the Hafa Adai campaign while he was chairman), he also is a part of Pa'a Tao Tao Tano and the Guam Museum Foundation. Monte is most known for his role as General Manager of the Guam Premier Outlets. One need only look at the success and progress of the center to see his capabilities in the Private Sector. In all the different roles he has held, Monte has demonstrated he is a professional, intelligent, hardworking individual who has the diverse set of knowledge and skills; coupled with a strong desire to help our community, which I believe will make him an invaluable asset for the Board. It is without question that he possesses the background in all facets of our community that will assist in forwarding GEDA's mission to develop programs which foster economic development, preserve & promote our local culture, as well as improve our island's quality of life.

It is for this reason that I wholeheartedly support his confirmation and respectfully encourage the members of the committee to confirm his nomination.

Sincerely,

Christine Baletto
General Manager

Chairman Rodriguez , Vice Chairman Ada and members of the Committee.

I am in favor the confirmation of Monte Mesa to the GEDA Board.

Monte Mesa has been the Treasurer and now is the Chair of Pa'a Taotao Tano' and has been instrumental in our progress and the successes of this organization. His demonstrated skills in the business community and government and non profit Boards will be a tremendous asset to the GEDA Board.

On a personal note, Monte is dedicated to servicing his community and commits himself to all his public service efforts.

On behalf of myself and Pa'a Taotao Tano' we offer our support for Monte Mesa's confirmation to GEDA Board.
