Former Senator Jess Q. Torres, Vice Chairman, GIAA Board of Directors

II. TESTIMONY & DISCUSSION

Please note that Chairman Michael San Nicolas heard the nominations of Ms. Rosalinda Tolan and Mr. Gurvinder Sobti concurrently.

Chairman Michael San Nicolas called the nominees forward as well as Peter Roy Martinez, Jess Q. Torres, and Mayor Joanna M. Blas to testify. He asked Ms. Tolan if she was a resident of Asan-Maina and stated that it was good to have the support of one's mayor.

Mr. Peter Roy Martinez read his testimony in support of the nominations of Ms. Tolan and Mr. Sobti (see attached). He spoke on the successes of the Airport including the closing of the airport revenue bonds and the securing of federal funding that is being invested in key projects.

Former Senator Jess Q. Torres, Vice Chairman GIAA Board, spoke in favor of the nominations. He stated that the various backgrounds of the current Board members benefit the Airport and have helped it become well managed and profitable.

Mayor Joanna M. Blas spoke in favor of the nomination of Rosalinda A. Tolan. She stated that Ms. Tolan is active in many community organizations and is committed to the causes of each organization.

Ms. Rosalinda Tolan read a prepared statement (see attachment). She touted the improvements to the Airport operations and services during her tenure on the Board. She asked for favorable support of her nomination.

Mr. Gurvinder Sobti read a prepared statement (see attached). He expressed his gratitude for the support and approval of the Legislature for his previous confirmation to the Board. He further spoke about his commitment to enhance services for visitors and to create a more dynamic working environment for current employees and stakeholders. He asked for favorable support of his nomination.

Chairman San Nicolas thanked the nominees for their willingness to serve. He further spoke about the important role that the Airport holds for our island as it is the gateway for our island's tourism. He stressed the importance of having the proper planning and systems in place as our island moves forward to pursue the various visa programs being looked into. Chairman San Nicolas asked the nominees if they were in favor of prioritizing the acquisition of a state of the art biometrics system to help facilitate the incorporation of the Chinese and Philippine visa waiver program currently being pursued.

Ms. Tolan supports the idea as long as all applicable federal and local laws are followed, and it benefits Guam.

Mr. Sobti stated that, although not well-versed on the subject, he fully supports a system that will help facilitate any increase in visitor arrivals.

Chairman San Nicolas stated that the community benefits when we can diversify our visitor base. He stressed the importance of being proactive in obtaining a state of the art system adding that our local government should not just wait for federal approval or support but ensure that we are prepared and the necessary parts are already in place.

Senator Frank Aguon, Jr. mentioned that both nominees had high attendance at the meetings during their respective time on the Board, which is a reflection of their commitment to the position. He mentioned the educational and civic backgrounds of both nominees. Senator Aguon stated his support for both nominees.

Senator Aline Yamashita thanked the nominees for their prior service. She spoke about the need to improve the customer service for families and communicate important information to the public. Additionally, she asked if the standards of service have improved, and how are they addressed.

Mr. Sobti stated that improvements in customer service and facility maintenance have been made.

Senator Yamashita asked how the Board will ensure that an acceptable standard of service remains paramount and is being delivered to both visitors and locals.

Ms. Tolan stated that she believes that the customer service at the Airport is doing well and said that if a specific problem is brought up, they will address it.

Senator Yamashita asked if a policy that ensures customer service is paramount at all levels exists. She stressed the importance of continuous training.

Ms. Tolan stated that the Airport administration evaluates the quality of customer service being provided by its employees and vendors.

Senator Brant McCreadie thanked the nominees for their service. He stated his confidence in the nominees as well as the entire Board. He mentioned that there will always be problems but believes that the problems are being addressed and solved. Senator McCreadie indicated his support for the nominees.

Chairman San Nicolas again thanked the nominees for their willingness to serve. He stated that he looked forward to continued progress at the Airport.

TESTIMONY
OF
GURVINDER S. SOBTI
MEMBER OF THE BOARD OF DIRECTORS FOR THE
ANTONIO B. WON PAT INTERNATIONAL AIRPORT AUTHORITY, GUAM

CONFIRMATION HEARING BEFORE THE
COMMITTEE ON AVIATION, GROUND TRANSPORTATION, REGULATORY
CONCERNS and FUTURE GENERATIONS
THIRTY-SECOND GUAM LEGISLATURE
10:00 A.M., THURSDAY, MARCH 20, 2014

Good Morning and Hafa Adai, Mr. Chairman and Members of this esteemed Committee. It seems it was just yesterday that I was before you and, yes, it was just this past October since I was filling in for the remaining term of a prior board member. I sincerely appreciate the recent support and approval from this committee and the entire legislative body. I am before you once again for this confirmation hearing to continue my public service as a member of the Board of Directors for the A.B. Won Pat International Airport Authority, Guam (GIAA). I believe the term is longer than 5 months this time around.

I would like to thank Governor Eddie Calvo for having the continued trust and confidence to re-appoint me to the GIAA board.

In the few short months on the GIAA Board, I am seeing a greater emphasis and renewed focus on service. Many of our capital improvement projects and other programs are expected to improve the passenger experience and create a sense of place – the sense of Guam for our only airport. We are committed to enhance services to our island community whom travel through or visit their airport. We are committed to creating a safer, secure and more dynamic working environment for the 6000 employees from GIAA and our stakeholders.

In the months ahead, my colleagues and I on the Board look forward to a closer collaboration with the legislative branch. Only with positive legislative intervention can the airport succeed with its programs and stimulate unprecedented economic development and job creation.

I humbly ask for your confidence and support by allowing me and my colleagues here today, Chairman Untalan and Director Tolan to continue our public service as members of the GIAA Board of Directors.

Thank you and Si Yuus Maase.

REFERENCE: Testimony in Support of Re-Appointments to the GIAA Board
Edward G. Untalan, Rosalinda E. Tolan and Gurbinder Sobti

Dear Senator San Nicolas:

This testimony is submitted to the Committee on Aviation, Ground Transportation, Regulatory Concerns and Future Generations in full support of the re-appointment of **Mr. Edward G. Untalan, Mrs. Rosalinda A. Tolan, and Mr. Gurbinder S. Sobti**, to the A.B. Won Pat International Airport Authority, Guam (GIAA), Guam Board of Directors.

Individually, these Directors have demonstrated responsible corporate governance throughout their terms of service on the GIAA Board of Directors. Mr. Untalan has served since 2012, Mrs. Tolan since 2011 and Mr. Sobti enters his third non-consecutive term in the GIAA Board of Directors that spans over 20 years and three (3) administrations. They each have distinct aptitude in creating policy and making decisions for what is best for the A.B. Won Pat International Airport Authority, Guam.

Mr. Untalan, Mrs. Tolan, and Mr. Sobti are from very diverse backgrounds. This diversity creates a balanced and fair synergy amongst themselves and other members of the Board, often finding resolution on Airport issues. An example of their service was the September 20, 2013 closing of \$247 Million in Airport Revenue Bonds, which was the most successful municipal bond sale ever in Guam's history.

Also under their oversight, the Airport also closed FY 2013 with a clean audit and posted a \$7M increase in net assets.

Their continued service is much needed to proceed with the \$167 Million in projects with funds from the revenue bonds and federal grants. Key projects include: International Arrivals Corridor, Phase 3 Near Fault Seismic Upgrade, Hold Bag Screening Relocation, Security

Screening Checkpoint, Flight Information Display System, Integrated Passenger Loading Bridge Replacement, Common Use Check in Facilities, Fuel System Improvements, Parking Expansion, Interisland Passenger Facility, Aircraft Rescue and Fire Fighting Facility Replacement, Cargo Apron Relocation, Replacement of Terminal Seating, Access Control and Security Improvements, and Terminal Flooring Replacement, along with other capital improvements, additions, and extensions to the Airport.

Your favorable consideration to re-appoint **Mr. Edward G. Untalan, Mrs. Rosalinda A. Tolan, and Mr. Gurvinder S. Sobti**, to the A.B. Won Pat International Airport Authority , Guam (GIAA), Guam Board of Directors is greatly appreciated. Should you have any questions, I will be happy to address them.

Pedro Roy Martinez
